If the corporation operates on a fiscal year basis, the reports shall be filed on or before the fifteenth day of the fourth month following the close of each fiscal year. The reports shall cover operations for the preceding calendar or fiscal year, as the case may be. (2) A corporation may change its reporting period from a calendar year to a fiscal year, or from a fiscal year to a calendar year, by securing written permission from the ***department***[~~cabinet~~]. If a corporation so changes its basis of reporting, the first report filed on the new filing date shall cover operations for the period between the close of the old accounting period and the close of the new accounting period. The assessment of value shall be computed in the same manner as on any other return, but the tax due shall be computed on that proportionate part of the assessment that the period between the close of the old accounting period and the close of the new accounting period bears to the entire twelve (12) month period.

(3) In any case where two (2) or more corporations merge, consolidate or otherwise combine into a single corporation after the

close of the taxable year, but before the beginning of the succeeding taxable year, all factors used to determine the corporation license tax assessment shall be computed on the basis of the consolidated accounting records of such corporations.

Section 183. KRS 136.120 is amended to read as follows:

(3) The ***Department of*** Revenue[~~ Cabinet~~] shall have sole power to value and assess all of the property of every corporation, company, association, partnership, or person performing any public service, including those enumerated above and all others to whom this section may apply, whether or not the operating property, nonoperating tangible property, or nonoperating intangible property has heretofore been assessed by the ***department***[~~cabinet~~], and shall allocate the assessment as provided by KRS 136.170, and shall certify operating property liable to local taxation and nonoperating tangible property to the counties, cities, and taxing districts as provided in KRS 136.180. All of the property assessed by the ***department***[~~cabinet~~] pursuant to this section shall be assessed as of December 31 each year for the following year's taxes, and the lien therefor shall attach as of the assessment date. In the case of a taxpayer whose business is predominantly nonpublic service and the public service business in which he is engaged is merely incidental to his principal business, the ***department***[~~cabinet~~] shall in the exercise of its judgment and discretion determine, from evidence which it may have or obtain, what portion of the operating property is devoted to the public service business subject to assessment by the ***department***[~~cabinet~~] under this section and shall require the remainder of the property not so engaged to be assessed by the local taxing authorities.

Section 184. KRS 136.130 is amended to read as follows:

(2) The report shall cover the period of twelve (12) months ending December 31. The ***department***[~~cabinet~~] may change the date of the reports to conform to any change in date established by federal regulations.

(3) If any corporation is in the hands or under the control of a receiver or other person, by order of a court, the receiver or other person shall make the reports required by this section and by KRS 136.140.

(4) All public service corporations included in KRS 136.120 shall file with the report required by subsection (1) of this section a copy of all reports to their stockholders and a complete copy of their report to the Kentucky regulating authority for the year ending December 31.

(5) The ***Department of*** Revenue[~~ Cabinet~~] may grant an extension of thirty (30) days to file the public service property tax return when, in its judgment, good cause exists. The ***department***[~~cabinet~~] shall keep a record of every extension and the taxpayer shall attach a copy of the approved extension to his return when filed.

(6) A taxpayer may be granted a thirty (30) day extension for filing the public service company property tax return if it requests the extension before the due date of the return and includes with the extension request a report of any increases or decreases in property of fifty thousand dollars ($50,000) or more in any taxing district.

Section 185. KRS 136.132 is amended to read as follows:

(1) Each corporation included in KRS 136.120(1) shall annually, when filing the report required by KRS 136.130, provide to the ***Department of*** Revenue[~~ Cabinet~~] a listing of all motor vehicles and trailers operated, owned, or leased by it which are subject to registration in Kentucky with the latest registration or certificate number issued to such motor vehicle or trailer and the make, model and year of each vehicle.

(2) The ***Department of*** Revenue[~~ Cabinet~~] shall, when valuing the property of corporations or companies assessable by it, value the vehicles at no less than the value used by the property valuation administrator.

(3) In certifying the assessment of property of public service companies subject to local taxation, the ***department***[~~cabinet~~] shall separately certify the amount of the assessment representing the valuation of motor vehicles and trailers or an apportionment thereof.

Section 186. KRS 136.150 is amended to read as follows:

If any corporation fails to report as required by KRS 136.130 and 136.140 on or before April 30 of each year, or May 30 if the ***Department of*** Revenue[~~ Cabinet~~] has granted the corporation an extension, the ***Department of*** Revenue[~~ Cabinet~~] shall ascertain the required facts and values in such manner and by such means as it deems proper, at the cost of the corporation failing to make the report.

Section 187. KRS 136.160 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall determine the fair cash value of the operating property of a domestic public service corporation as a unit. The fair cash value of the operating property shall be equalized.

(2) The ***Department of*** Revenue[~~ Cabinet~~] shall determine the fair cash value of the operating property of a foreign public service corporation or a domestic public service corporation with property or routes in Kentucky and outside Kentucky as a unit according to subsection (1). The fair cash value of the operating property everywhere valued as a unit shall be apportioned to Kentucky based on the average of the property factor and the business factor. The fair cash value of the operating property in Kentucky shall be equalized.

  (a) The property factor shall fairly reflect the amount of operating property operated, owned, or leased in Kentucky compared to the total amount of operating property operated, owned, or leased everywhere. An allocable portion of the rolling stock, aircraft, and watercraft of a common carrier shall be included in the operating property, operated, owned, or leased in Kentucky. This factor may be a single factor or an average of several factors.

  (b) The business factor shall fairly reflect the utilization of the operating property operated, owned, or leased in Kentucky compared to the utilization of the operating property operated, owned, or leased everywhere. This factor may be a single factor or an average of several factors.

(3) The nonoperating tangible and nonoperating intangible property of public service corporations whose operating property is valued according to either subsection (1) or (2) shall be valued by the ***Department of*** Revenue[~~ Cabinet~~] in the same manner and according to the same standards as if this property were valued by the property valuation administrator in the county where the property has a taxable situs.

Section 188. KRS 136.170 is amended to read as follows:

The ***Department of*** Revenue[~~ Cabinet~~] shall allocate the assessed value of the operating property in this state among the counties, cities, and other taxing districts. The location of operating property and the proportion which the length of line or route operated in such taxing district bears to the total length of lines or route operated in this state shall be considered in this allocation and such other reasonable evidence of value as the ***Department of*** Revenue[~~ Cabinet~~] may by regulations prescribe; provided, however, that the assessed value of nonoperating tangible property shall be allocated to the county, city, or other taxing district where the property is situated.

Section 189. KRS 136.180 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall, immediately after fixing the assessed value of the operating property and other property of a public service corporation for taxation, notify the corporation of the valuation and the amount of assessment for state and local purposes. When the valuation has been finally determined, the ***department***[~~cabinet~~] shall immediately certify, unless otherwise specified, to the county clerk of each county in which any of the operating property or nonoperating tangible property assessment of the corporation is liable to local taxation, the amount of property liable for county, city, or district tax.

(2) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any

additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(3) The ***Department of*** Revenue[~~ Cabinet~~] shall compute annually a multiplier for use in establishing the local tax rate for the operating property of railroads or railway companies that operate solely within the Commonwealth. The applicable local tax rates on the operating property shall be adjusted by the multiplier. The multiplier shall be calculated by dividing the statewide locally taxable business tangible personal property by the total statewide business tangible personal property.

(4) The ***Department of*** Revenue[~~ Cabinet~~] shall annually calculate an aggregate local rate for each local taxing district to be used in determining local taxes to be collected for railroad carlines. The rate shall be the statewide tangible tax rate for each type of local taxing district multiplied by a fraction, the numerator of which is the commercial and industrial tangible property assessment subject to full local rates and the denominator of which is the total commercial and industrial tangible personal property assessment. Effective January 1, 1994, state and local taxes on railroad carline property shall become due forty-five (45) days from the date of notice and shall be collected directly by the ***Department of*** Revenue[~~ Cabinet~~]. The local taxes collected by the ***Department of*** Revenue[~~ Cabinet~~] shall be distributed to each local taxing district levying a tax on railroad carlines based on the statewide average rate for each type of local taxing district. However, prior to distribution any fees owed to the ***Department of*** Revenue[~~ Cabinet~~] by any local taxing district under the provisions of subsection (4) of this section shall be deducted.

(5) The certification of valuation shall be filed by each county clerk in his office, and shall be certified by the county clerk to the proper collecting officer of the county, city, or taxing district for collection. Any district which has the value certified by the ***department***[~~cabinet~~] shall pay an annual fee to the ***department***[~~cabinet~~] which represents an allocation of ***department***[~~cabinet~~] operating and overhead expenses incurred in generating the valuations. This fee shall be determined by the ***department***[~~cabinet~~] and shall apply to valuations for tax periods beginning on or after December 31, 1981.

Section 190. KRS 136.181 is amended to read as follows:

Boats, tugs, barges, and other watercraft of any nonresident person, corporation, partnership, or any other business association whose route or system is partly within this state and partly within another state or states, shall be valued by the ***Department of*** Revenue[~~ Cabinet~~] for purposes of taxation and shall be assessed as of January 1 each year by the ***Department of*** Revenue[~~ Cabinet~~]; and the ***department***[~~cabinet~~] shall fairly divide, allocate, and certify such assessments to each county, city, town, or other taxing district within this state, within or through which such route or system is operated, the division, allocation, and certification to be determined in the following manner:

(1) The proportion of the value of the property which the length of the lines or route operated in this state bears to the total length of lines or route operated in this state and elsewhere, shall be considered in fixing the value of the property for taxation in this state. Any other reasonable evidence of value shall be considered in fixing the value, but such evidence must be prescribed by ***department***[~~cabinet~~] regulations;

(2) After ascertaining the portion of the system valuation of such property attributable to this state, the ***Department of*** Revenue[~~ Cabinet~~] shall allocate the value of the property among the counties, cities, towns, and other taxing districts. The taxes on the above property shall become due at the same time and shall be subject to the same discount and penalties as provided by KRS 134.020, and shall be collected in the same manner as taxes on other tangible property; except that the state tax on such property shall be collected directly by the ***Department of*** Revenue[~~ Cabinet~~].

Section 193. KRS 136.184 is amended to read as follows:

Any taxpayer who has been assessed by the ***Department of*** Revenue[~~ Cabinet~~] in the manner outlined above shall have thirty (30) days from the date of the ***department's***[~~cabinet's~~] notice of the tentative assessment in which to protest and ask for a change thereof in the manner provided by KRS 131.110.

Section 194. KRS 136.186 is amended to read as follows:

When the ***Department of*** Revenue[~~ Cabinet~~] has made a final determination as to the valuation of any such property owned or operated by such nonresident person, corporation, partnership or other business association, it shall immediately certify the amount thereof to the county clerk of each county in which any such property is liable for taxation. The certification shall be filed by each county clerk in his office and the county clerk shall certify to the proper collecting officer of the county, city, town, or taxing district for collection.

Section 195. KRS 136.1873 is amended to read as follows:

(1) Notwithstanding the provisions of KRS 132.487, trucks, trailers, tractors, semitrailers, and buses of any person, corporation, partnership, or any other business association whose route or system is partly within this state and partly within another state or states, shall be assessed by the ***Department of*** Revenue[~~ Cabinet~~] for purposes of taxation as of January 1 each year.

(2) The proportion of miles operated in this state compared to the total miles operated everywhere shall be considered in fixing the value of the property for taxation. Other reasonable evidence shall be considered in fixing the value. However, pick-up and delivery vehicles operating from a terminal within this state or vehicles which do not leave this state in the normal course of business shall not be valued on an apportioned basis.

Section 196. KRS 136.1875 is amended to read as follows:

On or before April 15, 1991, and each year thereafter, each person, corporation, partnership, or other business association owning or operating trucks, tractors, trailers, semitrailers, and buses whose route or system is partly within this state and partly within another state or states, shall on forms provided by the ***Department of*** Revenue[~~ Cabinet~~] provide the ***department***[~~cabinet~~] with a detailed description of all its vehicles operating within this state along with the necessary mileage data to be used in apportioning the value.

Section 197. KRS 136.1877 is amended to read as follows:

(2) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(3) The state and local taxes on the property are due forty-five (45) days from the date of notice and shall be collected directly by the ***Department of*** Revenue[~~ Cabinet~~].

(4) The ***Department of*** Revenue[~~ Cabinet~~] shall annually calculate an aggregate local rate to be used in determining the local taxes to be collected. The rate shall be the statewide average motor vehicle tax rate for each type of local taxing district multiplied by a fraction, the numerator of which is the commercial and industrial tangible personal property assessment subject to full local rates and the denominator of which is the total commercial and industrial tangible personal property assessment.

(5) The local taxes collected by the ***Department of*** Revenue[~~ Cabinet~~] shall be distributed to each local taxing district levying a tax on motor vehicles based on the statewide average rate for each type of local taxing district. However, prior to distribution any fees owed to the ***Department of*** Revenue[~~ Cabinet~~] by any local taxing district under the provisions of KRS 136.180(5) shall be deducted.

The superintendent of schools in each district in which any franchise-paying corporation, individual, or group of individuals operates shall, on or before the first day of January, 1958, and each year thereafter, furnish to the county clerk, to each franchise taxpayer within the district, and to the ***Department of*** Revenue[~~ Cabinet~~], any changes made in the boundary of his school district during the immediately preceding twelve (12) months.

(2) The engineer of cities of the first class and the city clerk of cities of the second, third, fourth, fifth, and sixth classes shall notify the county clerk, each franchise taxpayer within the city, and the ***Department of*** Revenue[~~ Cabinet~~] of their boundaries in the same manner as required of the superintendent of schools in subsection (1).

(3) The responsible governing official or the chairman of the governing body of any taxing district other than the county, school district, or city shall notify the county clerk, each franchise taxpayer within the district, and the ***Department of*** Revenue[~~ Cabinet~~] of their boundaries in the same manner as required of the superintendent of schools in subsection (1).

(1) Every federally or state chartered savings and loan association, savings bank, and other similar institutions operating solely in Kentucky shall, during January of each year, file with the ***Department of*** Revenue[~~ Cabinet~~] a report containing such information and in such form as the ***department***[~~cabinet~~] may require.

(2) The ***department***[~~cabinet~~] shall fix the total value, as of January 1 of each year, of the capital of each financial institution included in subsection (1) of this section. Capital shall include certificates of deposit, savings accounts, demand deposits,

undivided profits, surplus, and general reserves, excepting the share of borrowing members where the amount borrowed equals or exceeds the amount paid in by those members. The ***department***[~~cabinet~~] shall immediately notify each institution of the value so fixed.

Section 200. KRS 136.310 is amended to read as follows:

(1) Every federally or state chartered savings and loan association, savings bank, and other similar institution authorized to transact business in this state, with property and payroll within and without this state, shall, during January of each year, file with the ***Department of*** Revenue[~~ Cabinet~~] a report containing information and in such form as the ***department***[~~cabinet~~] may require.

(2) The ***Department of*** Revenue[~~ Cabinet~~] shall fix the fair cash value, as of January 1 of each year, of the capital attributable to Kentucky in each financial institution included in subsection (1) of this section. The methodology employed by the ***department***[~~cabinet~~] shall be a three (3) step process as follows:

(a) The total value of deposits maintained in Kentucky less any amounts where the amount borrowed equals or exceeds the amount paid in by those members.

(b) The Kentucky apportioned value of capital shall include undivided profits, surplus, general reserves, and paid-up stock. The Kentucky value of capital shall be determined by a fraction, the numerator of which is the receipts factor plus the outstanding loan balance factor plus the payroll factor, and the denominator of which is three (3).

(c) The values determined in steps (a) and (b) of this subsection shall be added together to determine total Kentucky capital and then reduced by the influence of ownership in tax-exempt United States obligations to determine Kentucky taxable capital. The influence of tax-exempt United States obligations is to be determined from the reports of condition filed with the applicable supervisory agency as follows: the average amount of tax-exempt United States obligations for the calendar year, over the average amount of total assets for the calendar year multiplied by total Kentucky capital. The ***department***[~~cabinet~~] shall immediately notify each institution of the value so fixed.

(3) The receipts factor specified in subsection (2)(b) of this section is a fraction, the numerator of which is all receipts derived from loans and other sources negotiated through offices or derived from customers in Kentucky, and the denominator of which is total business receipts for the preceding calendar year.

(4) The outstanding loan balance factor specified in subsection (2)(b) of this section is a fraction, the numerator of which is the average balance of outstanding loans negotiated from offices or made to customers in Kentucky. The denominator is the average balance of all outstanding loans. The average outstanding loan balance is determined by adding the outstanding loan balance at the beginning of the preceding calendar year to the outstanding loan balance at the end of the preceding calendar year and dividing by two (2). However, if the yearly beginning balance and ending balance results in an inequitable factor, the average outstanding loan balance may be computed on a monthly average balance.

(5) The payroll factor specified in subsection (2)(b) of this section shall be determined for the preceding calendar year under the provisions of KRS 141.120(8)(b) and regulations promulgated thereunder.

(6) By July 1 succeeding the filing of the report as provided in subsection (1) of this section, each financial institution included in subsection (1) of this section shall pay directly into the State Treasury a tax of one dollar ($1) for each one thousand dollars ($1,000) paid in on its Kentucky taxable capital as fixed in subsection (2)(c) of this section. The institution shall not be required to pay local taxes upon its capital stock, surplus, undivided profits, notes, mortgages, or other credits, and the tax provided by this section shall be in lieu of all taxes for state purposes on intangible property of the institution, nor shall any depositor of the institution be required to list his deposits for taxation under KRS 132.020. Failure to make reports and pay taxes as provided in this section shall subject the institution to the same penalties imposed for such failure on the part of the other corporations.

(7) If a financial institution included in subsection (1) of this section selects, it may deduct taxes imposed in subsection (6) of this section from the dividends paid or credited to a nonborrowing shareholder.

Section 201. KRS 136.320 is amended to read as follows:

(b) The fair cash value of the company's intangible personal property exempt from taxation by law.

It shall immediately certify to the county clerk of the county in which the principal office of the company is located the value of "taxable capital" subject to local taxation. The county clerk shall prepare and deliver a bill to the sheriff for collection of taxes collectible by the sheriff and shall certify the value to all other collecting officers of districts authorized to levy a tax.

(1) (a) Every domestic, foreign, or alien insurer, other than life and health insurers, which is either subject to or exempted from Kentucky premium taxes as levied pursuant to the provisions of either KRS 136.340, 136.350, 136.370, or 136.390, shall charge and collect a surcharge of one dollar and fifty cents ($1.50) upon each one hundred dollars ($100) of premium, assessments, or other charges, except for those municipal premium taxes, made by it for insurance coverage provided to its policyholders, on risk located in this state, whether the charges are designated as premiums, assessments, or otherwise. The premium surcharge shall be collected by the insurer from its policyholders at the same time and in the same manner that its premium or other charge for the insurance coverage is collected. The premium surcharge shall be disclosed to policyholders pursuant to administrative regulations promulgated by the commissioner of insurance. However, no insurer or its agent shall be entitled to any portion of any premium surcharge as a fee or commission for its collection. On or before the twentieth day of each month, each insurer shall report and remit to the ***Department of*** Revenue[~~ Cabinet~~], on forms as it may require, all premium surcharge moneys collected by it during its preceding monthly accounting period less any moneys returned to policyholders as applicable to the unearned portion of the premium on policies terminated by either the insured or the insurer. Insurers with an annual liability of less than one thousand dollars ($1,000) for each of the previous two (2) calendar years may report and remit to the ***Department of*** Revenue[~~ Cabinet~~] all premium surcharge moneys collected on a calendar year basis on or before the twentieth (20th) day of January of the following calendar year. The rate shall be calculated using as its base the number of local government units eligible for participation in the funds under applicable statutes as of

To allow the ***commissioner***[~~secretary~~] of revenue to calculate an appropriate rate, the secretary for the Public Protection and Regulation Cabinet and the secretary for the Justice Cabinet shall certify to the ***commissioner***[~~secretary~~] of revenue, no later than January 1 of each year, the estimated budgets for the respective funds specified above, including any surplus moneys in the funds, which shall be incorporated into the consideration of the adjusted rate for the next biennium. On and after July 1, 1999, moneys in this account shall not lapse.

(3) Insurance premium surcharge funds collected from the policyholders of any domestic mutual company, cooperative, or assessment fire insurance company shall be deposited in the State Treasury, and shall be paid monthly by the State Treasurer into the Firefighters Foundation Program fund trust and agency account as provided in KRS 95A.220 to 95A.262. However, insurance premium surcharge funds collected from policyholders of any mutual company, cooperative, or assessment fire insurance company which transfers its corporate domicile to this state from another state after July 15, 1994, shall continue to be paid into the Firefighters Foundation Program fund and the Law Enforcement Foundation Program fund as prescribed.

(4) No later than July 1 of each year, the Department of Insurance shall provide the ***Department of*** Revenue[~~ Cabinet~~] with a list of all Kentucky-licensed property and casualty insurers and the amount of premium volume collected by the insurer for the preceding calendar year as set forth on the annual statement of the insurer. No later than September 1 of each year, the ***Department of*** Revenue[~~ Cabinet~~] shall calculate an estimate of the premium surcharge due from each insurer subject to the insurance premium surcharge imposed pursuant to this section, based upon the surcharge rate imposed pursuant to this section and the amount of the premium volume for each insurer as reported by the Department of Insurance. The ***Department of*** Revenue[~~ Cabinet~~] shall compare the results of this estimate with the premium surcharge paid by each insurer during the preceding year, and shall provide the Legislative Research Commission, the Commission on Fire Protection Personnel Standards and Education, the Kentucky Law Enforcement Council, and the Department of Insurance with a report detailing its findings on a cumulative basis. In accordance with KRS 131.190, the ***department***[~~cabinet~~] shall not identify or divulge the confidential tax information of any individual insurer in this report.

Section 212. KRS 136.525 is amended to read as follows:

(1) A financial institution whose business activity is taxable both within and without this Commonwealth shall apportion its net capital pursuant to the provisions of this section.

(2) Net capital shall be apportioned to this Commonwealth by multiplying total net capital by the apportionment percentage. The apportionment percentage is determined by adding together the financial institution's receipts factor as determined under the provisions of KRS 136.530, property factor as determined under the provisions of KRS 136.535, and payroll factor as determined under the provisions of KRS 136.540 and dividing the sum by three (3). If one (1) of the factors is missing, the two (2) remaining factors are added and the sum is divided by two (2). If two (2) of the factors are missing, the remaining factor is the apportionment percentage. A factor is missing if both its numerator and denominator are zero (0), but it is not missing merely because the numerator is zero (0).

(3) Each factor shall be calculated by the method of accounting used by the financial institution for the taxable year.

(4) If the apportionment provisions of KRS 136.500 to 136.575 do not fairly represent the extent of the financial institution's business activity in this Commonwealth, the financial institution may petition for or the ***department***[~~cabinet~~] may require, in respect to all or any part of the financial institution's business activity, if reasonable:

(a) Separate accounting;

(b) The exclusion of any one (1) or more of the factors;

(c) The inclusion of one (1) or more additional factors which will fairly represent the financial institution's business activity in this Commonwealth; or

(d) The employment of any other method to effectuate an equitable apportionment of the financial institution's net capital.

Section 213. KRS 136.530 is amended to read as follows:

(1) The receipts factor is a fraction, the numerator of which is the receipts of the financial institution in this Commonwealth during the taxable year as determined by subsection (2) of this section and the denominator of which is the receipts of the financial institution within and without this Commonwealth during the taxable year. Receipts shall include the following:

(a) Receipts from the lease or rental of real property owned by the financial institution;

(b) Receipts from the lease or rental of tangible personal property owned by the financial institution;

(c) Interest and fees or penalties in the nature of interest from loans secured by real property;

(d) Interest and fees or penalties in the nature of interest from loans not secured by real property;

(e) Net gains from the sale of loans. Net gains from the sale of loans includes income recorded under the coupon stripping rules of Section 1286 of the Internal Revenue Code;

(f) Interest and fees or penalties in the nature of interest from credit card receivables and receipts from fees charged to card holders, such as annual fees;

(g) Net gains, but not less than zero (0), from the sale of credit card receivables;

(h) All credit card issuer's reimbursement fees;

(i) Receipts from merchant discount. Receipts from merchant discount shall be computed net of any cardholder charge backs, but shall not be reduced by any interchange transaction fees or by any issuer's reimbursement fees paid to another for charges made by its card holders;

(j) Loan servicing fees derived from loans secured by real property;

(k) Loan servicing fees derived from loans not secured by real property;

(l) Interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities and from trading assets and activities. Investment assets and activities and trading assets and activities include but are not limited to investment securities, trading account assets, federal funds, securities purchased and sold under agreements to resell or repurchase, options, futures contracts, forward contracts, notional principal contracts such as swaps, equities, and foreign currency transactions. The receipts factor shall include the following amounts:

1. The amount by which interest from federal funds sold and securities purchased under resale agreements exceeds interest expense on federal funds purchased and securities sold under repurchase agreements; and

2. The amount by which interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, exceed amounts paid in lieu of interest, amounts paid in lieu of dividends, and losses from these assets and activities;

(m) All receipts derived from sales that would be included in the factor established by KRS 136.070(3)(d)1., 2., and 3.; and

(n) Receipts from services not otherwise specifically listed.

(2) A determination of whether receipts should be included in the numerator of the fraction shall be made as follows:

(a) Receipts from the lease or rental of real property owned by the financial institution shall be included in the numerator if the property is located within this Commonwealth or receipts from the sublease of real property if the property is located within this Commonwealth.

(b) 1. Except as described in subparagraph 2. of this paragraph, receipts from the lease or rental of tangible personal property owned by the financial institution shall be included in the numerator if the property is located within this Commonwealth when it is first placed in service by the lessee.

2. Receipts from the lease or rental of transportation property owned by the financial institution are included in the numerator of the receipts factor to the extent that the property is used in this Commonwealth. The extent an aircraft will be deemed to be used in this Commonwealth and the amount of receipts that is to be included in the numerator of this Commonwealth's receipts factor is determined by multiplying all the

receipts from the lease or rental of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this Commonwealth and the denominator of which is the total number of landings of the aircraft. If the extent of the use of any transportation property within this Commonwealth cannot be determined, then the property shall be deemed to be used wholly in the state in which the property has its principal base of operations. A motor vehicle shall be deemed to be used wholly in the state in which it is registered.

(c) 1. Interest and fees or penalties in the nature of interest from loans secured by real property shall be included in the numerator if the property is located within this Commonwealth. If the property is located both within this Commonwealth and one (1) or more other states, receipts shall be included if more than fifty percent (50%) of the fair market value of the real property is located within this Commonwealth. If more than fifty percent (50%) of the fair market value of the real property is not located within any one (1) state, then the receipts described in this subparagraph shall be included in the numerator if the borrower is located in this Commonwealth.

2. The determination of whether the real property securing a loan is located within this Commonwealth shall be made as of the time the original agreement was made, and any subsequent substitutions of collateral shall be disregarded.

(d) Interest and fees or penalties in the nature of interest from loans not secured by real property shall be included in the numerator if the borrower is located in this Commonwealth.

(e) Net gains from the sale of loans shall be included in the numerator as provided in subparagraphs 1. and 2. of this paragraph. Net gains from the sale of loans includes income recorded under the coupon stripping rules of Section 1286 of the Internal Revenue Code.

1. The amount of net gains, but not less than zero (0), from the sale of loans secured by real property included in the numerator is determined by multiplying net gains by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (c) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans secured by real property.

2. The amount of net gains, but not less than zero (0), from the sale of loans not secured by real property included in the numerator is determined by multiplying net gains by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (d) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans not secured by real property.

(f) Interest and fees or penalties in the nature of interest from credit card receivables and receipts from fees charged to card holders, such as annual fees, shall be included in the numerator if the billing address of the card holder is in this Commonwealth.

(g) Net gains, but not less than zero (0), from the sale of credit card receivables to be included in the numerator shall be determined by multiplying the amount established in paragraph (g) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (f) of this subsection and the denominator of which is the financial institution's total amount of interest and fees or penalties in the nature of interest from credit card receivables and fees charged to card holders.

(h) Credit card issuer's reimbursement fees to be included in the numerator shall be determined by multiplying the amount established in paragraph (h) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (f) of this subsection and the denominator of which is the financial institution's total amount of interest and fees or penalties in the nature of interest from credit card receivables and fees charged to card holders.

(i) Receipts from merchant discount shall be included in the numerator if the commercial domicile of the merchant is in this Commonwealth. Receipts from merchant discount shall be computed net of any cardholder charge backs but shall not be reduced by any interchange transaction fees or by any issuer's reimbursement fees paid to another for charges made by its card holders.

(j) 1. a. Loan servicing fees derived from loans secured by real property to be included in the numerator shall be determined by multiplying the amount determined under paragraph (j) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (c) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans secured by real property.

b. Loan servicing fees derived from loans not secured by real property to be included in the numerator shall be determined by multiplying the amount determined under paragraph (k) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (d) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans not secured by real property.

2. In circumstances in which the financial institution receives loan servicing fees for servicing either the secured or the unsecured loans of another, the numerator of the receipts factor shall include the fees if the borrower is located in this Commonwealth.

(k) Receipts from services not otherwise apportioned under this section shall be included in the numerator if the service is performed in this Commonwealth. If the service is performed both within and without this Commonwealth, the numerator of the receipts factor includes receipts from services not otherwise apportioned under this section, if a greater proportion of the income-producing activity is performed in this Commonwealth based on cost of performance.

(l) 1. The numerator of the receipts factor includes interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities and from trading assets and activities described in paragraph (l) of subsection (1) of this section that are attributable to this Commonwealth.

a. The amount of interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities in the investment account to be attributed to this Commonwealth and included in the numerator is determined by multiplying all income from the assets and activities by a fraction the numerator of which is the average value of the assets that are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the average value of all the assets.

b. The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 1. of paragraph (l) of subsection (1) of this section from funds and securities by a fraction the numerator of which is the average value of federal funds sold and securities purchased under agreements to resell which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the average value of all funds and securities.

c. The amount of interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, but excluding amounts described in subdivisions a. and b. of this subparagraph, attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 2. of paragraph (l) of subsection (1) of this section by a fraction the numerator of which is the average value of trading assets which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the average value of all assets.

d. For purposes of this subparagraph, average value shall be determined using the rules for determining the average value of tangible personal property set forth in KRS 136.535(3) and (4).

2. In lieu of using the method set forth in subparagraph 1. of this paragraph, the financial institution may elect, or the ***department***[~~cabinet~~] may require in order to fairly represent the business activity of the financial institution in this Commonwealth, the use of the method set forth in this subparagraph.

a. The amount of interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities in the investment account to be attributed to this Commonwealth and included in the numerator is determined by multiplying all income from assets and activities by a fraction the numerator of which is the gross income from assets and activities which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the gross income from all assets and activities.

b. The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 1. of paragraph (l) of subsection (1) of this section from funds and securities by a fraction the numerator of which is the gross income from funds and securities which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the gross income from all funds and securities.

c. The amount of interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book and foreign currency transactions, but excluding amounts described in subdivisions a. and b. of this subparagraph, attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 2. of paragraph (l) of subsection (1) of this section by a fraction the numerator of which is the gross income from trading assets and activities which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the gross income from all assets and activities.

3. If the financial institution elects or is required by the ***department***~~[cabinet]~~ to use the method set forth in subparagraph 2. of this paragraph, it shall use this method on all subsequent returns unless the financial institution receives prior permission from the ***department***~~[cabinet]~~ to use, or the ***department***~~[cabinet]~~ requires, a different method.

4. The financial institution shall have the burden of proving that an investment asset or activity or trading asset or activity was properly assigned to a regular place of business outside this Commonwealth by demonstrating that the day-to-day decisions regarding the asset or activity occurred at a regular place of business outside this Commonwealth. Where the day-to-day decisions regarding an investment asset or activity or trading asset or activity occur at more than one (1) regular place of business and one (1) regular place of business is in this Commonwealth and one (1) regular place of business is outside this Commonwealth, the asset or activity shall be considered to be located at the regular place of business of the financial institution where the investment or trading policies or guidelines with respect to the asset or activity are established. Unless the financial institution demonstrates to the contrary, the policies and guidelines shall be presumed to be established at the commercial domicile of the financial institution.

(m) The numerator of the receipts factor includes all other receipts derived from sales as determined pursuant to the provisions set forth in KRS 136.070(3)(d)1., 2., and 3.

(n) 1. All receipts that would be assigned under this section to a state in which the financial institution is not taxable shall be included in the numerator of the receipts factor, if the financial institution's commercial domicile is in this Commonwealth.

2. For purposes of subparagraph 1. of this paragraph, "taxable" means either:

a. That a financial institution is subject in another state to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, a corporate stock tax including a bank shares tax, a single business tax, an earned surplus tax, or any tax which is imposed upon or measured by net income; or

b. That another state has statutory authority to subject the financial institution to any of the taxes in subdivision a. of this subparagraph, whether in fact the state does or does not impose the tax.

Section 214. KRS 136.535 is amended to read as follows:

(1) As used in this section:

(a) "Administration" means the process of managing an account. The process includes bookkeeping, collecting the payments, corresponding with the customer, reporting to management regarding the status of the agreement and proceeding against the borrower or the security interest if the borrower is in default. The activity is located at the regular place of business that oversees this activity;

(b) "Approval" means the procedure whereby employees or the board of directors of the financial institution make the final determination whether to enter into the agreement. The activity is located at the regular place of business which the financial institution's employees making the final determination are regularly connected with or working out of, regardless of where the services of the employees were actually performed. If the board of directors makes the final determination, the activity is located at the commercial domicile of the financial institution;

(c) "Investigation" means the procedure whereby employees of the financial institution determine the credit worthiness of the customer as well as the degree of risk involved in making a particular agreement. The activity is located at the regular place of business which the financial institution's employees making the investigation are regularly connected with or working out of, regardless of where the services of the employees were actually performed;

(d) "Negotiation" means the procedure whereby employees of the financial institution and its customer determine the terms of the agreement, including the amount, duration, interest rate, frequency of repayment, currency denomination, and security required. The activity is located at the regular place of business which the financial institution's employees are regularly connected with or out of, regardless of where the services of the employees were actually performed;

(e) "Participation" means an extension of credit in which an undivided ownership interest is held on a pro rata basis in a single loan or pool of loans and related collateral. In a loan participation, the credit originator initially makes the loan and then subsequently resells all or a portion of it to other lenders. The participation may or may not be known to the borrower; and

(f) "Solicitation" occurs when:

1. An employee of the financial institution initiates contact with the customer. The activity is located at the regular place of business which the financial institution's employee making the contact is regularly connected with or working out of, regardless of where the services of the employee were actually performed; or

2. The customer initiates the contact with the financial institution. If the customer's initial contact was not at a regular place of business of the financial institution, the regular place of business, if any, where the solicitation occurred is determined by the facts in each case.

(2) The property factor is a fraction, the numerator of which is the average value of real property and tangible personal property rented to the financial institution that is located or used within this Commonwealth during the taxable year, the average value of the financial institution's real and tangible personal property owned that is located or used within this Commonwealth during the taxable year, and the average value of the financial institution's loans and credit card receivables that are located within this Commonwealth during the taxable year, and the denominator of which is the average value of all such property located or used within and without this Commonwealth during the taxable year. Average value of property is determined under subsection (4) of this section.

(3) (a) The value of real property and tangible personal property owned by the financial institution is the original cost or other basis of property for federal income tax purposes without regard to depletion, depreciation, or amortization.

(b) Loans are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a loan is charged off in whole or in part for federal income tax purposes, the portion of the loan charged off is not outstanding. A specifically-allocated reserve established pursuant to regulatory or financial accounting guidelines which is treated as charged off for federal income tax purposes shall be treated as charged off for purposes of this section.

(c) Credit card receivables are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a credit card receivable is charged off in whole or in part for federal income tax purposes, the portion of the receivable charged off is not outstanding.

(4) The average value of property owned by the financial institution is computed on an annual basis by adding the value of the property on the first day of the taxable year and the value on the last day of the taxable year and dividing the sum by two (2). If averaging on this basis does not properly reflect average value, the ***department***[~~cabinet~~] may require averaging on a more frequent basis. The financial institution may request permission from the ***department***[~~cabinet~~] to average on a more frequent basis. When averaging on a more frequent basis is authorized by the ***department***[~~cabinet~~], the same method of valuation shall be used consistently by the financial institution with respect to property within and without this Commonwealth and on all subsequent returns unless the financial institution receives prior permission from the ***department***[~~cabinet~~] or the ***department***[~~cabinet~~] requires a different method of determining average value.

(5) (a) The average value of real property and tangible personal property that the financial institution has rented from another and which is not treated as property owned by the financial institution for federal income tax purposes shall be determined annually by multiplying the gross rents payable during the taxable year by eight (8).

(b) Where the use of the general method described in this subsection results in inaccurate valuations of rented property, any other method which properly reflects the value may be adopted by the ***department***[~~cabinet~~] or by the financial institution when approved in writing by the cabinet. Once approved, the alternative method of valuation shall be used on all subsequent returns unless the financial institution receives prior approval from the ***department***[~~cabinet~~] or the ***department***[~~cabinet~~] requires a different method of valuation.

(6) (a) Except as described in paragraph (b) of this subsection, real property and tangible personal property owned by or rented to the financial institution is considered to be located within this Commonwealth if it is physically located, situated, or used within this Commonwealth.

(b) Transportation property is included in the numerator of the property factor to the extent that the property is used in this Commonwealth. The extent to which an aircraft shall be deemed to be used in this Commonwealth and the amount of value that is to be included in the numerator of this Commonwealth's property factor is determined by multiplying the average value of the aircraft by a fraction the numerator of which is the number of landings of the aircraft in this Commonwealth and the denominator of which is the total number of landings of the aircraft everywhere. If the extent of the use of any transportation property within this Commonwealth cannot be determined, then the property shall be deemed to be used wholly in the state in which the property has its principal base of operations. A motor vehicle shall be deemed to be used wholly in the state in which it is registered.

(7) (a) 1. A loan is considered to be located within this Commonwealth if it is properly assigned to a regular place of business of the financial institution within this Commonwealth.

2. A loan is properly assigned to the regular place of business with which it has a preponderance of substantive contacts. A loan assigned by the financial institution to a regular place of business without the Commonwealth shall be presumed to have been properly assigned if:

a. The financial institution has assigned, in the regular course of its business, the loan on its records to a regular place of business consistent with federal or state regulatory requirements;

b. The assignment on its records is based upon substantive contacts of the loan to the regular place of business; and

c. The financial institution uses the records reflecting assignment of loans for the filing of all state and local tax returns for which an assignment of loans to a regular place of business is required.

3. The presumption of proper assignment of a loan provided in subparagraph 2. of this paragraph may be rebutted upon a showing by the ***department***[~~cabinet~~], supported by a preponderance of the evidence, that the preponderance of substantive contacts regarding the loan did not occur at the regular place of business

to which it was assigned on the financial institution's records. When the presumption has been rebutted, the loan shall then be located within this Commonwealth if the financial institution had a regular place of business within this Commonwealth at the time the loan was made and the financial institution fails to show, by a preponderance of the evidence, that the preponderance of substantive contacts regarding the loan occurred outside this Commonwealth.

(b) For financial institutions with commercial domicile in this Commonwealth as defined in KRS 136.500, it shall be presumed, subject to rebuttal by the financial institution on a showing supported by the preponderance of evidence, that the preponderance of substantive contacts regarding the loan occurred within this Commonwealth.

(c) To determine the state in which the preponderance of substantive contacts relating to a loan have occurred, the facts and circumstances regarding the loan at issue shall be reviewed on a case-by-case basis, and consideration shall be given to activities such as the solicitation, investigation, negotiation, approval, and administration of the loan as defined in subsection (1) of this section.

(8) Credit card receivables shall be treated as loans and shall be subject to the provisions of subsection (7) of this section.

(9) A loan that has been properly assigned to a state shall, absent any change of material fact, remain assigned to that state for the length of the original term of the loan. Thereafter, the loan may be properly assigned to another state if that loan has a preponderance of substantive contacts to a regular place of business there.

Section 215. KRS 136.545 is amended to read as follows:

(1) On or before the March 15 following each taxable year, a return for the preceding taxable year shall be filed with the ***department***[~~cabinet~~] in the form and manner prescribed by the ***department***[~~cabinet~~], together with payment of any tax due.

(2) A return shall be filed by each financial institution.

(3) The return shall show the amount of taxes for the period covered by the return and other information necessary for the proper administration of KRS 136.500 to 136.575.

(4) The ***department***[~~cabinet~~] shall, upon written request received on or prior to the due date of the return and tax, grant an automatic extension of up to ninety (90) days for the filing of returns. An extension of time to file a return does not extend the payment of tax due, which shall be estimated by the financial institution and paid on or before the date specified in subsection (1) of this section.

(5) If the time for filing a return is extended, the financial institution shall pay, as part of the tax, an amount equal to the tax interest rate as defined in KRS 131.010(6) on the tax shown due on the return but not previously paid, from the time the tax was due until the return is actually filed with the ***department***[~~cabinet~~].

Section 216. KRS 136.550 is amended to read as follows:

(1) As soon as practicable after each return is received, the ***department***[~~cabinet~~] shall examine and audit it. If the amount of tax computed by the ***department***[~~cabinet~~] is greater than the amount returned by the financial institution, the excess shall be assessed by the ***department***[~~cabinet~~] within four (4) years from the date prescribed by law for the filing of a return including an extension of time for filing, except as provided in this subsection. A notice of the assessment shall be mailed to the financial institution.

(a) In the case of a failure to file a return or of a fraudulent return, the excess may be assessed at any time.

(b) In the case of a return wherein a financial institution understates its net capital or omits from net capital an amount properly includible therein or both, which understatement or omission or both is in excess of twenty-five percent (25%) of the amount of net capital stated in the return, the excess may be assessed at any time within six (6) years after the return was filed.

(2) For the purpose of subsection (1) of this section, a return filed before the last day prescribed by law for the filing shall be considered as filed on the last day. The times provided for in subsection (1) of this section may be extended by agreement between the financial institution and the ***department***[~~cabinet~~].

Section 217. KRS 136.560 is amended to read as follows:

(1) Every financial institution shall keep records, receipts, invoices, and other pertinent papers in the form as the ***department***[~~cabinet~~] may require.

(2) Every financial institution that files the returns required under KRS 136.545 shall keep records for not less than six (6) years from the making of records unless the ***department***[~~cabinet~~] in writing authorizes their destruction at an earlier date.

Section 218. KRS 136.575 is amended to read as follows:

(1) As used in this section, "deposits" means all demand and time deposits, excluding deposits of the United States government, state and political subdivisions, other financial institutions, public libraries, educational institutions, religious institutions, charitable institutions, and certified and officers' checks.

(2) Counties, cities, and urban-county governments may impose a franchise tax on financial institutions measured by the deposits in the institutions located within the jurisdiction of the county, city, or urban-county government at a rate not to exceed twenty-five thousandths of one percent (0.025%) of the deposits if imposed by counties and cities and at a rate not to exceed fifty thousandths of one percent (0.050%) of the deposits if imposed by urban-county governments. The amount

and location of deposits in the financial institutions shall be determined by the method used for filing the summary of deposits report with the Federal Deposit Insurance Corporation. The accounting method used to allocate deposits for completion of the summary of deposits shall be the same as has been utilized in prior periods. Any deviation from prior accounting methods may only be adopted with the permission of the cabinet.

(3) By August 15, 1997, and annually thereafter, each financial institution shall file with the ***department***[~~cabinet~~], on a form prescribed by the cabinet, a report of all deposits located within this Commonwealth as of the preceding June 30, along with a copy of the most recent summary of deposits filed with the Federal Deposit Insurance Corporation. The ***department***[~~cabinet~~] shall review the report and certify to the local jurisdictions that have enacted the franchise tax by October 1 of each year the amount of deposits within the jurisdiction and amount of the tax due. The local taxing authority shall issue bills to the financial institution by December 1 and require payment, with a two percent (2%) discount by December 31, or without discount by January 31 of the next year.

(4) For calendar year 1996 only, each financial institution shall file with the ***department***[~~cabinet~~] on or before September 15, 1996, a report of all deposits located within this Commonwealth as of June 30, 1996, along with a copy of the most recent summary of deposits filed with the Federal Deposit Insurance Corporation. The ***department***[~~cabinet~~] shall review the report after being given notice by the local jurisdiction that the tax under this section was enacted during 1996, and shall certify to the local jurisdiction the amount of deposits within the jurisdiction and the amount of tax due by March 1, 1997. The local taxing authority shall issue bills to the financial institution by May 1, 1997, and require payment with a two percent (2%) discount by May 31, 1997, or without discount by June 30, 1997.

(5) The local jurisdiction shall notify the ***department***[~~cabinet~~] of the tax rate imposed upon the enactment of the tax. The local jurisdiction shall also notify the ***department***[~~cabinet~~] of any subsequent rate changes.

Section 219. KRS 137.130 is amended to read as follows:

(1) Every person engaged in the transportation of crude petroleum in this state from receptacles located at the place of production in this state shall be considered a transporter of crude petroleum. Every transporter of crude petroleum shall make a verified report to the ***Department of*** Revenue[~~ Cabinet~~] by the twentieth day of the month succeeding each month in which crude petroleum is so received for transportation, showing the quantity of each kind or quality of crude petroleum so received from each county in this state and the market value of the crude petroleum on the first business day after the tenth day of the month in which the report is made. The report shall show any sales of crude petroleum so received, the quantity of crude petroleum in each sale, the date of each sale, and the market price of the crude petroleum on each date of sale for the preceding month. This report shall be made upon blanks furnished and prescribed by the ***department***[~~cabinet~~]. The ***department***[~~cabinet~~] may require additional reports from time to time, on blanks prepared by it, from all producers and transporters of crude petroleum.

(2) Every person required to report under subsection (1) of this section shall register as a transporter of crude petroleum in the office of the county clerk in each county in which such business is carried on by him, in a book which the ***department***[~~cabinet~~] shall provide, showing the name, residence and place of business of the transporter. The county clerk shall immediately certify to the ***department***[~~cabinet~~] a copy of each registration as made.

Section 220. KRS 137.140 is amended to read as follows:

Every transporter of crude petroleum shall be liable for the taxes imposed under KRS 137.120 on all crude petroleum received by him. He shall collect from the producer, in money or crude petroleum, the taxes imposed. If collection is in crude petroleum, the transporter may sell the same and pay the taxes by check or cash to the ***Department of*** Revenue[~~ Cabinet~~] or sheriff, as provided in KRS 137.150 and 137.160.

Section 221. KRS 137.150 is amended to read as follows:

Any county imposing a tax under KRS 137.120 shall immediately after the levy of the tax give notice thereof to each transporter of crude petroleum registered in the county. The transporter shall, after the first day of the month immediately following such notice, proceed as provided in KRS 137.140 to collect the county tax and pay it to the sheriff of the county in the manner and at the time payment of such taxes is required to be made to the ***Department of*** Revenue[~~ Cabinet~~]. Each county imposing the tax shall, upon the fixing of the levy, certify the same to the ***department***[~~cabinet~~], which shall make the assessment for the county tax in the same manner and at the same value as provided for the state tax, which shall be certified to the county for collection.

Section 222. KRS 137.160 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] has received the reports provided for in KRS 137.130, it shall, upon such reports and such other reports and information as it may secure, assess the value of all grades or kinds of crude petroleum reported for each month.

(2) Where the report shows no sale of crude petroleum during the month covered by the report, the market value of crude petroleum on the first business day after the tenth day of the month in which the report is made shall be fixed by the ***department***[~~cabinet~~] as the assessed value of all crude petroleum covered by the report. Where the report shows that all crude petroleum reported has been sold during the month covered by the report, the market price of such crude petroleum on each day of sale shall be the assessed value of all crude petroleum sold on that date of sale, and the total amount of the tax to be reported as the assessment on the report shall be the total of the assessments made on such sales. If the report shows that part of the crude petroleum reported has been sold and part remains unsold, the market price of the crude

petroleum on the first business day after the tenth day of the month following the month covered by the report shall be fixed as the assessed value of the portion of the crude petroleum unsold, the market price of the crude petroleum on each day of sale shall be the assessed value of the portion sold, and the total amount of the tax to be reported as the assessment on the report shall be the total of the assessments made on the sold and unsold crude petroleum. The ***department***[~~cabinet~~], in making its assessments, shall take into consideration transportation charges.

(3) The ***department***[~~cabinet~~] shall, by the last day of the month in which the reports are required to be made, notify each transporter of his assessment, and certify the assessment to the county clerk of each county that has reported the levy of a county tax under KRS 137.150. The county clerk shall immediately deliver a copy thereof to the sheriff for collection of the county tax. The transporter so notified of the assessment shall have the right to an appeal to the Kentucky board of tax appeals.

Any balance of license tax due the state as shown on the final report shall be paid at the same time as the filing. Any overpayment in license tax disclosed by the final report shall, at the option of the taxpayer, be promptly refunded by the state or credited against the license tax to be due from the taxpayer in the following year.

(3) Any person who violates any provision of this section or KRS 137.170 shall be subject to the uniform civil penalties imposed pursuant to KRS 131.180 and interest at the tax interest rate as defined in KRS 131.010(6) upon the unpaid amount from the date prescribed for its payment until payment is actually made to the ***department***[~~cabinet~~].

Section 224. KRS 137.990 is amended to read as follows:

(1) (a) Any person who engages in any business or sells or offers to sell or has on hand for the purpose of sale any article or exercises any privilege for which a license is required or imposed by KRS 137.115 before procuring the license and paying the tax shall be fined not less than twenty-five dollars ($25) nor more than two hundred dollars ($200) for each offense, unless otherwise specifically provided;

The remaining gasoline and special fuel placed in storage must be fully accounted for as in physical inventory, accountable loss, withdrawn for export or withdrawn from storage and received for taxable purposes.

(4) The number of gallons of gasoline or special fuel added to marine, pipeline or refinery storage shall be determined by the ***department***[~~cabinet~~] by actual measurement of terminal storage tanks in the manner it deems necessary.

(1) (a) From the total number of gallons of gasoline and special fuel received by the dealer within this state during the next preceding calendar month, deductions shall be made for the total number of gallons received by the dealer within this state that were sold or otherwise disposed of during the next preceding calendar month as set forth in subsection (2) of KRS 138.240.

(b) To cover evaporation, shrinkage, unaccountable losses, collection costs, bad debts, and handling and reporting the tax, each dealer shall be allowed compensation equal to two and one-fourth percent (2.25%) of the net tax due the Commonwealth pursuant to KRS 138.210 to 138.500 before all allowable tax credits, except the credit authorized pursuant to KRS 138.358. No compensation shall be allowed if the completed tax return and payment are not submitted to the ***Department of*** Revenue[~~ Cabinet~~] within the time prescribed by KRS 138.210 to 138.500.

(2) The tax imposed by KRS 138.220(1) and (2) shall be computed on the number of gallons remaining after the deductions set forth in subsection (1) of this section have been made, and shall constitute the amount of tax payable for the next preceding calendar month.

(3) Notwithstanding any other provision of this chapter to the contrary, any person who shall remit to the ***department***[~~cabinet~~], by the twenty-fifth day of the next month, an estimated tax due amount equal to not less than ninety-five percent (95%) of his tax liability, as finally determined for the report month, shall not be required to file the monthly

reports required by this chapter until the last day of the month following the report month, and shall be permitted to claim as a credit against the tax liability shown due on the report the estimated tax due amount so paid.

Section 235. KRS 138.300 is amended to read as follows:

No dealer or other person shall fail or refuse to make the returns and pay the tax prescribed by KRS 138.220 to 138.280, or refuse to permit the ***Department of*** Revenue[~~ cabinet~~] or its representatives appointed by the ***commissioner***[~~secretary~~] of revenue in writing to examine his records, papers, files and equipment pertaining to the taxable business. No person shall make an incomplete, false or fraudulent return, or do or attempt to do anything to avoid a full disclosure of the amount of business done or to avoid the payment of the whole or any part of the tax or penalties due. No person shall fail to keep and preserve records of gasoline and special fuel manufactured, transported, received, used, sold or delivered or to make reports as required by KRS 138.230 to 138.280.

Section 236. KRS 138.310 is amended to read as follows:

(1) No person shall refine, produce, distill, manufacture, blend, compound, receive, use, sell, transport, store, or distribute any gasoline or special fuel upon which the tax due has not been paid or assumed or engage in the sale, storage or transportation of any gasoline or special fuel within this state upon which the tax has not been paid unless he is the holder of an uncanceled license issued by the ***Department of*** Revenue[~~ Cabinet~~] to engage in the business.

(2) Any transporter, other than a regularly licensed gasoline or special fuel dealer, transporting gasoline or special fuel by motor vehicle shall have plainly painted on the vehicle the name, address, and permit number of the transporter.

(3) Any person who engages in the business of refining, producing, distilling, manufacturing, blending, compounding, receiving, using, selling, transporting, storing, or distributing gasoline or special fuel in this state as a dealer, storage operator, or transporter without holding an uncanceled license to engage in that business, or who without the license, refines, produces, distills, manufacturers, blends, compounds, receives, uses, sells, transports, stores, or distributes any gasoline or special fuel upon which the tax imposed by KRS 138.220 has not been reported and paid, shall be subject to the uniform civil penalties imposed pursuant to KRS 131.180 and interest at the tax interest rate as defined in KRS 131.010(6) from the date due until the date of payment.

Section 237. KRS 138.320 is amended to read as follows:

(1) To procure the license required by KRS 138.310, every dealer or transporter so required shall file with the ***Department of*** Revenue[~~ Cabinet~~] an application in such form and containing such information as the ***department***[~~cabinet~~] may deem necessary.

(2) If the dealer or transporter is a corporation organized under the laws of another state, it shall file with its application a certified copy of the certificate or license issued by the Secretary of State of this state showing that the corporation is authorized to transact business in this state.

(3) At the time of filing application for a license, a bond of the character stipulated and in the amount provided for in KRS 138.330 shall be filed with the ***department***[~~cabinet~~]. No license shall be issued upon any application unless accompanied by this bond.

(4) If application for such a license is filed by any person whose license has at any time previously been canceled for cause by the ***department***[~~cabinet~~], or if the ***department***[~~cabinet~~] is of the opinion that the application is not filed in good faith, or that the application is filed by some person as a subterfuge for the real person in interest whose license or registration has previously been canceled for cause by the ***department***[~~cabinet~~], the ***department***[~~cabinet~~] may, after a hearing of which the applicant has been given five (5) days' notice in writing, and in which the applicant shall have the right to appear in person or by counsel and present testimony, refuse to issue a license to that person.

(5) The application in proper form having been accepted for filing, and the bond having been accepted and approved, the ***department***[~~cabinet~~] shall issue to the applicant a license, subject to cancellation as provided by KRS 138.340. The license shall not be assignable, and shall be valid only for the person in whose name it is issued, and shall be displayed conspicuously in the principal place of business of the dealer in this state.

(6) The ***department***[~~cabinet~~] shall keep and file all applications and bonds, with an alphabetical index thereof, together with a record of all licensed dealers or transporters. The ***department***[~~cabinet~~] shall publish and keep currently up to date a list of licensed dealers and transporters, and transmit a copy of list and all revisions thereof to all licensed dealers and transporters.

(7) All licenses shall be valid and remain in full force and effect until suspended or revoked for cause or otherwise canceled.

Section 238. KRS 138.330 is amended to read as follows:

(1) Every dealer or transporter required to be licensed under KRS 138.310 shall file with the ***Department of*** Revenue[~~ Cabinet~~] a financial instrument in an amount not to exceed three (3) months' estimated liability as computed by the ***department***[~~cabinet~~] or five thousand dollars ($5,000) whichever is greater, or in the case of a new licensee in the minimum amount of five thousand dollars ($5,000) until such time as an estimated three (3) months' liability can be established, provided that the maximum amount of any financial instrument may be reduced to an amount sufficient in the opinion of the ***department***[~~cabinet~~], considering the financial rating and reputation of the company, to insure payment to the ***department***[~~cabinet~~] of the amount of tax, penalties and interest for which the dealer or transporter may become liable.

The financial instrument shall be on a form and with a surety approved by the ***department***[~~cabinet~~]. The dealer or transporter shall be the principal obligor and the state the obligee. The financial instrument shall be conditioned upon the prompt filing of true reports by the dealer and transporter and the payment by the dealer to the State Treasurer of all gasoline and special fuel excise taxes now or hereafter imposed by the state, together with all penalties and interest thereon, and generally upon faithful compliance with the provisions of KRS 138.210 to 138.340.

(2) If liability upon the financial instrument is discharged or reduced, whether by judgment rendered, payment made, or otherwise, or if in the opinion of the ***department***[~~cabinet~~] any surety on the financial instrument has become unsatisfactory or unacceptable, the ***department***[~~cabinet~~] may require the licensee to file a new financial instrument with satisfactory sureties in the same amount, failing which the ***department***[~~cabinet~~] shall cancel the license of the licensee in accordance with the provisions of KRS 138.340. If a new financial instrument is furnished as provided above, the ***department***[~~cabinet~~] shall cancel and surrender the financial instrument for which the new financial instrument is substituted.

(3) If upon hearing, of which the licensee shall be given five (5) days' notice in writing, the ***department***[~~cabinet~~] decides that the amount of the existing financial instrument is insufficient to insure payment to the state of the amount of tax, penalties, and interest for which the licensee is or may become liable, the licensee shall, upon the written demand of the ***department***[~~cabinet~~], file an additional financial instrument in the same manner and form with a surety thereon approved by the ***department***[~~cabinet~~], in any amount determined by the ***department***[~~cabinet~~] to be necessary, failing which the ***department***[~~cabinet~~] shall cancel the license of the licensee in accordance with the provisions of KRS 138.340.

(4) Any surety on a financial instrument furnished as required by this section shall be released from all liability to the state accruing on the financial instrument after the expiration of sixty (60) days from the date upon which the surety has lodged with the ***department***[~~cabinet~~] a written request to be released, but this request shall not operate to release the surety from any liability already accrued or which shall accrue before the expiration of the sixty (60) day period. The ***department***[~~cabinet~~] shall promptly, upon receipt of a request, notify the licensee who furnished the financial instrument, and unless the licensee, before the expiration of the sixty (60) day period, files with the ***department***[~~cabinet~~] a new financial instrument with a surety satisfactory to the ***department***[~~cabinet~~] in the amount and form prescribed in this section, the ***department***[~~cabinet~~] shall cancel the license of the licensee in accordance with the provisions of KRS 138.340. If an approved new financial instrument is filed, the ***department***[~~cabinet~~] shall cancel and surrender the financial instrument for which the new bond is substituted.

Section 239. KRS 138.340 is amended to read as follows:

(1) If any dealer or transporter required to be licensed under KRS 138.310 files a false report of the data or information required by KRS 138.210 to 138.280, or fails, refuses or neglects to file the reports required by those sections, even though no tax is due, or to pay the full amount of tax as required by those sections, or fails to meet the qualifications of a dealer as set out in KRS 138.210(2), or violates any other provision of this chapter, the license of the dealer or transporter may be revoked by the ***Department of*** Revenue[~~Cabinet~~]. The licensee shall be notified by certified or registered letter or summons. The letter or summons shall apprise the licensee of the charge or charges made against him and he shall have a reasonable opportunity to be heard before his license may be revoked. The summons may be served in the same manner and by the same officers or persons as provided by the Rules of Civil Procedure, or it may be served in that manner by an employee of the ***Department of*** Revenue[~~Cabinet~~]. The hearing shall be set at least five (5) days after the summons is served or the letter delivered. Any aggrieved licensee may appeal from an order of revocation by the ***Department of*** Revenue[~~Cabinet~~] to the Kentucky Board of Tax Appeals as provided by law, subject to the condition that the licensee has made bond sufficient in the opinion of the ***Department of*** Revenue[~~Cabinet~~] to protect the Commonwealth from loss of revenue.

(2) The ***department***[~~cabinet~~] may cancel the license:

(a) Upon request in writing from the licensee, the cancellation to become effective sixty (60) days from the date of receipt of the request; or

(b) Upon determination that the licensee has had no reportable activity in Kentucky for at least the immediately preceding six (6) consecutive monthly reporting periods.

Section 240. KRS 138.341 is amended to read as follows:

(1) When gasoline or special fuel on which the tax has been paid pursuant to the provisions of KRS 138.210 to 138.340 has been used for the purpose of operating any aircraft engaged in the transportation of persons or property, the purchaser of the liquid fuel so used shall be reimbursed for the tax paid. No tax shall be refunded except that paid upon the fuel used exclusively in aircraft motors.

(2) No person shall be entitled to a refund hereunder unless he shall have first filed with the ***Department of*** Revenue[~~Cabinet~~] a bond with approved surety in an amount of not less than one hundred dollars ($100) nor more than one thousand dollars ($1,000) to be determined by the ***Department of*** Revenue[~~Cabinet~~], conditioned upon faithful compliance with this section and KRS 138.342 and upon the payment to the Commonwealth of any refunds to which he was not entitled.

(3) The right to receive any refund pursuant to subsection (1) of this section shall be assignable by the purchaser to the seller of the gasoline or special fuel if the seller has posted a bond with the ***department***[~~cabinet~~] and the aviation gasoline or special fuel purchased by the assignor is delivered directly into the fuel tank of aircraft owned or operated by him or his

authorized agent. Any assignment shall be evidenced by noting upon the face and all copies of the retail sale invoice the following: "TAX REFUND ASSIGNED TO SELLER. Signed: (Purchaser or Agent.)"

Section 241. KRS 138.345 is amended to read as follows:

No person shall secure a refund of tax under KRS 138.344 unless the person is the holder of an unrevoked refund permit issued by the ***Department of*** Revenue[~~ Cabinet~~] before the purchase of the gasoline or special fuel, which permit shall entitle the person to make application for a refund under KRS 138.344 to 138.355. To procure a permit, every person shall file with the ***department***[~~cabinet~~] an application under oath, on forms furnished by the ***department***[~~cabinet~~], setting forth the information incident to the refunding of the tax paid on gasoline or special fuel as the ***department***[~~cabinet~~] may require. The properly completed and signed application shall be filed with the ***department***[~~cabinet~~] on or before the date the permit, if approved by the ***department***[~~cabinet~~], is to become effective.

Section 242. KRS 138.348 is amended to read as follows:

(1) The ***department***[~~cabinet~~] may require any dealer or any dealer's authorized agent to identify refund gasoline or special fuel sold by him by adding thereto any chemical or substance, which shall be furnished by the ***department***[~~cabinet~~] and used in the manner as prescribed by the ***department***[~~cabinet~~].

(2) The refund permit holder shall receive and store all the gasoline and special fuel in containers plainly marked with distinguishing letters "Refund Motor Fuel," or comparable letters prescribed by the ***Department of*** Revenue[~~ Cabinet~~], and shall keep the containers on his premises accessible to agents of the ***department***[~~cabinet~~] and separate from other gasoline and special fuel stored on his premises.

(3) The ***Department of*** Revenue[~~ Cabinet~~] may, within its discretion, issue a refund permit for a portable storage facility if the applicant satisfies the ***department***[~~cabinet~~] that the facility will be used exclusively for the purpose of fueling unlicensed vehicles or equipment at multiple locations for nonhighway purposes, and fueling the vehicles or equipment from a nonportable facility would not be practical.

(4) Every refund permit holder who uses on the public highways motor fuel of the type for which refund is claimed shall keep detailed records of all the motor fuel acquired, monthly odometer readings of all licensed motor vehicles owned or operated by the holder which use the fuel, and other records the ***Department of*** Revenue[~~ Cabinet~~] may, in writing, require to protect the revenues of the Commonwealth.

(5) Agents of the ***department***[~~cabinet~~] may go upon the premises of any permit holder or of any licensed gasoline or special fuel dealer or his authorized agent to make inspections to ascertain any matter connected with the operation of KRS 138.344 to 138.355 or the enforcement thereof. No agent shall enter the dwelling of any person without the occupant's consent or the authority from a court of competent jurisdiction.

Section 243. KRS 138.354 is amended to read as follows:

(1) No person shall make a false or fraudulent statement in an application for a refund permit or in a gasoline or special fuel refund invoice, or in an application for a refund of any taxes as set out in KRS 138.344 to 138.355; or fraudulently obtain a refund of such taxes; or knowingly aid or assist in making any such false or fraudulent statement or claim; or having bought gasoline or special fuel under the provisions of KRS 138.344 to 138.355, shall use or permit such gasoline or special fuel or any part thereof to be used for any purpose other than as provided in KRS 138.344.

(2) The refund permit of any person who shall violate any provision of subsection (1) of this section may be revoked by the ***Department of*** Revenue[~~ Cabinet~~] subject to appeal to the Kentucky Board of Tax Appeals as provided by law, and may not be reissued until two (2) years have elapsed from the date of such revocation.

(3) The refund permit of any person who shall violate any provision of KRS 138.344 to 138.355, other than those contained in subsection (1) of this section, may be suspended by the ***Department of*** Revenue[~~ Cabinet~~] for any period in its discretion not exceeding six (6) months with the right of appeal to the Kentucky Board of Tax Appeals.

(4) If a dealer violates any provision of KRS 138.344 to 138.355, his privilege to sign refund invoices may be suspended by the ***Department of*** Revenue[~~ Cabinet~~] for a period of not more than two (2) years subject to appeal to the Kentucky Board of Tax Appeals. No refund shall be made on gasoline or special fuel purchased from a dealer while a suspension of his privilege to sign refund invoices is in effect.

Section 244. KRS 138.355 is amended to read as follows:

If the ***department***[~~cabinet~~] reasonably believes that any dealer or refund permit holder has been guilty of a violation of KRS 138.344 to 138.355, which would subject the dealer or permit holder to a suspension or revocation of his license or permit under the provisions of subsections (2), (3) or (4) of KRS 138.354, said dealer or permit holder may be cited by the ***department***[~~cabinet~~] to show cause at a public hearing before the ***Department of*** Revenue[~~ cabinet~~] why his license or permit should not be suspended or revoked. The dealer or refund permit holder shall be notified by certified or registered letter. The letter shall inform the dealer or refund permit holder of the charge or charges made against him and he shall have a reasonable opportunity to be heard before his license or permit may be revoked or suspended. The hearing shall be set at least five (5) days after the receipt of the letter. Any aggrieved dealer or refund permit holder may appeal any order entered to the Kentucky board of tax appeals as provided by law, subject to the condition that he make bond sufficient in the opinion of the ***department***[~~cabinet~~] to protect the Commonwealth from loss of revenue.

Section 245. KRS 138.358 is amended to read as follows:

(1) Any special fuels dealer who delivers special fuels, on which the tax imposed by KRS 138.220 has been paid, into a tank having no dispensing outlet and used exclusively to heat a personal residence, shall be entitled to claim a credit against the tax due pursuant to KRS 138.220 equal to the tax paid on the fuel if the dealer obtains from the purchaser and retains in his files a signed and dated statement from the purchaser certifying that the fuel will be used exclusively to heat the personal residence to which it is delivered. No person so certifying shall use the special fuel for any other purpose. The ***Department of*** Revenue[~~ Cabinet~~] may require dealers claiming the credit authorized herein to submit information required by the ***department***[~~cabinet~~] to reasonably protect the revenues of the Commonwealth.

(2) The tax shall be collected by the county clerk or other officer with whom the vehicle is required to be registered:

(a) When he collects the registration fee for registering and licensing a motor vehicle the first time it is offered for registration in this state;

(b) Or upon the transfer of ownership of any motor vehicle previously registered in this state.

(3) The tax collected by the county clerk under this section shall be reported and remitted to the ***Department of*** Revenue[~~ Cabinet~~] on forms provided by the ***department***[~~cabinet~~] and on those forms as the ***department***[~~cabinet~~] may prescribe. The ***department***[~~cabinet~~] shall provide each county clerk affidavit forms which the clerk shall provide to the public free of charge to carry out the provisions of KRS 138.450. The county clerk shall for his services in collecting the tax be entitled to retain an amount equal to three percent (3%) of the tax collected and accounted for.

(4) A county clerk or other officer shall not register or issue any license tags to the owner of any motor vehicle subject to this tax, when the vehicle is then being offered for registration for the first time, or transfer the ownership of any motor vehicle previously registered in this state, unless the owner or his agent pays the tax levied under this section in addition to the transfer, registration, and license fees.

(5) When a person offers a motor vehicle for registration for the first time in this state which was registered in another state that levied a tax substantially identical to the tax levied under this section, the person shall be entitled to receive a credit against the tax imposed by this section equal to the amount of tax paid to the other state. (6) A county clerk or other officer shall not register or issue any license tags to the owner of any motor vehicle subject to this tax, when the vehicle is then being offered for registration for the first time, unless the seller or his agent delivers to the county clerk a notarized affidavit, if required, and available under KRS 138.450 attesting to the total and actual consideration paid or to be paid for the motor vehicle. dealer within sixty (60) days for a vehicle replacement or a refund of the purchase price, the purchaser shall be entitled to a refund of the amount of usage tax received by the ***Department of*** Revenue[~~ Cabinet~~] as a result of the registration of the returned vehicle. In the case of a new motor vehicle, the registration of the returned vehicle shall be canceled and the vehicle shall be considered to have not been previously registered in Kentucky when resold by the dealer.

A person shall not be entitled to a refund unless he shall have filed with the ***Department of*** Revenue[~~ Cabinet~~] a report from the manufacturer identifying the vehicle that was replaced and stating the date of replacement.

(10) Notwithstanding the time limitations of subsections (8) and (9) of this section, when a dealer or manufacturer refunds the retail purchase price or replaces a motor vehicle for the purchaser as a result of formal arbitration or litigation, or, in the case of a manufacturer, because ordered to do so by a dispute resolution system established under KRS 367.865 or 16 C.F.R. 703, the purchaser shall be entitled to a refund of the amount of motor vehicle usage tax received by the ***Department of*** Revenue[~~ Cabinet~~] as a result of the registration. A person shall not be entitled to a refund unless he shall have filed with the ***Department of*** Revenue[~~ Cabinet~~] a report from the dealer or manufacturer identifying the vehicle that was replaced.

(5) Failure of a motor vehicle dealer to remit the taxes applicable to a loaner or rental motor vehicle under this section shall be sufficient cause for the ***Department of*** Revenue[~~ Cabinet~~] to revoke the authority to use that motor vehicle as a loaner or rental motor vehicle and cause the usage tax on that motor vehicle to be due and payable in accordance with KRS 138.460 on the retail price of that motor vehicle when it was first registered as a loaner or rental motor vehicle.

(6) A motor vehicle no longer covered under the loaner permit program shall be taxed in the same manner as motor vehicles under KRS 138.450(12).

The ***department***[~~cabinet~~] may in its discretion grant a county clerk a reasonable extension of time to file his report or make any transfer of deposits as required above. The extension, however, must be requested prior to the end of the seven (7) day period and shall begin to run at the end of said period. (4) The county clerk recording or releasing a state tax lien pursuant to this section shall be entitled to the fee prescribed therefor by KRS 64.012.

(5) Except as necessary to accept taxes that the offender voluntarily pays under KRS 138.874, the ***Department of*** Revenue[

~~Cabinet~~] shall not require a bond or otherwise attempt to collect the tax due under KRS 138.874 until the offender's taxable activity results in a conviction or a guilty or Alford plea for a violation of KRS Chapter 218A. However, the ***Department of*** Revenue[~~ Cabinet~~] may impose a notice of lien on issuance of a warrant or indictment, which shall be released upon acquittal or dismissal of the case.

Section 259. KRS 138.882 is amended to read as follows:

(1) The tax, penalty, and interest assessed by the ***Department of*** Revenue[~~ Cabinet~~] pursuant to KRS 138.872 and 138.889 shall be deemed prima facie valid and correctly determined and assessed. The burden shall be upon the taxpayer in any judicial or administrative proceeding in this state to show their incorrectness or invalidity.

(2) The collection provisions of KRS 131.500, and any other remedy provided by the laws of the Commonwealth for collection of a tax administered by the ***Department of*** Revenue[~~ Cabinet~~], shall apply with respect to the collection of the tax, penalty, and interest imposed by KRS 138.872 and 138.889, but it shall not be necessary for the ***Department of*** Revenue[~~ Cabinet~~] to await the expiration of the times specified in KRS 131.500 to levy upon and sell any property or rights to property found within the Commonwealth belonging to the offender failing to pay the tax, penalty, or interest due pursuant to KRS 138.872 and 138.889.

(3) No person shall bring an action in any court to restrain or delay the assessment or collection of any tax, penalty, or interest imposed by KRS 138.872 and 138.889.

(4) Notwithstanding any provision of KRS 138.870 to 138.889, or any other provision of law, collection of any tax, penalty, or interest under KRS 138.872 and 138.889 or imposition of any revenue liens arising as a result of KRS 138.880 shall not interfere with any forfeiture of money or any other type or kind of property under the drug forfeiture laws of this state, or with any distribution of property or funds under the drug forfeiture laws of this state. Regardless of the order in which proceedings are begun, forfeiture of money or any other type or kind of property and distribution of property and funds under the drug forfeiture laws of this state shall take precedence over any proceedings to collect the tax, penalty, or interest due pursuant to KRS 138.872 and 138.889.

Section 260. KRS 138.884 is amended to read as follows:

For the purpose of determining the correctness of any return; determining the amount of tax that should have been paid; determining whether or not the offender should have made a return or paid tax; or collecting any tax, penalty, or interest under KRS 138.872 and 138.889, the ***Department of*** Revenue[~~ Cabinet~~] may examine, or cause to be examined, any books, papers, records, or memoranda that may be relevant to making any determinations, whether the books, papers, records, or memoranda are the property of or in the possession of the offender or another person. The ***Department of*** Revenue[~~ Cabinet~~] may require the attendance of any person having knowledge or information that may be relevant; compel the production of books, papers, records, or memoranda by persons required to attend; take testimony on matters material to the determination; and administer oaths or affirmations. The ***Department of*** Revenue[~~ Cabinet~~] may issue subpoenas which may be served by authorized agents of the ***Department of*** Revenue[~~ Cabinet~~] to compel the attendance of witnesses or the production of documents, books, papers, records, bank records, and any other writing or memoranda.

Section 261. KRS 138.886 is amended to read as follows:

(1) The provisions of KRS 138.870 to 138.889 shall not inculpate any person or otherwise cause any person to incriminate himself in violation of his constitutional rights and, notwithstanding the exceptions provided in KRS 131.190 or any other law, neither the ***Department of*** Revenue[~~ Cabinet~~] nor any public employee may reveal facts contained in any report required by KRS 138.870 to 138.889, nor shall any information contained in any report filed pursuant to KRS 138.870 to 138.889 be used against an offender in any criminal proceeding, except in connection with a proceeding involving the tax, penalty, or interest due under KRS 138.872 and 138.889, unless the information is independently obtained. Further, possession of any tax stamp, label, or other tax indicia evidencing payment of tax pursuant to KRS 138.874 shall not be used against any person in any criminal proceeding.

(2) Any person violating this section shall be guilty of a Class B misdemeanor.

(3) This section shall not prohibit the ***Department of*** Revenue[~~ Cabinet~~] from publishing statistics that do not disclose the identity of offenders or the contents of particular returns or reports.

Section 262. KRS 139.025 is amended to read as follows:

The ***Department of*** Revenue[~~ Cabinet~~] may promulgate administrative regulations providing for the reporting of gross receipts and payment of taxes levied by this chapter on a basis other than accrual.

Section 263. KRS 139.180 is amended to read as follows:

For the purpose of the proper administration of this chapter and to prevent evasion of the duty to collect the taxes imposed by KRS 139.200 and 139.310, it shall be presumed that all gross receipts and all tangible personal property sold by any person for delivery in this state are subject to the tax until the contrary is established. The burden of proving the contrary is upon the person who makes the sale unless he takes from the purchaser a certificate to the effect that the property is either:

(1) Purchased for resale according to the provisions of KRS 139.270;

(2) Purchased through a properly executed certificate of exemption in accordance with KRS 139.270;

(3) Purchased according to regulations of the ***Department of*** Revenue~~[Cabinet]~~ governing a direct pay authorization; or

(4) Purchased under a form issued pursuant to KRS 139.776 or 139.777.

Section 265. KRS 139.400 is amended to read as follows:

For the purpose of the proper administration of this chapter and to prevent evasion of the use tax and the duty to collect the use tax, it shall be presumed that tangible personal property sold by any person for delivery in this state is sold for storage, use or other consumption in this state until the contrary is established. The burden of proving the contrary is upon the person who makes the sale unless he takes from the purchaser a certificate to the effect that the property is either:

(1) Purchased for resale according to the provisions of KRS 139.270 or 139.410;

(2) Purchased through a properly executed certificate of exemption in accordance with KRS 139.490; or

(3) Purchased according to regulations of the ***Department of*** Revenue~~[Cabinet]~~ governing a direct pay authorization.

Section 266. KRS 139.470 is amended to read as follows:

There are excluded from the computation of the amount of taxes imposed by this chapter:

(1) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property which this state is prohibited from taxing under the Constitution or laws of the United States, or under the Constitution of this state;

(a) Nonreturnable and returnable containers when sold without the contents to persons who place the contents in the container and sell the contents together with the container; and

(b) Returnable containers when sold with the contents in connection with a retail sale of the contents or when resold for refilling;

As used in this section the term "returnable containers" means containers of a kind customarily returned by the buyer of the contents for reuse. All other containers are "nonreturnable containers";

(3) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property used for the performance of a lump-sum, fixed-fee contract of public works executed prior to February 5, 1960;

(4) Gross receipts from occasional sales of tangible personal property and the storage, use, or other consumption in this state of tangible personal property, the transfer of which to the purchaser is an occasional sale;

(5) Gross receipts from sales of tangible personal property to a common carrier, shipped by the retailer via the purchasing carrier under a bill of lading, whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state and the property is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a common carrier;

(6) Gross receipts from sales of tangible personal property sold through coin-operated bulk vending machines, if the sale amounts to fifty cents ($0.50) or less, if the retailer is primarily engaged in making the sales and maintains records satisfactory to the ***department***~~[cabinet]~~. As used in this subsection, "bulk vending machine" means a vending machine containing unsorted merchandise which, upon insertion of a coin, dispenses the same in approximately equal portions, at random and without selection by the customer;

(7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or other statutory or constitutional agency of the state and gross receipts from sales to counties, cities, or special districts as defined in KRS 65.005. This exemption shall apply only to purchases of property or services for use solely in the government function. A purchaser not qualifying as a governmental agency or unit shall not be entitled to the exemption even though the purchaser may be the recipient of public funds or grants;

(8) (a) Gross receipts from the sale of sewer services, water, and fuel to Kentucky residents for use in heating, water heating, cooking, lighting, and other residential uses. As used in this subsection, "fuel" shall include but not be limited to natural gas, electricity, fuel oil, bottled gas, coal, coke, and wood. Determinations of eligibility for the exemption shall be made by the ***Department of*** Revenue~~[Cabinet]~~;

(b) In making the determinations of eligibility, the ***department***~~[cabinet]~~ shall exempt from taxation all gross receipts derived from sales:

1. Classified as "residential" by a utility company as defined by applicable tariffs filed with and accepted by the Public Service Commission;

2. Classified as "residential" by a municipally owned electric distributor which purchases its power at wholesale from the Tennessee Valley Authority;

3. Classified as "residential" by the governing body of a municipally owned electric distributor which does not purchase its power from the Tennessee Valley Authority, if the "residential" classification is reasonably consistent with the definitions of "residential" contained in tariff filings accepted and approved by the

Public Service Commission with respect to utilities which are subject to Public Service Commission regulation.

If the service is classified as residential, use other than for "residential" purposes by the customer shall not negate the exemption;

(c) The exemption shall not apply if charges for sewer service, water, and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification; and

(d) The exemption shall apply also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years;

(9) Any rate increase for school taxes and any other charges or surcharges added to the total amount of a residential telephone bill;

(10) Gross receipts from sales to an out-of-state agency, organization, or institution exempt from sales and use tax in its state of residence when that agency, organization, or institution gives proof of its tax-exempt status to the retailer and the retailer maintains a file of the proof;

(11) Gross receipts derived from the sale of, and the storage, use, or other consumption in this state of, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property at a plant facility and which will be for sale. The property shall be regarded as having been purchased for resale. "Plant facility" shall have the same meaning as defined in KRS 139.170(3). For purposes of this subsection, a manufacturer or industrial processor includes an individual or business entity that performs only part of the manufacturing or industrial processing activity and the person or business entity need not take title to tangible personal property that is incorporated into, or becomes the product of, the activity.

(a) Industrial processing includes refining, extraction of petroleum and natural gas, mining, quarrying, fabricating, and industrial assembling. As defined herein, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property which will be for sale shall mean:

1. Materials which enter into and become an ingredient or component part of the manufactured product.

2. Other tangible personal property which is directly used in manufacturing or industrial processing, if the property has a useful life of less than one (1) year. Specifically these items are categorized as follows:

a. Materials. This refers to the raw materials which become an ingredient or component part of supplies or industrial tools exempt under subdivisions b. and c. below.

b. Supplies. This category includes supplies such as lubricating and compounding oils, grease, machine waste, abrasives, chemicals, solvents, fluxes, anodes, filtering materials, fire brick, catalysts, dyes, refrigerants, explosives, etc. The supplies indicated above need not come in direct contact with a manufactured product to be exempt. "Supplies" does not include repair, replacement, or spare parts of any kind.

c. Industrial tools. This group is limited to hand tools such as jigs, dies, drills, cutters, rolls, reamers, chucks, saws, spray guns, etc., and to tools attached to a machine such as molds, grinding balls, grinding wheels, dies, bits, cutting blades, etc. Normally, for industrial tools to be considered directly used in manufacturing, they shall come into direct contact with the product being manufactured.

3. Materials and supplies that are not reusable in the same manufacturing process at the completion of a single manufacturing cycle, excluding repair, replacement, or spare parts of any kind. A single manufacturing cycle shall be considered to be the period elapsing from the time the raw materials enter into the manufacturing process until the finished product emerges at the end of the manufacturing process.

(b) It shall be noted that in none of the three (3) categories is any exemption provided for repair, replacement, or spare parts. Repair, replacement, or spare parts shall not be considered to be materials, supplies, or industrial tools directly used in manufacturing or industrial processing. "Repair, replacement, or spare parts" shall have the same meaning as set forth in KRS 139.170;

(12) Any water use fee paid or passed through to the Kentucky River Authority by facilities using water from the Kentucky River basin to the Kentucky River Authority in accordance with KRS 151.700 to 151.730 and administrative regulations promulgated by the authority;

(13) Gross receipts from the sale of newspaper inserts or catalogs purchased for storage, use, or other consumption outside this state and delivered by the retailer's own vehicle to a location outside this state, or delivered to the United States Postal Service, a common carrier, or a contract carrier for delivery outside this state, regardless of whether the carrier is selected by the purchaser or retailer or an agent or representative of the purchaser or retailer, or whether the F.O.B. is retailer's shipping point or purchaser's destination.

(a) As used in this subsection:

1. "Catalogs" means tangible personal property that is printed to the special order of the purchaser and composed substantially of information regarding goods and services offered for sale; and
2. "Newspaper inserts" means printed materials that are placed in or distributed with a newspaper of general circulation.

(b) The retailer shall be responsible for establishing that delivery was made to a non-Kentucky location through shipping documents or other credible evidence as determined by the ***department***[~~cabinet~~];

(14) Gross receipts from the sale of water used in the raising of equine as a business;

(15) Gross receipts from the sale of metal retail fixtures manufactured in this state and purchased for storage, use, or other consumption outside this state and delivered by the retailer's own vehicle to a location outside this state, or delivered to the United States Postal Service, a common carrier, or a contract carrier for delivery outside this state, regardless of whether the carrier is selected by the purchaser or retailer or an agent or representative of the purchaser or retailer, or whether the F.O.B. is the retailer's shipping point or the purchaser's destination.

(a) As used in this subsection, "metal retail fixtures" means check stands and belted and nonbelted checkout counters, whether made in bulk or pursuant to specific purchaser specifications, that are to be used directly by the purchaser or to be distributed by the purchaser.

(b) The retailer shall be responsible for establishing that delivery was made to a non-Kentucky location through shipping documents or other credible evidence as determined by the ***department***[~~cabinet~~];

(16) Gross receipts from the sale of unenriched or enriched uranium purchased for ultimate storage, use, or other consumption outside this state and delivered to a common carrier in this state for delivery outside this state, regardless of whether the carrier is selected by the purchaser or retailer, or is an agent or representative of the purchaser or retailer, or whether the F.O.B. is the retailer's shipping point or purchaser's destination;

(17) Amounts received from a tobacco buydown. As used in this subsection, "buydown" means an agreement whereby an amount, whether paid in money, credit, or otherwise, is received by a retailer from a manufacturer or wholesaler based upon the quantity and unit price of tobacco products sold at retail that requires the retailer to reduce the selling price of the product to the purchaser without the use of a manufacturer's or wholesaler's coupon or redemption certificate;

(18) Gross receipts from the sale of property returned by a purchaser when the full sales price is refunded either in cash or credit. This exclusion shall not apply if the purchaser, in order to obtain the refund, is required to purchase other property at a price greater than the amount charged for the property that is returned;

(19) Gross receipts from the sales of gasoline and special fuels subject to tax under KRS Chapter 138;

(20) The amount of any tax imposed by the United States upon or with respect to retail sales, whether imposed on the retailer or the consumer, not including any manufacturer's excise or import duty;

(21) Gross receipts from the sale of any motor vehicle as defined in KRS 138.450 which is registered for use on the public highways and upon which any applicable tax levied by KRS 138.460 has been paid;

(1) In consideration of the execution of the agreement as defined in KRS 148.851 and notwithstanding any provision of KRS 139.770 to the contrary, the approved company as defined in KRS 148.851 excluding its lessees, may be granted a sales tax refund from the Kentucky sales tax imposed by KRS 139.200 on the sales generated by or arising at the tourism attraction project as defined in KRS 148.851. The approved company shall have no obligation to refund or otherwise return any amount of this sales tax refund to the persons from whom the sales tax was collected. The term of the agreement granting the sales tax refund shall be ten (10) years, and this time period shall commence on the later of:

(a) The final approval for purposes of the inducements; or

(b) The completion date specified in the agreement.

(2) Any sales tax collected by an approved company as defined in KRS 148.851 on sales transacted after final approval but prior to the commencement of the term of the agreement, including any approved company that has received final approval prior to July 15, 2000, shall be refundable as if collected after the commencement of the term and applied to the approved company's first fiscal year's refund after activation of the term and without changing the term.

(3) The total sales tax refund allowed to the approved company over the term of the agreement in subsection (1) of this section shall be equal to the lesser of the total amount of the sales tax liability of the approved company and its lessees or twenty-five percent (25%) of the approved costs. The sales tax refund shall accrue over the term of the agreement in an annual amount equal to two and one-half percent (2.5%) of the approved cost. Notwithstanding the foregoing two and one-half percent (2.5%) limitation, any unused inducements as set forth in KRS 148.851(9) from a previous year may be carried

forward to any succeeding year during the term of the agreement until the entire twenty-five percent (25%) of the approved costs have been received through sales tax refunds. By October 1 of each year the ***Department of*** Revenue [~~Cabinet~~]shall certify to the authority and the secretary of the Tourism Development Cabinet for the preceding fiscal year for all approved companies for which sales tax returns were filed with respect to a tourism attraction project, the sales tax liability of the approved companies receiving inducements under this section and KRS 148.851 to 148.860, and their lessees, and the amount of the sales tax refunds issued pursuant to subsection (1) of this section.

(4) Interest shall not be allowed or paid on any refund made under the provisions of this section.

(5) The ***Department of*** Revenue [~~Cabinet~~]may promulgate administrative regulations and require the filing of forms designed by the ***Department of*** Revenue [~~Cabinet~~]to reflect the intent of this section and KRS 148.851 to 148.860.

Section 270. KRS 139.5384 is amended to read as follows:

(1) The ***Department of*** Revenue [~~Cabinet~~]shall, within sixty (60) days following the receipt of an application for a credit for sales and use tax paid, calculate the total expenditures of the motion picture production company for which there is documentation for funds expended in the Commonwealth, calculate the amount of credit to which the applicant is entitled, and certify the same to the secretary of the Finance and Administration Cabinet. In the case of an audit, as provided for in KRS 139.5386, the ***Department of*** Revenue [~~Cabinet~~]shall certify the amount of the credit due to the secretary within one hundred eighty (180) days following the receipt of the motion picture production company's application.

(2) Upon receipt of the certification of the amount thereof from the ***Department of*** Revenue[~~ Cabinet~~], the secretary shall cause the refund of sales taxes paid to be remitted to the motion picture production company. For purposes of payment and funding thereof, the credit provided in KRS 139.5382 to 139.5386 shall be paid in the same manner as other claims on the State Treasury are paid. They shall not be charged against any appropriation, but shall be deducted from tax receipts for the current fiscal year.

(3) The sales and use taxes paid by the motion picture production company for which a refundable tax credit is granted shall be deemed not to have been legally paid into the State Treasury, and the refund of the credit shall not be in violation of Section 59 of the Kentucky Constitution.

Section 271. KRS 139.5385 is amended to read as follows:

(1) Any tax credit, or part thereof, paid to a motion picture production company as a result of error by the ***Department of*** Revenue [~~Cabinet~~]shall be repaid by such company to the secretary of the Finance and Administration Cabinet.

Section 272. KRS 139.5386 is amended to read as follows:

(1) The ***Department of*** Revenue [~~Cabinet~~]may require that reported expenditures and the application for the tax credit from a motion picture production company be subjected to an audit by the ***Department of*** Revenue [~~Cabinet~~]auditors to verify expenditures.

(2) For companies in the business of producing films or television shows other than those which would qualify them for the credit under the definition of "motion picture production company" in KRS 139.5381, the ***department***[~~cabinet~~] may require separate accounting records for the reporting of expenditures made in connection with the application for a refundable tax credit.

(3) The ***Department of*** Revenue [~~Cabinet~~]shall promulgate appropriate administrative regulations to carry out the intent and purposes of KRS 139.5382 to 139.5386.

Section 273. KRS 139.735 is amended to read as follows:

(1) The ***Department of*** Revenue [~~Cabinet~~]shall not promulgate any administrative regulation or policy either written or unwritten whose provisions are more stringent than the provisions of KRS 139.270 and 103 KAR 31.030 regarding the good faith provisions for resale certificates, exemption certificates and direct pay authorizations.

(2) It shall be mandatory upon the ***Department of*** Revenue [~~Cabinet~~]during any audit process to honor resale certificates, exemption certificates and direct pay authorizations when executed according to the good faith provisions defined and described in KRS 139.270 and 103 KAR 31.030.

Section 274. KRS 140.040 is amended to read as follows:

(1) Whenever any person shall exercise a power of appointment derived from any disposition of property (whether by will, deed, trust agreement, contract, insurance policy or other instrument) regardless of when made, such appointment shall be deemed a transfer taxable under the provisions of this chapter in the same manner as though the property to which such appointment relates belonged absolutely to the donee of such power and had been bequeathed or devised by such donee by will; and whenever any person possessing such a power of appointment so derived shall omit or fail to exercise the same in whole or in part, within the time provided therefor, a transfer taxable under the provisions of this chapter shall be deemed to take place to the person or persons receiving such property as a result of such omission or failure to the same extent that such property would have been subject to taxation if it had passed under the will of the donee of such power. The time at which such transfer shall be deemed to take place, for the purpose of taxation, shall be governed by the provisions of subsections (2) to (4) of this section.

(2) In the case of a power of appointment which passes to the donee thereof at the death of the donor, under any instrument, and if the donor dies on or after April 24, 1936, the transfer shall be deemed to take place, for the purpose of taxation, at the time of the death of the donor and the assessment be made at that time against the life interest of the donee and the remainder against the corpus. The value of the property to which the power of appointment relates shall be determined as of the date of the death of the donor and shall be taxed at the rates and be subject to the exemptions in effect at the death of the donor. The determination of the applicable rates and exemptions (in effect at the death of the donor) shall be governed by the relationship of the beneficiary to the donee of the power of appointment. In the event the payment of the tax at the death of the donor should operate to provide an exemption for any beneficiary of a donee not authorized by KRS 140.080, then such exemption shall be retrospectively disallowed at the time of the death of the donee. It is further provided that the remainder interest passing under the donee's power of appointment, whether exercised or not, shall be added to and made a part of the distributable share of the donee's estate for the purpose of determining the exemption and rates applicable thereto.

(3) In all cases other than that described in subsection (2) the transfer shall be deemed to take place, for the purpose of taxation, at the time of the death of the donee. In such cases, the value of the property to which the power of appointment relates shall be determined as of the date of the death of the donee and shall be taxed at the rates and be subject to the exemptions in effect at the death of the donee. The determination of the applicable rates and exemptions (in effect at the death of the donee) shall be governed by the relationship of the beneficiary to the donee of the power of appointment.

(4) The provisions of subsection (2) shall not preclude the taxation, at the death of the donee, of any transfer made by means of a power of appointment if such transfer was not in fact reported to or a tax assessed thereon by the ***Department of*** Revenue [~~Cabinet~~]within the period of limitation prescribed by KRS 140.160. If the transfer by the power of appointment is not so reported or a tax assessed thereon, the period of limitation prescribed in KRS 140.160 shall not begin to run until the death of the donee of such power.

(5) The amendments to this section, adopted by the 1948 General Assembly, shall apply to all powers of appointment whether created before or after the effective date of said amendments. It is the declared intention of the General Assembly to impose a tax upon every transfer of property by means of a power of appointment, regardless of when or how created, and it is the declared intention of the General Assembly that the use of the power of appointment device shall not permit the transfer of property, to which such a power relates, to escape thereby the payment of state inheritance taxes.

Section 275. KRS 140.080 is amended to read as follows:

(1) The following exemptions chargeable against the lowest bracket or brackets of inheritable interests shall be free from any tax under the preceding provisions of this chapter:

(a) Surviving spouse, total inheritable interest. Effective as to decedents dying after August 1, 1985, notwithstanding anything in this chapter to the contrary, if the decedent's personal representative (or trustee or transferee, absent a personal representative) shall so elect, the spouse's inheritable interest shall include the entire value of any trust or life estate which is in a form that qualifies for the federal estate tax marital deductions under section 2056(b)(5) or 2056(b)(7) of the Internal Revenue Code of 1954, as amended through December 31, 1984, regardless of whether or not the federal estate tax marital deduction is elected by the decedent's personal representative. To be valid, the election referred to in the sentence immediately preceding must be made in the form prescribed by the ***Department of*** Revenue[~~ Cabinet~~] and must be filed on or before the due date of the tax return (plus extensions) or with the first tax return filed, whichever last occurs;

No fee shall be charged by the division for this service. The certificate shall be competent evidence that the method of computation therein is correct.

(2) The value of every future, contingent or limited estate, income or interest for the purpose of this chapter shall be determined by the rules, methods and standards of mortality and of value prescribed by the appropriate United States life mortality tables for ascertaining the value of life estates, annuities and remainder interests except that the rate of interest assessed in computing the present value of all future interests and contingencies shall be four percent (4%) per annum.

(3) When an annuity or a life estate is terminated by the death of the annuitant or life tenant, and the tax upon such interest has not been fixed and determined, the value of the interest for the purpose of taxation shall be that amount of the annuity or income actually paid or payable to the annuitant or life tenant during the period for which the annuitant or life tenant was entitled to the annuity or was in possession of the life estate. Section 278. KRS 140.110 is amended to read as follows:

(1) In the case of estates in expectancy which are contingent or defeasible, a tax shall be levied at the rate which, on the happening of the most probable contingencies or conditions named in the will, deed, trust agreement, contract, insurance policy, or other instrument, would be applicable under the provisions of this chapter. Moneys so collected shall be distributed as are other inheritance tax funds. If the property so taxed shall ultimately vest in possession in persons taxable at a lower rate, or in a person or a corporation exempt from taxation by this chapter, upon application by such beneficiary to the ***Department of*** Revenue [~~Cabinet ~~]for refund of any excess tax, the ***Department of*** Revenue[~~ Cabinet~~], after investigation, shall certify to the Finance and Administration Cabinet the amount of such refund. The Finance and Administration Cabinet shall refund such excess payment of tax in the same manner as other refunds are made.

(2) Where an estate or interest can be divested by the act or omission of the legatee or devisee, it shall be taxed as if there were no possibility of divesting.

Section 279. KRS 140.160 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall have full supervision of the collection of all taxes due under the provisions of this chapter, including the power to institute suit in this and other states. It may employ attorneys and other persons necessary to carry out the full intent and purpose of this chapter. The ***department***[~~cabinet~~] shall furnish, upon application, blank forms covering information as may be necessary to determine the amount of tax due the state on the transfer of all property subject to tax.

(2) The ***department***[~~cabinet~~] may cause personal representatives or beneficiaries to file all statements required by this chapter with the clerks of the proper courts and with the ***department***[~~cabinet~~], and may require them to furnish any additional information deemed necessary to support the computation of the amount of tax that should be paid by the estate. The personal representative, or the beneficiaries in the absence of a personal representative, shall compute the taxes imposed by this chapter on the tax return provided by the ***department***[~~cabinet~~] when:

(a) 1. A United States estate tax return is required to be filed under federal law and applicable regulations; and

2. The estate includes property over which Kentucky has jurisdiction for purposes of the taxes imposed by this chapter; or

(b) Any assets from the estate subject to the taxes imposed by this chapter pass to a beneficiary taxable under KRS 140.070.

The tax return, when required, shall be filed with the ***department***[~~cabinet~~] within eighteen (18) months after the death of the decedent or at the time payment of the tax is made pursuant to KRS 140.210.

(3) Except as herein provided, no action to enforce the collection of the tax imposed by this chapter shall be commenced more than ten (10) years after the cause of action first accrued. In case the settlement of an estate is delayed because of litigation or other unavoidable cause, the delay shall suspend the limitation, prescribed by this subsection, until the cause of delay is removed. In the case of a fraudulent return or any other fraudulent representation affecting the amount of or the liability for the tax imposed by this chapter notwithstanding any provision of limitation provided elsewhere, the tax due by reason thereof may at any time be assessed and collected by the methods set out in this chapter, including action in a court of competent jurisdiction.

Section 280. KRS 140.170 is amended to read as follows:

(1) The District Court, upon the request of the personal representative or any interested party, shall appoint some competent person as appraiser of the estate. The appraiser shall give notice to all persons having an interest in the estate and to such other persons as the court may by order direct, and shall then appraise the property belonging to the estate. His report shall be filed with the court and a copy thereof with the ***Department of*** Revenue[~~ Cabinet~~]. He shall be paid for his services out of the funds of the estate, on the certification of the court, the amount to be fixed by that court. The total compensation of the appraiser shall not exceed one-tenth of one percent (0.1%) of the total appraised value of the estate for inheritance tax purposes, but there shall be a minimum allowance of five dollars ($5), together with the appraiser's actual and necessary traveling expenses.

(2) After investigation, the ***department***[~~cabinet~~] may change the value of the estate for inheritance taxes and advise the representatives of the estate of this changed valuation after the receipt of a completed tax return and full payment as shown by the tax return.

(3) No appraiser shall accept any fee or reward from a personal representative, trustee, legatee, next of kin or heir of the decedent, or from any other person liable to pay the tax or any portion thereof.

(4) No person shall willfully and knowingly subscribe to or make any false statement of fact, or knowingly subscribe to or exhibit any false paper or false report with intent to deceive any appraiser.

(5) The ***department***[~~cabinet~~] shall keep a record of all returns, reports, and schedules attached thereto required by this chapter for twelve (12) years.

Section 281. KRS 140.210 is amended to read as follows:

(1) All taxes imposed by this chapter, unless otherwise provided in this chapter, shall be due at the death of the decedent and shall be payable to the ***Department of*** Revenue[~~ Cabinet~~] within eighteen (18) months thereafter. If they are paid within nine (9) months, a discount of five percent (5%) shall be allowed, and if they are paid within eighteen (18) months, no interest shall be charged and collected thereon. If the taxes due are not paid within eighteen (18) months, interest at the tax interest rate as defined in KRS 131.010(6) shall be paid from the expiration of the eighteen (18) months until payment is actually made to the ***department***[~~cabinet~~].

(2) In all cases where the personal representatives or trustees do not pay the taxes within eighteen (18) months from the death of the decedent, they shall be required to give bond, in the form and to the effect prescribed by the ***department***[~~cabinet~~], for the payment of the taxes and interest.

Section 282. KRS 140.222 is amended to read as follows:

(1) When the net tax due from a beneficiary's distributive share exceeds five thousand dollars ($5,000), the beneficiary may elect to pay the inheritance tax in ten (10) equal installments. The first installment shall be due at the time the return is filed with succeeding payments due in annual installments beginning one (1) year after the return is filed.

(2) The portion of the tax deferred under this section shall be charged with interest at the tax interest rate as defined in KRS 131.010(6) commencing eighteen (18) months after the date of death.

(3) When the beneficiary elects to pay the tax on his share as provided in this section, such election must be made in writing and signed by the beneficiary and must be filed with the ***Department of*** Revenue[~~ Cabinet~~] at the time of filing the tax return for the decedent's estate under KRS 140.160(2). The filing of the election together with payment of the first installment shall relieve the personal representative or trustee of the estate from further liability for the tax payments deferred under this section and the bond requirements of KRS 140.210, subject to the final approval by the ***Department of*** Revenue[~~ Cabinet~~] of all other taxes due under this chapter.

(4) A beneficiary electing to defer the payment of taxes under this section shall be personally liable for the amount of deferred taxes until paid.

(5) The period of limitations for actions to enforce the collection of taxes imposed by this chapter as provided by KRS 140.160(3) shall be suspended for the period of time for deferred payment granted by this section.

Section 283. KRS 140.270 is amended to read as follows:

(1) In the absence of administration in this state upon the estate of a nonresident, the ***Department of*** Revenue[~~ Cabinet~~], at the request of a personal representative duly appointed and qualified in the state of the decedent's domicile, or of a grantee under a conveyance made during the grantor's lifetime, and upon satisfactory evidence furnished by the personal representative or grantee, or otherwise, may determine whether or not any property of the decedent within this state is subject to the provisions of this chapter. If so, the ***department***[~~cabinet~~] may determine the amount of tax and adjust the same with the personal representative or grantee, and for that purpose may appoint an appraiser to appraise the property. The expense of appraisal shall be charged upon the property in addition to the tax. The ***department's***[~~cabinet's~~] certificate of the amount of tax and its receipt for the amount therein certified may be filed with the county judge/executive of the county where the property is located, and when so filed shall be evidence of the payment of the tax to the extent of such certification. When the tax is not adjusted within six (6) months after the death of the decedent, the proper District Court, upon application of the ***department***[~~cabinet~~], shall appoint an administrator in this state.

(2) When evidence of ownership of intangible personal property belonging to a nonresident decedent is found to be physically located in this state, the ***Department of*** Revenue[~~ Cabinet~~] shall so inform the state official collecting death tax in the state

of domicile of the decedent, if that state furnishes like information to the ***Department of*** Revenue[~~ Cabinet~~] of this state in a reciprocal manner.

Section 284. KRS 140.275 is amended to read as follows:

(1) It is hereby declared to be the legislative policy that Kentucky shall not be a party to interstate double taxation under the terms of the Kentucky inheritance and estate tax laws. Pursuant to this policy, the ***commissioner***[~~secretary~~] of revenue is hereby authorized to omit from the property subject to tax under those laws, any intangible personal property of a nonresident decedent (having a domicile in the United States) held in trust by a Kentucky trustee if the jurisdiction (state, territory or District of Columbia) in which the decedent was domiciled grants similar immunity to residents of Kentucky, but only in the event the personal representative shall present evidence that the tax has been or will be paid to the other jurisdiction. If another state, territory, or the District of Columbia of the United States constitutionally imposes a tax on the transfer of estates or of the distributive shares thereof, but grants immunity from the tax in respect of any intangible property of its resident decedents held in trust by a Kentucky trustee, then the ***commissioner***[~~secretary~~] of revenue is hereby authorized to exclude from the property subject to tax under the Kentucky inheritance and estate tax laws, the intangible personal property of a Kentucky resident held in trust in that jurisdiction but only in the event the personal representative shall present evidence that the tax has been or will be paid to the other jurisdiction.

(2) It is expressly provided, however, in view of the uncertainty now prevailing with respect to the correct interpretation of the Constitution of the United States regarding the jurisdiction of the several states, that the provisions of this section shall be inoperative under the second alternative until and unless an agreement, approved as to legality by the Attorney General, between the ***commissioner***[~~secretary~~] of revenue as agent for Kentucky and the appropriate administrative official of such other state, shall have been executed and an original copy thereof filed with the Kentucky ***Department of*** Revenue[~~Cabinet~~].

(3) This section is intended to apply retroactively to all estates of decedents on or after April 25, 1936, which are subject to Kentucky inheritance tax laws.

Section 285. KRS 140.285 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] claims that a decedent was domiciled in Kentucky at the time of death and the taxing authorities of another state or states make a similar claim with respect to their state or states, the ***commissioner***[~~secretary~~] of revenue may enter into a written agreement with such taxing authorities and the executor, administrator or trustee, fixing the sum acceptable to the ***department***[~~cabinet~~] in full settlement of the inheritance or estate taxes imposable under this chapter. Such agreement shall also fix the sum acceptable to such other state or states in full settlement of the death taxes imposable by such state or states.

(2) If the aggregate amount payable under such agreement to the states involved is less than the maximum sum allowable as a credit to the estate against the federal estate tax imposed thereon, then the executor, administrator or trustee shall also pay to the State of Kentucky as an estate tax so much of the difference between such aggregate amount and the amount of such credit as the amount payable to Kentucky under the agreement bears to such aggregate amount.

Section 286. KRS 140.290 is amended to read as follows:

Whenever debts are proved against the estate of a decedent after the payment of legacies or distribution of property from which the tax has been deducted or upon which it has been paid, and a refund is made by the legatee, devisee, heir or next of kin, a proportion of the tax so deducted or paid shall be repaid to him, by the personal representative or trustee if the tax has not been paid to the ***Department of*** Revenue[~~ Cabinet~~], or by the ***department***[~~cabinet~~] if it has been so paid.

Section 287. KRS 140.320 is amended to read as follows:

If, within five (5) years after the death of the decedent, a qualified person sells, conveys, or otherwise transfers the ownership, directly or indirectly, of the qualified real estate to any person or persons other than another qualified person who is a joint owner or the qualified real estate is converted to a use other than agricultural or horticultural use, then the qualified persons to whom the property passed at the death of the decedent in whose estate the agricultural or horticultural value was reported shall cause to be paid, pursuant to administrative regulations promulgated by the ***Department of*** Revenue[~~ Cabinet~~], the additional inheritance tax that would have been due on the decedent's estate if fair market value had been used to compute the tax due on the estate rather than the agricultural or horticultural value, along with interest at the tax interest rate as defined in KRS 131.010(6).

Section 288. KRS 140.330 is amended to read as follows:

In the event the qualified real estate is reported for inheritance tax purposes at its agricultural or horticultural value and that real estate has been assessed at its agricultural or horticultural value for ad valorem tax purposes, then that assessment shall be presumed to be its agricultural or horticultural value for inheritance tax purposes. If, however, the real estate has not been so assessed for ad valorem tax purposes, then the agricultural or horticultural value shall be determined pursuant to KRS Chapter 132 and such regulations as may be promulgated by the ***Department of*** Revenue[~~ Cabinet~~] to determine horticultural or agricultural value for inheritance tax purposes.

Section 289. KRS 140.350 is amended to read as follows:

At such time as the ***Department of*** Revenue[~~ Cabinet~~] accepts the agricultural or horticultural value on qualified real estate comprising a portion of a decedent's estate and issues tax waivers thereon, it shall cause to be filed in the office of the county clerk of the county where the real estate or the greater portion thereof is located, on a form prescribed by the ***Department of*** Revenue[

~~Cabinet~~], a lien which on its face shall expire in five (5) years and the lien shall secure the payment of any additional tax which may become due as the result of the qualified real estate being sold to others than qualified persons or the qualified real estate being converted to other than a qualified use.

If additional taxes are due as the result of the real estate being transferred to other than a qualified person or its use is converted to other than agricultural or horticultural use, and the additional tax is not paid after assessment of the tax, within the time prescribed by the regulations of the ***Department of*** Revenue[~~ Cabinet~~], then the ***Department of*** Revenue [~~Cabinet ~~]may proceed to enforce the lien in accordance with law.

(6) If the economic development project is a totally separate facility, net income attributable to the project for the purposes of subsections (3), (4), and (5) of this section shall be determined under the separate accounting method reflecting only the gross income, deductions, expenses, gains, and losses allowed under this chapter directly attributable to the facility and overhead expenses apportioned to the facility.

(7) If the economic development project is an expansion to a previously existing facility, net income attributable to the entire facility shall be determined under the separate accounting method reflecting only the gross income, deductions, expenses, gains, and losses allowed under this chapter directly attributable to the facility, and the net income attributable to the economic development project for the purposes of subsections (3), (4), and (5) of this section shall be determined by apportioning the separate accounting net income of the entire facility to the economic development project by a formula approved by the ***Department of*** Revenue[~~ Cabinet~~].

(8) If an approved company can show to the satisfaction of the ***Department of*** Revenue[~~ Cabinet~~] that the nature of the operations and activities of the approved company are such that it is not practical to use the separate accounting method to determine the net income from the facility at which the economic development project is located, the approved company shall determine net income from the economic development project using an alternative method approved by the ***Department of*** Revenue[~~ Cabinet~~].

(9) The ***Department of*** Revenue[~~ Cabinet~~] may issue administrative regulations and require the filing of forms designed by the ***Department of*** Revenue[~~ Cabinet~~] to reflect the intent of KRS 154.22-020 to 154.22-070 and the allowable income tax credit which an approved company may retain under KRS 154.22-020 to 154.22-070.

(2) The credit in this section may be claimed for the taxable year in which the installation is completed. The credit may be claimed only for expenditures made during the taxable year for which the credit is claimed or during the immediately preceding taxable year, but not for expenditures made before January 1, 1983.

The credit shall not be claimed by both the builder and the purchaser.

(6) In the case where the credit allowed in this section exceeds the tax due for the taxable year, that portion of the credit which exceeds the tax due may be carried over to the succeeding taxable years until the allowable credit has been fully exhausted, or until the credit has been claimed for three (3) successive years, whichever comes first.

(7) This tax credit shall not apply to trusts or estates.

(8) Before any tax credit can be claimed under the provisions of this section, the Natural Resources and Environmental Protection Cabinet must certify that the taxpayer's system is a viable system for using solar, wind or geothermal energy and documentation must be provided that the system has been completely installed. Any fee charged by the ***department***[~~cabinet~~] for review and certification of a system shall not exceed ten dollars ($10).

(9) The Natural Resources and Environmental Protection Cabinet may promulgate such rules and regulations as necessary to maintain commonly accepted energy equipment standards, to effectively conform to the definition of qualifying energy property in KRS 141.375 and to administer the certification requirements in this section. The regulations, including those describing the application procedure, shall be written in nontechnical language understandable to lay citizens untrained in engineering, architecture, or other technical fields.

(10) With the exception of the certification requirements delegated to the Natural Resources and Environmental Protection Cabinet by this section, the ***Department of*** Revenue[~~ Cabinet~~] may promulgate such rules and regulations as necessary to effectively administer the requirements of KRS 141.375 and this section.

(11) All regulations necessary to implement KRS 141.375 and this section shall be filed with the Legislative Research Commission in accordance with KRS Chapter 13A by September 1, 1984.

1. If the natural resource is to be sold under the terms of an existing contract, the contract price shall be used in computing gross value.

2. If there is no existing contract, the fair market value for that grade and quality of the natural resource shall be used in computing gross value.

(c) In a transaction involving related parties, gross value shall not be less than the fair market value for natural resources of similar grade and quality.

(d) In the absence of a sale, gross value shall be the fair market value for natural resources of similar grade and quality.

(e) If severed natural resources are purchased for the purpose of processing and resale, the gross value is the amount received or receivable during the reporting period reduced by the amount paid or payable to the taxpayer actually severing the natural resource.

(f) If severed natural resources are purchased for the purpose of processing and consumption, the gross value is the fair market value of processed natural resources of similar grade and quality reduced by the amount paid or payable to the taxpayer actually severing the natural resource.

(g) In all instances, the gross value shall not be reduced by any taxes including the tax levied in KRS 143A.020, royalties, sales commissions, or any other expense.

(6) "Processing" includes but is not limited to breaking, crushing, cleaning, drying, sizing, or loading or unloading for any purpose. "Processing" shall not include the act of unloading or loading for shipment natural resources that have not been severed, cleaned, broken, crushed, dried, sized or otherwise treated in Kentucky.

(7) "Related parties" means two (2) or more persons, organizations or businesses owned or controlled directly or indirectly by the same interests.

(8) "Economic interest" for the purpose of this chapter is synonymous with the economic interest ownership required by Internal Revenue Code, Section 611 in effect on December 31, 1977, entitling the taxpayer to a depletion deduction for income tax purposes with the exception that a party who only receives an arm's length royalty shall not be considered as having an economic interest.

(9) (a) "Transportation expense" means:

1. The amount paid by a taxpayer to a third party for transporting natural resources; and

2. The expenses incurred by a taxpayer using his own facilities in transporting natural resources from the point of extraction to a processing plant, tipple, or loading dock.

(b) Transportation expenses shall not include:

1. The cost of acquisition, improvements, and maintenance of real property;

2. The cost of acquisition and operating expenses of mining and nonmining loading or unloading facilities; or

3. The cost of acquisition and operating expenses of equipment used to load or unload the natural resource at the point of extraction, processing facility, or mining and nonmining loading facility.

Section 322. KRS 143A.040 is amended to read as follows:

The ***Department of*** Revenue[~~ Cabinet~~] shall administer the provisions of this chapter and shall have all the powers, rights, duties and authority with respect to rules and regulations, collection, refunding and administration of the taxes levied by KRS 143A.020 conferred generally on it by the Kentucky Revised Statutes, including KRS Chapters 131, 134 and 135.

Section 323. KRS 144.110 is amended to read as follows:

As used in KRS 144.110 to 144.130, unless the context requires otherwise:

(1) "Air transportation facilities and related equipment" means any facilities, improvements, or equipment located at an airport and used, directly or indirectly, by the certificated air carrier or its customers in the carrier's business of transporting persons or property for hire. It includes exclusive space leased or owned by the certificated air carrier, common access

areas, concession areas, aircraft ramps, taxiways, roadways, and vehicles which are part of an intra-airport train, subway, or automated fixed guideway transit system, but excludes any other ground vehicles and aircraft.

(2) "Investment" means all costs which, consistent with the fundamental project scope, the certificated air carrier, airport operator, or any bond trustee pays, commits to pay, or incurs in any manner for the purchase or acquisition of additional air transportation facilities for which construction was started after the base period, and related equipment which was not located at an airport in this Commonwealth prior to the base period. Included are costs directly related to the design, construction, purchase, acquisition, lease, use, or financing of part or all of the additional air transportation facilities and related equipment whether owned, leased, or used by the carrier or its customers. Financing costs shall be limited to the principal amount of bonds or other obligations, capitalized interest, and any related issuance costs and expenses. The total investment shall not be offset or otherwise reduced if the certificated air carrier or airport operator is or subsequently becomes eligible for any reimbursement from either federal funds or other funds which may be available, including funds generated directly or indirectly from passenger facility charges. Likewise, any subsequent adjustment to the total investment provided in a carrier's contractual obligation shall not adversely affect the amount of the investment if the fundamental project scope is not reduced.

(3) "Annual period" means the certificated air carrier's taxable year as provided in KRS 141.140.

(4) "Base period" means the certificated air carrier's annual period ending in 1990.

(5) "Contractually obligated" or "contractual obligation" means having entered into a written agreement or commitment to make an investment in air transportation facilities and related equipment in this state.

(6) "Gross Kentucky real wage base" means the wages subject to Kentucky income tax and Kentucky income tax withholding pursuant to KRS Chapter 141, paid by a certificated air carrier during the base period adjusted to reflect changes in the United States Department of Labor's "Employment Cost Index - Wages and Salaries" for the transportation industry or, at the option of the carrier and upon verification by the ***Department of*** Revenue[~~ Cabinet~~], the carrier's actual general wage increases, through the end of the annual period for which tax credit is claimed pursuant to KRS 144.125.

(7) "Nonqualifying employees" means employees of the certificated air carrier whose employment with the carrier began after the base period; and

(a) The employees perform essentially the same functions which, by contract or otherwise, were performed in this Commonwealth for the carrier by another company at any time after the base period; or

(b) Their employment continued in this Commonwealth as the result of the carrier's purchase, merger, or other acquisition of or combination with another company.

(8) "Fundamental project scope" means the total project consisting of the additional air transportation facilities and related equipment as reflected in the carrier's application filed pursuant to KRS 144.130. It shall be measured by the carrier's increased capacity. Measures of increased capacity may include such factors as square footage, cost, employment, passenger or freight loadings or handling capabilities, number of aircraft departures, and other factors related to the increased investment.

Section 324. KRS 144.120 is amended to read as follows:

(1) Subject to the provisions of subsections (4), (5), and (6) of this section and KRS 144.130, any certificated air carrier which is engaged in the air transportation of persons or property for hire shall be entitled to a Kentucky sales and use tax credit, as computed in subsection (3) of this section, on aircraft fuel, including jet fuel, purchased after June 30, 1991, for any annual period in which the carrier meets or exceeds the investment or fuel purchase qualification requirements prescribed in subsection (2) of this section.

(2) To qualify for the sales and use tax credit provided in subsection (1) of this section, the certificated air carrier shall:

(a) Prior to or during the annual period for which the credit is claimed, have made, caused to be made, or obtained contractual obligations to make, consistent with the fundamental project scope, an investment in the aggregate of at least three hundred million dollars ($300,000,000) in new and expanded air transportation facilities and related equipment in this Commonwealth; or

(b) During the annual period for which the credit is claimed, purchase and place into the fuel supply tank of its aircraft in this state not less than one hundred million (100,000,000) gallons of aircraft fuel, including jet fuel, for the carrier's direct operation of the aircraft in interstate or foreign commerce exclusively for the conveyance of property or passengers for hire. Nominal use of the aircraft fuel in intrastate commerce shall not affect this provision.

(3) The sales and use tax credit shall be an amount equal to the Kentucky sales and use tax otherwise applicable to aircraft fuel, including jet fuel, purchased by the certificated air carrier for its storage, use, or other consumption during the annual period, less four million dollars ($4,000,000). The four million dollar ($4,000,000) amount shall be increased to reflect the Kentucky sales and use tax on aviation fuel attributable to operations of any other company purchased, merged, acquired, or otherwise combined with the certificated air carrier after the base period. The amount of the increase shall be based on the Kentucky sales and use tax applicable to such aircraft fuel purchased during the twelve (12) month period immediately preceding the purchase, merger, or other acquisition by or combination with the certificated air carrier.

(4) To facilitate administration of the tax credit provided pursuant to this section, each qualifying certificated air carrier purchasing aircraft fuel, including jet fuel, on which the Kentucky sales and use tax for the annual period is reasonably

expected to exceed the amount provided in subsection (3) of this section shall report and pay directly to the ***Department of*** Revenue [~~Cabinet~~]the tax applicable to aircraft fuel, including jet fuel, purchased for its storage, use, or other consumption during the annual period, less the credit provided herein.

(5) Notwithstanding the provisions of subsection (1) of this section, no certificated air carrier shall be entitled to any tax credit pursuant to this section unless the carrier meets the requirements of subsection (2) of this section by the annual period ending in 1997.

(6) Each certificated air carrier claiming the sales and use tax credit authorized pursuant to this section shall file an annual sales and use tax reconciliation report with the ***Department of*** Revenue[~~ Cabinet~~] on or before the fifteenth day of the fourth month following the end of each annual period for which the credit is claimed. The report shall be filed as provided in KRS 144.137.

Section 325. KRS 144.125 is amended to read as follows:

(1) Subject to the provisions of subsections (4) through (9) of this section and KRS 144.130, any certificated air carrier which is engaged in the air transportation of persons or property for hire shall be entitled to a general tax credit, as computed in subsection (3) of this section, for any annual period in which the certificated air carrier meets or exceeds the investment and gross wage qualification requirements prescribed in subsection (2) of this section and has elected to begin claiming the credit.

(2) To qualify for the general tax credit provided in subsection (1) of this section, the certificated air carrier shall:

(a) Prior to or during the annual period for which the credit is claimed, have made, caused to be made, or obtained contractual obligations to make, consistent with the fundamental project scope, an investment in the aggregate of at least three hundred million dollars ($300,000,000) in new and expanded air transportation facilities and related equipment in this Commonwealth; and

(b) During the annual period for which the credit is claimed, have gross wages subject to Kentucky income tax and Kentucky income tax withholding pursuant to KRS Chapter 141 which are at least fifteen million dollars ($15,000,000) greater than its gross Kentucky real wage base. In calculating the gross wages paid for the annual period for which the credit is claimed, there shall not be included the wages of any nonqualifying employees of the certificated air carrier.

(3) The general tax credit shall be an amount equal to ten percent (10%) of the increase in gross wages subject to Kentucky income tax and Kentucky income tax withholding paid by the certificated air carrier during the annual period as compared to the carrier's gross Kentucky real wage base. In calculating the gross wages paid for the annual period for which the credit is claimed, there shall not be included the wages of any nonqualifying employees of the certificated air carrier.

(4) The general tax credit may accrue for only five (5) consecutive annual periods of the qualifying certificated air carrier. The five (5) year limitation period shall begin at the election of the qualifying certificated air carrier, but not later than the carrier's annual period beginning in 1997. The tax credit shall accrue to the carrier only for the annual periods during which the carrier meets or exceeds the requirements as provided in subsection (2) of this section.

(5) The general tax credit authorized to a qualifying certificated air carrier shall not exceed three million dollars ($3,000,000) for any annual period.

(6) The general tax credit authorized to a qualifying certificated air carrier shall not exceed a total of fifteen million dollars ($15,000,000).

(7) The general tax credit authorized shall be claimed by the qualifying certificated air carrier first against its Kentucky corporation income tax liability, then against its Kentucky corporation license tax liability, with any remaining balance to be claimed against its Kentucky sales and use tax liability. The credit shall not be applied to any other liability due the Commonwealth. The ***Department of*** Revenue[~~ Cabinet~~] may prescribe the method or manner for the qualifying certificated air carrier to claim the tax credit on applicable tax returns filed with the ***department***[~~cabinet~~].

(8) If the tax liabilities against which the tax credit is to be claimed pursuant to subsection (7) of this section are not sufficient to fully absorb the allowable tax credit, or if a net operating loss carryback or other subsequent adjustment reduces the carrier's liability against which a credit authorized by this section has previously been claimed, the unused or excess balance of the allowable credit may be applied against the carrier's liabilities for the specified taxes for previous or subsequent annual periods within the five (5) year limitation period. However, no refund in excess of the net tax actually paid by the carrier shall be made by the Commonwealth because of the carrier's application of the unused or excess credit. Interest shall not apply to any tax refunded for a prior period resulting from the credit carryback provisions of this subsection.

(9) Each certificated air carrier claiming the general tax credit authorized pursuant to this section shall file an annual general tax credit reconciliation report with the ***Department of*** Revenue[~~ Cabinet~~] on or before the fifteenth day of the fourth month following the end of each annual period for which the credit is claimed. The report shall be filed as provided in KRS 144.135 to 144.139 for each type tax against which the credit is applied.

Section 326. KRS 144.130 is amended to read as follows:

(1) No certificated air carrier shall claim any tax credit pursuant to KRS 144.110 to 144.130 until its entitlement thereto is first determined by the ***Department of*** Revenue[~~ Cabinet~~]. Upon application to the ***department***[~~cabinet~~], a certificated air

carrier desiring to claim a tax credit pursuant to KRS 144.110 to 144.130 shall present documentation as may reasonably be required by the ***department***[~~cabinet~~] to define the fundamental project scope and verify the required investment, the increased capacity which is to result from the investment, and the anticipated project completion date. Documentation may include the carrier's contractual obligations, its corporation board resolutions or stockholder reports, airport board resolutions or actions, related financial transactions, and any other documentation which defines or describes the fundamental project scope and the carrier's planned investment and increased capacity. The ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~] shall, upon the ***department's***[~~cabinet's~~] review of the documentation submitted by the carrier, make a tax credit entitlement determination and immediately give notice thereof to the carrier. In making an entitlement determination, the ***Department of*** Revenue[~~ Cabinet~~] shall seek whatever third-party counsel and advice deemed appropriate to satisfy itself that the fundamental project scope is sufficient to support at least a three hundred million dollar ($300,000,000) investment in additional air transportation facilities and related equipment. An entitlement granted by the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~] for a certificated air carrier to claim any tax credit pursuant to KRS 144.110 to 144.139 shall be subject to the provisions of subsection (2) of this section.

(2) Any certificated air carrier which is granted entitlement to claim any tax credit pursuant to KRS 144.110 to 144.130 shall, by the anticipated project completion date specified in the carrier's application filed pursuant to subsection (1) of this section, but not later than the carrier's annual period ending in 1997, demonstrate to the satisfaction of the ***Department of*** Revenue[~~ Cabinet~~] that an investment of at least three hundred million dollars ($300,000,000) has been made or that the carrier has completed at least ninety percent (90%) of the fundamental project scope. An investment of three hundred million dollars ($300,000,000) or the completion of at least ninety percent (90%) of the fundamental project scope shall constitute fulfillment of the investment requirement. Without precluding the carrier's demonstration by other means, completion of ninety percent (90%) of the projected increased passenger or freight handling or loading capacity, as measured by the number of gates or loading facilities, or completion of at least ninety percent (90%) of the total square footage of the buildings, including the fixtures and equipment therefor, which were to be constructed and equipped as a part of the fundamental project scope shall demonstrate completion of at least ninety percent (90%) of the fundamental project scope. If the carrier has not made an investment of at least three hundred million dollars ($300,000,000) and has not completed at least ninety percent (90%) of the fundamental project scope by the anticipated project completion date, but not later than the carrier's annual period ending in 1997, all or a portion of the tax credit otherwise authorized pursuant to KRS 144.110 to 144.130 shall be forfeited as follows:

Fundamental Project Scope Completion Percentage	Portion of Credit Forfeited
At least 80%, but less than 90%	25%
At least 70%, but less than 80%	50%
Less than 70%	100%

(3) The ***Department of*** Revenue[~~ Cabinet~~] shall be responsible for determining the extent of the certificated air carrier's completion of the fundamental project scope. In making the determination, the ***department***[~~cabinet~~] shall consult with the certificated air carrier, the affected airport board and, if deemed necessary, with other persons.

(4) Subject to the provisions of KRS 131.110, notwithstanding the provisions of KRS 136.076, 139.620, 141.210, 413.120, or any other provision of the Kentucky Revised Statutes limiting the time for assessing taxes, the ***Department of*** Revenue[~~ Cabinet~~] shall assess against the carrier the amount of any tax credit previously claimed which is forfeited pursuant to subsection (2) of this section. Interest at the tax interest rate as defined in KRS 131.010(6) shall apply to the forfeited tax credit amount from the date the credit was claimed until reimbursement is made to the Commonwealth. The carrier shall be allowed to claim in any applicable subsequent annual periods only that portion of the credit otherwise authorized pursuant to KRS 144.110 to 144.130 which has not been forfeited as provided in this section.

(5) The dates set forth in subsection (2) of this section may be extended by the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~], upon request by the carrier, by an amount of time equal to any delay caused by circumstances reasonably beyond the carrier's control which prevent the carrier from completing the project by the anticipated project completion date, including construction delays and delays resulting from the carrier's compliance with applicable federal, state, or local laws, rules and regulations, or an order or judgment of a court or administrative agency. They may also be extended by the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~] upon the carrier's showing of any other good cause. The Governor and the Legislative Research Commission shall be immediately notified of any extension granted pursuant to this subsection and the reason for granting the same.

(6) Upon the making of an initial tax credit entitlement determination pursuant to subsection (1) of this section, the ***Department of*** Revenue[~~ Cabinet~~] shall immediately give written notification to the Governor and the Legislative Research Commission and shall include a description of the fundamental project scope and a summary of the estimated costs. Upon making a final determination as provided in subsections (2) and (3) of this section, the ***Department of*** Revenue[~~ Cabinet~~] shall immediately give written notification to the Governor and the Legislative Research Commission of the extent to which the fundamental project scope was completed. Such notification shall include a summary of the total costs expended for the completed project and a description of any changes to or deviations from the fundamental project scope.

Section 327. KRS 144.132 is amended to read as follows:

(1) Subject to the provisions of subsection (2) of this section, any certificated air carrier which is engaged in the air transportation of persons or property for hire shall be entitled to a credit against the Kentucky sales and use tax paid on aircraft fuel, including jet fuel, purchased after June 30, 2000, as determined under subsection (2) of this section.

(2) For fiscal years beginning after June 30, 2000, certificated air carriers shall pay the first one million dollars ($1,000,000) in Kentucky sales and use tax due that is applicable to the purchase of aircraft fuel, including jet fuel. The sales and use tax credit shall be an amount equal to the Kentucky sales and use tax otherwise applicable to the purchase of aircraft fuel, including jet fuel, purchased by the certificated air carrier during each fiscal year beginning after June 30, 2000, in excess of one million dollars ($1,000,000).

(3) Each certificated air carrier purchasing aircraft fuel, including jet fuel, on which Kentucky sales and use tax for the fiscal year is reasonably expected to exceed one million dollars ($1,000,000) shall report and pay directly to the ***Department of*** Revenue[~~ Cabinet~~] the tax applicable to the purchase of aircraft fuel, including jet fuel, purchased for storage use or other consumption during the fiscal year.

(4) Each certificated air carrier claiming the sales and use tax credit authorized pursuant to this section shall file an annual sales and use tax reconciliation report with the ***Department of*** Revenue[~~ Cabinet~~] on or before October 15 of the fiscal year following the fiscal year for which the credit is claimed. The report shall be filed as provided in KRS 144.137.

Section 328. KRS 144.135 is amended to read as follows:

The general tax credit reconciliation report required to be filed by qualifying certificated air carriers pursuant to KRS 144.125 shall be submitted to the ***Department of*** Revenue[~~ Cabinet~~] in a form and contain information and documentation as the ***department***[~~cabinet~~] may reasonably require to verify the carrier's computation of the tax credit and the use of the credit against the tax levied by KRS 136.070.

Section 329. KRS 144.137 is amended to read as follows:

The sales and use tax aviation fuel tax credit reconciliation report and the general tax credit reconciliation report required to be filed by qualifying certificated air carriers pursuant to KRS 144.120, 144.125, and 144.132 shall be submitted to the ***Department of***Revenue[~~ Cabinet~~] in a form and contain information and documentation as the ***department***[~~cabinet~~] may reasonably require to verify the carrier's computation of the applicable tax credit and the use of the credit against the taxes levied by KRS Chapter 139.

Section 330. KRS 144.139 is amended to read as follows:

The general tax credit reconciliation report required to be filed by qualifying certificated air carriers pursuant to KRS 144.125 shall be submitted to the ***Department of*** Revenue[~~ Cabinet~~] in a form and contain information and documentation as the ***department***[~~cabinet~~] may reasonably require to verify the carrier's computation of the tax credit and the use of the credit against the tax levied by KRS 141.040.

Section 331. KRS 147A.025 is amended to read as follows:

(1) Except as provided in subsection (7) of this section, the Department for Local Government with the advice and approval of the state local finance officer annually shall conduct a program to instruct county clerks, sheriffs, jailers, and county treasurers respecting their duties and responsibilities in the collection and expenditure of public moneys, subject to their control and jurisdiction.

(2) The department with the advice and approval of the state local finance officer shall establish the content and publish instructional materials essential to implementing this program. Subsequent to every regular and extraordinary session of the General Assembly, the department with the state local finance officer shall review and revise, if necessary, the program when it is found not to be consistent with state law.

(3) The department may assess a charge to any person requesting copies of instructional materials published as provided by this section to cover actual costs of printing and handling these materials, except that no county official shall be charged for instructional materials provided for his use. Funds accruing from the sale of instructional materials shall be paid into the State Treasury, and the State Treasurer shall pay these funds into an account of the department to defray the costs of printing and handling these materials.

(4) The commissioner of the department with the advice and approval of the state local finance officer may prescribe completion standards for this program, and may, subject to subsection (6) of this section, establish the number, type and sequence of instructional sessions to be conducted by the department; but the commissioner of the department shall not require the attendance of any county official, nor shall he prescribe any requirement or standard that restricts or impairs a county official or elected candidate in the lawful pursuit or conduct of the office to which he is elected.

(5) The department shall notify in advance each county clerk, sheriff, jailer, and county treasurer respecting instructional session pertinent to his office. Notification shall be by mail, and it shall be posted no later than twenty-one (21) days prior to the instructional session. At a minimum, the notice shall give the date, time, place and title of the instruction session.

(6) The department shall conduct this program by providing a one (1) day session at various locations throughout this state in order to minimize the travel expenses of those officials attending, provided that the aggregate number of all sessions shall not exceed five (5) during any calendar year. Except as provided in subsection (7) of this section, the department may commence instruction anytime during a calendar year.

(7) The department shall not conduct a program as provided by this section during any calendar year when a general election is held for every constitutional county office. The department, however, shall commence instruction for the succeeding year within eighty (80) days following said general election.

(8) Every county official who attends an instructional session shall be paid his actual and necessary expenses in attending from the operating funds of his office.

(9) In fulfilling the requirements of this section, the department shall confer with and coordinate its duties and responsibilities with the Finance and Administration Cabinet,[~~ the Revenue Cabinet~~] and the Auditor of Public Accounts. The department shall also confer with those state universities whose mission statements mandate their participation in the training of public officials, the state associations for those officials listed in subsection (1) of this section, and the Kentucky Association of Counties, respecting the implementation of this section.

Section 332. KRS 147B.100 is amended to read as follows:

(1) There is recognized as established the Governor's Financial Policy Council. The purpose of the council shall be to advise the Governor on economic and financial matters relating to revenue, budgetary, and financial management policies.

(2) The council shall consist of the secretary of Finance and Administration Cabinet, the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~], the state budget director, and four (4) at-large members, appointed by the Governor, who shall be persons that are knowledgeable by reason of their experience and academic training, in the fields of business, financial management or public policy. The Governor shall designate one (1) of the four (4) at-large members to serve as chairman of the council.

(3) The terms of the at-large members shall coincide with the elected term of the Governor who appointed them. Vacancies in the at-large membership of the council shall be filled by appointment by the Governor for the unexpired portion of the vacated member's term.

(4) The council shall meet at least annually and shall hold other meetings deemed necessary by a majority of the membership or when requested by the Governor.

(5) The members of the Governor's council shall serve without compensation for their services but shall be reimbursed, subject to the provisions of KRS 45.101 and state travel regulations, for all actual and necessary expenses incurred in the performance of their duties as members of the council.

Section 333. KRS 148.855 is amended to read as follows:

(1) The secretary of the Tourism Development Cabinet shall establish standards for the making of applications for inducements and the recommendation to the authority of eligible companies and their tourism attraction projects by the promulgation of administrative regulations in accordance with KRS Chapter 13A.

(2) The secretary of the Tourism Development Cabinet shall consult with the authority when establishing standards to ensure that standards established pursuant to subsection (1) of this section and KRS 148.857(1) do not conflict.

(3) With respect to each eligible company making an application to the secretary of the Tourism Development Cabinet for inducements, and with respect to the tourism attraction project described in the application, the secretary of the Tourism Development Cabinet shall make inquiries and request materials of the applicant that shall include, but not be limited to, marketing plans for the project that target individuals who are not residents of the Commonwealth; a description and location of the project; capital and other anticipated expenditures for the project that indicate that the total cost of the project shall exceed one million dollars ($1,000,000), except for a theme restaurant destination attraction's project cost, which shall exceed five million dollars ($5,000,000), and the anticipated sources of funding therefor; the anticipated employment and wages to be paid at the project; business plans which indicate the average number of days in a year in which the project will be in operation and open to the public; and the anticipated revenues and expenses generated by the project. If the tourism attraction project is an entertainment destination center, the sales tax refund shall be dedicated to a public infrastructure purpose that shall relate to the tourism attraction project and shall be approved by the secretary of the Tourism Development Cabinet. The applicant shall submit the public infrastructure purpose with its application. Based upon a review of these materials, if the secretary of the Tourism Development Cabinet determines that the eligible company and the tourism attraction project may reasonably satisfy the criteria for final approval in subsection (4) of this section, then the secretary of the Tourism Development Cabinet may submit a written request to the authority requesting that the authority consider a preliminary approval of the eligible company and the tourism attraction project.

(4) After receiving a preliminary approval by the authority, the secretary of the Tourism Development Cabinet shall engage the services of a competent consulting firm to analyze the data made available by the eligible company and to collect and analyze additional information necessary to determine that, in the independent judgment of the consultant, the tourism attraction project:

(a) Shall attract at least twenty-five percent (25%) of its visitors from among persons who are not residents of the Commonwealth, except for a theme restaurant destination attraction, which shall attract a minimum of fifty percent (50%) of its visitors from among persons who are not residents of the Commonwealth;

(b) Shall have costs in excess of one million dollars ($1,000,000), except for a theme restaurant destination attraction, which shall have costs in excess of five million dollars ($5,000,000);

(c) Shall have a significant and positive economic impact on the Commonwealth considering, among other factors, the extent to which the tourism attraction project will compete directly with existing tourism attractions in the Commonwealth and the amount by which increased tax revenues from the tourism attraction project will exceed the credit given to the approved company;

(d) Shall produce sufficient revenues and public demand to be operating and open to the public for a minimum of one hundred (100) days per year, except for a theme restaurant destination attraction, which shall be operating and open to the public for a minimum of three hundred (300) days per year; and

(e) Shall not adversely affect existing employment in the Commonwealth.

(5) The independent consulting firm shall consult with the authority, the Office of the State Budget Director, ***and*** the Finance and Administration Cabinet[~~, and the Revenue Cabinet~~] in the development of a report on the proposed tourism attraction project. The Office of the State Budget Director ***and***[~~,~~] the Finance and Administration Cabinet[~~, and the Revenue Cabinet~~] shall agree as to the methodology to be used and assumptions to be made by the independent consultant in preparing its report. On the basis of the independent consultant's report and prior to any approval of a project by the authority, the Office of the State Budget Director ***and***[~~,~~] the Finance and Administration Cabinet[~~, and the Revenue Cabinet~~] shall certify to the authority whether there is a projected net positive economic impact to the Commonwealth and the expected amount of incremental state revenues from the project. Approval shall not be granted if it is determined that there is no projected net positive economic impact to the Commonwealth.

(6) The eligible company shall pay for the cost of the consultant's report and shall cooperate with the consultant and provide all of the data that the consultant deems necessary to make its determination under subsection (4) of this section.

(7) After a review of relevant materials, the consultant's report, and completion of other inquiries, the secretary of the Tourism Development Cabinet shall, by written notification to the authority, provide a recommendation to the authority regarding final approval of the tourism attraction project.

Section 334. KRS 148.859 is amended to read as follows:

(1) The authority, upon adoption of its final approval, may enter into with any approved company an agreement with respect to its tourism attraction project. The terms and provisions of each agreement shall include, but not be limited to:

(a) The amount of approved costs, which shall be determined by negotiations between the authority and the approved company. Any increase in approved costs incurred by the approved company and agreed to by the authority shall apply retroactively for purposes of calculating the carry forward for unused inducements as set forth in KRS 139.536(3) for tax years commencing on or after July 1, 2004;

(b) A date certain by which the approved company shall have completed the tourism attraction project. The approved company shall not be required to pay estimated income tax payments as prescribed in KRS 141.042 on the Kentucky taxable income generated by or arising from the economic development project.

(9) The agreement may be assigned by the approved company only upon the prior written consent of the authority following the adoption of a resolution by the authority to that effect.

(2) The Transportation Cabinet, the Natural Resources and Environmental Protection Cabinet, the ***Department of*** Revenue[~~Cabinet~~], and all other agencies of state government affected by the system are hereby directed to cooperate in the orderly implementation of this system.

(3) The Transportation Cabinet, as far as practicable, and not inconsistent with the provisions of KRS Chapter 235, shall promulgate administrative regulations requiring the procedures for boat titling and registration to be consistent with motor vehicle titling and registration. These administrative regulations may pertain but shall not be limited to the following:

(b) Comparison and identification of hull identification numbers;

(c) Application for title or registration;

(d) Processing of title applications;

Section 370. KRS 186A.030 is amended to read as follows:

In order to improve collection of personal property (ad valorem) taxes associated with motor vehicles and trailers, the Department of Vehicle Regulation, in cooperation with the ***Department of*** Revenue[~~ Cabinet~~], shall:

(1) Ensure that the automated system provided by this chapter is capable of properly assigning a value for each vehicle registered in a county, utilizing a value reference manual in machine readable form approved by the ***Department of*** Revenue[~~ Cabinet~~], and a manually entered value for vehicles not shown in such "manual."

(2) Promptly study the feasibility of computing personal property (ad valorem) taxes associated with motor vehicles or trailers, and producing tax bills or notices of taxes due in such regard, and if shown feasible to its satisfaction, implement such capability, or any part thereof, as expeditiously as practicable.

(3) Ensure that the automated system is capable of receiving the record of a lien for unpaid personal property (ad valorem) taxes associated with an owner of a motor vehicle or trailer. No motor vehicle dealer shall be responsible for the payment of a tax lien on a motor vehicle which is received as trade-in or otherwise obtained by the dealer.

Section 371. KRS 186A.060 is amended to read as follows:

The Department of Vehicle Regulation is directed to develop, in cooperation with county clerks, auto dealers, and the ***Department of*** Revenue[~~ Cabinet~~], and Departments of Insurance and State Police, the forms required to record all information pertinent to the initial registration, or titling and taxation, or transfer of registration or title of a vehicle. The Department of Vehicle Regulation shall make every effort to minimize and reduce the amount of paperwork required to apply for, or transfer, a vehicle title. When possible, the title document itself shall be used as the primary form used to effect a transfer of vehicle ownership. When no in-state title exists, then forms shall be designed by the department that require only the appropriate and essential information to effect the application for title. The department shall constantly review the information needs of government agencies and other organizations with the goal of reducing, or eliminating, unnecessary documentation. Information being sought for application for title relevant to, but not limited to, vehicle identification, owner, buyer, usage tax, county clerk or inspector shall be set forth by the cabinet in such a way as to promote flexibility in reaching this goal, except that an applicant for a motor vehicle title shall not be required to provide his or her social security number as part of the application process. The use of an electronic medium shall be employed so that forms can be printed by the automated system. Existing statutory language in this chapter and KRS Chapter 186 pertaining to application, signature, forms, or application transfer record may be construed to be electronic in nature at the discretion of the cabinet as provided for by administrative regulation. Any person who knowingly enters, or attests to the entry of, false or erroneous information in pursuit of a certificate of title shall be guilty of forgery in the second degree.

Section 372. KRS 186A.290 is amended to read as follows:

(1) Regardless of other provisions of the statutes, the county clerk may omit sending duplicates of each certificate of title and registration, or certificate of registration he issues, to the Transportation Cabinet and ***Department of*** Revenue[~~ Cabinet~~], and the property valuation administrator, and may omit the production and filing of one of the copies formerly known as either county clerk's alpha or his numeric copy, when it is determined by the agencies indicated that their need for "duplicates" of each certificate or "receipt" is obviated by the automated system.

(2) The Department of Vehicle Regulation and the ***Department of*** Revenue [~~Cabinet~~]shall, as agreed between them, provide appropriate system support or computerized listings on magnetic tape or disc, printouts, or system access, to fulfill the information needs formerly requiring duplicates of each certificate or receipt.

Section 373. KRS 186A.295 is amended to read as follows:

(1) (a) Any person or entity having a motor vehicle or trailer that has been destroyed, to the extent that its repair cannot be obtained through usual commercial repair services, at a cost less than its retail value as established from a value manual approved by the ***Department of*** Revenue[~~ Cabinet~~], or from which two (2) or more parts which typically bear a vehicle identification number placed thereon by the manufacturer have been removed, or which he removes, shall surrender the certificate of title for such vehicle for which he has a certificate of title in his or another name, to the county clerk of the county in which such vehicle is located. The clerk shall immediately forward the surrendered title to Frankfort with instructions for canceling the title.

(b) Any person or entity engaged in the sale of used motor vehicle or trailer parts, or the recycling or salvage of them, shall surrender the certificate of title for any vehicle in his possession, and for which he has a certificate of title, whether in his or another name, if such vehicle is destroyed within the meaning of paragraph (a) of this subsection, or from which two (2) or more parts which typically bear a vehicle identification number placed thereon by a manufacturer have been removed, or which he removes, to the county clerk of the county in which such vehicle is located. The clerk shall immediately forward the surrendered title to Frankfort with instructions for canceling the title.

(c) The surrender of the certificate of title pursuant to this section shall be made within ten (10) working days, next succeeding the day when such vehicle was received, destroyed, or next succeeding the day during which such second part was removed.

(2) Each county clerk shall receive without charge, a certificate surrendered in accordance with this section, cancel it, and remit it to the Department of Vehicle Regulation, and take any other action related to it, as required by the Department of Vehicle Regulation.

(o) Being a manufacturer, factory branch, distributor, field representative, officer, agent, or any representative of a motor vehicle manufacturer or factory branch, who has unfairly, without due regard to the equities of the dealer and without just provocation, canceled the franchise of any motor vehicle dealer. Each licensee shall be responsible for the acts of any or all of his salesmen while acting as his agent, if the licensee approved of or had knowledge of the acts and after approval or knowledge retained the benefit, proceeds, profits, or advantages accruing from the acts.

(5) The commission shall as soon as practicable, but in no event later than November 1 in any calendar year award dates for racing in the Commonwealth during the next year. In awarding dates, the commission shall consider and seek to preserve each track's usual and customary dates, as these dates are requested. If dates other than the usual and customary dates are requested, the applicant shall include a statement in its application setting forth the reasons the requested dates are sought. Dates for the conduct of intertrack wagering shall be awarded as provided in KRS 230.377. In the event scheduled racing is canceled by reason of flood, fire, inclement weather, or other natural disaster or emergency, the commission may award after November 1 additional racing dates to make up for those dates canceled.

(6) The commission may issue a license to conduct a horse race meeting to any association making the aforesaid application if the applicant meets the requirements established in KRS 138.530 and other applicable provisions of this chapter, and if the commission finds that the proposed conduct of racing by the association would be in the best interest of the public health, safety, and welfare of the immediate community as well as to the Commonwealth.

(7) As a condition precedent to the issuance of a license, the commission may require a surety bond or other surety conditioned upon the payment of all taxes due the Commonwealth, together with the payment of operating expenses including purses and awards to owners of horses participating in races.

(9) A license issued under this section is neither transferable nor assignable and shall not permit the conduct of a horse race meeting at any track not specified therein. However, if the track specified becomes unsuitable for racing because of flood, fire, or other catastrophe, the commission may, upon application, authorize the meeting, or any remaining portion thereof, to be conducted at any other suitable track available for that purpose, provided that the owner of the track willingly consents to the use thereof.

(10) Horse racing dates may be awarded and licenses issued authorizing horse racing on any day of the year. Horse racing shall be held or conducted only between sunrise and midnight.

(11) The commission may at any time require the removal of any official or employee of any association in those instances where it has reason to believe that the official or employee has been guilty of any dishonest practice in connection with horse racing or has failed to comply with any condition of his license or has violated any law or any administrative regulation of this commission.

(12) Every horse race not licensed under this section is hereby declared to be a public nuisance and the commission may obtain an injunction against the same in the Circuit Court of the county where the unlicensed race is proposed to take place.

(7) "Liquefied petroleum gas motor fuel user-seller" means any person, not licensed as a liquefied petroleum gas motor fuel dealer, who dispenses liquefied petroleum gas motor fuel into the fuel tanks of, or attached to, motor vehicles for the propulsion of such motor vehicles on the public highways, and shall include any such person who so dispenses liquefied petroleum gas motor fuel for consumption in such motor vehicles owned, leased, or operated by him.

Section 390. KRS 234.320 is amended to read as follows:

(1) An excise tax at the rate levied in KRS 138.220(1) and (2) is hereby levied and shall be paid by the liquefied petroleum gas motor fuel dealer to the ***department***[~~cabinet~~] on all taxable liquefied petroleum gas motor fuel delivered to the licensed liquefied petroleum gas motor fuel user-seller or withdrawn by the liquefied petroleum gas motor fuel dealer to propel motor vehicles on the public highways, either within or without this state. An allowance of one percent (1%) of the tax shall be made to the liquefied petroleum gas motor fuel dealer to cover unaccountable losses, bad debts, and handling and reporting the tax.

(2) No other excise or license tax shall be levied or assessed on liquefied petroleum gas motor fuel by any political subdivision of the state, except the licenses under KRS 234.120.

Section 391. KRS 234.330 is amended to read as follows:

(1) A license shall be required of each liquefied petroleum gas motor fuel dealer.

(2) Application for a license shall be made to the ***department***[~~cabinet~~] upon forms prepared and furnished by the ***department***[~~cabinet~~]. The application shall contain such information as the ***department***[~~cabinet~~] deems necessary.

(3) Concurrently with the filing of an application for a license, a liquefied petroleum gas motor fuel dealer shall file with the

department~~[cabinet]~~ a bond as required under KRS 234.340. No license shall be issued to any person unless such person has furnished a bond as provided in KRS 234.340 to secure payment of taxes, penalties and interest imposed by KRS 234.310 to 234.440.

(4) The application in proper form having been accepted for filing, the bond, if required, having been accepted and approved and the other conditions and requirements of this section having been complied with, the ***department***~~[cabinet]~~ shall issue a license. However, if an application for a license is filed by any person whose license has at any time previously been revoked for cause by the ***department***~~[cabinet]~~, or if the ***department***~~[cabinet]~~ is of the opinion that the person who makes the application as a subterfuge for the real party in interest whose license, prior to the time of filing the application, has been revoked for cause, or that the application is not for any other reason filed in good faith or is not for sufficient cause, the ***department***~~[cabinet]~~ may, after a hearing of which the applicant shall be given ten (10) days' notice in writing and in which he shall have the right to appear in person or by counsel and present testimony, refuse to issue a license to that person.

(5) All licenses shall be valid and remain in full force and effect until suspended or revoked for cause or otherwise canceled.

If, however, a liquefied petroleum gas motor fuel dealer is bonded as provided in KRS 138.330 the ***department***~~[cabinet]~~ may waive the bonding requirement in this section provided a rider is attached to the bond to guarantee payment of all liquefied petroleum gas motor fuel taxes together with all penalties and interest thereon and secure faithful compliance with the provisions of KRS 234.310 to 234.440. The applicant for a license shall be the principal obligor and this state shall be the obligee. The bond shall be conditioned upon the prompt filing of true reports and the payment by the licensee to the ***department***~~[cabinet]~~ of all taxes levied under KRS 234.310 to 234.440, together with all penalties and interest thereon and generally upon faithful compliance with the provisions of KRS 234.310 to 234.440.

(2) If the liability upon the bond is discharged or reduced, whether by judgment rendered, payment made, or otherwise or if in the opinion of the ***department***~~[cabinet]~~ any surety has become unsatisfactory or unacceptable, the ***department***~~[cabinet]~~ may require the licensee to file a new bond with satisfactory surety in the same form and amount, failing which the ***department***~~[cabinet]~~ shall cancel the license in accordance with the provisions of this section. If a new bond is furnished by the licensee as above provided, the ***department***~~[cabinet]~~ shall cancel the bond for which the new bond is substituted.

(3) If upon an informal hearing, of which the licensee shall be given ten (10) days' notice in writing, the ***department***~~[cabinet]~~ decides that the amount of the existing bond is insufficient to insure payment to this state of the amount of the tax, penalties, and interest for which the licensee is or may become liable, the licensee shall, upon the written demand of the ***department***~~[cabinet]~~, file an additional bond in the same manner and form with surety thereon approved by the ***department***~~[cabinet]~~, in any amount determined by the ***department***~~[cabinet]~~ to be necessary, failing which the ***department***~~[cabinet]~~ shall cancel the license in accordance with the provisions of this section.

(4) Any surety on a bond furnished by a licensee shall be released from all liability to this state accruing on the bond after the expiration of sixty (60) days from the date upon which the surety has lodged with the ***department***~~[cabinet]~~ a written request to be released, but this request shall not operate to release the surety from any liability already accrued or which shall accrue before the expiration of the sixty (60) day period. The ***department***~~[cabinet]~~ shall, promptly on the receipt of the request, notify the licensee who furnished the bond, and unless the licensee shall, before the expiration of the sixty (60) day period, file with the ***department***~~[cabinet]~~ a new bond with surety satisfactory to the ***department***~~[cabinet]~~ in the amount and form prescribed in this section, the ***department***~~[cabinet]~~ shall cancel the license in accordance with the provisions of this section. If the new bond is furnished by the licensee as above provided, the ***department***~~[cabinet]~~ shall cancel the bond for which the new bond is substituted.

Section 393. KRS 234.350 is amended to read as follows:

(1) If a licensee at any time files a false monthly report of the information required, or fails or refuses to file the monthly report or to pay the full amount of the tax or violates any other provision of KRS 234.310 to 234.440, without a showing that the failure was due to reasonable cause, the ***department***~~[cabinet]~~ may cancel the license and suspend the privilege of acting as a liquefied petroleum gas motor fuel dealer.

(2) Upon voluntary surrender of the license or upon receipt of a written request by a licensee, the ***department***~~[cabinet]~~ may cancel his license, effective sixty (60) days from the date of request, but no license shall be canceled upon surrender or request unless the licensee has, prior to the date of cancellation, paid to this state all taxes, penalties, interest, and fines that are due or have accrued, and unless the licensee has surrendered to the ***department***~~[cabinet]~~ his license.

(3) If upon investigation the ***department***~~[cabinet]~~ ascertains that any person to whom a license has been issued is no longer engaged as a liquefied petroleum gas motor fuel dealer or a liquefied petroleum gas motor fuel user-seller, and has not

been so engaged for a period of six (6) months, the ***department***[~~cabinet~~] may cancel the license by giving the person sixty (60) days' notice of cancellation, mailed to his last known address in which event the license shall be surrendered to the ***department***[~~cabinet~~].

(4) Whenever a licensee ceases to engage in business within this state, he shall notify the ***department***[~~cabinet~~] in writing within fifteen (15) days after discontinuance. All taxes that have accrued under KRS 234.310 to 234.440, whether or not then due, shall become due and payable concurrently with the discontinuance. The licensee shall make a report and pay all such taxes and any interest and penalties thereon, and shall surrender to the ***department***[~~cabinet~~] his license.

(5) If the ***department***[~~cabinet~~] takes action to cancel a license as provided in this section, the licensee shall be notified by certified or registered letter or summons of the charges against him, and he shall be afforded an opportunity for an informal hearing on the matter. The hearing shall be set at least five (5) days from the date the letter is delivered or the summons is served. Any licensee aggrieved by a decision to cancel his license after the informal hearing may appeal the decision to the Kentucky Board of Tax Appeals where he shall be granted an administrative hearing in accordance with KRS Chapter 13B.

(6) If the license is canceled by the ***department***[~~cabinet~~] as provided in this section, and if the licensee has paid to this state all taxes, interest, and penalties under KRS 234.310 to 234.440, the ***department***[~~cabinet~~] shall cancel the bond filed by the licensee.

Section 394. KRS 234.360 is amended to read as follows:

(2) Where storage of liquefied petroleum gas is for multiple uses, and where the number of gallons taxable of liquefied petroleum gas motor fuel is determined by the liquefied petroleum gas motor fuel dealer and/or the liquefied petroleum gas motor fuel user-seller, based on the best estimate possible from mileage and efficiency records available, all mileage and efficiency records of such motor vehicle must be retained for a minimum period of two (2) years, and, if requested by the ***department***[~~cabinet~~], shall be made available for examination by the ***department***[~~cabinet~~].

The dealer shall issue an invoice to the customer whenever the sale or delivery is consummated giving the invoice date, name and address of the customer, and number of taxable gallons sold or delivered. The number of taxable gallons to be invoiced shall be determined in the following manner by the dealer:

Section 417. KRS 248.705 is amended to read as follows:

(1) Forty million dollars ($40,000,000) of the moneys credited to the agricultural development fund as set out in KRS 248.703(1)(a) shall be set aside to supplement Phase II on April 26, 2000. Additional funds shall be set aside to supplement Phase II funding as needed from moneys credited to the agricultural development fund after June 30, 2000.

(2) Phase II payments shall be supplemented each year for tobacco growers and quota owners so that the total amount available for payment is maintained at one hundred fourteen million dollars ($114,000,000) each year. If the Phase II supplement set aside referred to in subsection (1) of this section falls below the amount needed to reach the one hundred fourteen million dollar ($114,000,000) level in any year before the end of the twelve (12) year Phase II funding program, procedures outlined in subsection (3) of this section shall be followed.

(3) (a) If the moneys set aside for Phase II supplement before June 30, 2000, become insufficient to continue to meet the yearly one hundred fourteen million dollar ($114,000,000) funding level, moneys needed to supplement Phase II funding to maintain funding at the 1999 level of one hundred fourteen million dollars ($114,000,000) per year for each of the remaining eleven (11) years of the Phase II funding program shall continue to be provided to the Phase II set aside from funds received in the tobacco settlement agreement fund after June 30, 2000. As Master Settlement Agreement funding becomes available after June 30, 2000, for calendar year 2001 and each year thereafter for the life of the Phase II payment program, the moneys needed for the Phase II supplement to assure availability of the one hundred fourteen million dollar ($114,000,000) funding level for that year shall be taken from the agricultural development fund. When a determination is made that funds are needed, funds shall be taken from the agricultural development fund before any other distributions are made following the next master settlement payment in April of each year. On the last year of distribution of the Phase II supplement funds, any excess funds beyond those needed to reach the one hundred fourteen million dollar ($114,000,000) level shall be returned to the agricultural development fund.

(b) Notwithstanding the provisions of paragraph (a) of this subsection, if the moneys required to supplement the Phase II funding at the one hundred fourteen million dollar ($114,000,000) level are less than twenty million dollars ($20,000,000) in a year, the amount shall be deferred to a later year until at least a deficit of twenty million dollars ($20,000,000) is achieved before supplement payments are made.

(4) The Tobacco Settlement Trust Corporation created in KRS 248.480 shall provide for distribution of the Phase II supplement funds. The corporation shall use the same formula and process for distribution of the Phase II supplement funds as it uses for distributions under the regular Phase II payment program, except that the corporation shall send the list of supplement payment recipients to the ***Department of*** Revenue[~~ Cabinet~~] rather than to the trustee of the National Tobacco Grower Settlement Trust. The ***Department of*** Revenue[~~ Cabinet~~] shall process the information and issue the checks at no charge to the Agricultural Development Board. This shall include underwriting rules, but only to the extent necessary to determine the rate or premium that will be applicable to a risk should the insurer decide to provide coverage. This does not include guidelines that relate to the selection of those risks that are acceptable to an insurer.

(3) "Supporting information" is the experience and judgment of the filer and the experience or data of other insurers or organizations relied on by the filer, the interpretation of any other data relied on by the filer, descriptions of methods used in making the rates, and any other information required to be filed by the commissioner.

(4) "Personal risks" means homeowners, tenants, private passenger nonfleet automobiles, mobile homes, and other property and casualty insurance for personal, family, or household needs.

(5) "Commercial risks" are any kinds of risks that are not personal risks.

(7) A "pool" is a voluntary arrangement, other than by a contract of reinsurance, established on a general and continuing basis pursuant to which two (2) or more insurers participate in the sharing of risks on a predetermined basis. A pool may operate through an association, syndicate or other pooling agreement.

(8) A "residual market mechanism" is an agreement, either voluntary or mandated by law, involving participation by insurers in the equitable apportionment among them of insurance that may be afforded applicants who are unable to obtain insurance through ordinary methods.

(9) An "advisory organization" is any entity, including its affiliates or subsidiaries, which either has two (2) or more member insurers or is controlled either directly or indirectly by two (2) or more insurers and which assists insurers in ratemaking related activities. Two (2) or more insurers having a common ownership or operating in this state under common management or control constitute a single insurer for purposes of this definition.

(10) A "competitive market" is a market that has not been found to be noncompetitive pursuant to KRS 304.13-041 and for which no such order is in effect.

(11) A "noncompetitive market" is a market for which there is an order in effect pursuant to KRS 304.13-041 that a reasonable degree of competition does not exist.

(12) "Trending" is any procedure for projecting developed losses to the average date of loss, or premiums or exposures to the average date of writing, for the period during which the policies are to be effective.

(13) "Expenses" are those portions of any rate attributable to acquisition, field supervision, and collection expenses, general expenses, and premium taxes, licenses, and fees.

(14) "Profit" is the portion of any rate attributable to funds needed for growth, contingencies, and return to stockholders.

(15) "Pure premium" means the loss cost per unit of exposure excluding all loss adjustment expenses.

(16) "Classification system" or "classification" means the process of grouping risks with similar risk characteristics so that differences in cost may be recognized.

(17) "Developed losses" means losses (including loss adjustment expenses) adjusted, using standard actuarial techniques, to their ultimate anticipated value.

(19) “Form provider” means a person who prepares, files, and distributes policy contract forms and endorsements and consults with members, subscribers, customers, or others relative to their use and application, but is not an advisory organization as defined in this subtitle.

(20) “Loss adjustment expenses” means the expenses incurred by the insurer in the course of settling claims.

(21) “Prospective loss costs” means that portion of a rate that does not include provisions for expenses (other than loss adjustment expenses) or profit, and are based on historical aggregate losses or output from simulation models and loss adjustment expenses adjusted through development to their ultimate value and projected through trending to a future point in time. Loss costs, derived in part or entirely upon output form simulation models, must be approved by the commissioner before they become effective.

(22) “Rate” means the expected value of the future cost of insurance per exposure unit which accounts for the treatment of losses, expenses, and profit prior to any application of individual risk variations based on loss or expense considerations, but does not include minimum premium.

(23) “Special assessments” means guaranty fund assessments, residual market mechanism assessments, and other similar assessments which are included in ratemaking. Special assessments shall not be considered as either expenses or losses. Additional charges collected by the insurer and returned to a governmental agency on behalf of an insured are not special assessments. (24) “Statistical agent” means an entity that has been licensed by the commissioner to collect statistics from insurers and provide reports developed from these statistics to the commissioner for the purpose of fulfilling the statistical reporting obligations of those insurers under this chapter.

Section 435. KRS 304.49-220 is amended to read as follows:

(1) Every captive insurer holding a certificate of authority under KRS 304.49-010 to 304.49-230 shall return to the ***Department of*** Revenue~~[Cabinet]~~ a statement under oath of all premium receipts on business written by the captive insurer during the preceding year and shall pay, on or before March 1 in each year, a tax at the rate of four-tenths of one percent (0.4%) on the first twenty million dollars ($20,000,000), and three-tenths of one percent (0.3%) on the next twenty million dollars ($20,000,000), and two-tenths of one percent (0.2%) on the next twenty million dollars ($20,000,000), and seventy-five thousandths of one percent (0.075%) on each dollar thereafter on the direct premiums collected or contracted for on policies or contracts of insurance written by the captive insurer during the year ending December 31 next preceding, after deducting from the direct premiums subject to the tax the amounts paid to policyholders as return premiums, which shall include dividends on unabsorbed premiums or premium deposits returned or credited to policyholders.

(2) Every captive insurer holding a certificate of authority under KRS 304.49-010 to 304.49-230 shall return to the ***Department of*** Revenue~~[Cabinet]~~ a statement under oath of all assumed reinsurance premium receipts during the preceding year and shall pay, on or before March 1 in each year, a tax at the rate of two hundred twenty-five thousandths of one percent (0.225%) on the first twenty million dollars ($20,000,000) of assumed reinsurance premiums, and one hundred fifty thousandths of one percent (0.150%) on the next twenty million dollars ($20,000,000), and fifty thousandths of one percent (0.050%) on the next twenty million dollars ($20,000,000), and twenty-five thousandths of one percent (0.025%) of each dollar thereafter. However, no reinsurance tax applies to premiums for risks or portions of risks which are subject to taxation on a direct basis pursuant to subsection (1) of this section. No reinsurance premium tax shall be payable in connection with the receipt of assets in exchange for the assumption of loss reserves and other liabilities of another insurer under common ownership and control if the transaction is part of a plan to discontinue the operations of the other insurer, and if the intent of the parties to the transaction is to renew or maintain the business with the captive insurer.

(3) If the aggregate taxes to be paid by a captive insurer calculated under subsections (1) and (2) of this section amount to less than five thousand dollars ($5,000) in any year, the captive insurer shall pay a tax of five thousand dollars ($5,000) for

such year.

(4) Two (2) or more captive insurance companies under common ownership and control shall be taxed as though they were a single captive insurer.

(5) For the purposes of this section, common ownership and control shall mean:

(a) In the case of stock corporations, the direct or indirect ownership of eighty percent (80%) or more of the outstanding voting stock of two (2) or more corporations by the same shareholder or shareholders; and

(b) In the case of mutual corporations, the direct or indirect ownership of eighty percent (80%) or more of the surplus and the voting power of two (2) or more corporations by the same member or members.

(6) In the case of a branch captive insurer, the tax provided for in this section shall apply only to the branch business of the company.

(7) The tax provided for in this section shall constitute all taxes collectible under the laws of Kentucky from any captive insurer, and the taxes imposed under this section shall be in lieu of all excise, license, occupational, or other taxes imposed by the state, county, city, or other taxing district except as provided in KRS 136.320(6) and (7).

(8) The Kentucky ***Department of*** Revenue[~~ Cabinet~~] shall annually distribute ten percent (10%) of the premium tax revenues collected pursuant to this section to the Department of Insurance for the regulation of captive insurance companies under KRS 304.49-010 to 304.49-230.

Section 436. KRS 342.122 is amended to read as follows:

(1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the Labor Cabinet, except the Division of Employment Standards, Apprenticeship and Training and the Office of Labor-Management Relations and Mediation, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.

(b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which, when added to the coal severance tax appropriated to the special fund in accordance with paragraph (c) of this section, shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of September 1 preceding January 1 of each year, for the period remaining until December 31, 2018. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

(c) In addition to the assessment imposed in paragraph (a) or (b) of this subsection, and notwithstanding and prior to the transfer of funds to the Local Government Economic Assistance Program under KRS 42.450 to 42.495, the Kentucky ***Department of*** Revenue[~~ Cabinet~~] shall credit nineteen million dollars ($19,000,000) in coal severance tax revenues levied under KRS 143.020 to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission each year beginning with fiscal year 1998 and all fiscal years thereafter. The annual transfer of nineteen million dollars ($19,000,000) shall occur in four (4) equal quarterly payments. These transfers shall occur not later than the last day of each quarter of each calendar year and shall consist of four (4) equal payments of four million, seven hundred fifty thousand dollars ($4,750,000).

(d) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.

(e) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.

(2) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.

(3) The assessments imposed by this section may be collected by the insurance carrier from his insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of

coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.

(4) A group self-insurance association may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a group self-insurance association.

(5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each group self-insurer to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or group self-insurer may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or group self-insurer from the obligation to furnish same to the funding commission. The Department for Employment Services, Cabinet for Workforce Development is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.

(6) Each self-insured employer, group self-insurer, or insurance carrier shall provide any information and submit any reports the ***Department of*** Revenue~~[Cabinet]~~ or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.

(7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.

(8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.

(9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.

(10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provision of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

Section 437. KRS 342.1223 is amended to read as follows:

(1) The Kentucky Workers' Compensation Funding Commission is created as an agency of the Commonwealth for the public purpose of controlling, investing, and managing the funds collected pursuant to KRS 342.122.

(2) The commission shall:

(a) Hold, administer, invest, and reinvest the funds collected pursuant to KRS 342.122 and its other funds separate and apart from all "state funds" or "public funds," as defined in KRS Chapter 446;

(b) Act as a fiduciary, as defined in KRS Chapter 386, in exercising its power over the funds collected pursuant to KRS 342.122, and may invest association funds through one (1) or more banks, trust companies, or other financial institutions with offices in Kentucky in good standing with the Department of Financial Institutions, in investments described in KRS Chapter 386, except that the funding commission may, at its discretion, invest in nondividend-paying equity securities;

(e) In conjunction with the Labor Cabinet, submit to the General Assembly, not later than October 31 of the year prior to each even-numbered-year regular legislative session, a proposed budget for the biennium beginning July 1 following the even-numbered-year regular session of the General Assembly;

(f) In conjunction with the Labor Cabinet, provide to the Interim Joint Committee on Appropriations and Revenue an annual budget and detailed quarterly financial reports;

(g) Conduct periodic audits, independently or in cooperation with the Labor Cabinet or the ***Department of*** Revenue[~~Cabinet~~], of all entities subject to the assessments imposed in this chapter; and

(h) Report monthly to the Committees on Appropriations and Revenue and on Labor and Industry its monthly expenditures of restricted agency funds and the nature of the expenditures.

(3) The commission shall have all of the powers necessary or convenient to carry out and effectuate the purposes for which it was established, including, but not limited to, the power:

(f) To make and promulgate administrative regulations.

(4) Notwithstanding the provisions of this chapter to the contrary, the Kentucky Workers' Compensation Funding Commission shall utilize the investment expertise and advice of the Office of Financial Management rather than entering into a consulting contract for investment counseling. The fees charged by financial institutions for managing the investments of the funds of the funding commission shall be paid from the investment earnings of the funds.

(5) The commission shall be attached to the Labor Cabinet for administrative purposes only.

Section 438. KRS 342.1224 is amended to read as follows:

(5) The board of directors shall appoint an executive director to administer, manage, and direct the affairs and business of the commission, and other staff persons to carry out the affairs and business of the commission, subject in each instance to the policies, control, and directions of the board of directors. The board of directors shall fix the compensation of all such

persons and shall pay such compensation out of the funds of the commission.

(6) Notwithstanding any other law, the Governor, pursuant to an executive order, may cause the employees of the commission to be eligible to participate in the Kentucky Retirement System and the Kentucky Public Employees Deferred Compensation System.

Nothing in this section shall be construed to hamper any public officer or official, agency, or organization of state or local government from furnishing information or data that they are required or requested to furnish and which they are allowed to procure by law, to the General Assembly, the Legislative Research Commission, or a committee of either. For the purposes of this section, "criminal justice agencies" include all departments of the Justice Cabinet, the Unified Prosecutorial System, Commonwealth's attorneys, county attorneys, the Transportation Cabinet, the Cabinet for Health Services, and any agency with the authority to issue a citation or make an arrest.

The uniform policy shall also develop plans for the new open system platforms before the existing platforms become obsolete.

(6) The committee shall be responsible for recommending to the Criminal Justice Council and the secretary of justice any necessary changes in administrative regulations necessary to implement the system. The committee shall also recommend to the Criminal Justice Council, the Chief Justice, and the secretary of justice recommendations for statutory additions or changes necessary to implement and maintain the system. (10) Any future state-funded expenditures by a criminal justice agency for computer platforms in support of criminal justice applications shall be reviewed by the committee.

(5) Subsidiary records shall be maintained to report the financial operation and condition of each budget unit. These subsidiary records shall be compatible with the unified accounting system prescribed by subsection (1) of this section and by KRS 45.305, and may be on the accrual basis or cash basis. Trust and agency funds shall be allotted before an expenditure is made; and the secretary of the Finance and Administration Cabinet may withhold allotment of general fund appropriations to the extent trust and agency funds are available.

(3) If the secretary of finance and administration receives from the claimant a protest of the asserted tax delinquency, within the allowed time, the secretary shall withhold approval for payment, and shall refer the protest to the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] for disposition.

Nothing in this section shall be construed as authorizing any representative of any agency, department, or institution to enforce or cash, even for the purpose of a deposit, any check or other instrument of value payable to the Commonwealth or any agency thereof.

(2) Each agency depositing its receipts directly with the State Treasurer shall do so in the manner approved by the State Treasurer as agent in charge of public fund deposits.

(3) The ***Department of*** Revenue [~~Cabinet~~]may deposit receipts to the credit of the State Treasury directly with a depository designated by the Treasurer and utilized by the Commonwealth for its primary banking services. The State Treasurer, with the approval of the Finance and Administration Cabinet, may authorize other agencies to deposit receipts directly with a depository designated by the Treasury to the credit of the State Treasury if the Treasurer prescribes the manner in which the deposit is to be made, and the forms and reports to be filed with the Treasury Department. The Finance and Administration Cabinet shall prescribe the forms and reports to be filed with it when this type of deposit is made.

(4) Each department, agency, or other budget unit which receives funds to be deposited into the State Treasury shall maintain records to report adequately each amount received, from whom received, and date received. The county judge/executive shall notify the board of the sanitation tax district of the receipt of the petition or of the suspension of the resolution or both. (2) When such tax levy has been fully approved, the property valuation administrator, with the cooperation of the board shall note on the tax rolls the taxpayers and valuation of the property subject to such tax. Section 33. KRS 91.4885 is amended to read as follows:

(1) The court shall order the master commissioner to sell, pursuant to the provisions of KRS 426.560 to 426.715, except as

otherwise provided in this section, each parcel separately by individual count number. The court shall further order that a report of the sale be made by the master commissioner to the court for further proceedings under the provisions of KRS 91.484 to 91.527.

(2) Prior to the master commissioner's setting each parcel for sale pursuant to court order, the collector shall file with the Circuit Court clerk an affidavit as to the most recent certified tax assessment of each parcel to be sold. The most recent certified assessment of a property shall be the property valuation administrator's last assessment which shall have been certified by the Kentucky ***Department of*** Revenue[~~ Cabinet~~] to the county clerk, as required by KRS 133.180.

(3) The most recent certified assessment as sworn to in the affidavit furnished by the collector shall be used in all actions brought under KRS 91.484 to 91.527 to determine the owner's equity of redemption as provided by KRS 91.511(2).

Section 34. KRS 91.511 is amended to read as follows:

(1) At any time prior to the sale of the property any person having any right, title or interest in, or lien upon, any parcel of real estate described in the petition may discharge any city lien or satisfy a judgment in favor of the city as to said parcel of real estate by paying to the collector all of the sums mentioned therein, including the principal, interest, penalties, and costs then due.

(2) If the property is sold pursuant to the judgment or order of the court and does not bring its most recent assessed value certified by the ***Department of*** Revenue[~~ Cabinet~~] to the county clerk as required by KRS 133.180, the owner may redeem it within sixty (60) days from the day of the sale, by paying the purchaser the original purchase money and interest at eighteen percent (18%) per annum. Any owner who redeems his land shall take a receipt from the purchaser and lodge it with the clerk of the court. The receipt shall be entered upon the records of the court.

(3) The owner may tender the redemption money to the purchaser, his agent or attorney, if found in the county where the land lies or in the county in which the judgment was obtained or order of sale made. If the money is refused, or if the purchaser does not reside in either of the counties, the owner may, before the expiration of the right of redemption, go to the clerk of the court in which the judgment was rendered or the order made, and make affidavit of the tender and refusal, or that the purchaser or his agent or attorney do not reside in either of the counties. He may then pay to the clerk the redemption money, and the clerk shall give receipt therefor and file the affidavit among the papers of the action.

(4) When the right of redemption exists, the owner may remain in possession of the property until it expires. Real property so sold shall not be conveyed to the purchaser until the right of redemption has expired. If it is redeemed, the sale shall, from and after the redemption or from and after the deposit of the redemption money with the clerk, be null and void.

(5) In the event of failure to redeem within the period provided for redemption, the owner or any other party in interest shall be barred forever of all his right, title and interest in and to the parcel of real estate described in the petition.

(6) Upon redemption, as permitted by this section, the person redeeming shall be entitled to a certificate of redemption from the collector describing the property in the same manner as it is described in the petition and the collector shall thereupon note on his records the word "redeemed" and the date of the payment opposite the description of the parcel of real estate.

Section 35. KRS 96.820 is amended to read as follows:

(1) For the purposes of this section, unless the context requires otherwise:

(a) "Taxing jurisdiction" shall mean each county, each school district, each municipality, and each other special taxing district located within the state.

(b) "State" shall mean the Commonwealth of Kentucky.

(c) "Tax equivalent" shall mean the amount in lieu of taxes computed according to this section which is required to be paid by each board to the state and to each taxing jurisdiction in which the board operates and required by subsection (11) of KRS 96.570 to be included in resale rates.

(f) "Book value of property" or "book value of property owned by the board" shall mean the sum of:

1. The original cost (less reasonable depreciation or retirement reserve) of a board's electric plant in service on December 31 of the immediately preceding calendar year located within the state, used and held for use in the transmission, distribution, and generation of electric energy, and

2. The cost of the material and supplies owned by a board on December 31 of the immediately preceding calendar year. For the purpose of this definition, "electric plant in service" shall mean those items included in the "electric plant in service" account prescribed by the Federal Energy Regulatory Commission uniform system of accounts for electric utilities, and "material and supplies" shall mean those items included in the accounts grouped under the heading "material and supplies" in the said system of accounts.

(g) "Adjusted book value of property" or "adjusted book value of property owned by the board" shall mean the book value of property owned by the board excluding manufacturing machinery as interpreted by the ***Department of***

Revenue[~~ Cabinet~~] for franchise tax determination purposes.

(h) The "adjustment factor" shall be one hundred twenty-five percent (125%) for the tax year 1970. For each tax year thereafter, it shall be the duty of the ***Department of*** Revenue[~~ Cabinet~~] to compute the adjustment factor for that tax year as follows: For each five (5) percentage points or major fraction thereof by which the adjustment ratio for electric utility property for the immediately preceding tax year exceeded or was less than one hundred sixteen percent (116%), five (5) percentage points shall be added to or subtracted from one hundred twenty-five percent (125%). (i) "Electric operations" shall mean all activities associated with the establishment, development, administration, and operation of any electric system and the supplying of electric energy and associated services to the public, including without limitation the generation, purchase, sale, and resale of electric energy and the purchase, use, and consumption thereof by ultimate consumers.

(2) It shall be the duty of each board, on or before April 30, to certify to the ***Department of*** Revenue[~~ Cabinet~~] the book value of property owned by the board and the adjusted book value of property owned by the board and located within the state and within each taxing jurisdiction in which the board operates. A copy of the certification shall also be sent by the board to each such taxing jurisdiction. The book value of property and adjusted book value of property shall be determined, and the books and records of the board shall be kept in accordance with standard accounting practices, and the books and records of each board shall be subject to inspection by the ***Department of*** Revenue[~~ Cabinet~~] and by representatives of the affected taxing jurisdictions and to adjustment by the ***Department of*** Revenue[~~ Cabinet~~] if found not to comply with the provisions of this section. Upon the receipt of the required certification from a board, the ***Department of*** Revenue[~~ Cabinet~~] shall make any inspection and adjustment, hereinabove authorized, as it deems necessary, and no earlier than September 1 of each year the ***Department of*** Revenue[~~ Cabinet~~] shall certify to the board and to the county clerk of each county in which the board operates the book value of property owned by the board and the adjusted book value of property owned by the board, located within each taxing jurisdiction in which the board operates and within the state. At the same time, the ***Department of*** Revenue[~~ Cabinet~~] shall certify to the board and to the county clerk the adjustment factor for the tax year. The county clerk shall promptly certify the book value of property, the adjusted book value of property, and the adjustment factor certified by the ***Department of*** Revenue[~~ Cabinet~~], to the respective taxing jurisdiction in which the board operates.

(3) (a) Each board shall pay for each tax year, beginning with the tax year 1970, to the state and to each taxing jurisdiction in which the board operates, a tax equivalent from the revenues derived from the board's electric operations for that tax year, computed according to this subsection.

(b) The tax equivalent for each tax year payable to the state shall be the total of:

1. The book value of the property owned by the board within the state, multiplied by the adjustment factor, multiplied by the current tax rate of the state, less thirty cents ($0.30), plus

2. The state's portion of the amount payable under paragraph (d) of this subsection.

(c) The tax equivalent for each tax year payable to each taxing jurisdiction in which the board operates shall be the total of:

1. The adjusted book value of property owned by the board within the taxing jurisdiction, multiplied by the adjustment factor, multiplied by the current tax rate of the taxing jurisdiction; provided, however, for the purpose of this calculation the tax rate for school districts shall be increased by thirty cents ($0.30), plus

2. The taxing jurisdiction's portion of the amount payable under paragraph (d) of this subsection.

(d) For purposes of this subsection, "amount payable" shall mean four-tenths of one percent (0.4%) of the book value of property owned by the board located within the state. The state shall be paid the same proportion of the amount payable as the payment to the state under subparagraph 1. of paragraph (b) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1. of paragraph (b) and subparagraph 1. of paragraph (c) of this subsection. Each taxing jurisdiction in which the board operates shall be paid the same proportion of the amount payable as the payment to the taxing jurisdiction under subparagraph 1. of paragraph (c) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1. of paragraph (b) and subparagraph 1. of paragraph (c) of this subsection. Under the regulations the ***Department of*** Revenue[~~ Cabinet~~] may prescribe, upon the board's receipt from the state and taxing jurisdictions of notice of the amount due under subparagraph 1. of paragraph (b) and subparagraph 1. of paragraph (c) of this subsection, the board shall compute the portion of the amount payable which is due the state and each taxing jurisdiction in which the board operates.

(e) Payment of the tax equivalent under this section for each tax year shall be made by each board to the state within thirty (30) days after receipt by the board of the certification from the ***Department of*** Revenue[~~ Cabinet~~] required by subsection (2) of this section and shall be made directly to each taxing jurisdiction in which the board operates within thirty (30) days from the date of the certifications by the county clerk required by subsection (2) of this section. The state and each taxing jurisdiction in which a board operates shall have a superior lien upon the proceeds of the sale of electric energy by that board for the amounts required by this section to be paid to it.

(4) Except as hereinafter provided, the tax equivalents computed under this section shall be in lieu of all state, municipal, county, school district, special taxing district, other taxing district, and other state and local taxes or charges on the tangible and intangible property, the income, franchises, rights, and resources of every kind and description of any municipal electric system operating under KRS 96.550 to 96.900 and on the electric operations of any board established pursuant thereto, and the tax equivalent for any tax year computed and payable under this section to the state or to any taxing jurisdiction in which any board operates shall be reduced by the aggregate amount of any tax or charge within the meaning of this sentence which is imposed by the state, or by any taxing jurisdiction in which a board operates, on the board, the electric system, or the board's electric operations. Provided, however, that if any school district in which property of a board is located has elected, or does hereafter elect, to apply the utility gross receipts license tax for schools to all utility services as provided by KRS 160.613 through KRS 160.617, or as may hereafter be provided by other statutes, the amount of such utility gross receipts license tax shall not reduce, or in any manner affect, the amount payable to any such board or boards under the provisions of this section. It is the intent and purpose of this provision to eliminate all sums received by any such board or boards by reason of the utility gross receipts license tax from any computation of the amount payable under this section to any such board or boards, irrespective of the manner in which that payment is computed, so that, in no event, shall any sum received by any school district by reason of the utility gross receipts license tax reduce, directly or indirectly, the amount payable to such district under this chapter. Provided, further, that if the state shall levy a statewide retail sales or use tax on electric power or energy, collected by retailers of the energy from the vendees or users thereof, and imposed at the same rate or rates as are generally applicable to the sale or use of personal property or services, including natural or artificial gas, fuel oil, and coal as well as electric power or energy, the retail sales or use tax shall not be deemed to be a tax or charge within the meaning of the first sentence of this subsection, and the tax equivalent payable for the tax year to the state under this section shall not be reduced on account of such retail sales or use tax.

(5) (a) Notwithstanding subsection (3) of this section, until the first tax year in which the total of:

1. The tax equivalent payable to the state, or to any taxing jurisdiction in which the board operates, computed under subsection (3) of this section, plus

2. The additional amounts permitted to be paid to the state or taxing jurisdiction without deduction under the second and third sentences of subsection (4) of this section, exceeds the minimum payment to the state or taxing jurisdiction specified in paragraph (b) of this subsection, the tax equivalent for each tax year payable to the state or taxing jurisdiction shall be an amount equal to the minimum payment computed under paragraph (b) of this subsection.

(b) For purposes of this subsection, the minimum payment to the state or to any taxing jurisdiction in which the board operates shall mean an amount equal to the total of:

1. The largest actual payment made by the board pursuant to this section to the state or to the taxing jurisdiction for any of the tax years 1964, 1965, or 1966, plus

2. The state's or taxing jurisdiction's pro rata share of an amount equal to four-tenths of one percent (0.4%) of the increase since July 1, 1964, in the book value of property owned by the board within the state. For the purposes of this paragraph "pro rata share" shall mean the same proportion of the amount computed under this subparagraph as the largest actual payment in lieu of taxes made by the board to the state or taxing jurisdiction for the applicable tax year under subparagraph 1. of this paragraph represents of the total amount of the largest actual payments in lieu of taxes made by the board to the state and to all taxing jurisdictions in which it operated for any of the applicable tax years.

(c) The provisions of paragraph (e) of subsection (3) of this section shall apply to all payments required under this subsection.

(d) This subsection shall not be applicable for the first tax year specified in paragraph (a) of this subsection or for any tax year thereafter, except however, that tax year 1977 shall not be deemed as the "first tax year" as specified in paragraph (a) and this subsection shall continue to apply in such cases.

Section 36. KRS 96.895 is amended to read as follows:

(1) Except for payments made directly by the Tennessee Valley Authority to counties, the total fiscal year payment received by the Commonwealth of Kentucky from the Tennessee Valley Authority, as authorized by section 13 of the Tennessee Valley Authority Act, as amended, shall be prorated thirty percent (30%) to the general fund of the Commonwealth and seventy percent (70%) among counties, cities, and school districts, as provided in subsection (2) of this section.

(2) The payment to each county, city, and school district shall be determined by the proportion that the book value of Tennessee Valley Authority property in such taxing district, multiplied by the current tax rate, bears to the total of the book values of Tennessee Valley Authority property in all such taxing districts in the Commonwealth, multiplied by their respective tax rates, provided, however, each public school district for the purposes of this calculation shall have their tax rate increased by thirty cents ($0.30).

(3) As soon as practicable after the amount of payment to be made to the Commonwealth of Kentucky is finally determined by the Tennessee Valley Authority, the Kentucky ***Department of*** Revenue[~~ Cabinet~~] shall determine the book value of Tennessee Valley Authority property in each county, city, and school district and shall prorate the total payments received from the Tennessee Valley Authority, except payments received directly from the Tennessee Valley Authority, among the distributees as provided in subsection (2) of this section. The ***Department of*** Revenue[~~ Cabinet~~] shall certify the payment due each taxing district to the Finance and Administration Cabinet which shall make the payment to such district.

(4) As used in subsections (2) and (3) of this section, "Tennessee Valley Authority Property" means land owned by the United States and in the custody of the Tennessee Valley Authority, together with such improvements (including work in progress but excluding temporary construction facilities) as have a fixed situs thereon if and to the extent that such improvements either:

(a) Were in existence when title to the land on which they are situated was acquired by the United States; or

(b) Are allocated by the Tennessee Valley Authority or determined by it to be allocable to power; provided, however, that manufacturing machinery as interpreted by the ***Department of*** Revenue[~~ Cabinet~~] for franchise tax determination shall be excluded along with ash disposal systems and, coal handling facilities, including railroads, cranes and hoists, crushing and conveying equipment. As used in said subsections "book value" means original cost unadjusted for depreciation as reflected in Tennessee Valley Authority's books of account. "Book value" shall be determined, for purposes of applying said subsections, as of the June 30 used by the Tennessee Valley Authority in computing the annual payment to the Commonwealth which is subject to redistribution by the Commonwealth.

(5) This section shall be applicable to all payments received after September 30, 1985, from the Tennessee Valley Authority under Section 13 of the Tennessee Valley Authority Act as amended.

Section 37. KRS 96A.320 is amended to read as follows:

(1) As used in KRS 96A.310 to 96A.370, the term "mass transportation program" shall mean the provision of necessary funds by public bodies to transit authorities created pursuant to KRS Chapter 96A with which to acquire, operate, and preserve mass transportation facilities. A "mass transportation program" may also include a method for the public body or public bodies to finance principal and interest payments on any general obligation bonds issued pursuant to KRS 96A.120, or to finance transportation-related facilities to promote the movement of vehicles and people. This audit shall include, but shall not be limited to, an inspection of maps and records, an appraisal study of real property, and an evaluation of the overall effectiveness of the office. Each property valuation administrator's office shall provide the ***department***[~~cabinet~~] with access to its files, maps and records during the audit. The ***department***[~~cabinet~~] shall prepare a report on assessment equity and quality for each county based on the performance audit, and shall provide a copy to the Legislative Research Commission.

(4) The ***department***[~~cabinet~~] shall arrange for an annual conference of the property valuation administrators, or the county officers whose duty it is to assess property for taxation, to give them systematic instruction in the fair and just valuation and assessment of property, and their duty in connection therewith. The conference shall continue not more than five (5) days. The officers shall attend and take part in the conference, unless prevented by illness or other reason satisfactory to the ***commissioner***[~~secretary~~]. Any officer willfully failing to attend the conference may be removed from office by the Circuit Court of the county where he was elected. If the officer participates in all sessions of the conference, one-half (1/2) of his actual and necessary expenses in attending the conference shall be paid by the state, and the other half shall be paid by the county from which he attends. Each officer shall prepare an itemized statement showing his actual and necessary expenses, and if it is found regular and supported by proper receipts it shall be approved by the ***department***[~~cabinet~~] before payment.

Section 49. KRS 131.150 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~Cabinet~~] reasonably believes that any taxpayer has withdrawn from the state or concealed his assets or a material part thereof so as to hinder or evade the assessment or collection of taxes, or has desisted from any taxable activity in the state, or has become domiciled elsewhere, or has departed from this state with fraudulent intent to hinder or evade the assessment or collection of taxes, or has done any other act tending to render partly or wholly

ineffective proceedings to assess or collect any such taxes, or contemplates doing any of these acts in the immediate future, or that any tax claim for any other reason is being endangered, such tax liability shall become due and payable immediately upon assessment or determination of the amount of taxes due, as authorized in this section.

(2) Under any of the circumstances set out in subsection (1) of this section, the ***department***[~~cabinet~~] may make a tentative assessment or determination of the taxes due, and may proceed immediately to bring garnishment, attachment or any other legal proceedings to collect the taxes so assessed or determined to be due. Notwithstanding the provisions of KRS 131.180(1), if the tax so assessed is due to the failure of the taxpayer to file a required tax return a minimum penalty of one hundred dollars ($100) shall be assessed unless the taxpayer demonstrates that the failure to file was due to reasonable cause as defined in KRS 131.010(9). This penalty shall be applicable whether or not any tax is determined to be due on a subsequently filed return or if the subsequently filed return results in a refund. No bond shall be required of the ***department***[~~cabinet~~] in such proceedings. The taxpayer may stay legal proceedings by filing a bond in an amount sufficient in the opinion of the cabinet to cover the taxes, penalties, interest, and costs. If no legal proceedings have been instituted, the ***department***[~~cabinet~~] may require a bond adequate to cover all taxes, penalties, and interest. On making bond, exception to the assessment or determination of tax liability may be filed in the same manner and time as provided in KRS 131.110. If no exceptions are filed to the tentative assessment or determination, it shall become final.

(3) The ***department***[~~cabinet~~] may require any such taxpayer to file with it forthwith the reports required by law or regulation, or any additional reports or other information necessary to assess the property or determine the amount of tax due.

(4) If the ***department***[~~cabinet~~] fails to exercise the authority conferred by this section, such taxpayer shall report and pay all taxes due as otherwise provided by law.

Section 50. KRS 131.170 is amended to read as follows:

The ***Department of*** Revenue[~~ Cabinet~~] may, when extension is not otherwise provided for, grant a reasonable extension of time for filing reports or returns whenever, in its judgment, good cause therefor exists. The ***department***[~~cabinet~~] shall keep a record of such extensions. Except where a taxpayer is abroad, no extension shall be granted for more than six (6) months, and in no case for more than one (1) year. If any extension operates to postpone a tax payment, interest at the tax interest rate as defined in KRS 131.010(6) shall be collected. The ***department***[~~cabinet~~] may condition the extension upon a bond sufficient to cover any tax and penalty determined to be due. The ***department***[~~cabinet~~] may, on request, permit a person to file a tax return or report or pay tax on a date other than that prescribed by statute, or to change the fiscal period covered by such return or report, if the variation will not ultimately effect a reduction in revenue.

Section 51. KRS 131.175 is amended to read as follows:

Notwithstanding any other provisions of KRS Chapters 131 to 143A, for all taxes payable directly to the ***Department of*** Revenue[~~ Cabinet~~], the sheriff or the county clerk, the ***commissioner***[~~secretary~~] shall have authority to waive the penalty, but not interest, where it is shown to the satisfaction of the ***department***[~~cabinet~~] that failure to file or pay timely is due to reasonable cause.

Section 52. KRS 131.181 is amended to read as follows:

(1) Whenever it is determined that a taxpayer, who holds a license to mine coal in Kentucky under KRS 351.175, is a "delinquent taxpayer" as defined in subsection (3) of this section, the ***Department of*** Revenue[~~ Cabinet~~] shall, after giving notice as provided in subsection (4) of this section, submit the name of the taxpayer to the Department of Mines and Minerals for revocation of the license issued under KRS 351.175.

(2) If it is determined that a person who is an agent, contract miner, or delegate of a delinquent taxpayer as defined in subsection (3) holds a license to mine coal for the delinquent taxpayer in Kentucky under KRS 351.175, the ***Department of*** Revenue[~~ Cabinet~~] shall, after giving notice as provided in subsection (4) of this section, submit the name of the agent, contract miner, or delegate to the Department of Mines and Minerals for revocation of the license issued under KRS 351.175 to mine coal for the delinquent taxpayer.

(3) Any of the following situations is sufficient to cause a taxpayer to be classified as a "delinquent taxpayer" for purposes of this section:

(a) When a taxpayer has an overdue state tax liability arising directly or indirectly from the mining, transportation, or processing of coal, for which all protest and appeal rights granted by law have expired and has been contacted by the ***department***[~~cabinet~~] concerning the overdue tax liability. This does not include a taxpayer who is making current timely installment payments on the overdue tax liability under agreement with the ***department***[~~cabinet~~].

(b) When a taxpayer has not filed a required tax return as of thirty (30) days after the due date or after the extended due date, and has been contacted by the ***department***[~~cabinet~~] concerning the delinquent return. This applies only to tax returns required as the result of the taxpayer's involvement in the mining, transportation, or processing of coal.

(c) When an owner, partner, or corporate officer of a proprietorship, partnership, or corporation holding a license under KRS 351.175, held a similar position in a business whose license was revoked as a "delinquent taxpayer", and the tax liability remains unpaid.

(4) At least twenty (20) days in advance of submitting a taxpayer's name to the Department of Mines and Minerals as provided in subsection (1) or (2) of this section, the ***department***[~~cabinet~~] shall notify the taxpayer by certified mail that the action is to be taken. The notice shall state the reason for the action and shall set out the amount of any tax liability including any applicable penalties and interest and any other area of noncompliance which must be satisfied in order to prevent the

submission of his name to the Department of Mines and Minerals as a "delinquent taxpayer."

(5) If it is determined that an applicant for a license to mine coal under the provisions of KRS 351.175 is a delinquent taxpayer as defined in subsection (3) of this section, or is an agent, contract miner, or delegate of a delinquent taxpayer, the Department of Mines and Minerals shall refuse a mine license to the applicant.

Section 53. KRS 131.190 is amended to read as follows:

(1) No ***person, including any:***

(a) Present or former secretary ***of the Finance and Administration Cabinet;***[~~or employee~~]

(b) Former secretary or employee of the Revenue Cabinet***;***[~~,~~]

(c) Present or former commissioner or employee of the Department of Revenue;

(e) Present or former property valuation administrator or employee***;***[~~,~~] or[~~ any~~]

(f) Other person***;***[~~,~~]

shall intentionally and without authorization inspect or divulge any information acquired by him of the affairs of any person, or information regarding the tax schedules, returns, or reports required to be filed with the ***department***[~~cabinet~~] or other proper officer, or any information produced by a hearing or investigation, insofar as the information may have to do with the affairs of the person's business. This prohibition does not extend to information required in prosecutions for making false reports or returns of property for taxation, or any other infraction of the tax laws, nor does it extend to any matter properly entered upon any assessment record, or in any way made a matter of public record, nor does it preclude furnishing any taxpayer or his properly authorized agent with information respecting his own return. Further, this prohibition does not preclude the ***commissioner***[~~secretary~~] or any employee of the ***department***[~~Revenue Cabinet~~] from testifying in any court, or from introducing as evidence returns or reports filed with the ***department***[~~cabinet~~], in an action for violation of state or federal tax laws or in any action challenging state or federal tax laws. The ***commissioner***[~~secretary~~] or the ***commissioner's***[~~secretary's~~] designee may provide an owner of unmined coal, oil or gas reserves, and other mineral or energy resources assessed under KRS 132.820(1), or owners of surface land under which the unmined minerals lie, factual information about the owner's property derived from third-party returns filed for that owner's property, under the provisions of KRS 132.820(2), that is used to determine the owner's assessment. This information shall be provided to the owner on a confidential basis, and the owner shall be subject to the penalties provided in KRS 131.990(2). The third-party filer shall be given prior notice of any disclosure of information to the owner that was provided by the third-party filer.

(2) The ***commissioner***[~~secretary~~] shall make available any information for official use only and on a confidential basis to the proper officer, agency, board or commission of this state, any Kentucky county, any Kentucky city, any other state, or the federal government, under reciprocal agreements whereby the ***department***[~~cabinet~~] shall receive similar or useful information in return.

(3) Statistics of tax-paid gasoline gallonage reported monthly to the ***department***[~~Revenue Cabinet~~] under the gasoline excise tax law may be made public by the ***department***[~~cabinet~~].

(4) ***Access to an inspection of information received from the Internal Revenue Service is for Department of Revenue use only, and is restricted to tax administration purposes.*** Notwithstanding the provisions of this section to the contrary, information received from the Internal Revenue Service shall not be made available to any other agency of state government, or any county, city, or other state, and shall not be inspected intentionally and without authorization by any present ***secretary of the Finance and Administration Cabinet, commissioner***[~~secretary~~] or employee of the ***Department of*** Revenue[~~ Cabinet~~], or any other person.

(5) Statistics of crude oil as reported to the ***department***[~~Revenue Cabinet~~] under the crude oil excise tax requirements of KRS Chapter 137 and statistics of natural gas production as reported to the ***department***[~~Revenue Cabinet~~] under the natural resources severance tax requirements of KRS Chapter 143A may be made public by the ***department***[~~cabinet~~] by release to the Department of Mines and Minerals.

(6) Notwithstanding any provision of law to the contrary, beginning with mine-map submissions for the 1989 tax year, the ***department***[~~cabinet~~] may make public or divulge only those portions of mine maps submitted by taxpayers to the ***department***[~~cabinet~~] pursuant to KRS Chapter 132 for ad valorem tax purposes that depict the boundaries of mined-out parcel areas. These electronic maps shall not be relied upon to determine actual boundaries of mined-out parcel areas. Property boundaries contained in mine maps required under KRS Chapters 350 and 352 shall not be construed to constitute land surveying or boundary surveys as defined by KRS 322.010 and any administrative regulations promulgated thereto.

Section 54. KRS 131.191 is amended to read as follows:

The ***Department of*** Revenue[~~ Cabinet~~] shall not enter into any contract with the Department of Corrections, the United States Government, any local government, or any private contractor operating a correctional institution on behalf of the Department of Corrections, the United States Government, or any local government for the use or employment of prisoners in any capacity that allows prisoners access to taxpayer information, including, but not limited to, tax returns, informational reporting returns, social security numbers, telephone numbers, or addresses.

Section 55. KRS 131.192 is amended to read as follows:

Whenever it becomes necessary within the discretion of the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] to photostat, duplicate, publish or supply for the use and benefit of persons or agencies, other than agencies of state government, information contained in official records of the ***Department of*** Revenue[~~ Cabinet~~], whose contents are not confidential according to law, the ***Department of*** Revenue[~~ Cabinet~~] is hereby authorized to photostat, duplicate or publish the said information and supply the same to the requesting person or agency. For such services the ***department***[~~cabinet~~] may charge a fee which will be adequate to cover the expenses of photostating, duplicating or publishing such information and any expense incidental to supplying the same.

Section 56. KRS 131.194 is amended to read as follows:

All money received by the ***Department of*** Revenue[~~ Cabinet~~], for supplying to persons or agencies other than state agencies information which is contained in the official files of the ***department***[~~cabinet~~], shall be promptly deposited with the State Treasurer in the same manner as provided by law for other deposits. The amount of money so deposited shall be treated as a reimbursement to the appropriation of the ***department***[~~Revenue Cabinet~~] from which the disbursements were made for expenses incurred in performing the services authorized by KRS 131.192.

Section 57. KRS 131.205 is amended to read as follows:

(1) Any field representative of the ***Department of*** Revenue[~~ Cabinet~~] who is authorized to collect taxes or money due the Commonwealth may deposit to his special account as field representative of the ***department***[~~cabinet~~] any money so collected in a state or national bank in this Commonwealth.

(2) He shall within forty-eight (48) hours after making such deposits draw a check or checks payable to the State Treasurer for the full amount of the deposit and mail same to the ***department***[~~cabinet~~] or transmit same in a manner approved by the ***department***[~~cabinet~~]. Nothing in this section shall be construed as authorizing any field representative of the ***department***[~~cabinet~~] to enforce or cash, even for the purpose of a deposit, any check or other instrument of value payable to the Commonwealth or any agency thereof.

(3) Deposits shall be made in such banks as the ***department***[~~cabinet~~] may by regulation designate, and subject to such further conditions as the ***department***[~~cabinet~~] may prescribe. Any reasonable service charges made by the bank may be paid by the ***department***[~~cabinet~~] from its appropriation as other claims against it are paid.

Section 58. KRS 131.340 is amended to read as follows:

(1) The Kentucky Board of Tax Appeals is hereby vested with exclusive jurisdiction to hear and determine appeals from final rulings, orders, and determinations of any agency of state or county government affecting revenue and taxation. Administrative hearings before the Kentucky Board of Tax Appeals shall be de novo and conducted in accordance with KRS Chapter 13B.

(2) Any state or county agency charged with the administration of any taxing or licensing measure which is under the jurisdiction of the board shall mail by certified mail notice of its ruling, order, or determination within three (3) working days from the date of the decision.

(3) Any party, including the Attorney General, on behalf of the Commonwealth, aggrieved by any ruling, order, or determination of any state or county agency charged with the administration of any taxing or licensing measure, may prosecute an appeal to the board by filing a complaint or petition of appeal before the board within thirty (30) days from the date of the mailing of the agency's ruling, order, or determination.

(4) If the ***Department of*** Revenue[~~ Cabinet~~] is aggrieved by the decision of any county board of assessment appeals on an assessment recommended by the ***department***[~~cabinet~~] and prosecutes an appeal to the Kentucky Board of Tax Appeals as authorized in subsection (3) of this section, the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] shall, within twenty (20) days, certify in writing to the Kentucky Board of Tax Appeals the assessment recommended.

(5) The Kentucky Board of Tax Appeals shall immediately forward copies of the certification to the parties to the appeal. The assessed value shall be prima facie evidence of the value at which the property should be assessed.

Section 59. KRS 131.355 is amended to read as follows:

(1) All proceedings before the board shall be officially reported and all records of proceedings shall be public records, except in cases of appeals of unmined mineral assessments where the records before the board include information provided to the ***Department of*** Revenue[~~ Cabinet~~] by the taxpayer or its lessees, and were generated at the taxpayer's expense. Furthermore, no recorded or transcribed testimony concerning these records shall be considered a public record. Examples of these records would include, but are not limited to, mineral exploration records; photographs; core data information; maps whether acquired for ownership information, for coal seam thickness, for depletion by mining or otherwise; and/or records calculating production or reserves, leased and/or unleased. Neither records containing confidential information nor testimony concerning same shall be disclosed to parties outside the appeals proceedings. A protective order shall be entered and shall remain in effect during the entire appeals process, including appeals to the courts, and thereafter, preventing the parties, their agents and representatives, except the taxpayer, from disclosing the information.

(2) All appeals to the Kentucky Board of Tax Appeals shall be heard by the full board, but one (1) member or a hearing officer may be authorized to hear an individual appeal. The final order in any appeal heard by a single member or a hearing officer

shall be made and entered by a majority of the board.

Section 60. KRS 131.400 is amended to read as follows:

(1) KRS 131.410 to 131.445 shall be known as and may be cited as the "Kentucky Tax Amnesty Act."

(2) The ***Department of*** Revenue[~~ Cabinet~~] shall develop and administer a tax amnesty program as provided in KRS 131.410 to 131.445.

(3) As used in KRS 131.410 to 131.445, unless the context requires otherwise:

(a) ***"Department" means the Department of Revenue***[~~Cabinet" means the Revenue Cabinet~~].

(b) "Taxpayer" means any individual, partnership, joint venture, association, corporation, receiver, trustee, guardian, executor, administrator, fiduciary, limited liability company, limited liability partnership, or any other entity of any kind subject to any tax set forth in subsection (4) of this section or any person required to collect any such tax under subsection (4) of this section.

(c) "Account receivable" means an amount of state tax, penalty, fee, or interest which has been recorded as due and entered in the account records of the ***department***[~~cabinet~~], or which the taxpayer should reasonably expect to become due as a direct or indirect result of any pending or completed audit or investigation which the taxpayer knows is being conducted by any governmental taxing authority, federal, state, or local.

(d) "Due and owing" means an assessment which has become final and is owed to the Commonwealth due to either the expiration of the taxpayer's appeal rights pursuant to KRS 131.110 or, if an assessment has been appealed to the board of tax appeals, the rendition of a final order by the board or by any court of this Commonwealth. For the purposes of KRS 131.410 to 131.445, assessments that have been appealed to the board of tax appeals shall be final, due and owing fifteen (15) days after the last unappealed or unappealable order sustaining the assessment or any part thereof has become final.

(4) Notwithstanding the provisions of any other law to the contrary, the tax amnesty program shall be conducted by the ***department***[~~cabinet~~] during the fiscal year ending June 30, 2003, for a period of not less than sixty (60) days nor more than one hundred and twenty (120) days and shall apply to all taxpayers owing taxes, penalties, fees, or interest subject to the administrative jurisdiction of the ***department***[~~cabinet~~], with the exceptions of ad valorem taxes levied on real property pursuant to KRS Chapter 132, ad valorem taxes on motor vehicles and motorboats collected by the county clerks, and ad valorem taxes on personal property levied pursuant to KRS Chapter 132 that are payable to local officials. The program shall apply to tax liabilities for taxable periods ending or transactions occurring after December 1, 1987, but prior to December 1, 2001. Amnesty tax return forms shall be in a form prescribed by the ***department***[~~cabinet~~].

Section 61. KRS 131.500 is amended to read as follows:

(1) In addition to any other remedy provided by the laws of the Commonwealth, if any person has been assessed for a tax the collection of which is administered by the ***Department of*** Revenue[~~ Cabinet~~] as provided by the laws of the Commonwealth and if the person has not sought administrative or judicial review of the assessment as provided for in KRS 131.110, or if the person has sought but exhausted all administrative and judicial review so that the assessment is final, due, and owing, the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] or his delegate may cause a demand to be made on the person for the payment thereof. If the tax remains unpaid for thirty (30) days after the demand, the ***commissioner***[~~secretary~~] or his delegate may levy upon and sell all property and rights to property found within the Commonwealth belonging to the person or on which there is a lien provided by KRS 134.420, except the property that is exempt from an execution on a judgment in favor of the Commonwealth as provided in KRS Chapter 427, for the payment of the amount of the tax, penalty, interest, and cost of the levy.

(2) As soon as practicable after seizure of property, notice in writing shall be given by the ***commissioner***[~~secretary~~] or his delegate to the owner of the property. The notice shall be given to the owner either in person or by certified mail to his last known address. The notice shall specify the sum demanded and shall contain, in the case of personal property, an account of the property seized and, in the case of real property, a description with reasonable certainty of the property seized.

(3) The ***commissioner***[~~secretary~~] or his delegate shall as soon as practicable after the seizure of the property cause a notification of the sale of the seized property to be published in the newspaper with the largest circulation within the county wherein such seizure is made. The notice shall be published once each week for three (3) successive weeks. In addition, the notice shall be posted at the courthouse and three (3) other public places in the county where the seizure is made for fifteen (15) days next preceding sale. The notice shall specify the property to be sold, and the time, place, manner, and condition of the sale thereof.

(4) If any property liable to levy is not divisible, so as to enable the ***commissioner***[~~secretary~~] or his delegate by sale of a part thereof to raise the whole amount of the tax, penalty, interest, and cost of the levy, the whole of the property shall be sold.

(5) The time of sale shall not be less than thirty (30) nor more than ninety (90) days from the time the seizure is made. The place of sale shall be within the county in which the property is seized, except by special order of the ***commissioner***[~~secretary~~].

(6) The sale shall not be conducted in any manner other than by public auction, or by public sale under sealed bids. In the case of the seizure of several items of property, the ***commissioner***[~~secretary~~] or his delegate may offer the items for sale

separately, in groups, or in the aggregate and accept whichever method produces the highest aggregate amount.

(7) The ***commissioner***[~~secretary~~] or his delegate shall determine whether payment in full shall be required at the time of acceptance of a bid, or whether a part of the payment may be deferred for such period, not to exceed one (1) month, as he may determine to be appropriate. If payment in full is required at the time of acceptance of a bid and is not then and there paid, the ***commissioner***[~~secretary~~] or his delegate shall forthwith proceed to again sell the property as provided in subsection (6) of this section. If the conditions of the sale permit part of the payment to be deferred, and if such part is not paid, within the prescribed period, suit may be instituted in the Franklin Circuit Court or the Circuit Court of the county where the sale was conducted against the purchaser for the purchase price or such part thereof as has not been paid, together with interest at the rate of twelve percent (12%) per annum from the date of the sale; or, in the discretion of the ***commissioner***[~~secretary~~], the sale may be declared to be null and void for failure to make full payment of the purchase price and the property may again be advertised and sold as provided in this section. If readvertisement and sale occur, any new purchaser shall receive the property or rights to property, free and clear of any claim or right of the former defaulting purchaser, of any nature whatsoever, and the amount paid upon the bid price by the defaulting purchaser shall be forfeited.

(8) If the ***commissioner***[~~secretary~~] or his delegate determines that any property seized is liable to perish or become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense, he shall appraise the value of the property and, if the owner of the property can be readily found, the ***commissioner***[~~secretary~~] or his delegate shall give him notice of the determination of the appraised value of the property. The property shall be returned to the owner if, within the time specified in the notice, the owner pays to the ***commissioner***[~~secretary~~] or his delegate an amount equal to the appraised value, or gives bond in the form, with the sureties, and in the amount as the ***commissioner***[~~secretary~~] or his delegate determines to be appropriate in the circumstances. If the owner does not pay the amount or furnish the bond in accordance with this subsection, the ***commissioner***[~~secretary~~] or his delegate shall as soon as practicable make public sale of the property without regard to the advertisement requirements or the time limitations contained in subsections (3) and (5) of this section.

(9) No proceedings under this section shall be commenced more than ten (10) years after the assessment becomes final.

(10) The term "levy" as used in this section shall include the power of distraint and seizure by any means. Except as otherwise provided in KRS 131.510(2)(a), a levy shall extend only to property possessed and obligations existing at the time thereof. In any case in which the ***commissioner***[~~secretary~~] or his delegate may levy upon property or rights to property, he may seize and sell the property or rights whether real, personal, tangible or intangible.

(11) Notwithstanding the provisions of KRS Chapters 45, 45A, and 56, the ***department***[~~cabinet~~] may take all necessary steps to provide for the protection, maintenance, or transportation of all property seized by the ***department***[~~cabinet~~] pursuant to the provisions of this section, including, but not limited to, negotiating directly for the procurement of contractual services, including professionals, supplies, materials, equipment, or the leasing of real and personal property. Every effort shall be made to effect a competitively established price for purchases made pursuant to this section. The ***department***[~~cabinet~~] shall report any procurements of contractual services, supplies, materials, equipment, or the leasing of real and personal property, to the secretary of the Finance and Administration Cabinet within sixty (60) days of the transaction. Nothing in this section shall preclude the ***department***[~~cabinet~~] from complying with the provisions of KRS Chapters 45 and 56 relating to the requirements to report the purchase or lease of real property or equipment to the Capital Projects and Bond Oversight Committee.

Section 62. KRS 131.550 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] reasonably believes that any taxpayer has divested himself by gift, conveyance, assignment, transfer of, or charge upon any property, whether real, personal, tangible or intangible, with the intent to hinder or evade the collection of any tax assessed or to be assessed by the ***department***[~~cabinet~~] or declared by the taxpayer on a return filed with the ***department***[~~cabinet~~], any transferee of such property may be assessed by the ***department***[~~Revenue Cabinet~~] an amount equal to the lesser of the amount of tax assessed against the transferor taxpayer or the fair market value of the property so transferred. However, no assessment shall be made pursuant to this section against a transferee who takes the property for full and valuable consideration in money or money's worth, unless it appears that such transferee had notice of the intent of the transferor taxpayer to hinder or evade the collection of any tax.

(2) Any assessment made by the ***department***[~~Revenue Cabinet~~] against a transferee pursuant to subsection (1) of this section is, except as provided in this section, subject to the same provisions and limitations as in the case of the taxes for which the liabilities were incurred.

(3) The period of limitation for assessment of any liability against a transferee pursuant to subsection (1) of this section shall be as follows:

(a) In the case of an initial transferee, within one (1) year after the expiration of the period of limitation for assessment against the transferor taxpayer; and

(b) In the case of the liability of a transferee of a transferee, within one (1) year after the expiration of the period of limitation for assessment against the preceding transferee, but not more than three (3) years after the expiration of the period of limitation for assessment against the initial transferor taxpayer.

(4) The notice of any assessment against a transferee made pursuant to subsection (1) of this section shall be either given to the transferee in person or sent by mail to such transferee's last known address.

Section 63. KRS 131.560 is amended to read as follows:

Notwithstanding the provisions of KRS 44.030 or 131.190, the ***Department of*** Revenue[~~ Cabinet~~] shall withhold the Kentucky individual income tax refund otherwise due a taxpayer under KRS Chapter 141 who owes overdue child support or is indebted to any state agency, officer, board, commission, corporation, institution, cabinet, department or other state organization which has complied with the requirements of KRS 131.565. After satisfaction of any undisputed delinquent tax liability due the ***Department of*** Revenue[~~ Cabinet~~] from such taxpayer, the tax refund balance so withheld shall, except as provided in KRS 131.565, be transmitted as soon as practicable to the state agency having established a claim therefor. In the case of multiple state agency claims against the same tax refund, the agency having the larger pending claim shall have priority after satisfaction of any undisputed delinquent tax liabilities due the ***Department of*** Revenue[~~ Cabinet~~].

Section 64. KRS 131.565 is amended to read as follows:

(1) No state agency shall request the withholding of any individual income tax refund unless there is specific statutory provision for debtor appeal and hearing rights for that particular debt.

(2) State agencies desiring to establish claims against Kentucky individual income tax refunds shall notify the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] in writing of such intention by a date established by the ***Department of*** Revenue[~~ Cabinet~~] and, by the following December 31, shall furnish a list of all liquidated debts due the agency for which withholding is requested for individual income tax refunds due to be paid during the next calendar year. Such list shall be submitted in such form and contain such information as may be required by the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] to facilitate identification of the refunds to be withheld. As used in this section the term "liquidated debt" means a legal debt for a sum certain, which has been certified by the claimant agency as final due and owing. The claimant agency must have made reasonable efforts to collect such debt, and must have provided the debtor the opportunity for appeal and formal hearing as provided by statute. The claimant agency must send thirty (30) days prior written notification to the debtor of the intention to submit the claim to the ***Department of*** Revenue[~~ Cabinet~~] for setoff as provided in KRS 131.570.

(3) The individual income tax refund withholding procedures provided in KRS 131.560 to 131.595 shall be in lieu of the procedures set forth in KRS 427.130 and 44.030 only with regard to sums due to a debtor from the ***Department of*** Revenue[~~ Cabinet~~].

Section 82. KRS 132.180 is amended to read as follows:

(1) Any person having custody of distilled spirits in a bonded warehouse or premises on the day as of which the assessment is made shall be liable for all taxes due thereon, together with all interest and penalties that may accrue. Any owner, proprietor, or custodian of such distilled spirits who pays the taxes, interest and penalties on the distilled spirits shall have a lien thereon for the amount paid, with legal interest from day of payment.

(2) Taxes on distilled spirits which are subject to the provisions of KRS 132.160(1)(a) shall become due and payable in the manner provided by KRS 134.020 except that taxes due the state shall be paid directly to the ***Department of*** Revenue[~~ Cabinet~~].

Section 84. KRS 132.240 is amended to read as follows:

Individuals or corporations listing property for taxation with the property valuation administrator or the county board of supervisors shall reveal the face value of all intangibles listed, except cash or bank deposits, on the form prescribed by the ***Department of*** Revenue[~~ Cabinet~~] for listing intangible property. A reduction of fifty cents ($0.50) shall be made from the property valuation administrator's compensation for each list he accepts upon which there is an omission to reveal the face value of any intangible property listed, except cash or bank deposits.

Section 85. KRS 132.260 is amended to read as follows:

The report shall be made in accordance with forms prescribed by the ***Department of*** Revenue[~~ Cabinet~~] and shall be signed and verified by the chief officer or person in charge of the business. The property valuation administrator may make a personal inspection and investigation of the premises on which mobile homes and recreational vehicles are located, for the purpose of identifying and assessing such property. No person in charge of such premises shall refuse to permit the inspection and investigation.

Section 86. KRS 132.285 is amended to read as follows:

(1) Except as provided in subsection (3) of this section, any city may by ordinance elect to use the annual county assessment for property situated within such city as a basis of ad valorem tax levies ordered or approved by the legislative body of the city. Any city making such election shall notify the ***Department of*** Revenue[~~ Cabinet~~] and property valuation administrator prior to the next succeeding assessment to be used for city levies. In such event the assessment finally determined for county tax purposes shall serve as a basis of all city levies for the fiscal year commencing on or after the county assessment date. Each city which elects to use the county assessment shall annually appropriate and pay each fiscal year to the office of the property valuation administrator for deputy and other authorized personnel allowance, supplies, maps and equipment, and other authorized expenses of the office one-half of one cent ($0.005) for each one hundred dollars ($100) of assessment; provided, that sums paid shall not be less than two hundred fifty dollars ($250), nor more than forty thousand dollars ($40,000) in a city having an assessment subject to city tax of less than two billion dollars ($2,000,000,000) or fifty thousand dollars ($50,000) in a city having an assessment subject to city tax of more than two billion dollars ($2,000,000,000). This allowance shall be based on the assessment as of the previous January 1. Each property valuation administrator shall file a claim with the city and the city shall order payment in an amount not to exceed the appropriation authorized by this section. The property valuation administrator shall be required to account for all moneys paid to his office by the city and any funds unexpended by the close of each fiscal year shall carry over to the next fiscal year. Notwithstanding any statutory provisions to the contrary, the assessment dates for such city shall conform to the corresponding dates for the county, and such city may by ordinance establish additional financial and tax procedures that will enable it effectively to adopt the county assessment. The legislative body of any city adopting the county assessment may fix the time for levying the city tax rate, fiscal year, due and delinquency dates for taxes and any other dates that will enable it effectively to adopt the county assessment, notwithstanding any statutory provisions to the contrary. Any such city may, by ordinance, abolish any office connected with city assessment and equalization; except that in the case of a city assessor who is elected by the qualified voters of the city, the office may not be abolished before the end of the term of such assessor. Any city which elects to use the county assessment shall have access to the assessment records as soon as completed and may obtain a copy of that portion of the records which represents the assessment of property within such city by additional payment of the cost thereof. Once any city elects to use the county assessment, such action cannot be revoked without notice to the ***Department of*** Revenue[~~ Cabinet~~] and the property valuation administrator six (6) months prior to the next date as of which property is assessed for state and county taxes.

(2) In the event any omitted property is assessed by the property valuation administrator as provided by KRS 132.310 such assessment shall be considered as part of the assessment adopted by the city according to subsection (1) of this section.

(3) For purposes of the levy and collection of ad valorem taxes on motor vehicles, cities shall use the assessment required to be made pursuant to KRS 132.487(5).

(4) Notwithstanding the provisions of subsection (1) of this section, each city which elects to use the county assessment for ad valorem taxes levied for 1996 or subsequent years, and which used the county assessment for ad valorem taxes levied for 1995, shall appropriate and pay to the office of the property valuation administrator for the purposes set out in subsection

(1) of this section an amount equal to the amount paid to the office of the property valuation administrator in 1995, or the amount required by the provisions of subsection (1) of this section, whichever is greater.

Section 87. KRS 132.310 is amended to read as follows:

(1) Any person who has failed to list for taxation any property omitted from assessment, except such as is subject to assessment by the ***Department of*** Revenue[~~ Cabinet~~], may at any time list such property with the property valuation administrator. The property valuation administrator shall proceed to assess any omitted real property and shall within ten (10) days from the date the real property was listed notify the taxpayer of the amount of the assessment. The notice shall be given as provided in KRS 132.450(4). The ***Department of*** Revenue[~~ Cabinet~~] shall assess any omitted personal property and provide notice to the taxpayer in the manner provided in KRS 131.110.

(2) The property valuation administrator may at any time list and assess any real property which may have been omitted from the regular assessment. Immediately upon listing and assessing omitted real property, the property valuation administrator shall notify the taxpayer of the amount of the assessment. The notice shall be given as provided in KRS 132.450(4). If the property valuation administrator fails to assess any omitted real property, the ***Department of*** Revenue[~~ Cabinet~~] may initiate assessment and collection procedures under the same provisions it uses for omitted personal property.

(3) The notice to the taxpayer required by subsections (1) and (2) of this section shall specify a date and time at which the county board of assessment appeals will hear the taxpayer's protest of the omitted assessment. For purposes of hearing appeals from omitted assessments the county judge/executive shall notify the chairman of the board of assessment appeals of the date set for hearing and may authorize one (1) member of the board to hear the appeal and issue a ruling of his decision on the assessment, which shall be appealable, to the Kentucky Board of Tax Appeals as provided by KRS 131.340(2).

(4) Any property voluntarily listed as omitted property for taxation under this section shall be subject to penalties provided in KRS 132.290(3). Omitted property listed for taxation under this section by the property valuation administrator shall be subject to the penalties provided in KRS 132.290(4).

Section 88. KRS 132.330 is amended to read as follows:

The field agents, accountants and attorneys of the ***Department of*** Revenue[~~ Cabinet~~] shall cause to be listed for taxation all property omitted by the property valuation administrators, county board of assessment appeals, ***department***[~~cabinet~~] or any other assessing authority, for any year omitted. The agent, accountant or attorney proposing to have the property assessed shall file in the office of the county clerk of the county in which the property may be liable to assessment a statement containing a description and value of the property or corporate franchise proposed to be assessed, the name and place of residence of the owner, his agent or attorney, or person in possession of the property, if known, and the year the property was unassessed. The county clerk shall thereupon issue a summons against the owner, or person in possession of the property if the owner is unknown, to show cause within ten (10) days after the service of the summons, why the property or corporate franchise shall not be assessed at the value named in the statement filed. No decision shall be rendered against the alleged owner unless the statement filed contains a description of the property sought to be assessed that will enable the county judge/executive to identify it. The summons shall be executed by the sheriff by delivering a copy thereof to the owner, or if he is not in the county to his agent, attorney or person in possession of the property. If the property is real property, and the owner is known but is absent from the state and has no attorney or agent in this state and no one is in possession of the property, the summons shall be served by posting it in a conspicuous place upon the property; if the property consists of tangible personal property the summons shall be placed in a conspicuous place where the property is located. In the case of tangible and intangible personal property, where the owner and his place of residence are unknown and no one (1) has possession of the property, an action for assessment shall be instituted by filing the petition above mentioned and procuring constructive service against the owner under the provisions of rules 4.05, 4.06, 4.07 and 4.08 of the Rules of Civil Procedure. In all of the above cases an attachment of the property omitted from assessment may be procured from the District Court against the owner, at the time of the institution of the action or thereafter, and without the execution of a bond by the Commonwealth or its relator, by the representative of the ***Department of*** Revenue[~~ Cabinet~~] making an affidavit that the property described in the petition is subject to state, county, school or other taxing district tax, and is unassessed for any taxable year.

Section 89. KRS 132.340 is amended to read as follows:

(1) Within ten (10) days after the summons has been served, or within thirty (30) days after the warning order against the defendant whose name and place of residence are unknown has been made, if it appears to the county judge/executive that the property is liable for taxation and has not been assessed, the county judge/executive shall enter an order fixing the value at the fair cash value estimated as required by law. The county judge/executive shall certify the assessment of the property and its value, together with such other facts as may be required by law or directed by the county judge/executive to appear in the order, to the ***Department of*** Revenue[~~ Cabinet~~] and to the sheriff of the county, together with the amount of penalty and cost of assessment, in order that the taxes due the state, county, school or any other taxing district may be collected, with the penalty and costs. If the property is not liable for taxes, the county judge/executive shall make an order to that effect. Either party may appeal from the decision of the county judge/executive to the Circuit Court, and then to the Court of Appeals as in other civil cases, except that no appeal bond shall be required where the appeal is by the secretary of revenue acting as the relator.

(2) If the owner of the property fails to pay the tax assessed, interest, penalties and costs, the lien under the attachment may be

enforced and a sufficiency of the property sold to pay the obligation to the state, county, school or other taxing district. All persons owning property that is assessed as herein provided shall, in addition to the taxes and interest from the time the taxes should have been paid, pay the costs of the proceedings and a penalty of twenty percent (20%) on the amount of the taxes due, except where the property was duly listed and the taxes paid thereon within the time prescribed by law, and except where some different penalty is expressly provided by law.

(3) The taxes, costs and penalties shall be collected and accounted for as other taxes and penalties are required to be collected, and by the same officers. The county clerk shall enter all such assessments in a book to be kept for that purpose, showing the date of the assessment, the name of the person against whom the assessment is made, the location and description of the property assessed, and the value thereof. The officer collecting the taxes shall, when they are paid, notify the clerk of the payment, and the payment shall be noted by the clerk opposite the entry of the assessment.

Section 90. KRS 132.350 is amended to read as follows:

The county clerk shall, upon the filing of a statement by an agent, accountant or attorney of the ***Department of*** Revenue[~~ Cabinet~~] for the assessment of omitted property, enter the name of the person signing the statement as attorney for the ***department***[~~cabinet~~], and enter the name of the county attorney as attorney for the state, county, school and other taxing districts for which the ***commissioner***[~~secretary~~] of revenue is authorized to act as relator in such proceeding. The county attorney shall appear and prosecute or assist in the prosecuting of the proceeding in all the courts to which it may be taken for trial. If there is a judgment assessing the property for taxation, the judgment in each case shall recite whether or not the county attorney was present and assisted in the trial of the proceeding. When he is present and assists in the proceeding he shall be allowed as compensation for his services ten percent (10%) of the amount of state and county taxes assessed and collected pursuant to the judgment. The state and county shall be liable respectively for the payment only of the percentage allowance of compensation to the county attorney on the amount that each collects, and this shall be paid to the county attorney within thirty (30) days after the collection of the taxes, and charged against the fund to which the tax was credited.

Section 91. KRS 132.360 is amended to read as follows:

(1) Any assessment of accounts receivable, notes, or bonds or other intangible or tangible personal property that were listed with the property valuation administrator or with the ***Department of*** Revenue[~~ Cabinet~~] as provided by KRS 132.220 may be reopened by the ***Department of*** Revenue[~~ Cabinet~~] within five (5) years after the due date of the return, unless the assessed value thereof is the face value in the case of accounts receivable and notes or the quoted value in the case of bonds, or has been established by a court of competent jurisdiction. If upon reopening the assessment the ***department***[~~cabinet~~] finds that the assessment was less than the fair cash value and should be increased, it shall give notice thereof to the taxpayer, who may within forty-five (45) days thereafter protest to the ***department***[~~cabinet~~] and offer evidence to show that no increase should be made. After the ***department***[~~cabinet~~] has disposed of the protest, the taxpayer may appeal from any such additional assessment as provided by KRS 131.110 and 131.340.

(2) Upon such assessment becoming final the ***department***[~~cabinet~~] shall certify the amount due to the taxpayer. The tax bill shall be handled and collected as an omitted tax bill, and the additional tax shall be subject to the same penalties and interest as the tax on omitted property voluntarily listed.

Section 92. KRS 132.370 is amended to read as follows:

(1) There shall be a property valuation administrator in each county in lieu of a county assessor. Property valuation administrators shall be state officials and all deputies and assistants of their offices shall be unclassified state employees.

(2) Property valuation administrators shall be elected in the year in which county elections are held and shall enter upon the discharge of the duties of their office on the first Monday in December after their election and continue in office for a period of four (4) years, and until the election and qualification of their successors. Property valuation administrators shall possess the qualifications required by Section 100 of the Constitution and by KRS 132.380 and shall be eligible for reelection.

(3) The property valuation administrators and all deputies and assistants of their offices who qualify as full-time employees shall be eligible for participation in the provisions of KRS 18A.205, 18A.230 to 18A.355, and 61.510 to 61.705.

(4) A property valuation administrator may be removed from office by the Circuit Court of his county, upon petition of any taxpayer, or by the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] for any of the following grounds: willful disobedience of any just or legal order of the ***department***[~~cabinet~~], or for misfeasance or malfeasance in office or willful neglect in the discharge of his official duties, including but not limited to intentional underassessment or overassessment of properties and chronic underassessment of properties. For purposes of this section and KRS 134.385, "chronic underassessment" shall mean a widespread pattern and practice of assessing properties at levels substantially below fair market value which persists for a period of two (2) or more years as disclosed by randomly selected sample appraisals conducted under the provisions of KRS 133.250, special audits conducted pursuant to KRS 134.385, or other means.

(5) If the secretary determines that a property valuation administrator should be removed from office, the property valuation administrator shall be notified in writing, and the notice of intent to remove shall state the specific reasons for removal. The notice shall also advise the property valuation administrator of his right to a preremoval conference and an administrative hearing.

(6) A property valuation administrator may request a preremoval conference to appear with or without counsel before the ***commissioner***[~~secretary~~] or his designee to answer the charges against him. The preremoval conference shall be requested in writing within six (6) working days of the date on which the notice of intent to remove is received, and a preremoval conference shall be scheduled within seven (7) working days of the date on which the request is received. The ***commissioner***[~~secretary~~] or his designee shall render a decision within five (5) working days of the conclusion of the preremoval conference. Failure of a property valuation administrator to request a preremoval hearing shall not waive his right to contest his removal through an administrative hearing.

(7) If an action to remove a property valuation administrator is initiated by the ***commissioner***[~~secretary~~] of revenue, the property valuation administrator shall have the right to appeal and upon appeal an administrative hearing shall be conducted in accordance with KRS Chapter 13B. Appeal of the final order of the ***commissioner***[~~secretary~~] of revenue may be filed in a Circuit Court of an adjacent judicial circuit in accordance with KRS Chapter 13B, notwithstanding the provisions of KRS Chapter 18A.

(8) If a property valuation administrator is removed from office as provided in subsections (4) to (7) of this section, he shall be ineligible to serve in the office at any future date and shall forfeit any and all certification from the ***Department of*** Revenue[~~ Cabinet~~] pertaining to the office.

(9) Notwithstanding the provisions of KRS 18A.110(5)(c), the ***department***[~~cabinet~~] shall promulgate administrative regulations allowing property valuation administrators and their deputies to receive lump-sum payments for accrued annual leave and compensatory time when separated from employment because of termination by the employer, resignation, retirement, or death.

Section 93. KRS 132.375 is amended to read as follows:

Whenever a vacancy occurs in the property valuation administrator's office, the ***commissioner***[~~secretary~~] of revenue shall designate a qualified ***department***[~~cabinet~~] employee to carry on the duties of the office until the vacancy is filled by appointment or by election. The ***department***[~~cabinet~~] employee so designated shall be compensated from ***Department of*** Revenue[~~ Cabinet~~] funds in the same manner and at the same rate as compensated prior to his receiving the designation, plus necessary expenses, including travel. The individual shall have all the powers and be subject to all the administrative regulations applying to property valuation administrators.

Section 94. KRS 132.380 is amended to read as follows:

(1) Before any person's name shall appear before the voters on election day as a candidate for the office of property valuation administrator in any primary or general election, except as a candidate to succeed himself in office, or before he may be appointed property valuation administrator, except as an interim appointee as provided by KRS 132.375, he shall hold a certificate issued by the ***Department of*** Revenue[~~ Cabinet~~], showing that he has been examined by it and that he is qualified for the office. All certificates issued shall expire one (1) year from the date of issuance, except for the certificates issued to successful candidates of the 1997 exam. Those certificates shall remain valid until after the November, 1998 election. The examinations shall be written and formulated so as to test fairly the ability and fitness of the applicant to serve as property valuation administrator. The ***Department of*** Revenue[~~ Cabinet~~] shall hold the examinations in at least one (1) place in each Supreme Court district during the month of November of each year immediately preceding each year in which property valuation administrators are to be elected. The ***Department of*** Revenue[~~ Cabinet~~] shall advise each county attorney of the time and place of the examination, and the county attorney shall post a notice thereof in a conspicuous place in the courthouse two (2) weeks before the examination is given. Any person desiring to take an examination shall appear at the time and place designated.

(2) If, after the giving of the examination, as provided in subsection (1), there is only one (1) person qualified to be a candidate in the county, the ***Department of*** Revenue[~~ Cabinet~~] shall hold a second examination prior to the filing date in each Supreme Court district where necessary. Applicants from only those counties having not more than one (1) person qualified shall be eligible to take the examination. Notice of the second examination shall be posted in the manner provided in subsection (1).

(3) Whenever there is a vacancy in the office of property valuation administrator to be filled by appointment or by election, and there is not more than one (1) person holding a valid certificate and eligible for appointment or election, the ***Department of*** Revenue[~~ Cabinet~~] may hold a special examination for applicants seeking a certificate for the office. If, after the giving of a special examination, only one (1) person is qualified, the county judge/executive may request a second examination. Special examinations shall be held in the same manner as regular examinations.

(4) Examinations shall be given and graded in accordance with rules of the ***department***[~~cabinet~~] published at the time of the examination. Within ten (10) days after the examination, a certificate of fitness and qualification to fill the office of property valuation administrator shall be issued by the ***Department of*** Revenue[~~ Cabinet~~] to each person passing the examination.

(5) Examination records shall be preserved by the ***department***[~~cabinet~~] for twelve (12) months after the examination, and the record of any person who took the examination may be seen by him at the office of the ***Department of*** Revenue[~~ Cabinet~~] in Frankfort, Kentucky.

Section 95. KRS 132.400 is amended to read as follows:

Before entering upon the duties of office, the property valuation administrator shall execute a bond conditioned upon the faithful performance of the duties of the office with a surety to be approved by the ***Department of*** Revenue[~~ Cabinet~~]. In counties containing a city of the first class or consolidated local government, the bond shall be in the sum of one hundred thousand dollars ($100,000); in counties containing a city of the second class, fifty thousand dollars ($50,000); in all other counties, twenty thousand dollars ($20,000).

Section 96. KRS 132.420 is amended to read as follows:

The property valuation administrator shall, subject to the direction, instruction, and supervision of the ***Department of*** Revenue[~~ Cabinet~~], make the assessment of all property in his county except as otherwise provided, prepare property assessment records, and have other powers and duties relating to assessment as may be prescribed by law or by the ***department***[~~cabinet~~].

Section 97. KRS 132.460 is amended to read as follows:

The property valuation administrator, or an authorized deputy, shall attend all hearings before the county board of assessment appeals and before the Kentucky Board of Tax Appeals relative to his assessment and submit to examination and fully disclose to them such information as he may have and any other matters pertinent to the inquiry being made. He shall be entitled to reimbursement from the county for expenses incurred in official business outside his county. If the ***Department of*** Revenue[~~ Cabinet~~] directs him to perform official duties outside of his county, the expenses shall be paid from the appropriation for the payment of the salaries of the property valuation administrators. Such reimbursement shall be paid on the same basis as employees of the Commonwealth are paid for travel expenses.

Section 98. KRS 132.485 is amended to read as follows:

(1) (a) The registration of a motor vehicle with a county clerk in order to operate it or permit it to be operated upon the highways of the state shall be deemed consent by the registrant for the motor vehicle to be assessed by the property valuation administrator from a standard manual prescribed by the ***Department of*** Revenue[~~ Cabinet~~] for valuing motor vehicles for assessment unless the registrant appears before the property valuation administrator to assess the vehicle. The standard value of motor vehicles shall be the average trade-in value prescribed by the valuation manual unless information is available that warrants any deviation from the standard value.

(b) The registration of a recreational vehicle with the county clerk in order to operate it or permit it to be operated upon the highways shall be deemed consent by the registrant thereof for the recreational vehicle to be assessed by the property valuation administrator at a valuation determined from a standard manual prescribed by the ***Department of*** Revenue[~~ Cabinet~~] for valuing recreational vehicles for assessment unless the registrant appears in person before the property valuation administrator to assess the vehicle.

(2) The registration of a motor vehicle on or before the date that the registration of the vehicle is required is prima facie evidence of ownership on January 1.

(3) This section does not apply to motor vehicles or recreational vehicles owned and operated by public service companies, common carriers, or agencies of the state and federal governments.

Section 99. KRS 132.486 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall develop and administer a centralized ad valorem assessment system for intangible personal property and tangible personal property. This system shall be designed to provide on-line computer terminals and accessory equipment in every property valuation administrator's office in the state in order to create and maintain a centralized personal property tax roll database.

(2) State income tax returns and return preparation instructions shall be revised to facilitate the preparation of the personal property tax return; however, the personal property tax return shall be a separate document and shall be listed with the property valuation administrator in the county of taxable situs according to the provisions of KRS 132.220(1) or with the ***Department of*** Revenue[~~ Cabinet~~]. The ***Department of*** Revenue[~~ Cabinet~~] shall promulgate administrative regulations and develop forms for the listing and assessment of personal property.

(3) Appeals of personal property assessments shall not be made to the county board of assessment appeals. Personal property taxpayers shall be served notice under the provisions of KRS 132.450(4) and shall have the protest and appeal rights granted under the provision of KRS 131.110.

(4) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in a protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

Section 100. KRS 132.490 is amended to read as follows:

(1) Each county clerk shall, by March 1 of each year, unless the time is extended by the ***Department of*** Revenue[~~ Cabinet~~], make and certify to the various property valuation administrators complete statements of all purchase money notes, mortgage notes and other obligations for money due, except those owned by banks, trust companies or real estate title insurance companies, as shown by the conveyances, mortgages and liens in his office. (2) The statements shall be made to each property valuation administrator of the state as to the notes or other evidences of indebtedness owned or held by persons residing or having their principal place of business in the county of that property valuation administrator. Each statement shall cover a period of one (1) year next prior to January 1 of each year. The statements shall be sworn to by the clerk before some person authorized to administer oaths, as a complete statement of the facts.

(3) For his services in making these statements, the clerk shall be paid reasonable compensation by the fiscal court of his county.

Section 101. KRS 132.510 is amended to read as follows:

Every executor, administrator, guardian, conservator, trustee, trustee in bankruptcy, receiver or other person acting in a fiduciary capacity shall, when required, file with the ***Department of Revenue***[~~revenue cabinet~~] a sworn inventory showing in detail the amount and character of personal property in his hands, unless the inventory has been filed as a public record in the court in which the fiduciary qualifies. The ***department***[~~cabinet~~] may examine the books and accounts of any person acting in a fiduciary capacity. No fiduciary shall receive a final discharge until he has satisfied the court settling his accounts that all taxes against the estate have been paid.

(a) A list of the notes, bonds, or other evidences of indebtedness secured by mortgage or other recorded instrument standing in its name of record that it has assigned or transferred during the preceding year without making a transfer of record, the amount of each, and the name and address of the person to whom each was assigned. Where the name and address of the transferee holding the securities on January 1 of any year is given, any previous transfers of the securities during that year need not be furnished.

(b) A list of the mortgages standing in its name on January 1 that were assigned of record to it during the preceding year with its knowledge and consent, where it has not become the absolute owner of the debt secured thereby, showing the amount of each such mortgage and the name and address of each assignor. Any mortgage assigned to it during any year and paid and released of record prior to January 1 need not be included in the report.

(c) A list of all debenture bonds, collateral trust bonds, notes, certificates, and other evidences of indebtedness issued, assigned, or transferred by it during the preceding year that are secured by and represent the beneficial interest in lien notes, bonds, or mortgages standing in its name of record, the amount of each such evidence of indebtedness, and the name and address of the person to whom each was assigned or transferred. Where the name and address of the transferee holding the securities on January 1 of any year is given, any previous transfer or assignment of the securities need not be furnished.

(d) A list of all lien notes, bonds, mortgages, certificates, and other evidences of indebtedness that it has assigned or transferred to any person as security for the issuing of any debenture or collateral trust bonds, the amount of each, and the name and address of the person to whom each was assigned.

(2) The reports required under paragraphs (a) and (b) of subsection (1) of this section need not include sales or pledges from one (1) bank, trust company, or combined bank and trust company to another bank or company, or notes or obligations secured by any recorded instrument executed to a bank, trust company, or a combined bank and trust company in which the obligations secured by the instrument are divided among estates or accounts in charge of the bank or company and regularly and properly entered on its records. The provisions of this section do not apply to mortgages made by corporations to trustees to secure bond issues made by them in the regular course of business, except as provided in paragraph (c) of subsection (1) of this section.

(3) The information thus obtained shall be communicated by the ***department***[~~cabinet~~] to the property valuation administrator and the board of assessment appeals of the respective counties in which the true owners of the debts reside.

Section 103. KRS 132.550 is amended to read as follows:

(1) After the county clerk has completed the services required of him upon delivery of the tax rolls and schedules to him by the property valuation administrator, he shall then calculate the taxes due the state, county, school, county polls, and school polls, for each individual taxpayer, opposite their name in the tax rolls, upon the form prescribed by the ***Department of*** Revenue[~~ Cabinet~~]. The rolls and forms shall be a permanent record of the county clerk's office.

(2) For performing the services required by this section the county clerk shall be paid the sum of fifteen cents ($0.15) for each tax list on the tax rolls, one-half (1/2) of this sum to be paid by the state, and the other one-half (1/2) to be paid by the county.

Section 104. KRS 132.570 is amended to read as follows:

(1) No person shall willfully make a false statement, or, to avoid taxation, make a temporary investment in securities exempt from taxation, or convert any intangible property into nontaxable property outside of this state, or resort to any device to evade taxation. Any person doing so shall be subject to three (3) times the amount of tax upon his property, to be recovered by the sheriff by action in the name of the Commonwealth in the county in which the property is liable for taxation, or by the ***Department of*** Revenue[~~ Cabinet~~], when the taxes are payable to it, in the Franklin Circuit Court.

(2) No person shall transfer or assign of record any mortgage note, bond or other evidence of indebtedness, secured by any recorded instrument, for the sole purpose of evading the taxes thereon.

Section 105. KRS 132.590 is amended to read as follows:

(1) The compensation of the property valuation administrator shall be based on the schedule contained in subsection (2) of this section as modified by subsection (3) of this section. The compensation of the property valuation administrator shall be calculated by the ***Department of*** Revenue[~~ Cabinet~~] annually. Should a property valuation administrator for any reason vacate the office in any year during his term of office, he shall be paid only for the calendar days actually served during the year.

(2) The salary schedule for property valuation administrators provides for nine (9) levels of salary based upon the population of the county in the prior year as determined by the United States Department of Commerce, Bureau of the Census annual estimates. To implement the salary schedule, the ***department***[~~cabinet~~] shall, by November 1 of each year, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. The salary schedule provides four (4) steps for yearly increments within each population group. Property valuation administrators shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each property valuation administrator, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. If the county population as certified by the ***department***[~~cabinet~~] increases to a new group level, the property valuation administrator's salary shall be computed from the new group level at the beginning of the next year. A change in group level shall have no affect on the annual change in step. Prior to assuming office, any person who has previously served as a property valuation administrator must certify to the ***Department of*** Revenue[~~ Cabinet~~] the total number of years, not to exceed four (4) years, that the person has previously served in the office. The ***department***[~~cabinet~~] shall place the person in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

(3) (a) For calendar year 2000, the salary schedule in subsection (2) of this section shall be increased by the amount of increase in the annual consumer price index as published by the United States Department of Commerce for the year ended December 31, 1999. This salary adjustment shall take effect on July 14, 2000, and shall not be retroactive to the preceding January 1.

(b) For each calendar year beginning after December 31, 2000, upon publication of the annual consumer price index by the United States Department of Commerce, the annual rate of salary for the property valuation administrator shall be determined by applying the increase in the consumer price index to the salary in effect for the previous year. This salary determination shall be retroactive to the preceding January 1.

(c) In addition to the step increases based on service in office, each property valuation administrator shall be paid an annual incentive of six hundred eighty-seven dollars and sixty-seven cents ($687.67) per calendar year for each forty (40) hour training unit successfully completed based on continuing service in that office and, except as provided in this subsection, completion of at least forty (40) hours of approved training in each subsequent calendar year. If a property valuation administrator fails without good cause, as determined by the ***commissioner***[~~secretary~~] of the Kentucky ***Department of*** Revenue[~~ Cabinet~~], to obtain the minimum amount of approved training in any year, the officer shall lose all training incentives previously accumulated. No property valuation administrator shall receive more than one (1) training unit per calendar year nor more than four (4) incentive payments per calendar year. Each property valuation administrator shall be allowed to carry forward up to forty (40) hours of training credit into the following calendar year for the purpose of satisfying the minimum amount of training for that year. This amount shall be increased by the consumer price index adjustments prescribed in paragraphs (a) and (b) of this subsection. Each training unit shall be approved and certified by the Kentucky ***Department of*** Revenue[~~ Cabinet~~]. Each unit shall be available to property valuation administrators in each office based on continuing service in that office. The Kentucky ***Department of*** Revenue[~~ Cabinet~~] shall promulgate administrative regulations in accordance with KRS Chapter 13A to establish guidelines for the approval and certification of training units.

(4) Notwithstanding any provision contained in this section, no property valuation administrator holding office on July 14, 2000, shall receive any reduction in salary or reduction in adjustment to salary otherwise allowable by the statutes in force on July 14, 2000.

(5) Deputy property valuation administrators and other authorized personnel may be advanced one (1) step in grade upon completion of twelve (12) months' continuous service. The ***Department of*** Revenue[~~ Cabinet~~] may make grade classification changes corresponding to any approved for ***department***[~~cabinet~~] employees in comparable positions, so long as the changes do not violate the integrity of the classification system. Subject to availability of funds, the ***department***[~~cabinet~~] may extend cost-of-living increases approved for ***department***[~~cabinet~~] employees to deputy property valuation administrators and other authorized personnel, by advancement in grade.

(6) Beginning with the 1990-1992 biennium, the ***Department of*** Revenue[~~ Cabinet~~] shall prepare a biennial budget request for the staffing of property valuation administrators' offices. An equitable allocation of employee positions to each property valuation administrator's office in the state shall be made on the basis of comparative assessment work units. Assessment work units shall be determined from the most current objective information available from the United States Bureau of the Census and other similar sources of unbiased information. Beginning with the 1996-1998 biennium, assessment work units shall be based on parcel count per employee. The total sum allowed by the state to any property valuation administrator's office as compensation for deputies, other authorized personnel, and for other authorized expenditures shall not exceed the amount fixed by the ***Department of*** Revenue[~~ Cabinet~~]. However, each property valuation administrator's office shall be allowed as a minimum such funds that are required to meet the federal minimum wage requirements for two (2) full-time deputies.

The ***Department of*** Revenue[~~ Cabinet~~] shall return to each property valuation administrator, no later than July 1, an approved budget for the fiscal year.

(8) Each property valuation administrator may appoint any persons approved by the ***Department of*** Revenue[~~ Cabinet~~] to assist him in the discharge of his duties. Each deputy shall be more than twenty-one (21) years of age and may be removed at the pleasure of the property valuation administrator. The salaries of deputies and other authorized personnel shall be fixed by the property valuation administrator in accordance with the grade classification system established by the ***Department of*** Revenue[~~ Cabinet~~] and shall be subject to the approval of the ***Department of*** Revenue[~~ Cabinet~~]. The Personnel Cabinet shall provide advice and technical assistance to the ***Department of*** Revenue[~~ Cabinet~~] in the revision and updating of the personnel classification system, which shall be equitable in all respects to the personnel classification systems maintained for other state employees. Any deputy property valuation administrator employed or promoted to a higher position may be examined by the ***Department of*** Revenue[~~ Cabinet~~] in accordance with standards of the Personnel Cabinet, for the position to which he is being appointed or promoted. No state funds available to any property valuation administrator's office as compensation for deputies and other authorized personnel or for other authorized expenditures shall be paid without authorization of the ***Department of*** Revenue[~~ Cabinet~~] prior to the employment by the property valuation administrator of deputies or other authorized personnel or the incurring of other authorized expenditures.

(9) Each county fiscal court shall annually appropriate and pay each fiscal year to the office of the property valuation administrator as its cost for use of the assessment, as required by KRS 132.280, an amount determined as follows:

300,000,000	----	$0.004 for each $100.

(10) The total sum to be paid by the fiscal court to any property valuation administrator's office under the provisions of subsection (9) of this section shall not exceed the limits set forth in the following table:

(11) Annually, after appropriation by the county of funds required of it by subsection (9) of this section, and no later than August 1, the property valuation administrator shall file a claim with the county for that amount of the appropriation specified in his approved budget for compensation of deputies and assistants, including employer's shares of FICA and state retirement, for the fiscal year. The amount so requested shall be paid by the county into the State Treasury by September 1, or paid to the property valuation administrator and be submitted to the State Treasury by September 1. These funds shall be expended by the ***Department of*** Revenue[~~ Cabinet~~] only for compensation of approved deputies and assistants and the employer's share of FICA and state retirement in the appropriating county. Any funds paid into the State Treasury in accordance with this provision but unexpended by the close of the fiscal year for which they were appropriated shall be returned to the county from which they were received.

(12) After submission to the State Treasury or to the property valuation administrator of the county funds budgeted for personnel compensation under subsection (11) of this section, the fiscal court shall pay the remainder of the county appropriation to the office of the property valuation administrator on a quarterly basis. Four (4) equal payments shall be made on or before September 1, December 1, March 1, and June 1 respectively. Any unexpended county funds at the close of each fiscal year shall be retained by the property valuation administrator, except as provided in KRS 132.601(2). (13) The provisions of this section shall apply to urban-county governments and consolidated local governments. In an urban-county government and a consolidated local government, all the rights and obligations conferred on fiscal courts or consolidated local governments by the provisions of this section shall be exercised by the urban-county government or consolidated local government.

(14) When an urban-county form of government is established through merger of existing city and county governments as provided in KRS Chapter 67A or when a consolidated local government is established through merger of existing city and county governments as provided by KRS Chapter 67C, the annual county assessment shall be presumed to have been adopted as if the city had exercised the option to adopt as provided in KRS 132.285, and the annual amount to be appropriated to the property valuation administrator's office shall be the combined amount that is required of the county under this section and that required of the city under KRS 132.285, except that the total shall not exceed one hundred thousand dollars ($100,000) for any urban-county government or consolidated local government with an assessment subject to countywide tax of less than three billion dollars ($3,000,000,000), one hundred twenty-five thousand dollars

($125,000) for an urban-county government or consolidated local government with an assessment subject to countywide tax between three billion dollars ($3,000,000,000) and five billion dollars ($5,000,000,000), and two hundred thousand dollars ($200,000) for an urban-county government or consolidated local government with an assessment subject to countywide tax in excess of five billion dollars ($5,000,000,000). For purposes of this subsection, the amount to be considered as the assessment for purposes of KRS 132.285 shall be the amount subject to taxation for full urban services.

(15) Notwithstanding the provisions of subsection (9) of this section, the amount appropriated and paid by each county fiscal court to the office of the property valuation administrator for 1996 and subsequent years shall be equal to the amount paid to the office of the property valuation administrator for 1995, or the amount required by the provisions of subsections (9) and (10) of this section, whichever is greater.

Section 106. KRS 132.597 is amended to read as follows:

(1) The property valuation administrator of each county shall receive an annual expense allowance of three thousand six hundred dollars ($3,600) to be paid from the State Treasury in monthly installments of three hundred dollars ($300). Property valuation administrators shall not be required to keep records verifying expenditures from this expense allowance.

(2) The expense allowance provided in subsection (1) of this section shall be used by the property valuation administrator for expenses incurred in the performance of his duties. The allowance is to provide the necessary funds for payment of all expenditures of the property valuation administrator not directly associated with the assessment of property in his particular county.

(3) Each property valuation administrator shall annually, within each calendar year, participate in a minimum of thirty (30) classroom hours of professional instruction conducted or approved by the ***Department of*** Revenue[~~ Cabinet~~]. Any property valuation administrator failing to meet the ***department's***[~~cabinet's~~] requirements for any calendar year shall not receive the three thousand six hundred dollar ($3,600) annual expense allowance provided in subsection (1) of this section for the subsequent calendar year.

(4) The annual requirement for participation in classroom instruction shall be reduced to fifteen (15) hours for any property valuation administrator awarded the "senior Kentucky assessor" (SKA) professional designation under the provisions of KRS 132.385.

Section 107. KRS 132.601 is amended to read as follows:

(2) The property valuation administrator shall maintain a bank account for the management of local funds received by his office under the provisions of KRS 132.590 and 132.285. Beginning with the 1990-1992 biennium, at the end of each fiscal year a cumulative carryover of local funds equivalent to the total annual local appropriation for the ending fiscal year or five thousand dollars ($5,000), whichever is greater, shall be retained. Any funds in excess of this amount shall be refunded by the property valuation administrator no later than August 1 to the appropriating local governments in direct proportion to their respective appropriations.

(3) Expenditures made by the office of the property valuation administrator under the provisions of subsection (1) of this section shall be governed by procurement procedures adopted by the fiscal court in the county administrative code required by KRS 68.005. However, after approval of the annual budget for the office of the property valuation administrator provided in KRS 132.590 by the ***Department of*** Revenue[~~ Cabinet~~], the necessity of the expenditure shall not be questioned by the fiscal court. The ***Department of*** Revenue[~~ Cabinet~~] shall have neither authority nor responsibility in the auditing of expenditures made by the property valuation administrator from locally appropriated funds. The Auditor of Public Accounts shall assume the responsibility.

Section 108. KRS 132.605 is amended to read as follows:

(1) The fiscal court of each county shall have jurisdiction and the power to purchase and supply to the property valuation administrator any maps, lists, charts, materials, supplies, equipment or instruments which are reasonably necessary for a complete and accurate assessment of property in the county. (2) The fiscal court of any county shall provide for the maintenance of all maps, lists, charts, materials, supplies, equipment or instruments owned by a county or supplied to it by the ***Department of*** Revenue[~~ Cabinet~~] or by any source in cooperation with the ***Department of*** Revenue[~~ Cabinet~~] for the purpose of facilitating the assessment of property.

Section 109. KRS 132.620 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall recover from any property valuation administrator all compensation paid to him for assessments that were unauthorized or excessive when and to the extent it is determined by a final order of the board of assessment appeals, Kentucky Board of Tax Appeals, or a court of competent jurisdiction that such assessments

were unauthorized or excessive. Whenever the property valuation administrator fails to render the services required of him or he performs any of his duties in such a manner as to fail to comply substantially with the requirements of the law, he shall be required to pay a sum that will reasonably compensate the Commonwealth of Kentucky for its costs in rendering the duties required to be performed by the property valuation administrator. The ***Department of*** Revenue~~[Cabinet]~~ shall notify the property valuation administrator by certified mail, return receipt requested, of any amount charged to be due under this section and a statement of the reasons therefor. The property valuation administrator shall be entitled to a hearing before the Kentucky Board of Tax Appeals, and an appeal may be taken from the final action of the Kentucky Board of Tax Appeals to the courts as provided by law.

(2) Any sum that may become due from any property valuation administrator by reason of this section may be deducted from any amount that the Commonwealth of Kentucky may become obliged to pay such property valuation administrator, or it may be collected from the bondsman of the property valuation administrator.

(1) The ***Department of*** Revenue~~[Cabinet]~~ shall have authority to order an emergency assessment of all or any part of the taxable property in any taxing district to be made by one (1) or more persons appointed for that purpose by the ***department***~~[cabinet]~~, whenever: there has been no regular assessment; the records of an assessment have been destroyed, mutilated or lost; complaint is made by the owners of not less than ten percent (10%) in value of the taxable property in the taxing district; or investigation of the ***department***~~[cabinet]~~ discloses that the assessment of property in such taxing district is so grossly inequitable or fiscally infeasible that an emergency exists. The order directing such emergency assessments shall state the reasons therefor and a copy shall be filed in the office of the county clerk where the property lies. Such order, when filed, shall void any assessment for the assessment year for which the emergency assessment is made. Any person appointed to make such an emergency assessment shall have the same powers and duties as the property valuation administrator. Whenever the tax roll has been completed under an emergency assessment and the tentative valuations have been determined, the ***department***~~[cabinet]~~ shall cause to be published pursuant to KRS Chapter 424, a notice as to the date when the tax roll will be ready for inspection and the time available for such purpose; also a copy of the notice shall be posted at the courthouse door. If any property is assessed at a greater value than that listed by the taxpayer or unlisted property is assessed, the taxpayer shall be charged with notice of such action by reason of the inspection period, and no further notice need be given of such action taken before the beginning of the inspection period. At the close of the inspection period, the tax roll shall be delivered to the county clerk and the county judge/executive shall immediately convene the board of assessment appeals to hear and determine any appeals from such emergency assessment. The board shall remain in session for the time and shall receive the compensation as provided in KRS 133.030(3). (2) The ***department***~~[cabinet]~~ may appoint the property valuation administrator to make an emergency assessment provided he was not at fault, and if the property valuation administrator is so appointed he shall receive reasonable compensation for his services in making this assessment, which shall not affect in any manner the payment to him of any compensation that he has received for himself or on behalf of a deputy or that may be due him, for services in making the regular assessment. Whenever through the property valuation administrator's fault an emergency assessment is ordered, the property valuation administrator shall become liable for the cost thereof as provided in KRS 132.620, such cost to be limited to the amount due or paid him in accordance with the provisions of KRS 132.590.

Section 112. KRS 132.670 is amended to read as follows:

(1) The ***Department of*** Revenue~~[Cabinet]~~ shall prepare detailed maps identifying every parcel of real property within each county of the state. Each county shall furnish to the ***department***~~[cabinet]~~ adequate facilities in the county courthouse in which to work. The ***Department of*** Revenue~~[Cabinet]~~ shall prescribe methods and specifications for the mapping of property. Locally employed mapping project personnel shall be compensated in the same manner as deputies or assistants in the property valuation administrator's office.

(2) The ***Department of*** Revenue~~[Cabinet]~~ shall conduct a biennial review of the quality of maps and ownership records in each county. If, in the first review conducted under these provisions, the maps and records in any county fail to meet the minimum standards established by the ***department***~~[cabinet]~~, the ***department***~~[cabinet]~~ shall assume responsibility for remapping, revision, and updating under the provisions of subsection (1) of this section. Minimum maintenance standards to be followed by each property valuation administrator shall be established by the ***department***~~[cabinet]~~.

Section 113. KRS 132.672 is amended to read as follows:

(1) The ***Department of*** Revenue~~[Cabinet]~~ is authorized to establish an account entitled the "mapping project account" which is a fund created within the restricted fund group set forth in KRS 45.305. The purpose of this account is to provide funds

(2) There is hereby authorized to be deposited into this account the balance of the money heretofore deposited in the "Kentucky Wastewater Revolving Fund" created pursuant to KRS 107.600, now repealed.

(3) The ***commissioner***[~~secretary~~] of revenue or any person duly authorized by him shall have the authority to withdraw from this account for the purpose set forth in subsection (1) of this section.

Section 114. KRS 132.690 is amended to read as follows:

(1) Each parcel of taxable real property or interest therein subject to assessment by the property valuation administrator shall be revalued during each year of each term of office by the property valuation administrator at its fair cash value in accordance with standards prescribed by the ***Department of*** Revenue[~~ Cabinet~~] and shall be physically examined no less than once every four (4) years by the property valuation administrator or his assessing personnel. In accordance with procedures prescribed by the ***Department of*** Revenue[~~ Cabinet~~], the property valuation administrator shall submit an assessment schedule to the ***department***[~~cabinet~~] and shall maintain a record of physical examination and revaluation for each parcel of real property which includes, in addition to other relevant information, the inspection dates.

(2) The right of any individual to appeal the assessment on his property in any year as provided in KRS 133.120 shall in no way be affected by this section.

(3) If the property valuation administrator fails to revalue property as required by this section, the ***Department of*** Revenue[~~ Cabinet~~] shall have the authority to order an emergency revaluation in the same manner as provided for emergency assessments by KRS 132.660. Any property valuation administrator willfully violating the provisions of subsection (1) of this section or who refuses to comply with the directions of the ***Department of*** Revenue[~~ Cabinet~~] to correct the assessment shall have his compensation suspended by the ***department***[~~cabinet~~] and shall be subject to removal from office as provided by KRS 132.370(4) and shall be subject to the provisions of KRS 132.620 and 61.120.

(4) Nothing in this section shall prohibit action by the ***Department of*** Revenue[~~ Cabinet~~] under the provisions of KRS 133.150 or 132.660 in any year in which the ***department***[~~cabinet~~] determines such action to be necessary.

Section 115. KRS 132.810 is amended to read as follows:

(1) To qualify under the homestead exemption provision of the Constitution, each person claiming the exemption shall file an application with the property valuation administrator of the county in which the applicant resides, on forms prescribed by the ***Department of*** Revenue[~~ Cabinet~~]. The assessed value of property on which homestead exemption is claimed shall not be increased because of valuation expressed on the application form filed with the property valuation administrator, and whenever it becomes known that the valuation of property subject to the homestead tax exemption has been increased because of valuation expressed on the application form, adjustment shall be made the following year so that the total tax paid by the taxpayer is the same as if the increase had not been made.

(2) (a) Every person filing an application for exemption under the homestead exemption provision must be sixty-five (65) years of age or older during the year for which application is made or must have been classified as totally disabled under a program authorized or administered by an agency of the United States government or by any retirement system either within or without the Commonwealth of Kentucky on January 1 of the year in which application is made.

(b) Every person filing an application for exemption under the homestead exemption provision must own and maintain the property for which the exemption is sought as his personal residence.

(d) Every person filing for the homestead exemption who is totally disabled and is less than sixty-five (65) years of age must apply for the homestead exemption on an annual basis.

(e) Only one (1) exemption per residential unit shall be allowed even though the resident may be sixty-five (65) years of age and also totally disabled, and regardless of the number of residents sixty-five (65) years of age or older occupying the unit, but the sixty-five hundred dollars ($6,500) exemption shall be construed to mean sixty-five hundred dollars ($6,500) in terms of the purchasing power of the dollar in 1972. Every two (2) years thereafter, if the cost of living index of the United States Department of Labor has changed as much as one percent (1%), the maximum exemption shall be adjusted accordingly.

(f) The real property may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years. The exemption shall apply only to the value of the real property assessable to the owner or, in case of ownership through stock or membership in a corporation, the value of the proportion which his interest in the corporation bears to the assessed value of the property.

(g) A mobile home, recreational vehicle, when classified as real property as provided for in KRS 132.751, or a manufactured house shall qualify as a residential unit for purposes of the homestead exemption provision.

(h) When title to property which is exempted, either in whole or in part, under the homestead exemption is transferred, the owner, administrator, executor, trustee, guardian, conservator, curator, or agent shall report such transfer to the property valuation administrator.

(3) Notwithstanding any statutory provisions to the contrary, the provisions of this section shall apply to the assessment and taxation of property under the homestead exemption provision for state, county, city, or special district purposes.

(4) The provisions of this section shall become effective with the 1982 taxable year and persons eligible for a homestead exemption under this section, who have not previously filed under the age provision of the homestead exemption, shall file applications by December 31 of the taxation period.

(a) The homestead exemption for disabled persons shall terminate whenever those persons no longer meet the total disability classification at the end of the taxation period for which the homestead exemption has been granted. In no case shall the exemption be prorated for persons who maintained the total disability classification at the end of the taxation period.

(b) Any totally disabled person granted the homestead exemption under the disability provision shall report any change in disability classification to the property valuation administrator in the county in which the homestead exemption is authorized.

(c) Any person making application and qualifying for the homestead exemption before payment of his property tax bills for the year in question shall be entitled to a full or partial exoneration, as the case may be, of the property tax due to reflect the taxable assessment after allowance for the homestead exemption.

(d) Any person making application and qualifying for the homestead exemption after property tax bills have been paid shall be entitled to a refund of the property taxes applicable to the value of the homestead exemption.

(5) In this section, "taxation period" means the period from January 1 through December 31 of the year in which application is made, unless the person maintaining the classification dies before December 31, in which case "taxation period" means the period from January 1 to the date of death.

Each building, mobile home, or other structure shall be identified by county and property address, or property location in those instances where the address is insufficient to reveal the physical location of the property.

(2) The information provided shall be used for the purpose of making and maintaining accurate assessment records. The ***Department of*** Revenue[~~ Cabinet~~] shall provide to each electrical inspector the necessary forms and instructions for filing the report required under subsection (1).

Section 117. KRS 132.820 is amended to read as follows:

(1) The ***department***[~~cabinet~~] shall value and assess unmined coal, oil, and gas reserves, and any other mineral or energy resources which are owned, leased, or otherwise controlled separately from the surface real property at no more than fair market value in place, considering all relevant circumstances. Unmined coal, oil, and gas reserves and other mineral or energy resources shall in all cases be valued and assessed by the ***Department of*** Revenue[~~ Cabinet~~] as a distinct interest in real property, separate and apart from the surface real estate unless:

(a) The unmined coal, oil and gas reserves, and other mineral or energy resources are owned in their entirety by the surface owner;

(b) The surface owner is neither engaged in the severance, extraction, processing, or leasing of mineral or other energy resources nor is he an affiliate of a person who engages in those activities; and

(c) The surface is being used by the surface owner primarily for the purpose of raising for sale agricultural crops, including planted and managed timberland, or livestock or poultry.

For purposes of this section, "affiliate" means a person who directly or indirectly owns or controls, is owned or controlled by, or is under common ownership or control with, another individual, partnership, committee, association, corporation, or any other organization or group of persons.

(2) Each owner or lessee of property assessed under subsection (1) of this section shall annually, between January 1 and April 15, file a return with the ***department***[~~cabinet~~] in a form as the ***department***[~~cabinet~~] may prescribe. Other individuals or corporations having knowledge of the property defined in subsection (1) of this section gained through contracting, extracting, or similar means may also be required by the ***department***[~~cabinet~~] to file a return.

(3) Any property subject to assessment by the ***department***[~~cabinet~~] under subsection (1) of this section which has not been listed for taxation, for any year in which it is taxable, by April 15 of that year shall be omitted property.

(4) After the valuation of unmined minerals or other energy sources has been finally fixed by the ***department***[~~cabinet~~], the ***department***[~~cabinet~~] shall certify to the county clerk of each county the amount liable for county, city, or district taxation. The report shall be filed by the county clerk in his office, and shall be certified by the county clerk to the proper collecting

officer of the county, city, or taxing district for collection.

(5) The notification, protest, and appeal of assessments under subsection (1) of this section shall be made pursuant to the provisions of KRS Chapter 131.

(6) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(7) The collection of tax bills generated from the assessments made under subsection (1) of this section shall be made pursuant to the provisions of KRS Chapter 134.

Beginning with the 1995 appeals, the mayor's appointment shall serve for four (4) years, the county judge/executive's appointment shall serve for three (3) years, and the fiscal court's appointment shall serve for two (2) years. Each person appointed thereafter shall serve for three (3) years. If no city in the county uses the county assessment, the county judge/executive shall appoint two (2) members. Board members appointed prior to July 14, 1994, shall be eligible for reappointment by the appointing authority if they meet the requirements of subsection (2) of this section. A board member who has served for a full term shall not be eligible for reappointment. However, he shall be eligible for appointment after a hiatus of three (3) years. If the number of appeals to the board of assessment appeals filed with the county clerk exceeds one hundred (100), temporary panels of the board may be appointed with approval of the ***Department of*** Revenue[~~ Cabinet~~]. Each temporary panel shall consist of three (3) members having the same qualifications and appointed in the same manner as the board members. The number of additional panels shall not exceed one (1) for each one hundred (100) appeals in excess of the first one hundred (100). The county judge/executive shall designate one (1) of the members of the board of assessment appeals to serve as chairman of the board. If additional panels are appointed, as provided in this subsection, the chairman of the board of assessment appeals shall designate one (1) member of each additional panel as chairman of the panel. A majority of the board or of any panel may determine the action of the board or panel respectively and make decisions. Each panel of the board shall have the same powers and duties given the board by KRS 133.120, except the action of any panel shall be subject to review and final approval by the board.

(2) Each member of the board shall have extensive knowledge of real estate values, preferably in real estate appraisal, sales, management, financing, or construction. In counties with cities of the first, second, or third class, the member appointed by the mayor shall be a certified real estate appraiser unless the mayor provides sufficient proof to the ***department***[~~cabinet~~] of his inability to secure a certified real estate appraiser.

(3) The board shall be subject to call by the county judge/executive at any time prescribed by law.

(4) The members of the county board of assessment appeals, and any panel of the board, before undertaking their duties, shall take the following oath, to be administered by the county judge/executive: "You swear (affirm) that you will, to the best of your ability, discharge the duties required of you as a member of the county board of assessment appeals, and that you will fix at fair cash value all property assessments brought before you for review as prescribed by law."

(5) The ***department***[~~cabinet~~] shall prepare and furnish to each property valuation administrator guidelines and materials for an orientation and training program to be presented to the board by the property valuation administrator or his deputy each year.

(6) A board member shall produce evidence of his qualifications upon request of the ***department***[~~cabinet~~]. A board member shall be replaced by the appointing authority upon proof of the member's failure to meet the qualifications of the position. Any vacancy on the board shall be filled by the appointing authority that appointed the member to be replaced. The appointee shall have the qualifications required by statute for the board member appointed by the particular appointing authority and shall hold office only to the end of the unexpired term of the member replaced.

(7) Members of the county board of assessment appeals, and any temporary panel, shall abstain from hearing or ruling on an appeal for any property in which they have any personal or private interests.

Section 121. KRS 133.030 is amended to read as follows:

(1) The county board of assessment appeals shall convene each year at the county seat no earlier than twenty-five (25) days and no later than thirty-five (35) days following the conclusion of the tax roll inspection period provided for in KRS 133.045; except that no meeting shall be held until the tax roll has been completed and the inspection period has been held as provided by law, or until revaluation of the property has been completed by the property valuation administrator at the direction of the ***Department of*** Revenue[~~ Cabinet~~] as provided by KRS 132.690 or by the ***department***[~~cabinet~~] itself as provided by KRS 133.150. All records of the property valuation administrator, including all data concerning property sales within the preceding year, shall be available to the board while meeting.

(2) The first regular meeting day of the board shall be devoted to the orientation and training program provided for in KRS 133.020(5), to a review of the assessment of the property valuation administrator and his deputies, and to a review of the appeals filed with the county clerk as clerk of the board, including a review of recent sales of comparable properties provided in accordance with the provisions of subsection (1) of this section, and an inspection of the properties involved in the appeals when in the opinion of the board such inspection will assist in the proper determination of fair cash value.

(3) The board of assessment appeals shall continue in session only such time as is necessary to hear appeals. The board shall not continue in session more than one (1) day, if there are no appeals to be heard, nor more than five (5) days after it convenes in each year, unless an extension of time is authorized by the ***Department of*** Revenue[~~ Cabinet~~] upon request of the county judge/executive. Each board member shall be paid one hundred dollars ($100) for each day he serves. This compensation shall be paid one-half (1/2) out of the county levy and the other half out of the State Treasury.

(4) Members of temporary panels of the board shall serve the time necessary for hearing appeals but in no case more than five (5) days except upon approval of an extension of time by the ***Department of*** Revenue[~~ Cabinet~~]. Compensation of panel members shall be in the same manner and at the same rate as provided for members of the board.

Section 122. KRS 133.047 is amended to read as follows:

(1) Notwithstanding the provisions of KRS 61.870 to 61.884, when the ***Department of*** Revenue[~~ Cabinet~~] has completed action on the assessment of property in any county and has certified the assessment to the county clerk of that county, as provided for in KRS 133.180, the property tax roll, or a copy of the property tax roll, shall be retained in the office of the property valuation administrator for maintenance as an open public record for five (5) years. The property tax roll shall be available for public inspection during the regular working hours of the office of the property valuation administrator as provided for in KRS 132.410(2).

(2) Any person inspecting a property tax roll shall do so in a manner not unduly interfering with the proper operation of the custodian's office.

(3) Personal property tax returns, accompanying documents, and assessment records, with the exception of the certified personal property tax roll, shall be considered confidential under the provisions of KRS 131.190.

(4) Real property tax returns and accompanying documents submitted by a taxpayer shall be considered confidential under the provisions of KRS 131.190. Other real property records in the office of the property valuation administrator shall be subject to the provisions of KRS 61.870 to KRS 61.884. However, notwithstanding the provisions of KRS 61.874 the ***Department of*** Revenue[~~ Cabinet~~] shall develop and provide to each property valuation administrator a reasonable fee schedule to be used in compensating for the cost of personnel time expended in providing information and assistance to persons seeking information to be used for commercial or business purposes. Any person seeking information on his own property, or any other person, including the press, seeking information directly related to property tax assessment, appeals, equalization, requests for refunds, or similar matters shall not be subject to fees for personnel time.

(5) The ***Department of*** Revenue[~~ Cabinet~~] shall provide advice, guidelines, and assistance to each property valuation administrator in implementing the provisions of KRS 61.870 to 61.884.

Section 123. KRS 133.110 is amended to read as follows:

(1) After submission of the final real property recapitulation or certification of the personal property assessment, the property valuation administrator may correct clerical, mathematical, or procedural errors in an assessment or any duplication of assessment. Changes in assessed value based on appraisal methodology or opinion of value shall not be valid. All corrections shall be reviewed by the ***Department of*** Revenue[~~ Cabinet~~] and those changes determined by the ***department***[~~cabinet~~] to be invalid shall be rescinded. Any taxpayer affected by this rescission shall not be subject to additional penalties.

(2) Notwithstanding other statutory provisions, for property subject to a tax rate that is set each year based on the certified assessment, any loss of property tax revenue incurred by a taxing district due to corrections made after the tax rate has been set may be recovered by making an adjustment in the tax rate to be set for the next tax year.

Section 124. KRS 133.123 is amended to read as follows:

When an appeal is taken from an assessment by the property valuation administrator, of property which the owner does not consider to be subject to taxation, it shall be the duty of the county board of assessment appeals to obtain and follow advice from the ***Department of*** Revenue[~~ Cabinet~~] relative to the taxability of such property; however, the board shall have full power and responsibility to make a determination of the fair cash value of such property.

Section 125. KRS 133.125 is amended to read as follows:

(1) No later than three (3) working days after the expiration of the inspection period provided for in KRS 133.045, the county clerk shall provide a copy to the property valuation administrator of each appeal petition and a summary of the appeals filed with the county board of assessment appeals. The summary shall be in a format, or on a form, provided or approved by the ***Department of*** Revenue[~~ Cabinet~~]. The property valuation administrator shall, within three (3) working days of receipt of the summary, prepare and submit to the ***Department of*** Revenue[~~ Cabinet~~] a final recapitulation of the real property tax roll incorporating all changes made since the submission of the first recapitulation. Those properties under appeal shall be listed for recapitulation and certification purposes at the value claimed by the taxpayer. After submission of the final recapitulation to the ***Department of*** Revenue[~~ Cabinet~~], assessments shall not be amended except for adjustments ordered by the board and for corrections made under the provisions of KRS 133.110 and KRS 133.130.

(2) The county clerk, or an authorized deputy, shall act as clerk of the board of assessment appeals; and where additional board panels are appointed, as provided by law, one (1) authorized deputy shall act as clerk for each panel. An accurate record of the proceedings and orders of the board and of each of its authorized panels shall be kept and shall show the name of the owner of the property, the description, the type of property, the amount of the assessment the property valuation administrator placed on the property, and the amount of change made in the assessment by the board. A copy certified by the chairman of the board and attested by the county clerk shall be filed by the clerk with the property valuation administrator and with the ***Department of*** Revenue[~~ Cabinet~~] within five (5) days after the adjournment of the board.

(3) The county clerk shall certify to the county judge/executive the number of days during which the board was in session, and the court shall enter this fact of record along with the amount due the board members for their services. On a presentation of a copy of the order, the Finance and Administration Cabinet shall draw a warrant on the State Treasurer in favor of the board members and clerk for the amount due for their services.

(4) The county clerk and any authorized deputies serving as clerk of the board or a panel thereof shall be allowed the same compensation per day for their services as is allowed to members of the board of their county, and they shall be paid in the same manner as members of the board are paid. The county clerk and his authorized deputies shall be allowed compensation for completing and filing the record of the board in the same manner as allowed for their services while acting as clerk of the board or clerk of a panel of the board.

Section 126. KRS 133.130 is amended to read as follows:

(1) Any person claiming to be erroneously charged with any tax upon property not owned by him may, after he has received notice of the same by demand made upon him to pay the tax, offer evidence in support of the complaint to the property valuation administrator of the county in which the assessment was made. If the property valuation administrator finds that he was not the owner of the property assessed, he may correct the same by releasing him from the payment of the tax, and shall assess the property immediately against the rightful owner.

(2) A protest may be made to the ***Department of*** Revenue[~~ Cabinet~~] under the provisions of KRS 131.110 from any action of the property valuation administrator made under this section or under KRS 133.110.

Section 127. KRS 133.150 is amended to read as follows:

The ***Department of*** Revenue[~~ Cabinet~~] shall equalize each year the assessments of the property among the counties. It shall compare the recapitulation of the property valuation administrator's books from each county with the records of sales of land in such county or with such other information that it may obtain from any source and shall determine the ratio of the assessed valuation of the property to the fair cash value. The ***Department of*** Revenue[~~ Cabinet~~] shall have power to increase or decrease the aggregate assessed valuation of the property of any county or taxing district thereof or any class of property or any item in any class of property. The ***Department of*** Revenue[~~ Cabinet~~] shall fix the assessment of all property at its fair cash value. When the property in any county, or any class of property in any county, is not assessed at its fair cash value, such assessment shall be increased or decreased to its fair cash value by fixing the percentage of increase or decrease necessary to effect the equalization.

Section 128. KRS 133.160 is amended to read as follows:

When it is contemplated by the ***Department of*** Revenue[~~ Cabinet~~] that it will be necessary to raise the assessed valuation of property in any county, it shall give notice of the contemplated action to the county judge/executive, the superintendent of any school district affected by such action, the mayor of any city which is affected and which has adopted the assessment, and to the taxpayers of that county through the county judge/executive, who shall post the notice sent him on the courthouse door and certify to the ***Department of*** Revenue[~~ Cabinet~~] that this has been done, and it shall fix a time and place for a hearing which may be in Frankfort or any convenient place in or nearer the county seat.

Section 129. KRS 133.170 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] has completed its equalization of the assessment of the property in any county, it shall certify its action to the county judge/executive, with a copy of the certification for the county clerk, to be laid before the fiscal court of the county.

(2) If the fiscal court deems it proper to ask for a review of the aggregate equalization of any class or subclass of property, it shall direct the county attorney to prosecute an appeal of the aggregate increase to the Kentucky Board of Tax Appeals within ten (10) days from the date of the certification.

(3) Within ten (10) days from the date that the ***department's***[~~cabinet's~~] aggregate equalization of any or all classes or subclasses of property becomes final by failure of the fiscal court to prosecute an appeal or by order of the Kentucky Board of Tax Appeals or the courts, the fiscal court shall cause to be published, at least one (1) time, in the newspaper having the largest circulation within the county, a public notice of the ***department's***[~~cabinet's~~] action.

(4) Within ten (10) days from the date of the publication of the notice required in subsection (3) of this section, any individual taxpayer whose property assessment is increased above its fair cash value by the equalization action may file with the county clerk an application for exoneration of his property assessment from the increase. The application shall be filed in duplicate and shall include the name and address of the person in whose name the property is assessed; the assessment of the property before the increase; the description and location of the property including the description shown on the tax roll; the property owner's reason for appeal; and all other pertinent facts having a bearing upon its value. The county clerk shall forward one (1) copy, of each application for exoneration to the ***Department of*** Revenue[~~ Cabinet~~] and shall exclude the amount of the equalization increase from the assessment in the preparation of the property tax bill for each property for which an application for exoneration has been filed.

(5) The county judge/executive shall reconvene the board of supervisors immediately following the close of the period for filing applications for exoneration from the increase. The board shall schedule and conduct hearings on all applications in the manner prescribed for hearing appeals by KRS 133.120; however, the board shall not have authority to reduce any assessment to an amount less than that listed for the property at the time of adjournment of the regular board session.

(6) The county clerk shall act as clerk of the reconvened board and shall keep an accurate record of the proceedings in the same manner as provided by KRS 133.125. Within five (5) days of the adjournment of the reconvened board, he shall notify each property owner in writing of the final action of the board with relation to the equalization increase and shall forward a copy of the proceedings certified by the chairman of the board and attested by him to the ***Department of*** Revenue[~~ Cabinet~~] and to the other taxing districts participating in the tax.

(7) Any taxpayer whose application has been denied, in whole or in part, may appeal to the Kentucky Board of Tax Appeals as provided in KRS 131.340, and appeals thereafter may be taken to the courts as provided in KRS 131.370.

(8) The provisions of KRS 133.120(9) shall apply to the payment of taxes upon any property assessment for which an application for exoneration has been filed.

(9) The provisions of subsections (4), (5), (6), (7), and (8) of this section shall only apply to appeals growing out of equalization action by the ***Department of*** Revenue[~~ Cabinet~~] under the provisions of KRS 133.150.

Section 130. KRS 133.180 is amended to read as follows:

When the ***Department of*** Revenue[~~ Cabinet~~] has completed its action on the assessment of property in any county, it shall immediately certify to the county clerk the assessment and the amount of taxes due. The ***Department of*** Revenue[~~ Cabinet~~] shall charge the amount of taxes due from the county to the sheriff of the county. When any item of property is in process of appeal and the valuation has not been finally determined, the certification of such property shall be based on the valuation claimed by the taxpayer as the true value. The county clerk shall affix the certification to the tax books and enter it of record in the order book, and it shall be the sheriff's or collector's warrant for the collection of taxes.

Section 131. KRS 133.181 is amended to read as follows:

If the ***Department of*** Revenue[~~ Cabinet~~], in making its equalization of the property in any county in accordance with the provisions of KRS 133.150, causes any increase or decrease to be made in the value of any property, the county clerk shall correct the tax books to comply with the final certification of the assessment by the ***department***[~~cabinet~~]. As compensation for his services, the clerk shall receive the same compensation per day that he receives for serving as clerk of the board of assessment appeals for as many days as are necessary to make the corrections but not to exceed a total of ten (10) days. One-half (1/2) of such amounts shall be paid out of the county levy and one-half (1/2) out of the State Treasury. Such sums shall be paid at the same time and in the same manner as is the clerk's compensation for preparing the tax bills under KRS 133.240(2).

Section 132. KRS 133.185 is amended to read as follows:

Except as provided in KRS 132.487, no tax rate for any taxing district imposing a levy upon the county assessment shall be determined before the assessment is certified by the ***Department of*** Revenue[~~ Cabinet~~] to the county clerk as provided in KRS 133.180.

Section 133. KRS 133.220 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] annually shall furnish to each county clerk tax bill forms designed for adequate accounting control sufficient to cover the taxable property on the rolls.

(2) After receiving the forms, the county clerk shall prepare for the use of the sheriff or collector a correct tax bill for each taxpayer in the county whose property has been assessed and whose valuation is included in the certification provided in KRS 133.180. If the bills are bound, the cost of binding shall be paid out of the county levy. Each tax bill shall show the rate of tax upon each one hundred dollars ($100) worth of property for state, county, and school purposes; the name of the taxpayer and his mailing address; the number of acres of farm land and its value; the number of lots and their value; the amount and value of notes and money; the value of mixed personal property; and the total amount of taxes due the state, county, school fund, and other levies. (3) Tax bills prepared in accordance with the certification of the ***Department of*** Revenue[~~ Cabinet~~] shall be delivered to the sheriff or collector by the county clerk before September 15 of each year. The clerk shall take a receipt showing the number of tax bills and the total amount of tax due each taxing district as shown upon the tax bills. The receipt shall be signed and acknowledged by the sheriff or collector before the county clerk, filed with the county judge/executive, and recorded in the order book of the county judge/executive in the manner required by law for recording the official bond of the sheriff.

(4) Upon delivery to him of the tax bills, the sheriff or collector shall mail a notice to each taxpayer, showing the total amount of taxes due the state, county, school fund, and other levies, the date on which the taxes are due, and any discount to which the taxpayer may be entitled upon payment of the taxes prior to a designated date.

(5) All notices returned as undeliverable shall be submitted no later than the following work day to the property valuation administrator. The property valuation administrator shall correct inadequate or erroneous addresses if the information to do so is available and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the corrected notices to the sheriff or collector on a daily basis as corrections are made, but no later than fifteen (15) days after receipt. Upon receipt of a certification of omitted property by the property valuation administrator or by the ***Department of*** Revenue[~~ Cabinet~~], the county clerk shall make out for the use of the sheriff or collector a tax bill for each taxpayer who owes omitted taxes. The omitted tax bills shall be attested by the clerk in the same manner as the tax bills described in KRS 133.220. (5) Upon proof being presented to the county clerk that the motor vehicle or trailer was transferred to a bona fide purchaser for value without notice prior to the placing of a lien on a certificate of title and registration, the clerk shall file such proof with the certificate of title and registration and shall then remove the lien.

The extension shall be in writing, and the ***department***[~~cabinet~~] shall keep a record of such extensions. The extension when granted shall suspend the penalty and interest provided by subsection (3) for the duration of the extension. The penalty and interest shall apply at the expiration of the extension.

A tax bill rendered against omitted property required to be listed with the property valuation administrator or the ***Department of*** Revenue[~~ Cabinet~~] or against an increase in valuation over that claimed by the taxpayer, as finally determined upon appeal as provided for in KRS 133.120, shall become due on the day the bill is prepared, and shall be considered delinquent and subject to a penalty of ten percent (10%) of the tax, penalty and interest due, unless paid within thirty (30) days after it becomes due, except as otherwise provided by law. All provisions of law of the particular taxing district having an interest therein relating to delinquent taxes on the same class of property or taxpayers involved shall apply to the delinquent omitted tax bill unless otherwise provided by law.

Section 159. KRS 134.400 is amended to read as follows:

(1) All penalties imposed by law, either in whole or in part, in favor of or for the benefit of agents of the ***Department of*** Revenue[~~ Cabinet~~], sheriffs, and other state, county, or district agents or officers, upon or for the recovery of taxes or the assessment of omitted property, shall be paid into the State Treasury and credited as provided for the twenty percent (20%) penalty in subsection (2) of this section.

(2) The twenty percent (20%) penalty collected on taxes due the state, county, school, or other taxing district shall be paid into the State Treasury. One-fourth (1/4) of the moneys thus received shall be credited to the general expenditure fund. The remaining three-fourths (3/4) shall also be credited to the general expenditure fund unless the General Assembly, in its biennial branch budget bill, provides that it be credited to a fund to be designated and known as the delinquent tax fund, in which case it shall be so credited and so much thereof as may be necessary shall be used for the administration and enforcement of the laws relating to the collection of delinquent taxes and the assessment of omitted property. All salaries, fees, and expenses authorized by the laws relating to the collection of delinquent taxes and the assessment of omitted property, except the fees of county attorneys, shall be payable out of the delinquent tax fund upon certifications or requisitions of the ***commissioner***[~~secretary~~] of revenue.

Section 160. KRS 134.420 is amended to read as follows:

(1) The state and each county, city, or other taxing district shall have a lien on the property assessed for taxes due them respectively for ten (10) years following the date when the taxes become delinquent, and also on any real property owned by a delinquent taxpayer at the date when the sheriff offers the tax claims for sale as provided in KRS 134.430 and 134.440. This lien shall not be defeated by gift, devise, sale, alienation, or any means except by sale to a bona fide purchaser, but no purchase of property made before final settlement for taxes for a particular assessment date has been made by the sheriff shall preclude the lien covering the taxes. The lien shall include all interest, penalties, fees, commissions, charges, and other expenses incurred by reason of delinquency in payment of the tax bill or in the process of collecting it, and shall have priority over any other obligation or liability for which the property is liable. The lien of any city, county, or other taxing district shall be of equal rank with that of the state. When any proceeding is instituted to enforce the lien provided in this subsection, it shall continue in force until the matter is judicially terminated. Every city of the third, fourth, fifth, and sixth class shall file notice of the delinquent tax liens with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The notice shall be recorded in the same manner as notices of lis pendens are filed, and the file shall be designated miscellaneous state and city delinquent and unpaid tax liens.

(2) If any person liable to pay any tax administered by the ***Department of*** Revenue[~~ Cabinet~~], other than a tax subject to the provisions of subsection (1) of this section, neglects or refuses to pay the tax after demand, the tax due together with all

penalties, interest, and other costs applicable provided by law shall be a lien in favor of the Commonwealth of Kentucky. The lien shall attach to all property and rights to property owned or subsequently acquired by the person neglecting or refusing to pay the tax.

(3) The lien imposed by subsection (2) of this section shall remain in force for ten (10) years from the date the notice of tax lien has been filed by the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~], or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or any county in which the taxpayer has an interest in property.

(4) The tax lien imposed by subsection (2) of this section shall not be valid as against any purchaser, judgment lien creditor, or holder of a security interest or mechanic's lien until notice of the tax lien has been filed by the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~] or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The recording of the tax lien shall constitute notice of both the original assessment and all subsequent assessments of liability against the same taxpayer. Upon request, the ***department***[~~Revenue Cabinet~~] shall disclose the specific amount of liability at a given date to any interested party legally entitled to the information.

(5) Even though notice of a tax lien has been filed as provided by subsection (4) of this section, and notwithstanding the provisions of KRS 382.520, the tax lien imposed by subsection (2) of this section shall not be valid with respect to a security interest which came into existence after tax lien filing by reason of disbursements made within forty-five (45) days after the date of tax lien filing or the date the person making the disbursements had actual notice or knowledge of tax lien filing, whichever is earlier, provided the security interest:

(a) Is in property which:

1. At the time of tax lien filing is subject to the tax lien imposed by subsection (2) of this section; and

2. Is covered by the terms of a written agreement entered into before tax lien filing; and

(b) Is protected under local law against a judgment lien arising, as of the time of tax lien filing, out of an unsecured obligation.

Section 161. KRS 134.450 is amended to read as follows:

(1) The sheriff shall sell all tax claims for which payment by the delinquent taxpayer has not been made by the closing date for the acceptance by the sheriff of offers to purchase delinquent tax claims. If there is more than one (1) willing purchaser who has made an offer, the one having made the most recent purchase of a tax claim against the same delinquent or the same property shall have preference; if there is no such person, the person being the first, in the judgment of the sheriff, to offer to pay cash in the full amount of the tax claim shall receive priority for the purchase of the tax claim. If the total of all offers to purchase exceeds ten percent (10%) of the total dollar amount of the delinquent bills offered for sale, or the sum of two hundred thousand dollars ($200,000), whichever is less, the sheriff shall notify the Finance and Administration Cabinet of the offers of purchase within five (5) business days of the closing date when the offers were received. Upon receipt of the notice, the Finance and Administration Cabinet shall purchase the delinquent tax bills upon which the sheriff has received an offer of purchase and shall tender payment to the sheriff within fifteen (15) business days of the receipt of the sheriff's notice. Upon purchase of the tax claims, the state shall be the owner of the tax bills and may contract with the county attorney to collect all amounts due on its behalf under the terms and conditions of the county attorney's contract with the ***Department of*** Revenue[~~ Cabinet~~] to collect delinquent taxes. If the county attorney has not contracted with the ***Department of*** Revenue[~~ Cabinet~~] to collect delinquent taxes, the ***Department of*** Revenue[~~ Cabinet~~] shall collect all amounts due on behalf of the Finance and Administration Cabinet. If the Finance and Administration Cabinet does not purchase all of the delinquent tax bills, within fifteen (15) days of the closing date, the sheriff shall complete the sale of those tax claims for which the sheriff has received responsible offers to purchase. When a sale is made the tax bill shall be known as a certificate of delinquency and the sheriff shall inscribe thereon the date of sale, the sale price, and the name and address of the purchaser, in the place and manner prescribed by the ***Department of*** Revenue[~~ Cabinet~~], and the purchaser shall be entitled to a certified copy of the certificate of delinquency.

(2) If no responsible offer in the amount of the tax claim is received, the sheriff shall purchase it for the state, county, and taxing districts having an interest in the tax claim. In such case, the tax bill shall also be known as a certificate of delinquency, and the sheriff shall inscribe thereon the same information required when one other than the state, county, or taxing district is the purchaser.

(3) The sheriff shall file all certificates of delinquency in the county clerk's office immediately upon completion of the tax sale, or in a county containing a city of the first class or consolidated local government, within fourteen (14) working days of the sale, and the clerk shall retain them. The county clerk shall acknowledge receipt of the certificates by signing a receipt form that has been prepared in a manner prescribed by the ***Department of*** Revenue[~~ Cabinet~~]. If the sheriff fails to file the certificates, he shall be liable on his official bond for the aggregate amount of the certificates not returned, but the claim of the purchaser shall not be affected by this neglect. If the sheriff fails to return any certificate, the purchaser may file his certified copy with the clerk, with the same effect as the original.

(4) The clerk shall make, execute, and deliver a certified copy of a certificate of delinquency to the payor, or the clerk may provide for a certified electronic register of the certificates of delinquency in the clerk's record in lieu of delivering a certified copy of the certificate of delinquency.

(5) The certificate of delinquency is assignable by endorsement. The clerk shall note the assignment on the certificate of delinquency or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency. An assignment when noted on the record in the office of the county clerk vests in the assignee all rights and title of the original purchaser.

Section 162. KRS 134.480 is amended to read as follows:

(1) The delinquent taxpayer or any person owning or having a legal or equitable interest in real property covered by a certificate of delinquency may at any time pay the total amount of the certificate to any purchaser thereof, and any person whatsoever may likewise pay a certificate of delinquency when the state, county, or taxing district was the purchaser. When a certificate is paid to an owner other than the state, county, or taxing district, the assignee shall mark paid in full on the certified copy of the certificate and shall surrender the certified copy of the certificate of delinquency to the person making payment, and if he is the person primarily liable on the certificate he may file it with the county clerk and have the certificate released of record. When a certificate of delinquency has been fully paid to the state, county, and taxing districts, the clerk shall note the name and address of the person making the payment, the amount paid by him, and such other information as the ***Department of*** Revenue[~~ Cabinet~~] may require. The clerk shall mark the certificate of delinquency paid in full. Payment in such instance by one other than the person primarily liable on the certificate will amount to an assignment thereof. The clerk shall note the assignment on the certificate of delinquency and provide the assignee a certified copy of the certificate of delinquency, or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency. Anyone other than the person primarily liable who pays a certificate or purchases it from an owner other than the state, county, and taxing district may, by paying a fee of fifty cents ($0.50), have the clerk record the payment or purchase and such recordation shall constitute an assignment thereof. Failure to obtain such an assignment shall render the claim of such payor or purchaser to any real estate represented thereby inferior to rights of other bona fide purchasers, payors, or creditors. Any owner of a certificate of delinquency once having paid the assignment fee may have a change of his address noted of record by the clerk without paying an additional charge, otherwise he shall pay a fee of fifty cents ($0.50) to the clerk for entering such change on the certificate.

(2) The county clerk may receive payment of the amount due on certificates of delinquency owned by the state, county, and taxing districts, and he shall give a receipt to the payor and make a report to the ***Department of*** Revenue[~~ Cabinet~~], the county treasurer, and the proper officials of the taxing districts as often as such units may require, and not less than once in every thirty (30) days. The clerk may accept payment of taxes due by any commercially acceptable means, including credit cards. He shall pay to the ***Department of*** Revenue[~~ Cabinet~~] for deposit with the State Treasurer all moneys collected by him due the state, to the county treasurer all moneys due the county, and to the authorized officers of the taxing districts the amount due each such district. He shall pay the amount of fees, costs, commissions, and penalties to the persons, agencies, or parties entitled thereto. He shall retain ten percent (10%) of the amount due each taxing unit for his services as a fee. This fee shall be added to the amount of the tax claim and paid by the persons paying the tax claim.

(3) If the person entitled to pay a certificate of delinquency sends a registered letter addressed to the owner of record of the certificate, other than the state, county, or taxing district, and the letter is returned by mail unclaimed, the sender thereof may make payment to the county clerk, who shall make the necessary assignment or release and deposit the money to the account of the owner of record in the nearest bank having its deposits insured with the Federal Deposit Insurance Corporation. The clerk may deduct the sum of fifty cents ($0.50) as a fee for such service. The name of the bank in which the money is deposited shall be noted on the certificate.

(4) If any clerk fails to pay to the person entitled thereto, upon demand, the money received in payment of a certificate of delinquency, he and his sureties shall be liable for the same and twenty percent (20%) interest thereon annually from the time he received it until paid.

(5) Copies of the records provided for in KRS 134.450 and this section, certified by the county clerk, shall be evidence of the facts stated in them in all the courts of this state.

Section 163. KRS 134.500 is amended to read as follows:

(1) Uncollectible tax claims shall bear interest at twelve percent (12%) per annum simple interest from the date the certificate of delinquency is issued. A fraction of a month is counted as an entire month. The sheriff's add-on fee provided in KRS 134.430, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in this section shall be excluded from the interest calculation except in counties containing cities of the first class or consolidated local government. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.

(2) The ***department***[~~cabinet~~] shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the ***department***[~~cabinet~~] shall first offer the collection duties to the county attorney, unless the ***department***[~~cabinet~~] determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the ***department***[~~cabinet~~] on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:

(a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney or the ***Department of*** Revenue[~~ Cabinet~~] shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.

(b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.

(c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.

(d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.

(e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the property valuation administrator. The property valuation administrator shall review this list in accordance with the provisions of KRS 132.220 to establish that the properties on the list can be identified and physically located.

(3) The county attorney who enters into a contract with the ***department***[~~cabinet~~] shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in KRS 134.470 to collect delinquent tax bills or to initiate court action for their collection. At the expiration of the two (2) years the ***department***[~~cabinet~~] may assume responsibility for all uncollected bills except those with pending court action.

(4) The county attorney who enters into a contract with the ***department***[~~cabinet~~] and performs his duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the fee shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts. This fee shall be waived if the certificate of delinquency is paid by the taxpayer only within five (5) days of the sheriff's sale. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the fee. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which is litigated by the taxpayer, an additional county's attorney fee equal to thirteen percent (13%) of the total tax plus ten percent (10%) penalty, may be added to the certificate or the bill and shall become part of the tax claim.

(5) If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the ***department***[~~cabinet~~] shall assume responsibility for the collection process. In the performance of those duties, the ***department***[~~cabinet~~] shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the ***department***[~~cabinet~~] by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the ***department***[~~cabinet~~] for deposit in the delinquent tax fund provided for under KRS 134.400.

(6) Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the ***commissioner***[~~secretary~~], and the petition may be sent to the ***department***[~~cabinet~~], which may require revision in instances where it deems revision or amendment necessary. The ***department***[~~cabinet~~] shall advise the county attorney in all actions, and may send him special assistance when the ***commissioner***[~~secretary~~] deems assistance necessary. A copy of the judgment shall also be sent to the ***department***[~~cabinet~~]. If the ***department***[~~cabinet~~] sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.

(7) The ***department***[~~cabinet~~] may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the ***department***[~~cabinet~~] to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the ***department***[~~cabinet~~].

(8) The county attorney may, at any time after assuming collection duties, enter into an agreement with the delinquent taxpayer

to accept installment payments on the delinquent tax bill. The agreement shall not waive the county attorney's right to initiate court action or other authorized collection activities if the taxpayer does not make payments in accordance with the agreement.

Section 164. KRS 134.510 is amended to read as follows:

(1) After the state, county and taxing districts obtain real property as authorized by KRS 134.490, the designated agent of the ***commissioner***~~[secretary]~~ of revenue may advertise and sell at public sale any of the lands, and the ***commissioner***~~[secretary]~~ may convey the lands by deed to the purchaser. The ***commissioner***~~[secretary]~~ shall, within thirty (30) days from receipt of payment, pay to the county and taxing district the amount of the proceeds due each. The ***department***~~[Revenue Cabinet]~~ shall be entitled to an administration fee equal to fifteen percent (15%) of the sale price of the property, which shall be paid into the delinquent tax fund provided for in KRS 134.400.

(2) The sales shall be advertised by a written or printed notice posted at the courthouse door for fifteen (15) days before the date of sale, and by publication pursuant to KRS Chapter 424, and may in addition be advertised by printed handbills posted for fifteen (15) days before the date of sale in three (3) or more conspicuous places in the taxing districts.

(3) Any real property acquired by the state, county and taxing districts pursuant to KRS 134.490 may be redeemed at any time before the ***commissioner***~~[secretary]~~ gives a deed to a purchaser, by paying to the county clerk the amount due at the time the property was acquired, plus subsequent costs and interest at the rate of twelve percent (12%) per annum.

Section 165. KRS 134.540 is amended to read as follows:

(1) When the ***Department of*** Revenue~~[Cabinet]~~ has reason to believe that any sale made under the authority of Section 32 of Article VIII of Chapter 22 of the Acts of 1906, or Section 3 of Chapter 43 of the Acts of 1908, or Section 2 or 5 of Chapter 21 of the Acts of the first Extraordinary Session of 1938, is for any reason invalid, the invalidity may be alleged in an action to establish the lien provided for in Chapter 152 of the Acts of 1934. The action shall be brought on the relation of the ***commissioner***~~[secretary]~~ of revenue, who shall publish notice on the courthouse door for fourteen (14) days before instituting the action, notifying all delinquents that actions will be instituted unless the delinquent taxes against land subject to such actions are paid at once. If the owner does not redeem the land within ten (10) days after the expiration of the fourteen (14) day period, and the ***commissioner***~~[secretary]~~ is required to institute action, the state shall be entitled to a fee equal to fifteen percent (15%) of the amount of the taxes, penalties and interest, which shall be paid into the delinquent tax fund provided under KRS 134.400, to be used by the ***Department of*** Revenue~~[Cabinet]~~ to cover the expenses of filing and administering such actions. If the property is redeemed after action is instituted, the fee shall become a part of the redemption price. The ***commissioner***~~[secretary]~~ may, if he deems necessary, institute action without giving the notice provided in this section, in which event the fifteen percent (15%) fee shall not apply.

(2) The county attorney shall assist the ***Department of*** Revenue~~[Cabinet]~~ in filing and prosecuting the actions. For these services he shall be entitled to twenty percent (20%) of the taxes, penalties and interest. If he fails or refuses to assist in filing and prosecuting the actions, he shall not be entitled to this fee.

(3) An action shall not be instituted on behalf of the state to establish the lien provided for in Chapter 152 of the Acts of 1934 until after the expiration of the time that must expire before action to recover possession can be instituted.

Section 166. KRS 134.805 is amended to read as follows:

(b) When a vehicle is transferred in any year before the ad valorem taxes on that vehicle have been paid, a notice of taxes due shall be sent within ten (10) working days after the date of transfer or notice of transfer to the owner as of January 1 of that year.

(c) When ad valorem taxes on a vehicle become delinquent for sixty (60) days, as defined by KRS 134.810, a second notice shall be sent within ten (10) working days to the January 1 owner of record. The notice shall inform the delinquent owner of the lien provisions provided by KRS 134.810 on all vehicles owned or acquired by the owner of the vehicle at the time the tax liability arose.

(d) These notices shall be calculated, prepared, and mailed first class on behalf of county clerks by the AVIS. Nonreceipt of the notices required herein shall not constitute any defense against applicable penalty, interest, lien fees, or costs recovery.

Section 167. KRS 134.825 is amended to read as follows:

The ***Department of*** Revenue[~~ Cabinet~~] shall be responsible for payment of all expenses related to the development and implementation of computer and administrative systems necessary to carry out the provisions of KRS 134.805, 134.810 and 186A.145 and, further, shall reimburse each state agency involved for all ongoing operational costs, including the calculation, preparation, and mailing of notices of ad valorem property tax due on motor vehicles, incurred by each such agency in administering the provisions of KRS 134.805, 134.810 and 186A.145.

Section 171. KRS 135.060 is amended to read as follows:

(1) Employees of the ***Department of*** Revenue[~~ Cabinet~~] shall, when directed by the ***commissioner***[~~secretary~~], institute actions in the name of the state, and in the name of any county, school or other taxing district, on relation of the ***commissioner***[~~secretary~~], against any delinquent state, county or district officer or any person to recover taxes or any other money due the state or any county, school or other taxing district.

No action shall be instituted or caused to be instituted by an employee until it is approved and authorized by the ***commissioner***[~~secretary~~].

(3) In all actions brought under subsection (1) of this section in which a judgment is recovered, the party in default shall, in addition to the amount found to be due the state or any county, school or other taxing district, be adjudged to pay a penalty of twenty percent (20%) on the amount due.

(2) The court, without further notice to the parties, shall proceed with the action. The ***department***[~~cabinet~~] shall file with the clerk of the court a memorandum of the names of the parties, the amount due from each defaulter against whom judgment is demanded, and a copy of the bond if any. The clerk shall docket the action in the order in which the names stand on the memorandum.

(3) Judgments, when given against the defendants in the cases referred to in this section, shall be for the principal due with interest at the rate of ten percent (10%) per annum from the time the amount was due until paid.

(1) Judgments in the name of the state or county against sheriffs and other public collectors, their sureties, or their heirs, devisees or personal representatives, or any of them, shall bind the estate, legal or equitable, of all of the defendants to the judgments from the commencement of the action until satisfied. No execution thereon shall be stayed by replevin or sale on credit, but in all such cases the estate taken in execution shall be sold for money, except that the ***Department of*** Revenue[~~ Cabinet~~] may, with the consent of the Attorney General, indorse the right to replevy on the execution where the tax is payable to the ***department***[~~cabinet~~], and a like privilege is given to the sheriff, with the consent of the county attorney, when the taxes are payable to the sheriff.

(2) Any officer who makes a false return on such execution shall be subjected to the payment of the whole amount of the execution and costs, in addition to the penalty provided by subsection (3) of KRS 135.990.

(3) No person shall attempt, by any fraudulent execution, conveyance, encumbrance or otherwise, to stop or injure the sale of the estate under the execution.

Proceedings may be instituted by the sheriff or the ***Department of*** Revenue[~~ Cabinet~~], in the name of the state, in the county where the property is located, to have the property sold, the claims and demands, if just, satisfied, all encumbrances removed, and the proceeds of the sale of the property rightfully applied.

Section 176. KRS 135.130 is amended to read as follows:

The officer who levied the execution may sell the property in any county to which it is so removed. If real property is levied upon, the place of sale may be changed to another county, and the officer may there sell and convey the property as in the county where the levy was made.

(2) The state may have executions in the hands of collecting officers in any number of counties at the same time.

(2) All state taxes assessed against any corporation under the provisions of KRS 136.120 to 136.200 shall be due and payable as provided in KRS 131.110. Every corporation so assessed that fails to pay its taxes when due shall be deemed delinquent, a penalty of ten percent (10%) on the amount of the tax shall attach, and thereafter the tax shall bear interest at the tax interest rate as defined in KRS 131.010(6).

Section 179. KRS 136.0704 is amended to read as follows:

Section 180. KRS 136.073 is amended to read as follows:

(1) Every open-end registered investment company organized under the laws of this state and registered under the Investment Company Act of 1940 shall on or before the fifteenth day of the fourth month following the close of each fiscal year, if the company operates on a fiscal year basis or calendar year, file a report on forms prescribed by the ***Department of*** Revenue[~~ Cabinet~~] and pay directly to the State Treasury a tax of two dollars and ten cents ($2.10) for each one thousand dollars ($1,000) of "average net capital" as computed under subsections (2) and (3) of this section.

(2) The term "net capital" as used in this section means capital stock, surplus, borrowed moneys or any other accounts representing capital of the company less the amount of such capital which by said company is invested in Kentucky municipal securities which are obligations issued by the State of Kentucky, its political subdivisions, and the districts, authorities, agencies and instrumentalities of the state and its political subdivisions, the interest on which is exempt from federal and Kentucky income tax.

(3) The term "average net capital" as used in this section means the average of the net capital of the company as shown on financial statements of the company as of the first and last days of the fiscal or calendar year of the company, whichever is applicable.

Failure to make reports and pay taxes as provided in this section shall subject the company to the same penalties imposed for such failure on the part of other corporations.

Section 181. KRS 136.090 is amended to read as follows:

(1) Corporations liable to taxation under KRS 136.070 shall file with the ***Department of*** Revenue[~~ Cabinet~~] each year, on forms prepared by the ***department***[~~cabinet~~], a return signed by the president, vice president, secretary, treasurer, assistant secretary, assistant treasurer, or chief accounting officer. (1) If the corporation operates on a calendar year basis, the reports required under KRS 136.090 shall be filed on or before April 15 in each year. If the corporation operates on a fiscal year basis, the reports shall be filed on or before the fifteenth day of the fourth month following the close of each fiscal year. The reports shall cover operations for the preceding calendar or fiscal year, as the case may be. Domestic corporations hereafter incorporated, and foreign corporations hereafter becoming the owners of property or transacting business in this state, shall make their reports to the ***Department of*** Revenue[~~ Cabinet~~] on or before the first filing date succeeding their incorporation or succeeding their becoming the owners of property or transacting business in this state, and shall in all respects be subject to the provisions of KRS 136.070 to 136.100 the same as corporations already in existence.

(2) A corporation may change its reporting period from a calendar year to a fiscal year, or from a fiscal year to a calendar year, by securing written permission from the ***department***[~~cabinet~~]. If a corporation so changes its basis of reporting, the first report filed on the new filing date shall cover operations for the period between the close of the old accounting period and the close of the new accounting period. The assessment of value shall be computed in the same manner as on any other return, but the tax due shall be computed on that proportionate part of the assessment that the period between the close of the old accounting period and the close of the new accounting period bears to the entire twelve (12) month period.

(3) In any case where two (2) or more corporations merge, consolidate or otherwise combine into a single corporation after the close of the taxable year, but before the beginning of the succeeding taxable year, all factors used to determine the corporation license tax assessment shall be computed on the basis of the consolidated accounting records of such corporations.

Section 183. KRS 136.120 is amended to read as follows:

(1) Every railway company, sleeping car company, chair car company, dining car company, gas company, water company, ferry company, bridge company, street railway company, interurban electric railroad company, express company, electric light company, electric power company, telephone company, telegraph company, commercial air carrier, air freight carrier, pipeline company, common carrier water transportation company, privately owned regulated sewer company, cable television company, municipal solid waste disposal facility, as defined by KRS 224.01-010(15), where solid waste is disposed by landfilling, railroad car line company, which means any company, other than a railroad company, which owns,

Nonoperating intangible property within the taxing jurisdiction of the Commonwealth shall be taxable for state purposes only at the same rate as the intangible property of other taxpayers not performing public services, and operating property and nonoperating tangible property shall be subject to state and local taxes at the same rate as the tangible property of other taxpayers not performing public services.

(3) The ***Department of*** Revenue~~[Cabinet]~~ shall have sole power to value and assess all of the property of every corporation, company, association, partnership, or person performing any public service, including those enumerated above and all others to whom this section may apply, whether or not the operating property, nonoperating tangible property, or nonoperating intangible property has heretofore been assessed by the ***department***~~[cabinet]~~, and shall allocate the assessment as provided by KRS 136.170, and shall certify operating property liable to local taxation and nonoperating tangible property to the counties, cities, and taxing districts as provided in KRS 136.180. All of the property assessed by the ***department***~~[cabinet]~~ pursuant to this section shall be assessed as of December 31 each year for the following year's taxes, and the lien therefor shall attach as of the assessment date. In the case of a taxpayer whose business is predominantly nonpublic service and the public service business in which he is engaged is merely incidental to his principal business, the ***department***~~[cabinet]~~ shall in the exercise of its judgment and discretion determine, from evidence which it may have or obtain, what portion of the operating property is devoted to the public service business subject to assessment by the ***department***~~[cabinet]~~ under this section and shall require the remainder of the property not so engaged to be assessed by the local taxing authorities.

Section 184. KRS 136.130 is amended to read as follows:

(1) Each corporation included in KRS 136.120(1) shall annually, between December 31, and April 30, following, make and deliver to the ***Department of*** Revenue~~[Cabinet]~~ a report in such form as the ***department***~~[cabinet]~~ may prescribe, showing such of the following facts as may be requested by the ***department***~~[cabinet]~~: The name and principal place of business of the corporation; the kind of business engaged in; the amount of capital stock, preferred and common, and the number of shares of each; the amount of stock paid up; the par and fair cash value of the stock; the highest price at which the stock was sold at a bona fide sale within twelve (12) months next before December 31 of the year for which the report is required to be made; the amount of surplus funds and undivided profits; the total amount of indebtedness as principal; the cost and year acquired of all operating property owned, operated, or leased, including property under construction, property held for future use, and the depreciation attributable thereto as of December 31, the cost and year acquired of all nonoperating tangible property and the depreciation attributable thereto; the cost and market value as of December 31 of all intangible property; the value of all other assets; the operating and nonoperating revenues, the net utility operating income before and after depreciation and before and after income taxes, the net income from operations, the net income including income from investments, and income from all other sources for twelve (12) months next preceding December 31 of the year for which the report is required; the amount and kind of operating property in this state, and where situated in each county, city, and taxing district, assessed or liable to assessment in this state, and the fair cash value thereof, the length and description of all the lines operated, owned, or leased in this state and in each county, city, and taxing district; and such other facts as the ***department***~~[cabinet]~~ may require.

(2) The report shall cover the period of twelve (12) months ending December 31. The ***department***~~[cabinet]~~ may change the date of the reports to conform to any change in date established by federal regulations.

(3) If any corporation is in the hands or under the control of a receiver or other person, by order of a court, the receiver or other person shall make the reports required by this section and by KRS 136.140.

(4) All public service corporations included in KRS 136.120 shall file with the report required by subsection (1) of this section a copy of all reports to their stockholders and a complete copy of their report to the Kentucky regulating authority for the year ending December 31.

(5) The ***Department of*** Revenue~~[Cabinet]~~ may grant an extension of thirty (30) days to file the public service property tax return when, in its judgment, good cause exists. The ***department***~~[cabinet]~~ shall keep a record of every extension and the taxpayer shall attach a copy of the approved extension to his return when filed.

(6) A taxpayer may be granted a thirty (30) day extension for filing the public service company property tax return if it requests the extension before the due date of the return and includes with the extension request a report of any increases or decreases in property of fifty thousand dollars ($50,000) or more in any taxing district.

Section 185. KRS 136.132 is amended to read as follows:

(1) Each corporation included in KRS 136.120(1) shall annually, when filing the report required by KRS 136.130, provide to the ***Department of*** Revenue~~[Cabinet]~~ a listing of all motor vehicles and trailers operated, owned, or leased by it which are subject to registration in Kentucky with the latest registration or certificate number issued to such motor vehicle or trailer

and the make, model and year of each vehicle.

(2) The ***Department of*** Revenue[~~ Cabinet~~] shall, when valuing the property of corporations or companies assessable by it, value the vehicles at no less than the value used by the property valuation administrator.

(3) In certifying the assessment of property of public service companies subject to local taxation, the ***department***[~~cabinet~~] shall separately certify the amount of the assessment representing the valuation of motor vehicles and trailers or an apportionment thereof.

Section 186. KRS 136.150 is amended to read as follows:

If any corporation fails to report as required by KRS 136.130 and 136.140 on or before April 30 of each year, or May 30 if the ***Department of*** Revenue[~~ Cabinet~~] has granted the corporation an extension, the ***Department of*** Revenue[~~ Cabinet~~] shall ascertain the required facts and values in such manner and by such means as it deems proper, at the cost of the corporation failing to make the report.

Section 187. KRS 136.160 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall determine the fair cash value of the operating property of a domestic public service corporation as a unit. The fair cash value of the operating property shall be equalized.

(2) The ***Department of*** Revenue[~~ Cabinet~~] shall determine the fair cash value of the operating property of a foreign public service corporation or a domestic public service corporation with property or routes in Kentucky and outside Kentucky as a unit according to subsection (1). The fair cash value of the operating property everywhere valued as a unit shall be apportioned to Kentucky based on the average of the property factor and the business factor. The fair cash value of the operating property in Kentucky shall be equalized.

 (a) The property factor shall fairly reflect the amount of operating property operated, owned, or leased in Kentucky compared to the total amount of operating property operated, owned, or leased everywhere. An allocable portion of the rolling stock, aircraft, and watercraft of a common carrier shall be included in the operating property, operated, owned, or leased in Kentucky. This factor may be a single factor or an average of several factors.

 (b) The business factor shall fairly reflect the utilization of the operating property operated, owned, or leased in Kentucky compared to the utilization of the operating property operated, owned, or leased everywhere. This factor may be a single factor or an average of several factors.

(3) The nonoperating tangible and nonoperating intangible property of public service corporations whose operating property is valued according to either subsection (1) or (2) shall be valued by the ***Department of*** Revenue[~~ Cabinet~~] in the same manner and according to the same standards as if this property were valued by the property valuation administrator in the county where the property has a taxable situs.

Section 188. KRS 136.170 is amended to read as follows:

The ***Department of*** Revenue[~~ Cabinet~~] shall allocate the assessed value of the operating property in this state among the counties, cities, and other taxing districts. The location of operating property and the proportion which the length of line or route operated in such taxing district bears to the total length of lines or route operated in this state shall be considered in this allocation and such other reasonable evidence of value as the ***Department of*** Revenue[~~ Cabinet~~] may by regulations prescribe; provided, however, that the assessed value of nonoperating tangible property shall be allocated to the county, city, or other taxing district where the property is situated.

Section 189. KRS 136.180 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall, immediately after fixing the assessed value of the operating property and other property of a public service corporation for taxation, notify the corporation of the valuation and the amount of assessment for state and local purposes. When the valuation has been finally determined, the ***department***[~~cabinet~~] shall immediately certify, unless otherwise specified, to the county clerk of each county in which any of the operating property or nonoperating tangible property assessment of the corporation is liable to local taxation, the amount of property liable for county, city, or district tax.

(2) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(3) The ***Department of*** Revenue[~~ Cabinet~~] shall compute annually a multiplier for use in establishing the local tax rate for the operating property of railroads or railway companies that operate solely within the Commonwealth. The applicable local tax rates on the operating property shall be adjusted by the multiplier. The multiplier shall be calculated by dividing the statewide locally taxable business tangible personal property by the total statewide business tangible personal property.

(4) The ***Department of*** Revenue[~~ Cabinet~~] shall annually calculate an aggregate local rate for each local taxing district to be used in determining local taxes to be collected for railroad carlines. The rate shall be the statewide tangible tax rate for each type of local taxing district multiplied by a fraction, the numerator of which is the commercial and industrial tangible property assessment subject to full local rates and the denominator of which is the total commercial and industrial tangible

personal property assessment. Effective January 1, 1994, state and local taxes on railroad carline property shall become due forty-five (45) days from the date of notice and shall be collected directly by the ***Department of*** Revenue[~~ Cabinet~~]. The local taxes collected by the ***Department of*** Revenue[~~ Cabinet~~] shall be distributed to each local taxing district levying a tax on railroad carlines based on the statewide average rate for each type of local taxing district. However, prior to distribution any fees owed to the ***Department of*** Revenue[~~ Cabinet~~] by any local taxing district under the provisions of subsection (4) of this section shall be deducted.

(5) The certification of valuation shall be filed by each county clerk in his office, and shall be certified by the county clerk to the proper collecting officer of the county, city, or taxing district for collection. Any district which has the value certified by the ***department***[~~cabinet~~] shall pay an annual fee to the ***department***[~~cabinet~~] which represents an allocation of ***department***[~~cabinet~~] operating and overhead expenses incurred in generating the valuations. This fee shall be determined by the ***department***[~~cabinet~~] and shall apply to valuations for tax periods beginning on or after December 31, 1981.

Section 190. KRS 136.181 is amended to read as follows:

Boats, tugs, barges, and other watercraft of any nonresident person, corporation, partnership, or any other business association whose route or system is partly within this state and partly within another state or states, shall be valued by the ***Department of*** Revenue[~~ Cabinet~~] for purposes of taxation and shall be assessed as of January 1 each year by the ***Department of*** Revenue[~~ Cabinet~~]; and the ***department***[~~cabinet~~] shall fairly divide, allocate, and certify such assessments to each county, city, town, or other taxing district within this state, within or through which such route or system is operated, the division, allocation, and certification to be determined in the following manner:

(1) The proportion of the value of the property which the length of the lines or route operated in this state bears to the total length of lines or route operated in this state and elsewhere, shall be considered in fixing the value of the property for taxation in this state. Any other reasonable evidence of value shall be considered in fixing the value, but such evidence must be prescribed by ***department***[~~cabinet~~] regulations;

(2) After ascertaining the portion of the system valuation of such property attributable to this state, the ***Department of*** Revenue[~~ Cabinet~~] shall allocate the value of the property among the counties, cities, towns, and other taxing districts. The proportion which the length of line or route operated in that jurisdiction or taxing district bears to the total length of lines or route operated in this state shall be considered in this allocation and such other reasonable evidence of value as the ***Department of*** Revenue[~~ Cabinet~~] may by regulations prescribe.

Section 191. KRS 136.182 is amended to read as follows:

On or before March 1, 1955, and each year thereafter, each nonresident person, corporation, partnership or other business association owning or operating boats, tugs, barges, or other watercraft whose route or system is partly within this state and partly within another state or states, shall on forms provided by the ***Department of*** Revenue[~~ Cabinet~~] provide the ***Department of*** Revenue[~~ Cabinet~~] with a detailed description of all such property as well as a detailed description of the entire route or system traversed and such other information as the ***department***[~~Revenue Cabinet~~] may by regulation prescribe.

Section 192. KRS 136.183 is amended to read as follows:

The taxes on the above property shall become due at the same time and shall be subject to the same discount and penalties as provided by KRS 134.020, and shall be collected in the same manner as taxes on other tangible property; except that the state tax on such property shall be collected directly by the ***Department of*** Revenue[~~ Cabinet~~].

Section 193. KRS 136.184 is amended to read as follows:

Any taxpayer who has been assessed by the ***Department of*** Revenue[~~ Cabinet~~] in the manner outlined above shall have thirty (30) days from the date of the ***department's***[~~cabinet's~~] notice of the tentative assessment in which to protest and ask for a change thereof in the manner provided by KRS 131.110.

Section 194. KRS 136.186 is amended to read as follows:

When the ***Department of*** Revenue[~~ Cabinet~~] has made a final determination as to the valuation of any such property owned or operated by such nonresident person, corporation, partnership or other business association, it shall immediately certify the amount thereof to the county clerk of each county in which any such property is liable for taxation. The certification shall be filed by each county clerk in his office and the county clerk shall certify to the proper collecting officer of the county, city, town, or taxing district for collection.

Section 195. KRS 136.1873 is amended to read as follows:

(1) Notwithstanding the provisions of KRS 132.487, trucks, trailers, tractors, semitrailers, and buses of any person, corporation, partnership, or any other business association whose route or system is partly within this state and partly within another state or states, shall be assessed by the ***Department of*** Revenue[~~ Cabinet~~] for purposes of taxation as of January 1 each year.

(2) The proportion of miles operated in this state compared to the total miles operated everywhere shall be considered in fixing the value of the property for taxation. Other reasonable evidence shall be considered in fixing the value. However, pick-up and delivery vehicles operating from a terminal within this state or vehicles which do not leave this state in the normal course of business shall not be valued on an apportioned basis.

Section 196. KRS 136.1875 is amended to read as follows:

On or before April 15, 1991, and each year thereafter, each person, corporation, partnership, or other business association owning or operating trucks, tractors, trailers, semitrailers, and buses whose route or system is partly within this state and partly within another state or states, shall on forms provided by the ***Department of*** Revenue[~~ Cabinet~~] provide the ***department***[~~cabinet~~] with a detailed description of all its vehicles operating within this state along with the necessary mileage data to be used in apportioning the value.

Section 197. KRS 136.1877 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall immediately, after fixing the assessed value of the trucks, tractors, trailers, semitrailers, and buses, notify the taxpayer of the valuation determined. Any taxpayer who has been assessed by the ***department***[~~cabinet~~] in the manner outlined in KRS 136.1873 shall have forty-five (45) days from the date of the ***department's***[~~cabinet's~~] notice of the tentative assessment to protest as provided by KRS 131.110.

(2) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(3) The state and local taxes on the property are due forty-five (45) days from the date of notice and shall be collected directly by the ***Department of*** Revenue[~~ Cabinet~~].

(4) The ***Department of*** Revenue[~~ Cabinet~~] shall annually calculate an aggregate local rate to be used in determining the local taxes to be collected. The rate shall be the statewide average motor vehicle tax rate for each type of local taxing district multiplied by a fraction, the numerator of which is the commercial and industrial tangible personal property assessment subject to full local rates and the denominator of which is the total commercial and industrial tangible personal property assessment.

(5) The local taxes collected by the ***Department of*** Revenue[~~ Cabinet~~] shall be distributed to each local taxing district levying a tax on motor vehicles based on the statewide average rate for each type of local taxing district. However, prior to distribution any fees owed to the ***Department of*** Revenue[~~ Cabinet~~] by any local taxing district under the provisions of KRS 136.180(5) shall be deducted.

Section 198. KRS 136.190 is amended to read as follows:

(1) The superintendent of schools in each district in which any individual, group of individuals or corporation, operates public utility or other franchise taxpaying property assessed under KRS 136.120 shall, on or before the first day of January, 1957, furnish to the county clerk of the county in which the district is situated, to each franchise taxpayer within the district, and to the ***Department of*** Revenue[~~ Cabinet~~], the boundary of his school district. The superintendent of schools in each district in which any franchise-paying corporation, individual, or group of individuals operates shall, on or before the first day of January, 1958, and each year thereafter, furnish to the county clerk, to each franchise taxpayer within the district, and to the ***Department of*** Revenue[~~ Cabinet~~], any changes made in the boundary of his school district during the immediately preceding twelve (12) months.

(2) The engineer of cities of the first class and the city clerk of cities of the second, third, fourth, fifth, and sixth classes shall notify the county clerk, each franchise taxpayer within the city, and the ***Department of*** Revenue[~~ Cabinet~~] of their boundaries in the same manner as required of the superintendent of schools in subsection (1).

(3) The responsible governing official or the chairman of the governing body of any taxing district other than the county, school district, or city shall notify the county clerk, each franchise taxpayer within the district, and the ***Department of*** Revenue[~~ Cabinet~~] of their boundaries in the same manner as required of the superintendent of schools in subsection (1).

Section 199. KRS 136.290 is amended to read as follows:

(1) Every federally or state chartered savings and loan association, savings bank, and other similar institutions operating solely in Kentucky shall, during January of each year, file with the ***Department of*** Revenue[~~ Cabinet~~] a report containing such information and in such form as the ***department***[~~cabinet~~] may require.

(2) The ***department***[~~cabinet~~] shall fix the total value, as of January 1 of each year, of the capital of each financial institution included in subsection (1) of this section. Capital shall include certificates of deposit, savings accounts, demand deposits, undivided profits, surplus, and general reserves, excepting the share of borrowing members where the amount borrowed equals or exceeds the amount paid in by those members. The ***department***[~~cabinet~~] shall immediately notify each institution of the value so fixed.

Section 200. KRS 136.310 is amended to read as follows:

(1) Every federally or state chartered savings and loan association, savings bank, and other similar institution authorized to transact business in this state, with property and payroll within and without this state, shall, during January of each year, file with the ***Department of*** Revenue[~~ Cabinet~~] a report containing information and in such form as the ***department***[~~cabinet~~] may require.

(2) The ***Department of*** Revenue[~~ Cabinet~~] shall fix the fair cash value, as of January 1 of each year, of the capital attributable to Kentucky in each financial institution included in subsection (1) of this section. The methodology employed by the

department~~[cabinet]~~ shall be a three (3) step process as follows:

(a) The total value of deposits maintained in Kentucky less any amounts where the amount borrowed equals or exceeds the amount paid in by those members.

(b) The Kentucky apportioned value of capital shall include undivided profits, surplus, general reserves, and paid-up stock. The Kentucky value of capital shall be determined by a fraction, the numerator of which is the receipts factor plus the outstanding loan balance factor plus the payroll factor, and the denominator of which is three (3).

(c) The values determined in steps (a) and (b) of this subsection shall be added together to determine total Kentucky capital and then reduced by the influence of ownership in tax-exempt United States obligations to determine Kentucky taxable capital. The influence of tax-exempt United States obligations is to be determined from the reports of condition filed with the applicable supervisory agency as follows: the average amount of tax-exempt United States obligations for the calendar year, over the average amount of total assets for the calendar year multiplied by total Kentucky capital. The ***department***~~[cabinet]~~ shall immediately notify each institution of the value so fixed.

(3) The receipts factor specified in subsection (2)(b) of this section is a fraction, the numerator of which is all receipts derived from loans and other sources negotiated through offices or derived from customers in Kentucky, and the denominator of which is total business receipts for the preceding calendar year.

(4) The outstanding loan balance factor specified in subsection (2)(b) of this section is a fraction, the numerator of which is the average balance of outstanding loans negotiated from offices or made to customers in Kentucky. The denominator is the average balance of all outstanding loans. The average outstanding loan balance is determined by adding the outstanding loan balance at the beginning of the preceding calendar year to the outstanding loan balance at the end of the preceding calendar year and dividing by two (2). However, if the yearly beginning balance and ending balance results in an inequitable factor, the average outstanding loan balance may be computed on a monthly average balance.

(5) The payroll factor specified in subsection (2)(b) of this section shall be determined for the preceding calendar year under the provisions of KRS 141.120(8)(b) and regulations promulgated thereunder.

(6) By July 1 succeeding the filing of the report as provided in subsection (1) of this section, each financial institution included in subsection (1) of this section shall pay directly into the State Treasury a tax of one dollar ($1) for each one thousand dollars ($1,000) paid in on its Kentucky taxable capital as fixed in subsection (2)(c) of this section. The institution shall not be required to pay local taxes upon its capital stock, surplus, undivided profits, notes, mortgages, or other credits, and the tax provided by this section shall be in lieu of all taxes for state purposes on intangible property of the institution, nor shall any depositor of the institution be required to list his deposits for taxation under KRS 132.020. Failure to make reports and pay taxes as provided in this section shall subject the institution to the same penalties imposed for such failure on the part of the other corporations.

(7) If a financial institution included in subsection (1) of this section selects, it may deduct taxes imposed in subsection (6) of this section from the dividends paid or credited to a nonborrowing shareholder.

Section 201. KRS 136.320 is amended to read as follows:

However, no insurer or its agent shall be entitled to any portion of any premium surcharge as a fee or commission for its collection. On or before the twentieth day of each month, each insurer shall report and remit to the ***Department of*** Revenue[~~Cabinet~~], on forms as it may require, all premium surcharge moneys collected by it during its preceding monthly accounting period less any moneys returned to policyholders as applicable to the unearned portion of the premium on policies terminated by either the insured or the insurer. On and after July 1, 1999, moneys in this account shall not lapse.

(3) Insurance premium surcharge funds collected from the policyholders of any domestic mutual company, cooperative, or assessment fire insurance company shall be deposited in the State Treasury, and shall be paid monthly by the State Treasurer into the Firefighters Foundation Program fund trust and agency account as provided in KRS 95A.220 to 95A.262. No later than September 1 of each year, the ***Department of*** Revenue~~[Cabinet]~~ shall calculate an estimate of the premium surcharge due from each insurer subject to the insurance premium surcharge imposed pursuant to this section, based upon the surcharge rate imposed pursuant to this section and the amount of the premium volume for each insurer as reported by the Department of Insurance. The ***Department of*** Revenue~~[Cabinet]~~ shall compare the results of this estimate with the premium surcharge paid by each insurer during the preceding year, and shall provide the Legislative Research Commission, the Commission on Fire Protection Personnel Standards and Education, the Kentucky Law Enforcement Council, and the Department of Insurance with a report detailing its findings on a cumulative basis. Section 212. KRS 136.525 is amended to read as follows:

(1) A financial institution whose business activity is taxable both within and without this Commonwealth shall apportion its net capital pursuant to the provisions of this section.

(2) Net capital shall be apportioned to this Commonwealth by multiplying total net capital by the apportionment percentage. The apportionment percentage is determined by adding together the financial institution's receipts factor as determined under the provisions of KRS 136.530, property factor as determined under the provisions of KRS 136.535, and payroll factor as determined under the provisions of KRS 136.540 and dividing the sum by three (3). If one (1) of the factors is missing, the two (2) remaining factors are added and the sum is divided by two (2). If two (2) of the factors are missing, the remaining factor is the apportionment percentage. A factor is missing if both its numerator and denominator are zero (0), but it is not missing merely because the numerator is zero (0).

(3) Each factor shall be calculated by the method of accounting used by the financial institution for the taxable year.

(4) If the apportionment provisions of KRS 136.500 to 136.575 do not fairly represent the extent of the financial institution's business activity in this Commonwealth, the financial institution may petition for or the ***department***[~~cabinet~~] may require, in respect to all or any part of the financial institution's business activity, if reasonable:

- (a) Separate accounting;
- (b) The exclusion of any one (1) or more of the factors;
- (c) The inclusion of one (1) or more additional factors which will fairly represent the financial institution's business activity in this Commonwealth; or
- (d) The employment of any other method to effectuate an equitable apportionment of the financial institution's net

capital.

Section 213. KRS 136.530 is amended to read as follows:

(1) The receipts factor is a fraction, the numerator of which is the receipts of the financial institution in this Commonwealth during the taxable year as determined by subsection (2) of this section and the denominator of which is the receipts of the financial institution within and without this Commonwealth during the taxable year. Receipts shall include the following:

(a) Receipts from the lease or rental of real property owned by the financial institution;

(b) Receipts from the lease or rental of tangible personal property owned by the financial institution;

(c) Interest and fees or penalties in the nature of interest from loans secured by real property;

(d) Interest and fees or penalties in the nature of interest from loans not secured by real property;

(e) Net gains from the sale of loans. Net gains from the sale of loans includes income recorded under the coupon stripping rules of Section 1286 of the Internal Revenue Code;

(f) Interest and fees or penalties in the nature of interest from credit card receivables and receipts from fees charged to card holders, such as annual fees;

(g) Net gains, but not less than zero (0), from the sale of credit card receivables;

(h) All credit card issuer's reimbursement fees;

(i) Receipts from merchant discount. Receipts from merchant discount shall be computed net of any cardholder charge backs, but shall not be reduced by any interchange transaction fees or by any issuer's reimbursement fees paid to another for charges made by its card holders;

(j) Loan servicing fees derived from loans secured by real property;

(k) Loan servicing fees derived from loans not secured by real property;

(l) Interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities and from trading assets and activities. Investment assets and activities and trading assets and activities include but are not limited to investment securities, trading account assets, federal funds, securities purchased and sold under agreements to resell or repurchase, options, futures contracts, forward contracts, notional principal contracts such as swaps, equities, and foreign currency transactions. The receipts factor shall include the following amounts:

1. The amount by which interest from federal funds sold and securities purchased under resale agreements exceeds interest expense on federal funds purchased and securities sold under repurchase agreements; and

2. The amount by which interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, exceed amounts paid in lieu of interest, amounts paid in lieu of dividends, and losses from these assets and activities;

(m) All receipts derived from sales that would be included in the factor established by KRS 136.070(3)(d)1., 2., and 3.; and

(n) Receipts from services not otherwise specifically listed.

(2) A determination of whether receipts should be included in the numerator of the fraction shall be made as follows:

(a) Receipts from the lease or rental of real property owned by the financial institution shall be included in the numerator if the property is located within this Commonwealth or receipts from the sublease of real property if the property is located within this Commonwealth.

(b) 1. Except as described in subparagraph 2. of this paragraph, receipts from the lease or rental of tangible personal property owned by the financial institution shall be included in the numerator if the property is located within this Commonwealth when it is first placed in service by the lessee.

2. Receipts from the lease or rental of transportation property owned by the financial institution are included in the numerator of the receipts factor to the extent that the property is used in this Commonwealth. The extent an aircraft will be deemed to be used in this Commonwealth and the amount of receipts that is to be included in the numerator of this Commonwealth's receipts factor is determined by multiplying all the receipts from the lease or rental of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this Commonwealth and the denominator of which is the total number of landings of the aircraft. If the extent of the use of any transportation property within this Commonwealth cannot be determined, then the property shall be deemed to be used wholly in the state in which the property has its principal base of operations. A motor vehicle shall be deemed to be used wholly in the state in which it is registered.

(c) 1. Interest and fees or penalties in the nature of interest from loans secured by real property shall be included in the numerator if the property is located within this Commonwealth. If the property is located both within this Commonwealth and one (1) or more other states, receipts shall be included if more than fifty percent (50%) of the fair market value of the real property is located within this Commonwealth. If more than fifty percent (50%) of the fair market value of the real property is not located within any one (1) state, then the receipts described in this subparagraph shall be included in the numerator if the borrower is located in this Commonwealth.

2. The determination of whether the real property securing a loan is located within this Commonwealth shall be made as of the time the original agreement was made, and any subsequent substitutions of collateral shall be disregarded.

(d) Interest and fees or penalties in the nature of interest from loans not secured by real property shall be included in the numerator if the borrower is located in this Commonwealth.

(e) Net gains from the sale of loans shall be included in the numerator as provided in subparagraphs 1. and 2. of this paragraph. Net gains from the sale of loans includes income recorded under the coupon stripping rules of Section 1286 of the Internal Revenue Code.

1. The amount of net gains, but not less than zero (0), from the sale of loans secured by real property included in the numerator is determined by multiplying net gains by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (c) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans secured by real property.

2. The amount of net gains, but not less than zero (0), from the sale of loans not secured by real property included in the numerator is determined by multiplying net gains by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (d) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans not secured by real property.

(f) Interest and fees or penalties in the nature of interest from credit card receivables and receipts from fees charged to card holders, such as annual fees, shall be included in the numerator if the billing address of the card holder is in this Commonwealth.

(g) Net gains, but not less than zero (0), from the sale of credit card receivables to be included in the numerator shall be determined by multiplying the amount established in paragraph (g) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (f) of this subsection and the denominator of which is the financial institution's total amount of interest and fees or penalties in the nature of interest from credit card receivables and fees charged to card holders.

(h) Credit card issuer's reimbursement fees to be included in the numerator shall be determined by multiplying the amount established in paragraph (h) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (f) of this subsection and the denominator of which is the financial institution's total amount of interest and fees or penalties in the nature of interest from credit card receivables and fees charged to card holders.

(i) Receipts from merchant discount shall be included in the numerator if the commercial domicile of the merchant is in this Commonwealth. Receipts from merchant discount shall be computed net of any cardholder charge backs but shall not be reduced by any interchange transaction fees or by any issuer's reimbursement fees paid to another for charges made by its card holders.

(j) 1. a. Loan servicing fees derived from loans secured by real property to be included in the numerator shall be determined by multiplying the amount determined under paragraph (j) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (c) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans secured by real property.

b. Loan servicing fees derived from loans not secured by real property to be included in the numerator shall be determined by multiplying the amount determined under paragraph (k) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (d) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans not secured by real property.

2. In circumstances in which the financial institution receives loan servicing fees for servicing either the secured or the unsecured loans of another, the numerator of the receipts factor shall include the fees if the borrower is located in this Commonwealth.

(k) Receipts from services not otherwise apportioned under this section shall be included in the numerator if the service is performed in this Commonwealth. If the service is performed both within and without this Commonwealth, the numerator of the receipts factor includes receipts from services not otherwise apportioned under this section, if a greater proportion of the income-producing activity is performed in this Commonwealth based on cost of performance.

(l) 1. The numerator of the receipts factor includes interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities and from trading assets and activities described in paragraph (l) of subsection (1) of this section that are attributable to this Commonwealth.

a. The amount of interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities in the investment account to be attributed to this Commonwealth and included in the numerator is determined by multiplying all income from the assets and activities by a fraction the numerator of which is the average value of the assets that are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the average value of all the assets.

b. The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 1. of paragraph (l) of subsection (1) of this section from funds and securities by a fraction the numerator of which is the average value of federal funds sold and securities purchased under agreements to resell which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the average value of all funds and securities.

c. The amount of interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, but excluding amounts described in subdivisions a. and b. of this subparagraph, attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 2. of paragraph (l) of subsection (1) of this section by a fraction the numerator of which is the average value of trading assets which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the average value of all assets.

d. For purposes of this subparagraph, average value shall be determined using the rules for determining the average value of tangible personal property set forth in KRS 136.535(3) and (4).

2. In lieu of using the method set forth in subparagraph 1. of this paragraph, the financial institution may elect, or the ***department***~~[cabinet]~~ may require in order to fairly represent the business activity of the financial institution in this Commonwealth, the use of the method set forth in this subparagraph.

a. The amount of interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities in the investment account to be attributed to this Commonwealth and included in the numerator is determined by multiplying all income from assets and activities by a fraction the numerator of which is the gross income from assets and activities which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the gross income from all assets and activities.

b. The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 1. of paragraph (l) of subsection (1) of this section from funds and securities by a fraction the numerator of which is the gross income from funds and securities which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the gross income from all funds and securities.

c. The amount of interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book and foreign currency transactions, but excluding amounts described in subdivisions a. and b. of this subparagraph, attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 2. of paragraph (l) of subsection (1) of this section by a fraction the numerator of which is the gross income from trading assets and activities which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the gross income from all assets and activities.

3. If the financial institution elects or is required by the ***department***~~[cabinet]~~ to use the method set forth in subparagraph 2. of this paragraph, it shall use this method on all subsequent returns unless the financial institution receives prior permission from the ***department***~~[cabinet]~~ to use, or the ***department***~~[cabinet]~~ requires, a different method.

4. The financial institution shall have the burden of proving that an investment asset or activity or trading asset or activity was properly assigned to a regular place of business outside this Commonwealth by demonstrating that the day-to-day decisions regarding the asset or activity occurred at a regular place of business outside this Commonwealth. Where the day-to-day decisions regarding an investment asset or activity or trading asset or activity occur at more than one (1) regular place of business and one (1) regular place of business is in this Commonwealth and one (1) regular place of business is outside this

Commonwealth, the asset or activity shall be considered to be located at the regular place of business of the financial institution where the investment or trading policies or guidelines with respect to the asset or activity are established. Unless the financial institution demonstrates to the contrary, the policies and guidelines shall be presumed to be established at the commercial domicile of the financial institution.

(m) The numerator of the receipts factor includes all other receipts derived from sales as determined pursuant to the provisions set forth in KRS 136.070(3)(d)1., 2., and 3.

(n) 1. All receipts that would be assigned under this section to a state in which the financial institution is not taxable shall be included in the numerator of the receipts factor, if the financial institution's commercial domicile is in this Commonwealth.

2. For purposes of subparagraph 1. of this paragraph, "taxable" means either:

a. That a financial institution is subject in another state to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, a corporate stock tax including a bank shares tax, a single business tax, an earned surplus tax, or any tax which is imposed upon or measured by net income; or

b. That another state has statutory authority to subject the financial institution to any of the taxes in subdivision a. of this subparagraph, whether in fact the state does or does not impose the tax.

Section 214. KRS 136.535 is amended to read as follows:

(1) As used in this section:

(a) "Administration" means the process of managing an account. The process includes bookkeeping, collecting the payments, corresponding with the customer, reporting to management regarding the status of the agreement and proceeding against the borrower or the security interest if the borrower is in default. The activity is located at the regular place of business that oversees this activity;

(b) "Approval" means the procedure whereby employees or the board of directors of the financial institution make the final determination whether to enter into the agreement. The activity is located at the regular place of business which the financial institution's employees making the final determination are regularly connected with or working out of, regardless of where the services of the employees were actually performed. If the board of directors makes the final determination, the activity is located at the commercial domicile of the financial institution;

(c) "Investigation" means the procedure whereby employees of the financial institution determine the credit worthiness of the customer as well as the degree of risk involved in making a particular agreement. The activity is located at the regular place of business which the financial institution's employees making the investigation are regularly connected with or working out of, regardless of where the services of the employees were actually performed;

(d) "Negotiation" means the procedure whereby employees of the financial institution and its customer determine the terms of the agreement, including the amount, duration, interest rate, frequency of repayment, currency denomination, and security required. The activity is located at the regular place of business which the financial institution's employees are regularly connected with or out of, regardless of where the services of the employees were actually performed;

(e) "Participation" means an extension of credit in which an undivided ownership interest is held on a pro rata basis in a single loan or pool of loans and related collateral. In a loan participation, the credit originator initially makes the loan and then subsequently resells all or a portion of it to other lenders. The participation may or may not be known to the borrower; and

(f) "Solicitation" occurs when:

1. An employee of the financial institution initiates contact with the customer. The activity is located at the regular place of business which the financial institution's employee making the contact is regularly connected with or working out of, regardless of where the services of the employee were actually performed; or

2. The customer initiates the contact with the financial institution. If the customer's initial contact was not at a regular place of business of the financial institution, the regular place of business, if any, where the solicitation occurred is determined by the facts in each case.

(2) The property factor is a fraction, the numerator of which is the average value of real property and tangible personal property rented to the financial institution that is located or used within this Commonwealth during the taxable year, the average value of the financial institution's real and tangible personal property owned that is located or used within this Commonwealth during the taxable year, and the average value of the financial institution's loans and credit card receivables that are located within this Commonwealth during the taxable year, and the denominator of which is the average value of all such property located or used within and without this Commonwealth during the taxable year. Average value of property is determined under subsection (4) of this section.

(3) (a) The value of real property and tangible personal property owned by the financial institution is the original cost or other basis of property for federal income tax purposes without regard to depletion, depreciation, or amortization.

(b) Loans are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a loan is charged off in whole or in part for federal income tax purposes, the portion of the loan charged off is not outstanding. A specifically-allocated reserve established pursuant to regulatory or financial accounting guidelines which is treated as charged off for federal income tax purposes shall be treated as charged off for purposes of this section.

(c) Credit card receivables are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a credit card receivable is charged off in whole or in part for federal income tax purposes, the portion of the receivable charged off is not outstanding.

(4) The average value of property owned by the financial institution is computed on an annual basis by adding the value of the property on the first day of the taxable year and the value on the last day of the taxable year and dividing the sum by two (2). If averaging on this basis does not properly reflect average value, the ***department***[~~cabinet~~] may require averaging on a more frequent basis. The financial institution may request permission from the ***department***[~~cabinet~~] to average on a more frequent basis. When averaging on a more frequent basis is authorized by the ***department***[~~cabinet~~], the same method of valuation shall be used consistently by the financial institution with respect to property within and without this Commonwealth and on all subsequent returns unless the financial institution receives prior permission from the ***department***[~~cabinet~~] or the ***department***[~~cabinet~~] requires a different method of determining average value.

(5) (a) The average value of real property and tangible personal property that the financial institution has rented from another and which is not treated as property owned by the financial institution for federal income tax purposes shall be determined annually by multiplying the gross rents payable during the taxable year by eight (8).

(b) Where the use of the general method described in this subsection results in inaccurate valuations of rented property, any other method which properly reflects the value may be adopted by the ***department***[~~cabinet~~] or by the financial institution when approved in writing by the cabinet. Once approved, the alternative method of valuation shall be used on all subsequent returns unless the financial institution receives prior approval from the ***department***[~~cabinet~~] or the ***department***[~~cabinet~~] requires a different method of valuation.

(6) (a) Except as described in paragraph (b) of this subsection, real property and tangible personal property owned by or rented to the financial institution is considered to be located within this Commonwealth if it is physically located, situated, or used within this Commonwealth.

(b) Transportation property is included in the numerator of the property factor to the extent that the property is used in this Commonwealth. The extent to which an aircraft shall be deemed to be used in this Commonwealth and the amount of value that is to be included in the numerator of this Commonwealth's property factor is determined by multiplying the average value of the aircraft by a fraction the numerator of which is the number of landings of the aircraft in this Commonwealth and the denominator of which is the total number of landings of the aircraft everywhere. If the extent of the use of any transportation property within this Commonwealth cannot be determined, then the property shall be deemed to be used wholly in the state in which the property has its principal base of operations. A motor vehicle shall be deemed to be used wholly in the state in which it is registered.

(7) (a) 1. A loan is considered to be located within this Commonwealth if it is properly assigned to a regular place of business of the financial institution within this Commonwealth.

2. A loan is properly assigned to the regular place of business with which it has a preponderance of substantive contacts. A loan assigned by the financial institution to a regular place of business without the Commonwealth shall be presumed to have been properly assigned if:

a. The financial institution has assigned, in the regular course of its business, the loan on its records to a regular place of business consistent with federal or state regulatory requirements;

b. The assignment on its records is based upon substantive contacts of the loan to the regular place of business; and

c. The financial institution uses the records reflecting assignment of loans for the filing of all state and local tax returns for which an assignment of loans to a regular place of business is required.

3. The presumption of proper assignment of a loan provided in subparagraph 2. of this paragraph may be rebutted upon a showing by the ***department***[~~cabinet~~], supported by a preponderance of the evidence, that the preponderance of substantive contacts regarding the loan did not occur at the regular place of business to which it was assigned on the financial institution's records. When the presumption has been rebutted, the loan shall then be located within this Commonwealth if the financial institution had a regular place of business within this Commonwealth at the time the loan was made and the financial institution fails to show, by a preponderance of the evidence, that the preponderance of substantive contacts regarding the loan occurred outside this Commonwealth.

(b) For financial institutions with commercial domicile in this Commonwealth as defined in KRS 136.500, it shall be presumed, subject to rebuttal by the financial institution on a showing supported by the preponderance of evidence, that the preponderance of substantive contacts regarding the loan occurred within this Commonwealth.

(c) To determine the state in which the preponderance of substantive contacts relating to a loan have occurred, the facts and circumstances regarding the loan at issue shall be reviewed on a case-by-case basis, and consideration shall be given to activities such as the solicitation, investigation, negotiation, approval, and administration of the loan as defined in subsection (1) of this section.

(8) Credit card receivables shall be treated as loans and shall be subject to the provisions of subsection (7) of this section.

(9) A loan that has been properly assigned to a state shall, absent any change of material fact, remain assigned to that state for the length of the original term of the loan. An extension of time to file a return does not extend the payment of tax due, which shall be estimated by the financial institution and paid on or before the date specified in subsection (1) of this section.

(5) If the time for filing a return is extended, the financial institution shall pay, as part of the tax, an amount equal to the tax interest rate as defined in KRS 131.010(6) on the tax shown due on the return but not previously paid, from the time the tax was due until the return is actually filed with the ***department***[~~cabinet~~].

Section 216. KRS 136.550 is amended to read as follows:

(1) As soon as practicable after each return is received, the ***department***[~~cabinet~~] shall examine and audit it. If the amount of tax computed by the ***department***[~~cabinet~~] is greater than the amount returned by the financial institution, the excess shall be assessed by the ***department***[~~cabinet~~] within four (4) years from the date prescribed by law for the filing of a return including an extension of time for filing, except as provided in this subsection. A notice of the assessment shall be mailed to the financial institution.

(a) In the case of a failure to file a return or of a fraudulent return, the excess may be assessed at any time.

(2) For the purpose of subsection (1) of this section, a return filed before the last day prescribed by law for the filing shall be considered as filed on the last day. The times provided for in subsection (1) of this section may be extended by agreement between the financial institution and the ***department***[~~cabinet~~].

The amount and location of deposits in the financial institutions shall be determined by the method used for filing the summary of deposits report with the Federal Deposit Insurance Corporation. The accounting method used to allocate deposits for completion of the summary of deposits shall be the same as has been utilized in prior periods. The ***department***[~~cabinet~~] shall review the report and certify to the local jurisdictions that have enacted the franchise tax by October 1 of each year the amount of deposits within the jurisdiction and amount of the tax due. The local taxing authority

2. All the fuel will be used exclusively in the operation of a commercial ship or vessel.

(f) Special fuel delivered to a railroad company principally engaged in the commercial transportation of property for others as a common carrier or in the conveyance of persons for hire, if the railroad company is the holder of a Kentucky motor fuels tax refund permit and certifies that the fuel is to be used exclusively for the purpose of powering locomotives and unlicensed company vehicles or equipment for nonhighway use. The remaining gasoline and special fuel placed in storage must be fully accounted for as in physical inventory, accountable loss, withdrawn for export or withdrawn from storage and received for taxable purposes.

(4) The number of gallons of gasoline or special fuel added to marine, pipeline or refinery storage shall be determined by the ***department***[~~cabinet~~] by actual measurement of terminal storage tanks in the manner it deems necessary.

Section 233. KRS 138.260 is amended to read as follows:

Every transportation company and every other person transporting gasoline or special fuel from without this state to points within this state, or between points within this state, shall report to the ***Department of*** Revenue[~~ Cabinet~~] on forms prescribed by the ***department***[~~cabinet~~]. Section 234. KRS 138.270 is amended to read as follows:

(1) (a) From the total number of gallons of gasoline and special fuel received by the dealer within this state during the next preceding calendar month, deductions shall be made for the total number of gallons received by the dealer within this state that were sold or otherwise disposed of during the next preceding calendar month as set forth in subsection (2) of KRS 138.240.

(b) To cover evaporation, shrinkage, unaccountable losses, collection costs, bad debts, and handling and reporting the tax, each dealer shall be allowed compensation equal to two and one-fourth percent (2.25%) of the net tax due the Commonwealth pursuant to KRS 138.210 to 138.500 before all allowable tax credits, except the credit authorized pursuant to KRS 138.358. No compensation shall be allowed if the completed tax return and payment are not submitted to the ***Department of*** Revenue[~~ Cabinet~~] within the time prescribed by KRS 138.210 to 138.500.

(2) The tax imposed by KRS 138.220(1) and (2) shall be computed on the number of gallons remaining after the deductions set forth in subsection (1) of this section have been made, and shall constitute the amount of tax payable for the next preceding calendar month.

(3) Notwithstanding any other provision of this chapter to the contrary, any person who shall remit to the ***department***[~~cabinet~~], by the twenty-fifth day of the next month, an estimated tax due amount equal to not less than ninety-five percent (95%) of his tax liability, as finally determined for the report month, shall not be required to file the monthly reports required by this chapter until the last day of the month following the report month, and shall be permitted to claim as a credit against the tax liability shown due on the report the estimated tax due amount so paid.

Section 235. KRS 138.300 is amended to read as follows:

No dealer or other person shall fail or refuse to make the returns and pay the tax prescribed by KRS 138.220 to 138.280, or refuse to permit the ***Department of*** Revenue[~~ cabinet~~] or its representatives appointed by the ***commissioner***[~~secretary~~] of revenue in writing to examine his records, papers, files and equipment pertaining to the taxable business. No person shall make an incomplete, false or fraudulent return, or do or attempt to do anything to avoid a full disclosure of the amount of business done or to avoid the payment of the whole or any part of the tax or penalties due. No person shall fail to keep and preserve records of gasoline and special fuel manufactured, transported, received, used, sold or delivered or to make reports as required by KRS

138.230 to 138.280.

Section 236. KRS 138.310 is amended to read as follows:

(1) No person shall refine, produce, distill, manufacture, blend, compound, receive, use, sell, transport, store, or distribute any gasoline or special fuel upon which the tax due has not been paid or assumed or engage in the sale, storage or transportation of any gasoline or special fuel within this state upon which the tax has not been paid unless he is the holder of an uncanceled license issued by the ***Department of*** Revenue[~~ Cabinet~~] to engage in the business.

(2) Any transporter, other than a regularly licensed gasoline or special fuel dealer, transporting gasoline or special fuel by motor vehicle shall have plainly painted on the vehicle the name, address, and permit number of the transporter.

(3) Any person who engages in the business of refining, producing, distilling, manufacturing, blending, compounding, receiving, using, selling, transporting, storing, or distributing gasoline or special fuel in this state as a dealer, storage operator, or transporter without holding an uncanceled license to engage in that business, or who without the license, refines, produces, distills, manufacturers, blends, compounds, receives, uses, sells, transports, stores, or distributes any gasoline or special fuel upon which the tax imposed by KRS 138.220 has not been reported and paid, shall be subject to the uniform civil penalties imposed pursuant to KRS 131.180 and interest at the tax interest rate as defined in KRS 131.010(6) from the date due until the date of payment.

Section 237. KRS 138.320 is amended to read as follows:

(1) To procure the license required by KRS 138.310, every dealer or transporter so required shall file with the ***Department of*** Revenue[~~ Cabinet~~] an application in such form and containing such information as the ***department***[~~cabinet~~] may deem necessary.

(2) If the dealer or transporter is a corporation organized under the laws of another state, it shall file with its application a certified copy of the certificate or license issued by the Secretary of State of this state showing that the corporation is authorized to transact business in this state.

(3) At the time of filing application for a license, a bond of the character stipulated and in the amount provided for in KRS 138.330 shall be filed with the ***department***[~~cabinet~~]. No license shall be issued upon any application unless accompanied by this bond.

(4) If application for such a license is filed by any person whose license has at any time previously been canceled for cause by the ***department***[~~cabinet~~], or if the ***department***[~~cabinet~~] is of the opinion that the application is not filed in good faith, or that the application is filed by some person as a subterfuge for the real person in interest whose license or registration has previously been canceled for cause by the ***department***[~~cabinet~~], the ***department***[~~cabinet~~] may, after a hearing of which the applicant has been given five (5) days' notice in writing, and in which the applicant shall have the right to appear in person or by counsel and present testimony, refuse to issue a license to that person.

(5) The application in proper form having been accepted for filing, and the bond having been accepted and approved, the ***department***[~~cabinet~~] shall issue to the applicant a license, subject to cancellation as provided by KRS 138.340. The license shall not be assignable, and shall be valid only for the person in whose name it is issued, and shall be displayed conspicuously in the principal place of business of the dealer in this state.

(6) The ***department***[~~cabinet~~] shall keep and file all applications and bonds, with an alphabetical index thereof, together with a record of all licensed dealers or transporters. The ***department***[~~cabinet~~] shall publish and keep currently up to date a list of licensed dealers and transporters, and transmit a copy of list and all revisions thereof to all licensed dealers and transporters.

(7) All licenses shall be valid and remain in full force and effect until suspended or revoked for cause or otherwise canceled.

Section 238. KRS 138.330 is amended to read as follows:

(1) Every dealer or transporter required to be licensed under KRS 138.310 shall file with the ***Department of*** Revenue[~~ Cabinet~~] a financial instrument in an amount not to exceed three (3) months' estimated liability as computed by the ***department***[~~cabinet~~] or five thousand dollars ($5,000) whichever is greater, or in the case of a new licensee in the minimum amount of five thousand dollars ($5,000) until such time as an estimated three (3) months' liability can be established, provided that the maximum amount of any financial instrument may be reduced to an amount sufficient in the opinion of the ***department***[~~cabinet~~], considering the financial rating and reputation of the company, to insure payment to the ***department***[~~cabinet~~] of the amount of tax, penalties and interest for which the dealer or transporter may become liable. The financial instrument shall be on a form and with a surety approved by the ***department***[~~cabinet~~]. The dealer or transporter shall be the principal obligor and the state the obligee. The financial instrument shall be conditioned upon the prompt filing of true reports by the dealer and transporter and the payment by the dealer to the State Treasurer of all gasoline and special fuel excise taxes now or hereafter imposed by the state, together with all penalties and interest thereon, and generally upon faithful compliance with the provisions of KRS 138.210 to 138.340.

(2) If liability upon the financial instrument is discharged or reduced, whether by judgment rendered, payment made, or otherwise, or if in the opinion of the ***department***[~~cabinet~~] any surety on the financial instrument has become unsatisfactory or unacceptable, the ***department***[~~cabinet~~] may require the licensee to file a new financial instrument with satisfactory sureties in the same amount, failing which the ***department***[~~cabinet~~] shall cancel the license of the licensee in accordance with the provisions of KRS 138.340. If a new financial instrument is furnished as provided above, the ***department***[~~cabinet~~]

shall cancel and surrender the financial instrument for which the new financial instrument is substituted.

(3) If upon hearing, of which the licensee shall be given five (5) days' notice in writing, the ***department***[~~cabinet~~] decides that the amount of the existing financial instrument is insufficient to insure payment to the state of the amount of tax, penalties, and interest for which the licensee is or may become liable, the licensee shall, upon the written demand of the ***department***[~~cabinet~~], file an additional financial instrument in the same manner and form with a surety thereon approved by the ***department***[~~cabinet~~], in any amount determined by the ***department***[~~cabinet~~] to be necessary, failing which the ***department***[~~cabinet~~] shall cancel the license of the licensee in accordance with the provisions of KRS 138.340.

(4) Any surety on a financial instrument furnished as required by this section shall be released from all liability to the state accruing on the financial instrument after the expiration of sixty (60) days from the date upon which the surety has lodged with the ***department***[~~cabinet~~] a written request to be released, but this request shall not operate to release the surety from any liability already accrued or which shall accrue before the expiration of the sixty (60) day period. The ***department***[~~cabinet~~] shall promptly, upon receipt of a request, notify the licensee who furnished the financial instrument, and unless the licensee, before the expiration of the sixty (60) day period, files with the ***department***[~~cabinet~~] a new financial instrument with a surety satisfactory to the ***department***[~~cabinet~~] in the amount and form prescribed in this section, the ***department***[~~cabinet~~] shall cancel the license of the licensee in accordance with the provisions of KRS 138.340. If an approved new financial instrument is filed, the ***department***[~~cabinet~~] shall cancel and surrender the financial instrument for which the new bond is substituted.

Section 239. KRS 138.340 is amended to read as follows:

(1) If any dealer or transporter required to be licensed under KRS 138.310 files a false report of the data or information required by KRS 138.210 to 138.280, or fails, refuses or neglects to file the reports required by those sections, even though no tax is due, or to pay the full amount of tax as required by those sections, or fails to meet the qualifications of a dealer as set out in KRS 138.210(2), or violates any other provision of this chapter, the license of the dealer or transporter may be revoked by the ***Department of*** Revenue[~~ Cabinet~~]. The licensee shall be notified by certified or registered letter or summons. The letter or summons shall apprise the licensee of the charge or charges made against him and he shall have a reasonable opportunity to be heard before his license may be revoked. The summons may be served in the same manner and by the same officers or persons as provided by the Rules of Civil Procedure, or it may be served in that manner by an employee of the ***Department of*** Revenue[~~ Cabinet~~]. The hearing shall be set at least five (5) days after the summons is served or the letter delivered. Any aggrieved licensee may appeal from an order of revocation by the ***Department of*** Revenue[~~ Cabinet~~] to the Kentucky Board of Tax Appeals as provided by law, subject to the condition that the licensee has made bond sufficient in the opinion of the ***Department of*** Revenue[~~ Cabinet~~] to protect the Commonwealth from loss of revenue.

(2) The ***department***[~~cabinet~~] may cancel the license:

(a) Upon request in writing from the licensee, the cancellation to become effective sixty (60) days from the date of receipt of the request; or

(b) Upon determination that the licensee has had no reportable activity in Kentucky for at least the immediately preceding six (6) consecutive monthly reporting periods.

Section 240. KRS 138.341 is amended to read as follows:

(1) When gasoline or special fuel on which the tax has been paid pursuant to the provisions of KRS 138.210 to 138.340 has been used for the purpose of operating any aircraft engaged in the transportation of persons or property, the purchaser of the liquid fuel so used shall be reimbursed for the tax paid. No tax shall be refunded except that paid upon the fuel used exclusively in aircraft motors.

(2) No person shall be entitled to a refund hereunder unless he shall have first filed with the ***Department of*** Revenue[~~ Cabinet~~] a bond with approved surety in an amount of not less than one hundred dollars ($100) nor more than one thousand dollars ($1,000) to be determined by the ***Department of*** Revenue[~~ Cabinet~~], conditioned upon faithful compliance with this section and KRS 138.342 and upon the payment to the Commonwealth of any refunds to which he was not entitled.

(3) The right to receive any refund pursuant to subsection (1) of this section shall be assignable by the purchaser to the seller of the gasoline or special fuel if the seller has posted a bond with the ***department***[~~cabinet~~] and the aviation gasoline or special fuel purchased by the assignor is delivered directly into the fuel tank of aircraft owned or operated by him or his authorized agent. Any assignment shall be evidenced by noting upon the face and all copies of the retail sale invoice the following: "TAX REFUND ASSIGNED TO SELLER. Signed: (Purchaser or Agent.)"

Section 241. KRS 138.345 is amended to read as follows:

No person shall secure a refund of tax under KRS 138.344 unless the person is the holder of an unrevoked refund permit issued by the ***Department of*** Revenue[~~ Cabinet~~] before the purchase of the gasoline or special fuel, which permit shall entitle the person to make application for a refund under KRS 138.344 to 138.355. To procure a permit, every person shall file with the ***department***[~~cabinet~~] an application under oath, on forms furnished by the ***department***[~~cabinet~~], setting forth the information incident to the refunding of the tax paid on gasoline or special fuel as the ***department***[~~cabinet~~] may require. The properly completed and signed application shall be filed with the ***department***[~~cabinet~~] on or before the date the permit, if approved by the ***department***[~~cabinet~~], is to become effective.

Section 242. KRS 138.348 is amended to read as follows:

(1) The ***department***[~~cabinet~~] may require any dealer or any dealer's authorized agent to identify refund gasoline or special fuel sold by him by adding thereto any chemical or substance, which shall be furnished by the ***department***[~~cabinet~~] and used in the manner as prescribed by the ***department***[~~cabinet~~].

(2) The refund permit holder shall receive and store all the gasoline and special fuel in containers plainly marked with distinguishing letters "Refund Motor Fuel," or comparable letters prescribed by the ***Department of*** Revenue[~~ Cabinet~~], and shall keep the containers on his premises accessible to agents of the ***department***[~~cabinet~~] and separate from other gasoline and special fuel stored on his premises.

(3) The ***Department of*** Revenue[~~ Cabinet~~] may, within its discretion, issue a refund permit for a portable storage facility if the applicant satisfies the ***department***[~~cabinet~~] that the facility will be used exclusively for the purpose of fueling unlicensed vehicles or equipment at multiple locations for nonhighway purposes, and fueling the vehicles or equipment from a nonportable facility would not be practical.

(4) Every refund permit holder who uses on the public highways motor fuel of the type for which refund is claimed shall keep detailed records of all the motor fuel acquired, monthly odometer readings of all licensed motor vehicles owned or operated by the holder which use the fuel, and other records the ***Department of*** Revenue[~~ Cabinet~~] may, in writing, require to protect the revenues of the Commonwealth.

(5) Agents of the ***department***[~~cabinet~~] may go upon the premises of any permit holder or of any licensed gasoline or special fuel dealer or his authorized agent to make inspections to ascertain any matter connected with the operation of KRS 138.344 to 138.355 or the enforcement thereof. No agent shall enter the dwelling of any person without the occupant's consent or the authority from a court of competent jurisdiction.

Section 243. KRS 138.354 is amended to read as follows:

(1) No person shall make a false or fraudulent statement in an application for a refund permit or in a gasoline or special fuel refund invoice, or in an application for a refund of any taxes as set out in KRS 138.344 to 138.355; or fraudulently obtain a refund of such taxes; or knowingly aid or assist in making any such false or fraudulent statement or claim; or having bought gasoline or special fuel under the provisions of KRS 138.344 to 138.355, shall use or permit such gasoline or special fuel or any part thereof to be used for any purpose other than as provided in KRS 138.344.

(2) The refund permit of any person who shall violate any provision of subsection (1) of this section may be revoked by the ***Department of*** Revenue[~~ Cabinet~~] subject to appeal to the Kentucky Board of Tax Appeals as provided by law, and may not be reissued until two (2) years have elapsed from the date of such revocation.

(3) The refund permit of any person who shall violate any provision of KRS 138.344 to 138.355, other than those contained in subsection (1) of this section, may be suspended by the ***Department of*** Revenue[~~ Cabinet~~] for any period in its discretion not exceeding six (6) months with the right of appeal to the Kentucky Board of Tax Appeals.

(4) If a dealer violates any provision of KRS 138.344 to 138.355, his privilege to sign refund invoices may be suspended by the ***Department of*** Revenue[~~ Cabinet~~] for a period of not more than two (2) years subject to appeal to the Kentucky Board of Tax Appeals. No refund shall be made on gasoline or special fuel purchased from a dealer while a suspension of his privilege to sign refund invoices is in effect.

Section 244. KRS 138.355 is amended to read as follows:

If the ***department***[~~cabinet~~] reasonably believes that any dealer or refund permit holder has been guilty of a violation of KRS 138.344 to 138.355, which would subject the dealer or permit holder to a suspension or revocation of his license or permit under the provisions of subsections (2), (3) or (4) of KRS 138.354, said dealer or permit holder may be cited by the ***department***[~~cabinet~~] to show cause at a public hearing before the ***Department of*** Revenue[~~ cabinet~~] why his license or permit should not be suspended or revoked. The dealer or refund permit holder shall be notified by certified or registered letter. The letter shall inform the dealer or refund permit holder of the charge or charges made against him and he shall have a reasonable opportunity to be heard before his license or permit may be revoked or suspended. The hearing shall be set at least five (5) days after the receipt of the letter. Any aggrieved dealer or refund permit holder may appeal any order entered to the Kentucky board of tax appeals as provided by law, subject to the condition that he make bond sufficient in the opinion of the ***department***[~~cabinet~~] to protect the Commonwealth from loss of revenue.

Section 245. KRS 138.358 is amended to read as follows:

(1) Any special fuels dealer who delivers special fuels, on which the tax imposed by KRS 138.220 has been paid, into a tank having no dispensing outlet and used exclusively to heat a personal residence, shall be entitled to claim a credit against the tax due pursuant to KRS 138.220 equal to the tax paid on the fuel if the dealer obtains from the purchaser and retains in his files a signed and dated statement from the purchaser certifying that the fuel will be used exclusively to heat the personal residence to which it is delivered. No person so certifying shall use the special fuel for any other purpose. The ***Department of*** Revenue[~~ Cabinet~~] may require dealers claiming the credit authorized herein to submit information required by the ***department***[~~cabinet~~] to reasonably protect the revenues of the Commonwealth.

(2) Any special fuels dealer who sells gasoline or special fuels, on which the tax imposed by KRS 138.220 has been paid, exclusively for the purpose of operating or propelling stationary engines or tractors for agricultural purposes, shall be entitled to claim a credit against the tax due pursuant to KRS 138.220 equal to the tax paid on the fuel if the dealer obtains

from the purchaser and retains in his files a signed and dated statement from the purchaser certifying that the fuel will be used exclusively for the purpose of operating or propelling stationary engines or tractors for agricultural purposes. No person so certifying shall use gasoline or the special fuels for any other purpose. Sales made from a retail filling station do not qualify for the credit. The ***Department of*** Revenue[~~ Cabinet~~] may require dealers claiming the credit authorized herein to submit information required by the ***department***[~~cabinet~~] to reasonably protect the revenues of the Commonwealth.

(3) Any special fuels dealer who delivers special fuels, on which the tax imposed by KRS 138.220 has been paid, into a nonhighway use storage tank of a resident nonprofit religious, charitable, or educational organization or state or local governmental agency which has qualified for exemption from Kentucky sales and use tax pursuant to KRS 139.470(7) or 139.495 shall be entitled to claim a credit against the tax due pursuant to KRS 138.220 equal to the tax paid on the fuel if the dealer obtains from the purchaser and retains in his files a signed and dated statement certifying the purchaser's sales and use tax purchase exemption authorization issued pursuant to KRS Chapter 139. No organization or agency so certifying shall use or allow the use of any nonhighway special fuel so acquired for any purpose other than fueling unlicensed vehicles or equipment for nonhighway purposes. The ***Department of*** Revenue[~~ Cabinet~~] may require dealers claiming the credit authorized herein to submit information required by the ***department***[~~cabinet~~] to reasonably protect the revenues of the Commonwealth.

(4) Any special fuels dealer who sells special fuels, on which the tax imposed by KRS 138.220 has been paid, which shall be used exclusively for consumption in unlicensed vehicles or equipment for nonhighway purposes, shall be entitled to claim a credit against the tax due pursuant to KRS 138.220 equal to the tax paid on the fuel if the dealer obtains from the purchaser and retains in his files a signed and dated statement from the purchaser certifying that the fuel will be used exclusively for nonhighway purposes. No person making the certification shall use the special fuels for any other purpose. Sales made from a retail filling station do not qualify for the credit. The ***Department of*** Revenue[~~ Cabinet~~] may require dealers claiming the credit authorized in this subsection to submit information required by the ***department***[~~cabinet~~] to reasonably protect the revenues of the Commonwealth. This credit shall not apply to special fuels taxes subject to a refund under KRS 138.445.

Section 246. KRS 138.447 is amended to read as follows:

(1) A dealer may elect to be exempted from the provisions of KRS 138.330, subject to the following provisions:

(2) The tax shall be collected by the county clerk or other officer with whom the vehicle is required to be registered:

(a) When he collects the registration fee for registering and licensing a motor vehicle the first time it is offered for registration in this state;

(b) Or upon the transfer of ownership of any motor vehicle previously registered in this state.

(3) The tax collected by the county clerk under this section shall be reported and remitted to the ***Department of*** Revenue~~[Cabinet]~~ on forms provided by the ***department***~~[cabinet]~~ and on those forms as the ***department***~~[cabinet]~~ may prescribe. The ***department***~~[cabinet]~~ shall provide each county clerk affidavit forms which the clerk shall provide to the public free of charge to carry out the provisions of KRS 138.450. The county clerk shall for his services in collecting the tax be entitled to retain an amount equal to three percent (3%) of the tax collected and accounted for.

(4) A county clerk or other officer shall not register or issue any license tags to the owner of any motor vehicle subject to this tax, when the vehicle is then being offered for registration for the first time, or transfer the ownership of any motor vehicle previously registered in this state, unless the owner or his agent pays the tax levied under this section in addition to the transfer, registration, and license fees.

(5) When a person offers a motor vehicle for registration for the first time in this state which was registered in another state that levied a tax substantially identical to the tax levied under this section, the person shall be entitled to receive a credit against the tax imposed by this section equal to the amount of tax paid to the other state. A credit shall not be given under this subsection for taxes paid in another state if that state does not grant similar credit for substantially identical taxes paid in this state.

(6) A county clerk or other officer shall not register or issue any license tags to the owner of any motor vehicle subject to this tax, when the vehicle is then being offered for registration for the first time, unless the seller or his agent delivers to the county clerk a notarized affidavit, if required, and available under KRS 138.450 attesting to the total and actual consideration paid or to be paid for the motor vehicle. If a notarized affidavit is not available, the clerk shall follow the procedures under KRS 138.450(12)(a) for new vehicles, and KRS 138.450(12)(c) or (d) for used cars. The clerk shall attach the notarized affidavit, if available, or other documentation attesting to the retail price of the vehicle as the ***Department of*** Revenue~~[Cabinet]~~ may prescribe by administrative regulation promulgated under KRS Chapter 13A to the copy of the certificate of registration and ownership mailed to the ***department***~~[cabinet]~~.

(7) Notwithstanding the provisions of KRS 138.450, the tax shall not be less than six dollars ($6) upon first registration of or any transfer of ownership of a motor vehicle in this state, except where the vehicle is exempt from tax under KRS 138.470.

(8) Where a motor vehicle is sold by a dealer in this state and the purchaser returns the vehicle for any reason to the same dealer within sixty (60) days for a vehicle replacement or a refund of the purchase price, the purchaser shall be entitled to a refund of the amount of usage tax received by the ***Department of*** Revenue~~[Cabinet]~~ as a result of the registration of the returned vehicle. In the case of a new motor vehicle, the registration of the returned vehicle shall be canceled and the vehicle shall be considered to have not been previously registered in Kentucky when resold by the dealer.

(9) When a manufacturer refunds the retail purchase price or replaces a new motor vehicle for the original purchaser within ninety (90) days because of malfunction or defect, the purchaser shall be entitled to a refund of the amount of motor vehicle usage tax received by the ***Department of*** Revenue~~[Cabinet]~~ as a result of the first registration. A person shall not be entitled to a refund unless he shall have filed with the ***Department of*** Revenue~~[Cabinet]~~ a report from the manufacturer identifying the vehicle that was replaced and stating the date of replacement.

(10) Notwithstanding the time limitations of subsections (8) and (9) of this section, when a dealer or manufacturer refunds the retail purchase price or replaces a motor vehicle for the purchaser as a result of formal arbitration or litigation, or, in the

case of a manufacturer, because ordered to do so by a dispute resolution system established under KRS 367.865 or 16 C.F.R. 703, the purchaser shall be entitled to a refund of the amount of motor vehicle usage tax received by the ***Department of*** Revenue[~~ Cabinet~~] as a result of the registration. A person shall not be entitled to a refund unless he shall have filed with the ***Department of*** Revenue[~~ Cabinet~~] a report from the dealer or manufacturer identifying the vehicle that was replaced.

(2) A dealer shall pay the usage tax on a loaner or rental motor vehicle in the manner provided by KRS 138.460 unless the dealer shows to the satisfaction of the ***Department of*** Revenue[~~ Cabinet~~] that he is regularly engaged in the servicing or repair of motor vehicles and loans or rents the loaner or rental motor vehicle to a retail customer while the customer's motor vehicle is at the dealership for repair or service.

(3) For a dealer to be eligible to pay the usage tax on a loaner or rental motor vehicle under this section, the dealer shall identify the motor vehicle as a loaner or rental motor vehicle to the ***Department of*** Revenue[~~ Cabinet~~] and shall maintain records, as required by the ***Department of*** Revenue[~~ Cabinet~~], which show all uses of the loaner or rental motor vehicle.

(4) The tax due under subsection (1) of this section shall be remitted to the ***Department of*** Revenue[~~ Cabinet~~] monthly on forms prescribed by and in accordance with administrative regulations promulgated by the ***department***[~~cabinet~~].

(5) Failure of a motor vehicle dealer to remit the taxes applicable to a loaner or rental motor vehicle under this section shall be sufficient cause for the ***Department of*** Revenue[~~ Cabinet~~] to revoke the authority to use that motor vehicle as a loaner or rental motor vehicle and cause the usage tax on that motor vehicle to be due and payable in accordance with KRS 138.460 on the retail price of that motor vehicle when it was first registered as a loaner or rental motor vehicle.

(6) A motor vehicle no longer covered under the loaner permit program shall be taxed in the same manner as motor vehicles under KRS 138.450(12).

Section 250. KRS 138.464 is amended to read as follows:

The county clerk shall report each Monday to the ***Department of*** Revenue[~~ Cabinet~~] all moneys collected during the previous week, together with a duplicate of all receipts issued by him during the same period. The clerk shall deposit motor vehicle usage tax collections not later than the next business day following receipt in a Commonwealth of Kentucky, ***Department of*** Revenue[~~ Cabinet~~] account in a bank designated as a depository for state funds. The clerk may be required to then cause the funds to be transferred from the local depository bank to the State Treasury in whatever manner and at times prescribed by the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~] or his designee. Failure to forward duplicates of all receipts issued during the reporting period or failure to file the weekly report of moneys collected shall subject the clerk to a penalty of two and one-half percent (2.5%) of the amount of moneys collected during the reporting period for each month or fraction thereof until the documents are filed. Failure to deposit or, if required, transfer collections as required above shall subject the clerk to a penalty of two and one-half percent (2.5%) of the amount not deposited or, if required, not transferred for each day until the collections are deposited or transferred as required above. The penalty for failure to deposit or transfer money collected shall not be less than fifty dollars ($50) nor more than five hundred dollars ($500) per day. The penalties provided in this section shall not apply if the failure of the clerk is due to reasonable cause. The ***department***[~~cabinet~~] may in its discretion grant a county clerk a reasonable extension of time to file his report or make any transfer of deposits as required above. The extension, however, must be requested prior to the end of the seven (7) day period and shall begin to run at the end of said period. All penalties collected under this provision shall be paid into the State Treasury as a part of the revenue collected under KRS 138.450 to 138.729.

At the same time, the person shall pay to the state the correct amount due by reason of the collection of the tax from persons entering the grounds or inclosure of the race track.

(2) Any person who violates any provision of this section or KRS 138.480 shall be subject to the uniform civil penalties imposed pursuant to KRS 131.180 and interest at the tax interest rate as defined in KRS 131.010(6).

(2) The remittance of the tax imposed by KRS 138.510 shall be made weekly to the ***Department of*** Revenue[~~ Cabinet~~] no later than the fifth business day, excluding Saturday and Sunday, following the close of each week of racing, during each race meeting and accompanied by reports as prescribed by the ***department***[~~cabinet~~]. (4) The supervisor of pari-mutuel betting appointed by the Kentucky Racing Commission or his duly authorized representatives shall, at all reasonable times, have access to all books, records, issuing or vending machines, adding machines, and all other pari-mutuel equipment for the purpose of examining and checking the same and ascertaining whether or not the proper amount or amounts due the state are being or have been paid.

(5) Every person, corporation, or association required to pay the tax imposed by KRS 138.510 shall keep its books and records so as to clearly show by a separate record the total amount of money contributed to every pari-mutuel pool, including daily double pools, if any.

Section 253. KRS 138.550 is amended to read as follows:

In addition to all other penalties provided in KRS 138.510 to 138.540, when the pari-mutuel system of betting is operated at a track licensed under the provisions of KRS 137.170, said license may be suspended, revoked or renewal refused by the State Racing Commission upon the failure of the operator to comply with the provisions of KRS 138.510 to 138.540 or the rules and regulations promulgated by the ***Department of*** Revenue~~[Cabinet]~~ pursuant thereto even though the pari-mutuel system of betting and the track are operated by different persons, corporations or associations.

Section 254. KRS 138.727 is amended to read as follows:

(1) Nothing in KRS 186.655 to 186.725 shall deny the right of the ***Department of*** Revenue~~[Cabinet]~~ to make audits of a taxpayer's records and accounts, even though the same taxpayer may be or should be a motor carrier and subject to investigation by the Department of Vehicle Regulation.

(2) The Department of Vehicle Regulation shall, upon request of the ***Department of*** Revenue~~[Cabinet]~~, furnish the ***Department of*** Revenue~~[Cabinet]~~ any information which it may have in its records with regard to the administration of KRS 138.655 to 138.725.

(3) The Department of Vehicle Regulation shall not make any refunds to any person or company without inquiring of the ***Department of*** Revenue~~[Cabinet]~~ as to the person or company being indebted to the Commonwealth of Kentucky by reason of any tax liability, and no refunds shall be made if such person or company is indebted in any fashion to the Commonwealth of Kentucky.

(5) Except as necessary to accept taxes that the offender voluntarily pays under KRS 138.874, the ***Department of*** Revenue[~~ Cabinet~~] shall not require a bond or otherwise attempt to collect the tax due under KRS 138.874 until the offender's taxable activity results in a conviction or a guilty or Alford plea for a violation of KRS Chapter 218A. However, the ***Department of*** Revenue[~~ Cabinet~~] may impose a notice of lien on issuance of a warrant or indictment, which shall be released upon acquittal or dismissal of the case.

Section 259. KRS 138.882 is amended to read as follows:

(1) The tax, penalty, and interest assessed by the ***Department of*** Revenue[~~ Cabinet~~] pursuant to KRS 138.872 and 138.889 shall be deemed prima facie valid and correctly determined and assessed. Regardless of the order in which proceedings are begun, forfeiture of money or any other type or kind of property and distribution of property and funds under the drug forfeiture laws of this state shall take precedence over any proceedings to collect the tax, penalty, or interest due pursuant to KRS 138.872 and 138.889.

Section 260. KRS 138.884 is amended to read as follows:

The burden of proving the contrary is upon the person who makes the sale unless he takes from the purchaser a certificate to the effect that the property is either:

(b) Returnable containers when sold with the contents in connection with a retail sale of the contents or when resold for refilling;

As used in this section the term "returnable containers" means containers of a kind customarily returned by the buyer of the contents for reuse. All other containers are "nonreturnable containers";

(3) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property used for the performance of a lump-sum, fixed-fee contract of public works executed prior to February 5, 1960;

(4) Gross receipts from occasional sales of tangible personal property and the storage, use, or other consumption in this state of tangible personal property, the transfer of which to the purchaser is an occasional sale;

(5) Gross receipts from sales of tangible personal property to a common carrier, shipped by the retailer via the purchasing carrier under a bill of lading, whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state and the property is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a common carrier;

(6) Gross receipts from sales of tangible personal property sold through coin-operated bulk vending machines, if the sale amounts to fifty cents ($0.50) or less, if the retailer is primarily engaged in making the sales and maintains records satisfactory to the ***department***[~~cabinet~~]. As used in this subsection, "bulk vending machine" means a vending machine containing unsorted merchandise which, upon insertion of a coin, dispenses the same in approximately equal portions, at random and without selection by the customer;

(7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or other statutory or constitutional agency of the state and gross receipts from sales to counties, cities, or special districts as defined in KRS 65.005. This exemption shall apply only to purchases of property or services for use solely in the government function. 3. Classified as "residential" by the governing body of a municipally owned electric distributor which does not purchase its power from the Tennessee Valley Authority, if the "residential" classification is reasonably consistent with the definitions of "residential" contained in tariff filings accepted and approved by the Public Service Commission with respect to utilities which are subject to Public Service Commission regulation.

If the service is classified as residential, use other than for "residential" purposes by the customer shall not negate the exemption;

(c) The exemption shall not apply if charges for sewer service, water, and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification; and

(d) The exemption shall apply also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years;

(9) Any rate increase for school taxes and any other charges or surcharges added to the total amount of a residential telephone bill;

(10) Gross receipts from sales to an out-of-state agency, organization, or institution exempt from sales and use tax in its state of residence when that agency, organization, or institution gives proof of its tax-exempt status to the retailer and the retailer maintains a file of the proof;

(11) Gross receipts derived from the sale of, and the storage, use, or other consumption in this state of, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property at a plant facility and which will be for sale. The property shall be regarded as having been purchased for resale. "Plant facility" shall have the same meaning as defined in KRS 139.170(3). For purposes of this subsection, a manufacturer or industrial processor includes an individual or business entity that performs only part of the manufacturing or industrial processing activity and the person or business entity need not take title to tangible personal property that is incorporated into, or becomes the product of, the activity.

(a) Industrial processing includes refining, extraction of petroleum and natural gas, mining, quarrying, fabricating, and industrial assembling. As defined herein, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property which will be for sale shall mean:

1. Materials which enter into and become an ingredient or component part of the manufactured product.

2. Other tangible personal property which is directly used in manufacturing or industrial processing, if the property has a useful life of less than one (1) year. Specifically these items are categorized as follows:

b. Supplies. This category includes supplies such as lubricating and compounding oils, grease, machine waste, abrasives, chemicals, solvents, fluxes, anodes, filtering materials, fire brick, catalysts, dyes, refrigerants, explosives, etc. The supplies indicated above need not come in direct contact with a manufactured product to be exempt. "Supplies" does not include repair, replacement, or spare parts of any kind.

c. Industrial tools. This group is limited to hand tools such as jigs, dies, drills, cutters, rolls, reamers, chucks, saws, spray guns, etc., and to tools attached to a machine such as molds, grinding balls, grinding wheels, dies, bits, cutting blades, etc. Normally, for industrial tools to be considered directly used in manufacturing, they shall come into direct contact with the product being manufactured.

3. Materials and supplies that are not reusable in the same manufacturing process at the completion of a single manufacturing cycle, excluding repair, replacement, or spare parts of any kind. A single manufacturing cycle shall be considered to be the period elapsing from the time the raw materials enter into the manufacturing process until the finished product emerges at the end of the manufacturing process.

(b) It shall be noted that in none of the three (3) categories is any exemption provided for repair, replacement, or spare parts. Repair, replacement, or spare parts shall not be considered to be materials, supplies, or industrial tools directly used in manufacturing or industrial processing. "Repair, replacement, or spare parts" shall have the same meaning as set forth in KRS 139.170;

(12) Any water use fee paid or passed through to the Kentucky River Authority by facilities using water from the Kentucky River basin to the Kentucky River Authority in accordance with KRS 151.700 to 151.730 and administrative regulations promulgated by the authority;

(13) Gross receipts from the sale of newspaper inserts or catalogs purchased for storage, use, or other consumption outside this state and delivered by the retailer's own vehicle to a location outside this state, or delivered to the United States Postal Service, a common carrier, or a contract carrier for delivery outside this state, regardless of whether the carrier is selected by the purchaser or retailer or an agent or representative of the purchaser or retailer, or whether the F.O.B. is retailer's shipping point or purchaser's destination.

(a) As used in this subsection:

1. "Catalogs" means tangible personal property that is printed to the special order of the purchaser and composed substantially of information regarding goods and services offered for sale; and

2. "Newspaper inserts" means printed materials that are placed in or distributed with a newspaper of general circulation.

(14) Gross receipts from the sale of water used in the raising of equine as a business;

(15) Gross receipts from the sale of metal retail fixtures manufactured in this state and purchased for storage, use, or other consumption outside this state and delivered by the retailer's own vehicle to a location outside this state, or delivered to the

United States Postal Service, a common carrier, or a contract carrier for delivery outside this state, regardless of whether the carrier is selected by the purchaser or retailer or an agent or representative of the purchaser or retailer, or whether the F.O.B. is the retailer's shipping point or the purchaser's destination.

(a) As used in this subsection, "metal retail fixtures" means check stands and belted and nonbelted checkout counters, whether made in bulk or pursuant to specific purchaser specifications, that are to be used directly by the purchaser or to be distributed by the purchaser.

(b) The retailer shall be responsible for establishing that delivery was made to a non-Kentucky location through shipping documents or other credible evidence as determined by the ***department***[~~cabinet~~];

(16) Gross receipts from the sale of unenriched or enriched uranium purchased for ultimate storage, use, or other consumption outside this state and delivered to a common carrier in this state for delivery outside this state, regardless of whether the carrier is selected by the purchaser or retailer, or is an agent or representative of the purchaser or retailer, or whether the F.O.B. is the retailer's shipping point or purchaser's destination;

(17) Amounts received from a tobacco buydown. As used in this subsection, "buydown" means an agreement whereby an amount, whether paid in money, credit, or otherwise, is received by a retailer from a manufacturer or wholesaler based upon the quantity and unit price of tobacco products sold at retail that requires the retailer to reduce the selling price of the product to the purchaser without the use of a manufacturer's or wholesaler's coupon or redemption certificate;

(18) Gross receipts from the sale of property returned by a purchaser when the full sales price is refunded either in cash or credit. This exclusion shall not apply if the purchaser, in order to obtain the refund, is required to purchase other property at a price greater than the amount charged for the property that is returned;

(19) Gross receipts from the sales of gasoline and special fuels subject to tax under KRS Chapter 138;

(20) The amount of any tax imposed by the United States upon or with respect to retail sales, whether imposed on the retailer or the consumer, not including any manufacturer's excise or import duty;

The approved company shall have no obligation to refund or otherwise return any amount of this sales tax refund to the persons from whom the sales tax was collected. The term of the agreement granting the sales tax refund shall be ten (10) years, and this time period shall commence on the later of:

(3) The total sales tax refund allowed to the approved company over the term of the agreement in subsection (1) of this section shall be equal to the lesser of the total amount of the sales tax liability of the approved company and its lessees or twenty-five percent (25%) of the approved costs. The sales tax refund shall accrue over the term of the agreement in an annual amount equal to two and one-half percent (2.5%) of the approved cost. Notwithstanding the foregoing two and one-half percent (2.5%) limitation, any unused inducements as set forth in KRS 148.851(9) from a previous year may be carried forward to any succeeding year during the term of the agreement until the entire twenty-five percent (25%) of the approved costs have been received through sales tax refunds. By October 1 of each year the ***Department of*** Revenue [~~Cabinet~~]shall certify to the authority and the secretary of the Tourism Development Cabinet for the preceding fiscal year for all approved companies for which sales tax returns were filed with respect to a tourism attraction project, the sales tax liability of the approved companies receiving inducements under this section and KRS 148.851 to 148.860, and their lessees, and the amount of the sales tax refunds issued pursuant to subsection (1) of this section.

They shall not be charged against any appropriation, but shall be deducted from tax receipts for the current fiscal year.

(3) The sales and use taxes paid by the motion picture production company for which a refundable tax credit is granted shall be deemed not to have been legally paid into the State Treasury, and the refund of the credit shall not be in violation of Section 59 of the Kentucky Constitution.

Section 273. KRS 139.735 is amended to read as follows:

(1) The ***Department of*** Revenue [~~Cabinet~~]shall not promulgate any administrative regulation or policy either written or unwritten whose provisions are more stringent than the provisions of KRS 139.270 and 103 KAR 31.030 regarding the good faith provisions for resale certificates, exemption certificates and direct pay authorizations.

(2) It shall be mandatory upon the ***Department of*** Revenue [~~Cabinet~~]during any audit process to honor resale certificates, exemption certificates and direct pay authorizations when executed according to the good faith provisions defined and described in KRS 139.270 and 103 KAR 31.030.

Section 274. KRS 140.040 is amended to read as follows:

(1) Whenever any person shall exercise a power of appointment derived from any disposition of property (whether by will, deed, trust agreement, contract, insurance policy or other instrument) regardless of when made, such appointment shall be deemed a transfer taxable under the provisions of this chapter in the same manner as though the property to which such appointment relates belonged absolutely to the donee of such power and had been bequeathed or devised by such donee by will; and whenever any person possessing such a power of appointment so derived shall omit or fail to exercise the same in whole or in part, within the time provided therefor, a transfer taxable under the provisions of this chapter shall be deemed to take place to the person or persons receiving such property as a result of such omission or failure to the same extent that such property would have been subject to taxation if it had passed under the will of the donee of such power. The time at which such transfer shall be deemed to take place, for the purpose of taxation, shall be governed by the provisions of subsections (2) to (4) of this section.

(2) In the case of a power of appointment which passes to the donee thereof at the death of the donor, under any instrument, and if the donor dies on or after April 24, 1936, the transfer shall be deemed to take place, for the purpose of taxation, at the time of the death of the donor and the assessment be made at that time against the life interest of the donee and the remainder against the corpus. The value of the property to which the power of appointment relates shall be determined as of the date of the death of the donor and shall be taxed at the rates and be subject to the exemptions in effect at the death of the donor. The determination of the applicable rates and exemptions (in effect at the death of the donor) shall be governed by the relationship of the beneficiary to the donee of the power of appointment. In the event the payment of the tax at the death of the donor should operate to provide an exemption for any beneficiary of a donee not authorized by KRS 140.080, then such exemption shall be retrospectively disallowed at the time of the death of the donee. It is further provided that the remainder interest passing under the donee's power of appointment, whether exercised or not, shall be added to and made a part of the distributable share of the donee's estate for the purpose of determining the exemption and rates applicable thereto.

(3) In all cases other than that described in subsection (2) the transfer shall be deemed to take place, for the purpose of taxation, at the time of the death of the donee. In such cases, the value of the property to which the power of appointment relates shall be determined as of the date of the death of the donee and shall be taxed at the rates and be subject to the exemptions in effect at the death of the donee. The determination of the applicable rates and exemptions (in effect at the death of the donee) shall be governed by the relationship of the beneficiary to the donee of the power of appointment.

(4) The provisions of subsection (2) shall not preclude the taxation, at the death of the donee, of any transfer made by means of a power of appointment if such transfer was not in fact reported to or a tax assessed thereon by the ***Department of*** Revenue [~~Cabinet~~]within the period of limitation prescribed by KRS 140.160. If the transfer by the power of appointment is not so reported or a tax assessed thereon, the period of limitation prescribed in KRS 140.160 shall not begin to run until the death of the donee of such power.

(5) The amendments to this section, adopted by the 1948 General Assembly, shall apply to all powers of appointment whether created before or after the effective date of said amendments. It is the declared intention of the General Assembly to impose a tax upon every transfer of property by means of a power of appointment, regardless of when or how created, and it is the declared intention of the General Assembly that the use of the power of appointment device shall not permit the transfer of property, to which such a power relates, to escape thereby the payment of state inheritance taxes.

(2) If the decedent was not a resident of this state, the exemption shall be the same proportion of the allowable exemption in the case of residents that the property taxable by this state bears to the whole property transferred by the decedent.

Section 276. KRS 140.090 is amended to read as follows:

(1) In calculating the value of the distributive shares the following deductions and no others shall be allowed:

(a) Debts of the decedent, except debts secured by property not subject to the tax jurisdiction of Kentucky; and except debts barred by the statute of limitations;

(b) Taxes accrued and unpaid, except those on property not subject to the tax jurisdiction of Kentucky;

Section 277. KRS 140.100 is amended to read as follows:

(1) The Department of Insurance, on the application of the ***Department of*** Revenue[~~ Cabinet~~], shall determine, and certify in duplicate to the ***Department of Revenue***[~~cabinet~~], the value of any future or contingent estate, income or interest therein, limited, contingent, dependent or determinable upon the lives of persons in being, upon the facts contained in the application or other facts submitted by the ***Department of Revenue***[~~cabinet~~]. No fee shall be charged by the division for this service. The certificate shall be competent evidence that the method of computation therein is correct.

(2) The value of every future, contingent or limited estate, income or interest for the purpose of this chapter shall be determined by the rules, methods and standards of mortality and of value prescribed by the appropriate United States life mortality tables for ascertaining the value of life estates, annuities and remainder interests except that the rate of interest assessed in computing the present value of all future interests and contingencies shall be four percent (4%) per annum.

(3) When an annuity or a life estate is terminated by the death of the annuitant or life tenant, and the tax upon such interest has not been fixed and determined, the value of the interest for the purpose of taxation shall be that amount of the annuity or income actually paid or payable to the annuitant or life tenant during the period for which the annuitant or life tenant was entitled to the annuity or was in possession of the life estate. The tax on such annuities and life interests shall be payable out of the corpus of the estate, unless otherwise provided under the terms of the will.

(4) Notwithstanding anything in this chapter to the contrary, the value of a surviving spouse's interest in a trust or life estate which was exempt from Kentucky inheritance tax in the first spouse's estate pursuant to an election made under KRS 140.080(1)(a) shall be deemed to be equal to the entire value of the property held in the trust or life estate, at the surviving spouse's death, for Kentucky inheritance tax purposes in the surviving spouse's estate.

Section 278. KRS 140.110 is amended to read as follows:

(1) In the case of estates in expectancy which are contingent or defeasible, a tax shall be levied at the rate which, on the happening of the most probable contingencies or conditions named in the will, deed, trust agreement, contract, insurance policy, or other instrument, would be applicable under the provisions of this chapter. Moneys so collected shall be distributed as are other inheritance tax funds. If the property so taxed shall ultimately vest in possession in persons taxable at a lower rate, or in a person or a corporation exempt from taxation by this chapter, upon application by such beneficiary to the ***Department of*** Revenue [~~Cabinet~~]for refund of any excess tax, the ***Department of*** Revenue[~~ Cabinet~~], after investigation, shall certify to the Finance and Administration Cabinet the amount of such refund. The Finance and Administration Cabinet shall refund such excess payment of tax in the same manner as other refunds are made.

(2) Where an estate or interest can be divested by the act or omission of the legatee or devisee, it shall be taxed as if there were no possibility of divesting.

Section 279. KRS 140.160 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall have full supervision of the collection of all taxes due under the provisions of this chapter, including the power to institute suit in this and other states. It may employ attorneys and other persons necessary to carry out the full intent and purpose of this chapter. The ***department***[~~cabinet~~] shall furnish, upon application, blank forms covering information as may be necessary to determine the amount of tax due the state on the transfer of all property subject to tax.

(2) The ***department***[~~cabinet~~] may cause personal representatives or beneficiaries to file all statements required by this chapter with the clerks of the proper courts and with the ***department***[~~cabinet~~], and may require them to furnish any additional information deemed necessary to support the computation of the amount of tax that should be paid by the estate. The personal representative, or the beneficiaries in the absence of a personal representative, shall compute the taxes imposed by this chapter on the tax return provided by the ***department***[~~cabinet~~] when:

(a) 1. A United States estate tax return is required to be filed under federal law and applicable regulations; and

2. The estate includes property over which Kentucky has jurisdiction for purposes of the taxes imposed by this chapter; or

(b) Any assets from the estate subject to the taxes imposed by this chapter pass to a beneficiary taxable under KRS 140.070.

The tax return, when required, shall be filed with the ***department***[~~cabinet~~] within eighteen (18) months after the death of the decedent or at the time payment of the tax is made pursuant to KRS 140.210.

(3) Except as herein provided, no action to enforce the collection of the tax imposed by this chapter shall be commenced more than ten (10) years after the cause of action first accrued. In case the settlement of an estate is delayed because of litigation or other unavoidable cause, the delay shall suspend the limitation, prescribed by this subsection, until the cause of delay is removed. In the case of a fraudulent return or any other fraudulent representation affecting the amount of or the liability for the tax imposed by this chapter notwithstanding any provision of limitation provided elsewhere, the tax due by reason thereof may at any time be assessed and collected by the methods set out in this chapter, including action in a court of competent jurisdiction.

Section 280. KRS 140.170 is amended to read as follows:

(1) The District Court, upon the request of the personal representative or any interested party, shall appoint some competent person as appraiser of the estate. The appraiser shall give notice to all persons having an interest in the estate and to such other persons as the court may by order direct, and shall then appraise the property belonging to the estate. His report shall be filed with the court and a copy thereof with the ***Department of*** Revenue[~~ Cabinet~~]. He shall be paid for his services out of the funds of the estate, on the certification of the court, the amount to be fixed by that court. The total compensation of the appraiser shall not exceed one-tenth of one percent (0.1%) of the total appraised value of the estate for inheritance tax purposes, but there shall be a minimum allowance of five dollars ($5), together with the appraiser's actual and necessary traveling expenses.

(2) After investigation, the ***department***[~~cabinet~~] may change the value of the estate for inheritance taxes and advise the representatives of the estate of this changed valuation after the receipt of a completed tax return and full payment as shown by the tax return.

(3) No appraiser shall accept any fee or reward from a personal representative, trustee, legatee, next of kin or heir of the decedent, or from any other person liable to pay the tax or any portion thereof.

(4) No person shall willfully and knowingly subscribe to or make any false statement of fact, or knowingly subscribe to or exhibit any false paper or false report with intent to deceive any appraiser.

(5) The ***department***[~~cabinet~~] shall keep a record of all returns, reports, and schedules attached thereto required by this chapter for twelve (12) years.

Section 281. KRS 140.210 is amended to read as follows:

(1) All taxes imposed by this chapter, unless otherwise provided in this chapter, shall be due at the death of the decedent and shall be payable to the ***Department of*** Revenue[~~ Cabinet~~] within eighteen (18) months thereafter. If they are paid within nine (9) months, a discount of five percent (5%) shall be allowed, and if they are paid within eighteen (18) months, no interest shall be charged and collected thereon. If the taxes due are not paid within eighteen (18) months, interest at the tax interest rate as defined in KRS 131.010(6) shall be paid from the expiration of the eighteen (18) months until payment is actually made to the ***department***[~~cabinet~~].

(2) In all cases where the personal representatives or trustees do not pay the taxes within eighteen (18) months from the death of the decedent, they shall be required to give bond, in the form and to the effect prescribed by the ***department***[~~cabinet~~], for the payment of the taxes and interest.

Section 282. KRS 140.222 is amended to read as follows:

(1) When the net tax due from a beneficiary's distributive share exceeds five thousand dollars ($5,000), the beneficiary may elect to pay the inheritance tax in ten (10) equal installments. The first installment shall be due at the time the return is filed with succeeding payments due in annual installments beginning one (1) year after the return is filed.

(2) The portion of the tax deferred under this section shall be charged with interest at the tax interest rate as defined in KRS 131.010(6) commencing eighteen (18) months after the date of death.

(3) When the beneficiary elects to pay the tax on his share as provided in this section, such election must be made in writing and signed by the beneficiary and must be filed with the ***Department of*** Revenue[~~ Cabinet~~] at the time of filing the tax return for the decedent's estate under KRS 140.160(2). The filing of the election together with payment of the first installment shall relieve the personal representative or trustee of the estate from further liability for the tax payments deferred under this section and the bond requirements of KRS 140.210, subject to the final approval by the ***Department of*** Revenue[~~ Cabinet~~] of all other taxes due under this chapter.

(4) A beneficiary electing to defer the payment of taxes under this section shall be personally liable for the amount of deferred taxes until paid.

(5) The period of limitations for actions to enforce the collection of taxes imposed by this chapter as provided by KRS 140.160(3) shall be suspended for the period of time for deferred payment granted by this section.

Section 283. KRS 140.270 is amended to read as follows:

(1) In the absence of administration in this state upon the estate of a nonresident, the ***Department of*** Revenue[~~ Cabinet~~], at the request of a personal representative duly appointed and qualified in the state of the decedent's domicile, or of a grantee under a conveyance made during the grantor's lifetime, and upon satisfactory evidence furnished by the personal representative or grantee, or otherwise, may determine whether or not any property of the decedent within this state is subject to the provisions of this chapter. If so, the ***department***[~~cabinet~~] may determine the amount of tax and adjust the same with the personal representative or grantee, and for that purpose may appoint an appraiser to appraise the property. The expense of appraisal shall be charged upon the property in addition to the tax. The ***department's***[~~cabinet's~~] certificate of the amount of tax and its receipt for the amount therein certified may be filed with the county judge/executive of the county where the property is located, and when so filed shall be evidence of the payment of the tax to the extent of such certification. When the tax is not adjusted within six (6) months after the death of the decedent, the proper District Court, upon application of the ***department***[~~cabinet~~], shall appoint an administrator in this state.

(2) When evidence of ownership of intangible personal property belonging to a nonresident decedent is found to be physically located in this state, the ***Department of*** Revenue[~~ Cabinet~~] shall so inform the state official collecting death tax in the state of domicile of the decedent, if that state furnishes like information to the ***Department of*** Revenue[~~ Cabinet~~] of this state in a reciprocal manner.

Section 284. KRS 140.275 is amended to read as follows:

(1) It is hereby declared to be the legislative policy that Kentucky shall not be a party to interstate double taxation under the terms of the Kentucky inheritance and estate tax laws. Pursuant to this policy, the ***commissioner***[~~secretary~~] of revenue is hereby authorized to omit from the property subject to tax under those laws, any intangible personal property of a nonresident decedent (having a domicile in the United States) held in trust by a Kentucky trustee if the jurisdiction (state, territory or District of Columbia) in which the decedent was domiciled grants similar immunity to residents of Kentucky, but only in the event the personal representative shall present evidence that the tax has been or will be paid to the other jurisdiction. If another state, territory, or the District of Columbia of the United States constitutionally imposes a tax on the transfer of estates or of the distributive shares thereof, but grants immunity from the tax in respect of any intangible

property of its resident decedents held in trust by a Kentucky trustee, then the ***commissioner***[~~secretary~~] of revenue is hereby authorized to exclude from the property subject to tax under the Kentucky inheritance and estate tax laws, the intangible personal property of a Kentucky resident held in trust in that jurisdiction but only in the event the personal representative shall present evidence that the tax has been or will be paid to the other jurisdiction.

(2) It is expressly provided, however, in view of the uncertainty now prevailing with respect to the correct interpretation of the Constitution of the United States regarding the jurisdiction of the several states, that the provisions of this section shall be inoperative under the second alternative until and unless an agreement, approved as to legality by the Attorney General, between the ***commissioner***[~~secretary~~] of revenue as agent for Kentucky and the appropriate administrative official of such other state, shall have been executed and an original copy thereof filed with the Kentucky ***Department of*** Revenue[~~Cabinet~~].

(3) This section is intended to apply retroactively to all estates of decedents on or after April 25, 1936, which are subject to Kentucky inheritance tax laws.

Section 285. KRS 140.285 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] claims that a decedent was domiciled in Kentucky at the time of death and the taxing authorities of another state or states make a similar claim with respect to their state or states, the ***commissioner***[~~secretary~~] of revenue may enter into a written agreement with such taxing authorities and the executor, administrator or trustee, fixing the sum acceptable to the ***department***[~~cabinet~~] in full settlement of the inheritance or estate taxes imposable under this chapter. Such agreement shall also fix the sum acceptable to such other state or states in full settlement of the death taxes imposable by such state or states.

(2) If the aggregate amount payable under such agreement to the states involved is less than the maximum sum allowable as a credit to the estate against the federal estate tax imposed thereon, then the executor, administrator or trustee shall also pay to the State of Kentucky as an estate tax so much of the difference between such aggregate amount and the amount of such credit as the amount payable to Kentucky under the agreement bears to such aggregate amount.

Section 286. KRS 140.290 is amended to read as follows:

Whenever debts are proved against the estate of a decedent after the payment of legacies or distribution of property from which the tax has been deducted or upon which it has been paid, and a refund is made by the legatee, devisee, heir or next of kin, a proportion of the tax so deducted or paid shall be repaid to him, by the personal representative or trustee if the tax has not been paid to the ***Department of*** Revenue[~~ Cabinet~~], or by the ***department***[~~cabinet~~] if it has been so paid.

Section 287. KRS 140.320 is amended to read as follows:

If, within five (5) years after the death of the decedent, a qualified person sells, conveys, or otherwise transfers the ownership, directly or indirectly, of the qualified real estate to any person or persons other than another qualified person who is a joint owner or the qualified real estate is converted to a use other than agricultural or horticultural use, then the qualified persons to whom the property passed at the death of the decedent in whose estate the agricultural or horticultural value was reported shall cause to be paid, pursuant to administrative regulations promulgated by the ***Department of*** Revenue[~~ Cabinet~~], the additional inheritance tax that would have been due on the decedent's estate if fair market value had been used to compute the tax due on the estate rather than the agricultural or horticultural value, along with interest at the tax interest rate as defined in KRS 131.010(6).

Section 288. KRS 140.330 is amended to read as follows:

In the event the qualified real estate is reported for inheritance tax purposes at its agricultural or horticultural value and that real estate has been assessed at its agricultural or horticultural value for ad valorem tax purposes, then that assessment shall be presumed to be its agricultural or horticultural value for inheritance tax purposes. If, however, the real estate has not been so assessed for ad valorem tax purposes, then the agricultural or horticultural value shall be determined pursuant to KRS Chapter 132 and such regulations as may be promulgated by the ***Department of*** Revenue[~~ Cabinet~~] to determine horticultural or agricultural value for inheritance tax purposes.

Section 289. KRS 140.350 is amended to read as follows:

At such time as the ***Department of*** Revenue[~~ Cabinet~~] accepts the agricultural or horticultural value on qualified real estate comprising a portion of a decedent's estate and issues tax waivers thereon, it shall cause to be filed in the office of the county clerk of the county where the real estate or the greater portion thereof is located, on a form prescribed by the ***Department of*** Revenue[~~ Cabinet~~], a lien which on its face shall expire in five (5) years and the lien shall secure the payment of any additional tax which may become due as the result of the qualified real estate being sold to others than qualified persons or the qualified real estate being converted to other than a qualified use.

If additional taxes are due as the result of the real estate being transferred to other than a qualified person or its use is converted to other than agricultural or horticultural use, and the additional tax is not paid after assessment of the tax, within the time prescribed by the regulations of the ***Department of*** Revenue[~~ Cabinet~~], then the ***Department of*** Revenue [~~Cabinet~~]may proceed to enforce the lien in accordance with law.

(6) If the economic development project is a totally separate facility, net income attributable to the project for the purposes of subsections (3), (4), and (5) of this section shall be determined under the separate accounting method reflecting only the gross income, deductions, expenses, gains, and losses allowed under this chapter directly attributable to the facility and overhead expenses apportioned to the facility.

(7) If the economic development project is an expansion to a previously existing facility, net income attributable to the entire facility shall be determined under the separate accounting method reflecting only the gross income, deductions, expenses, gains, and losses allowed under this chapter directly attributable to the facility, and the net income attributable to the economic development project for the purposes of subsections (3), (4), and (5) of this section shall be determined by apportioning the separate accounting net income of the entire facility to the economic development project by a formula approved by the ***Department of*** Revenue[~~ Cabinet~~].

(8) If an approved company can show to the satisfaction of the ***Department of*** Revenue[~~ Cabinet~~] that the nature of the operations and activities of the approved company are such that it is not practical to use the separate accounting method to determine the net income from the facility at which the economic development project is located, the approved company shall determine net income from the economic development project using an alternative method approved by the ***Department of*** Revenue[~~ Cabinet~~].

(9) The ***Department of*** Revenue[~~ Cabinet~~] may issue administrative regulations and require the filing of forms designed by the ***Department of*** Revenue[~~ Cabinet~~] to reflect the intent of KRS 154.22-020 to 154.22-070 and the allowable income tax credit which an approved company may retain under KRS 154.22-020 to 154.22-070.

(7) This tax credit shall not apply to trusts or estates.

(8) Before any tax credit can be claimed under the provisions of this section, the Natural Resources and Environmental Protection Cabinet must certify that the taxpayer's system is a viable system for using solar, wind or geothermal energy and documentation must be provided that the system has been completely installed. Any fee charged by the ***department***[~~cabinet~~] for review and certification of a system shall not exceed ten dollars ($10).

Section 323. KRS 144.110 is amended to read as follows:

As used in KRS 144.110 to 144.130, unless the context requires otherwise:

(1) "Air transportation facilities and related equipment" means any facilities, improvements, or equipment located at an airport and used, directly or indirectly, by the certificated air carrier or its customers in the carrier's business of transporting persons or property for hire. It includes exclusive space leased or owned by the certificated air carrier, common access areas, concession areas, aircraft ramps, taxiways, roadways, and vehicles which are part of an intra-airport train, subway, or automated fixed guideway transit system, but excludes any other ground vehicles and aircraft.

(2) "Investment" means all costs which, consistent with the fundamental project scope, the certificated air carrier, airport operator, or any bond trustee pays, commits to pay, or incurs in any manner for the purchase or acquisition of additional air transportation facilities for which construction was started after the base period, and related equipment which was not located at an airport in this Commonwealth prior to the base period. Included are costs directly related to the design, construction, purchase, acquisition, lease, use, or financing of part or all of the additional air transportation facilities and related equipment whether owned, leased, or used by the carrier or its customers. Financing costs shall be limited to the principal amount of bonds or other obligations, capitalized interest, and any related issuance costs and expenses. The total investment shall not be offset or otherwise reduced if the certificated air carrier or airport operator is or subsequently becomes eligible for any reimbursement from either federal funds or other funds which may be available, including funds generated directly or indirectly from passenger facility charges. Likewise, any subsequent adjustment to the total investment provided in a carrier's contractual obligation shall not adversely affect the amount of the investment if the fundamental project scope is not reduced.

(3) "Annual period" means the certificated air carrier's taxable year as provided in KRS 141.140.

(4) "Base period" means the certificated air carrier's annual period ending in 1990.

(5) "Contractually obligated" or "contractual obligation" means having entered into a written agreement or commitment to make an investment in air transportation facilities and related equipment in this state.

(6) "Gross Kentucky real wage base" means the wages subject to Kentucky income tax and Kentucky income tax withholding pursuant to KRS Chapter 141, paid by a certificated air carrier during the base period adjusted to reflect changes in the United States Department of Labor's "Employment Cost Index - Wages and Salaries" for the transportation industry or, at the option of the carrier and upon verification by the ***Department of*** Revenue[~~ Cabinet~~], the carrier's actual general wage increases, through the end of the annual period for which tax credit is claimed pursuant to KRS 144.125.

(7) "Nonqualifying employees" means employees of the certificated air carrier whose employment with the carrier began after the base period; and

- (a) The employees perform essentially the same functions which, by contract or otherwise, were performed in this Commonwealth for the carrier by another company at any time after the base period; or
- (b) Their employment continued in this Commonwealth as the result of the carrier's purchase, merger, or other acquisition of or combination with another company.

(8) "Fundamental project scope" means the total project consisting of the additional air transportation facilities and related equipment as reflected in the carrier's application filed pursuant to KRS 144.130. It shall be measured by the carrier's increased capacity. Measures of increased capacity may include such factors as square footage, cost, employment, passenger or freight loadings or handling capabilities, number of aircraft departures, and other factors related to the increased investment.

Section 324. KRS 144.120 is amended to read as follows:

(1) Subject to the provisions of subsections (4), (5), and (6) of this section and KRS 144.130, any certificated air carrier which is engaged in the air transportation of persons or property for hire shall be entitled to a Kentucky sales and use tax credit, as computed in subsection (3) of this section, on aircraft fuel, including jet fuel, purchased after June 30, 1991, for any annual period in which the carrier meets or exceeds the investment or fuel purchase qualification requirements prescribed in subsection (2) of this section.

(2) To qualify for the sales and use tax credit provided in subsection (1) of this section, the certificated air carrier shall:

- (a) Prior to or during the annual period for which the credit is claimed, have made, caused to be made, or obtained contractual obligations to make, consistent with the fundamental project scope, an investment in the aggregate of at least three hundred million dollars ($300,000,000) in new and expanded air transportation facilities and related equipment in this Commonwealth; or
- (b) During the annual period for which the credit is claimed, purchase and place into the fuel supply tank of its aircraft in this state not less than one hundred million (100,000,000) gallons of aircraft fuel, including jet fuel, for the carrier's direct operation of the aircraft in interstate or foreign commerce exclusively for the conveyance of property or passengers for hire. Nominal use of the aircraft fuel in intrastate commerce shall not affect this provision.

(3) The sales and use tax credit shall be an amount equal to the Kentucky sales and use tax otherwise applicable to aircraft fuel, including jet fuel, purchased by the certificated air carrier for its storage, use, or other consumption during the annual period, less four million dollars ($4,000,000). The four million dollar ($4,000,000) amount shall be increased to reflect the Kentucky sales and use tax on aviation fuel attributable to operations of any other company purchased, merged, acquired, or otherwise combined with the certificated air carrier after the base period. The amount of the increase shall be based on the Kentucky sales and use tax applicable to such aircraft fuel purchased during the twelve (12) month period immediately preceding the purchase, merger, or other acquisition by or combination with the certificated air carrier.

(4) To facilitate administration of the tax credit provided pursuant to this section, each qualifying certificated air carrier purchasing aircraft fuel, including jet fuel, on which the Kentucky sales and use tax for the annual period is reasonably expected to exceed the amount provided in subsection (3) of this section shall report and pay directly to the ***Department of*** Revenue [~~Cabinet ~~]the tax applicable to aircraft fuel, including jet fuel, purchased for its storage, use, or other consumption during the annual period, less the credit provided herein.

(5) Notwithstanding the provisions of subsection (1) of this section, no certificated air carrier shall be entitled to any tax credit pursuant to this section unless the carrier meets the requirements of subsection (2) of this section by the annual period ending in 1997.

(6) Each certificated air carrier claiming the sales and use tax credit authorized pursuant to this section shall file an annual sales and use tax reconciliation report with the ***Department of*** Revenue[~~ Cabinet~~] on or before the fifteenth day of the fourth month following the end of each annual period for which the credit is claimed. The report shall be filed as provided in KRS 144.137.

Section 325. KRS 144.125 is amended to read as follows:

(1) Subject to the provisions of subsections (4) through (9) of this section and KRS 144.130, any certificated air carrier which is engaged in the air transportation of persons or property for hire shall be entitled to a general tax credit, as computed in subsection (3) of this section, for any annual period in which the certificated air carrier meets or exceeds the investment and gross wage qualification requirements prescribed in subsection (2) of this section and has elected to begin claiming the credit.

(2) To qualify for the general tax credit provided in subsection (1) of this section, the certificated air carrier shall:

(a) Prior to or during the annual period for which the credit is claimed, have made, caused to be made, or obtained contractual obligations to make, consistent with the fundamental project scope, an investment in the aggregate of at least three hundred million dollars ($300,000,000) in new and expanded air transportation facilities and related equipment in this Commonwealth; and

(b) During the annual period for which the credit is claimed, have gross wages subject to Kentucky income tax and Kentucky income tax withholding pursuant to KRS Chapter 141 which are at least fifteen million dollars ($15,000,000) greater than its gross Kentucky real wage base. In calculating the gross wages paid for the annual period for which the credit is claimed, there shall not be included the wages of any nonqualifying employees of the certificated air carrier.

(3) The general tax credit shall be an amount equal to ten percent (10%) of the increase in gross wages subject to Kentucky income tax and Kentucky income tax withholding paid by the certificated air carrier during the annual period as compared to the carrier's gross Kentucky real wage base. In calculating the gross wages paid for the annual period for which the credit is claimed, there shall not be included the wages of any nonqualifying employees of the certificated air carrier.

(4) The general tax credit may accrue for only five (5) consecutive annual periods of the qualifying certificated air carrier. The five (5) year limitation period shall begin at the election of the qualifying certificated air carrier, but not later than the carrier's annual period beginning in 1997. The tax credit shall accrue to the carrier only for the annual periods during which the carrier meets or exceeds the requirements as provided in subsection (2) of this section.

(5) The general tax credit authorized to a qualifying certificated air carrier shall not exceed three million dollars ($3,000,000) for any annual period.

(6) The general tax credit authorized to a qualifying certificated air carrier shall not exceed a total of fifteen million dollars ($15,000,000).

(7) The general tax credit authorized shall be claimed by the qualifying certificated air carrier first against its Kentucky corporation income tax liability, then against its Kentucky corporation license tax liability, with any remaining balance to be claimed against its Kentucky sales and use tax liability. The credit shall not be applied to any other liability due the Commonwealth. The ***Department of*** Revenue~~[Cabinet]~~ may prescribe the method or manner for the qualifying certificated air carrier to claim the tax credit on applicable tax returns filed with the ***department***~~[cabinet]~~.

(8) If the tax liabilities against which the tax credit is to be claimed pursuant to subsection (7) of this section are not sufficient to fully absorb the allowable tax credit, or if a net operating loss carryback or other subsequent adjustment reduces the carrier's liability against which a credit authorized by this section has previously been claimed, the unused or excess balance of the allowable credit may be applied against the carrier's liabilities for the specified taxes for previous or subsequent annual periods within the five (5) year limitation period. However, no refund in excess of the net tax actually paid by the carrier shall be made by the Commonwealth because of the carrier's application of the unused or excess credit. Interest shall not apply to any tax refunded for a prior period resulting from the credit carryback provisions of this subsection.

(9) Each certificated air carrier claiming the general tax credit authorized pursuant to this section shall file an annual general tax credit reconciliation report with the ***Department of*** Revenue~~[Cabinet]~~ on or before the fifteenth day of the fourth month following the end of each annual period for which the credit is claimed. The report shall be filed as provided in KRS 144.135 to 144.139 for each type tax against which the credit is applied.

Section 326. KRS 144.130 is amended to read as follows:

(1) No certificated air carrier shall claim any tax credit pursuant to KRS 144.110 to 144.130 until its entitlement thereto is first determined by the ***Department of*** Revenue~~[Cabinet]~~. Upon application to the ***department***~~[cabinet]~~, a certificated air carrier desiring to claim a tax credit pursuant to KRS 144.110 to 144.130 shall present documentation as may reasonably be required by the ***department***~~[cabinet]~~ to define the fundamental project scope and verify the required investment, the increased capacity which is to result from the investment, and the anticipated project completion date. Documentation may include the carrier's contractual obligations, its corporation board resolutions or stockholder reports, airport board resolutions or actions, related financial transactions, and any other documentation which defines or describes the fundamental project scope and the carrier's planned investment and increased capacity. The ***commissioner***~~[secretary]~~ of the ***Department of*** Revenue~~[Cabinet]~~ shall, upon the ***department's***~~[cabinet's]~~ review of the documentation submitted by the carrier, make a tax credit entitlement determination and immediately give notice thereof to the carrier. In making an entitlement determination, the ***Department of*** Revenue~~[Cabinet]~~ shall seek whatever third-party counsel and advice deemed appropriate to satisfy itself that the fundamental project scope is sufficient to support at least a three hundred million dollar ($300,000,000) investment in additional air transportation facilities and related equipment. An entitlement granted by the ***commissioner***~~[secretary]~~ of the ***Department of*** Revenue~~[Cabinet]~~ for a certificated air carrier to claim any tax credit pursuant to KRS 144.110 to 144.139 shall be subject to the provisions of subsection (2) of this section.

(2) Any certificated air carrier which is granted entitlement to claim any tax credit pursuant to KRS 144.110 to 144.130 shall, by the anticipated project completion date specified in the carrier's application filed pursuant to subsection (1) of this section, but not later than the carrier's annual period ending in 1997, demonstrate to the satisfaction of the ***Department of*** Revenue~~[Cabinet]~~ that an investment of at least three hundred million dollars ($300,000,000) has been made or that the

carrier has completed at least ninety percent (90%) of the fundamental project scope. An investment of three hundred million dollars ($300,000,000) or the completion of at least ninety percent (90%) of the fundamental project scope shall constitute fulfillment of the investment requirement. Without precluding the carrier's demonstration by other means, completion of ninety percent (90%) of the projected increased passenger or freight handling or loading capacity, as measured by the number of gates or loading facilities, or completion of at least ninety percent (90%) of the total square footage of the buildings, including the fixtures and equipment therefor, which were to be constructed and equipped as a part of the fundamental project scope shall demonstrate completion of at least ninety percent (90%) of the fundamental project scope. If the carrier has not made an investment of at least three hundred million dollars ($300,000,000) and has not completed at least ninety percent (90%) of the fundamental project scope by the anticipated project completion date, but not later than the carrier's annual period ending in 1997, all or a portion of the tax credit otherwise authorized pursuant to KRS 144.110 to 144.130 shall be forfeited as follows:

Fundamental Project Scope Completion Percentage	Portion of Credit Forfeited
At least 80%, but less than 90%	25%
At least 70%, but less than 80%	50%
Less than 70%	100%

(3) The ***Department of*** Revenue[~~ Cabinet~~] shall be responsible for determining the extent of the certificated air carrier's completion of the fundamental project scope. In making the determination, the ***department***[~~cabinet~~] shall consult with the certificated air carrier, the affected airport board and, if deemed necessary, with other persons.

(4) Subject to the provisions of KRS 131.110, notwithstanding the provisions of KRS 136.076, 139.620, 141.210, 413.120, or any other provision of the Kentucky Revised Statutes limiting the time for assessing taxes, the ***Department of*** Revenue[~~ Cabinet~~] shall assess against the carrier the amount of any tax credit previously claimed which is forfeited pursuant to subsection (2) of this section. Interest at the tax interest rate as defined in KRS 131.010(6) shall apply to the forfeited tax credit amount from the date the credit was claimed until reimbursement is made to the Commonwealth. The carrier shall be allowed to claim in any applicable subsequent annual periods only that portion of the credit otherwise authorized pursuant to KRS 144.110 to 144.130 which has not been forfeited as provided in this section.

(5) The dates set forth in subsection (2) of this section may be extended by the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~], upon request by the carrier, by an amount of time equal to any delay caused by circumstances reasonably beyond the carrier's control which prevent the carrier from completing the project by the anticipated project completion date, including construction delays and delays resulting from the carrier's compliance with applicable federal, state, or local laws, rules and regulations, or an order or judgment of a court or administrative agency. They may also be extended by the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~] upon the carrier's showing of any other good cause. The Governor and the Legislative Research Commission shall be immediately notified of any extension granted pursuant to this subsection and the reason for granting the same.

(6) Upon the making of an initial tax credit entitlement determination pursuant to subsection (1) of this section, the ***Department of*** Revenue[~~ Cabinet~~] shall immediately give written notification to the Governor and the Legislative Research Commission and shall include a description of the fundamental project scope and a summary of the estimated costs. Upon making a final determination as provided in subsections (2) and (3) of this section, the ***Department of*** Revenue[~~ Cabinet~~] shall immediately give written notification to the Governor and the Legislative Research Commission of the extent to which the fundamental project scope was completed. Such notification shall include a summary of the total costs expended for the completed project and a description of any changes to or deviations from the fundamental project scope.

Section 327. KRS 144.132 is amended to read as follows:

(1) Subject to the provisions of subsection (2) of this section, any certificated air carrier which is engaged in the air transportation of persons or property for hire shall be entitled to a credit against the Kentucky sales and use tax paid on aircraft fuel, including jet fuel, purchased after June 30, 2000, as determined under subsection (2) of this section.

(2) For fiscal years beginning after June 30, 2000, certificated air carriers shall pay the first one million dollars ($1,000,000) in Kentucky sales and use tax due that is applicable to the purchase of aircraft fuel, including jet fuel. The sales and use tax credit shall be an amount equal to the Kentucky sales and use tax otherwise applicable to the purchase of aircraft fuel, including jet fuel, purchased by the certificated air carrier during each fiscal year beginning after June 30, 2000, in excess of one million dollars ($1,000,000).

(3) Each certificated air carrier purchasing aircraft fuel, including jet fuel, on which Kentucky sales and use tax for the fiscal year is reasonably expected to exceed one million dollars ($1,000,000) shall report and pay directly to the ***Department of*** Revenue[~~ Cabinet~~] the tax applicable to the purchase of aircraft fuel, including jet fuel, purchased for storage use or other consumption during the fiscal year.

(4) Each certificated air carrier claiming the sales and use tax credit authorized pursuant to this section shall file an annual sales and use tax reconciliation report with the ***Department of*** Revenue[~~ Cabinet~~] on or before October 15 of the fiscal year following the fiscal year for which the credit is claimed. The report shall be filed as provided in KRS 144.137.

Section 328. KRS 144.135 is amended to read as follows:

The general tax credit reconciliation report required to be filed by qualifying certificated air carriers pursuant to KRS 144.125 shall be submitted to the ***Department of*** Revenue[~~ Cabinet~~] in a form and contain information and documentation as the ***department***[~~cabinet~~] may reasonably require to verify the carrier's computation of the tax credit and the use of the credit against the tax levied by KRS 136.070.

Section 329. KRS 144.137 is amended to read as follows:

The sales and use tax aviation fuel tax credit reconciliation report and the general tax credit reconciliation report required to be filed by qualifying certificated air carriers pursuant to KRS 144.120, 144.125, and 144.132 shall be submitted to the ***Department of***Revenue[~~ Cabinet~~] in a form and contain information and documentation as the ***department***[~~cabinet~~] may reasonably require to verify the carrier's computation of the applicable tax credit and the use of the credit against the taxes levied by KRS Chapter 139.

Section 330. KRS 144.139 is amended to read as follows:

The general tax credit reconciliation report required to be filed by qualifying certificated air carriers pursuant to KRS 144.125 shall be submitted to the ***Department of*** Revenue[~~ Cabinet~~] in a form and contain information and documentation as the ***department***[~~cabinet~~] may reasonably require to verify the carrier's computation of the tax credit and the use of the credit against the tax levied by KRS 141.040.

Section 331. KRS 147A.025 is amended to read as follows:

(1) Except as provided in subsection (7) of this section, the Department for Local Government with the advice and approval of the state local finance officer annually shall conduct a program to instruct county clerks, sheriffs, jailers, and county treasurers respecting their duties and responsibilities in the collection and expenditure of public moneys, subject to their control and jurisdiction.

(2) The department with the advice and approval of the state local finance officer shall establish the content and publish instructional materials essential to implementing this program. Subsequent to every regular and extraordinary session of the General Assembly, the department with the state local finance officer shall review and revise, if necessary, the program when it is found not to be consistent with state law.

(3) The department may assess a charge to any person requesting copies of instructional materials published as provided by this section to cover actual costs of printing and handling these materials, except that no county official shall be charged for instructional materials provided for his use. Funds accruing from the sale of instructional materials shall be paid into the State Treasury, and the State Treasurer shall pay these funds into an account of the department to defray the costs of printing and handling these materials.

(4) The commissioner of the department with the advice and approval of the state local finance officer may prescribe completion standards for this program, and may, subject to subsection (6) of this section, establish the number, type and sequence of instructional sessions to be conducted by the department; but the commissioner of the department shall not require the attendance of any county official, nor shall he prescribe any requirement or standard that restricts or impairs a county official or elected candidate in the lawful pursuit or conduct of the office to which he is elected.

(5) The department shall notify in advance each county clerk, sheriff, jailer, and county treasurer respecting instructional session pertinent to his office. Notification shall be by mail, and it shall be posted no later than twenty-one (21) days prior to the instructional session. At a minimum, the notice shall give the date, time, place and title of the instruction session.

(6) The department shall conduct this program by providing a one (1) day session at various locations throughout this state in order to minimize the travel expenses of those officials attending, provided that the aggregate number of all sessions shall not exceed five (5) during any calendar year. Except as provided in subsection (7) of this section, the department may commence instruction anytime during a calendar year.

(7) The department shall not conduct a program as provided by this section during any calendar year when a general election is held for every constitutional county office. The department, however, shall commence instruction for the succeeding year within eighty (80) days following said general election.

(8) Every county official who attends an instructional session shall be paid his actual and necessary expenses in attending from the operating funds of his office.

(9) In fulfilling the requirements of this section, the department shall confer with and coordinate its duties and responsibilities with the Finance and Administration Cabinet,[~~ the Revenue Cabinet~~] and the Auditor of Public Accounts. The department shall also confer with those state universities whose mission statements mandate their participation in the training of public officials, the state associations for those officials listed in subsection (1) of this section, and the Kentucky Association of Counties, respecting the implementation of this section.

Section 332. KRS 147B.100 is amended to read as follows:

(1) There is recognized as established the Governor's Financial Policy Council. The purpose of the council shall be to advise the Governor on economic and financial matters relating to revenue, budgetary, and financial management policies.

(2) The council shall consist of the secretary of Finance and Administration Cabinet, the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~], the state budget director, and four (4) at-large members, appointed by the Governor, who shall be persons that are knowledgeable by reason of their experience and academic training, in the fields of business,

financial management or public policy. The Governor shall designate one (1) of the four (4) at-large members to serve as chairman of the council.

(3) The terms of the at-large members shall coincide with the elected term of the Governor who appointed them. Vacancies in the at-large membership of the council shall be filled by appointment by the Governor for the unexpired portion of the vacated member's term.

(4) The council shall meet at least annually and shall hold other meetings deemed necessary by a majority of the membership or when requested by the Governor.

(5) The members of the Governor's council shall serve without compensation for their services but shall be reimbursed, subject to the provisions of KRS 45.101 and state travel regulations, for all actual and necessary expenses incurred in the performance of their duties as members of the council.

Section 333. KRS 148.855 is amended to read as follows:

(1) The secretary of the Tourism Development Cabinet shall establish standards for the making of applications for inducements and the recommendation to the authority of eligible companies and their tourism attraction projects by the promulgation of administrative regulations in accordance with KRS Chapter 13A.

(2) The secretary of the Tourism Development Cabinet shall consult with the authority when establishing standards to ensure that standards established pursuant to subsection (1) of this section and KRS 148.857(1) do not conflict.

(3) With respect to each eligible company making an application to the secretary of the Tourism Development Cabinet for inducements, and with respect to the tourism attraction project described in the application, the secretary of the Tourism Development Cabinet shall make inquiries and request materials of the applicant that shall include, but not be limited to, marketing plans for the project that target individuals who are not residents of the Commonwealth; a description and location of the project; capital and other anticipated expenditures for the project that indicate that the total cost of the project shall exceed one million dollars ($1,000,000), except for a theme restaurant destination attraction's project cost, which shall exceed five million dollars ($5,000,000), and the anticipated sources of funding therefor; the anticipated employment and wages to be paid at the project; business plans which indicate the average number of days in a year in which the project will be in operation and open to the public; and the anticipated revenues and expenses generated by the project. If the tourism attraction project is an entertainment destination center, the sales tax refund shall be dedicated to a public infrastructure purpose that shall relate to the tourism attraction project and shall be approved by the secretary of the Tourism Development Cabinet. The applicant shall submit the public infrastructure purpose with its application. Based upon a review of these materials, if the secretary of the Tourism Development Cabinet determines that the eligible company and the tourism attraction project may reasonably satisfy the criteria for final approval in subsection (4) of this section, then the secretary of the Tourism Development Cabinet may submit a written request to the authority requesting that the authority consider a preliminary approval of the eligible company and the tourism attraction project.

(4) After receiving a preliminary approval by the authority, the secretary of the Tourism Development Cabinet shall engage the services of a competent consulting firm to analyze the data made available by the eligible company and to collect and analyze additional information necessary to determine that, in the independent judgment of the consultant, the tourism attraction project:

(a) Shall attract at least twenty-five percent (25%) of its visitors from among persons who are not residents of the Commonwealth, except for a theme restaurant destination attraction, which shall attract a minimum of fifty percent (50%) of its visitors from among persons who are not residents of the Commonwealth;

(b) Shall have costs in excess of one million dollars ($1,000,000), except for a theme restaurant destination attraction, which shall have costs in excess of five million dollars ($5,000,000);

(c) Shall have a significant and positive economic impact on the Commonwealth considering, among other factors, the extent to which the tourism attraction project will compete directly with existing tourism attractions in the Commonwealth and the amount by which increased tax revenues from the tourism attraction project will exceed the credit given to the approved company;

(d) Shall produce sufficient revenues and public demand to be operating and open to the public for a minimum of one hundred (100) days per year, except for a theme restaurant destination attraction, which shall be operating and open to the public for a minimum of three hundred (300) days per year; and

(e) Shall not adversely affect existing employment in the Commonwealth.

(5) The independent consulting firm shall consult with the authority, the Office of the State Budget Director, ***and*** the Finance and Administration Cabinet~~[, and the Revenue Cabinet]~~ in the development of a report on the proposed tourism attraction project. The Office of the State Budget Director ***and***~~[,]~~ the Finance and Administration Cabinet~~[, and the Revenue Cabinet]~~ shall agree as to the methodology to be used and assumptions to be made by the independent consultant in preparing its report. On the basis of the independent consultant's report and prior to any approval of a project by the authority, the Office of the State Budget Director ***and***~~[,]~~ the Finance and Administration Cabinet~~[, and the Revenue Cabinet]~~ shall certify to the authority whether there is a projected net positive economic impact to the Commonwealth and the expected amount of incremental state revenues from the project. Approval shall not be granted if it is determined that there is no projected net positive economic impact to the Commonwealth.

(6) The eligible company shall pay for the cost of the consultant's report and shall cooperate with the consultant and provide all of the data that the consultant deems necessary to make its determination under subsection (4) of this section.

(7) After a review of relevant materials, the consultant's report, and completion of other inquiries, the secretary of the Tourism Development Cabinet shall, by written notification to the authority, provide a recommendation to the authority regarding final approval of the tourism attraction project.

Section 334. KRS 148.859 is amended to read as follows:

(1) The authority, upon adoption of its final approval, may enter into with any approved company an agreement with respect to its tourism attraction project. The terms and provisions of each agreement shall include, but not be limited to:

(a) The amount of approved costs, which shall be determined by negotiations between the authority and the approved company. Any increase in approved costs incurred by the approved company and agreed to by the authority shall apply retroactively for purposes of calculating the carry forward for unused inducements as set forth in KRS 139.536(3) for tax years commencing on or after July 1, 2004;

(b) A date certain by which the approved company shall have completed the tourism attraction project. Upon request from any approved company that has received final approval prior to or after July 15, 2000, the authority shall grant an extension or change, which in no event shall exceed three (3) years from the date of final approval, to the completion date as specified in the agreement of an approved company. Within three (3) months of the completion date, the approved company shall document the actual cost of the project through a certification of the costs to be provided by an independent certified public accountant acceptable to the authority;

(c) The following provisions:

1. The term shall be ten (10) years from the later of:

a. The date of the final approval of the project; or

b. The original completion date specified in the agreement, if this completion date is within three (3) years of the date of the final approval of the project. An extension of the original completion date shall not alter the commencement date of the term;

2. Within forty-five (45) days after the end of each fiscal year of the approved company, during the term of the agreement, the approved company shall supply the authority with such reports and certifications as the authority may request demonstrating to the satisfaction of the authority that the approved company is in compliance with the provisions of KRS 139.536 and KRS 148.851 to 148.860. Based upon a review of these materials and other documents that may be made available, the authority shall then certify to the ***Department of*** Revenue[~~ Cabinet~~] that the approved company is in compliance with this section; and

3. The approved company shall not receive a sales tax refund as prescribed by KRS 139.536 with respect to any fiscal year if:

a. In any year following the fourth year of the agreement, the tourism attraction project fails to attract at least twenty-five percent (25%) of its visitors from among persons who are not residents of the Commonwealth, except for a theme restaurant destination attraction, which shall attract a minimum of fifty percent (50%) of its visitors from among persons who are not residents of the Commonwealth; or

b. In any year following the first year of the agreement, the tourism attraction project is not operating and open to the public for at least one hundred (100) days; and

(d) Upon request from an approved company that has completed at least fifty percent (50%) of an entertainment destination center, the authority shall grant an extension of up to three (3) years to the completion date specified in the agreement of the approved company, in addition to the extension provided for in paragraph (b) of this subsection. In no event shall the completion date be more than six (6) years from the date of final approval. The extension provided for in this paragraph shall be subject to the following conditions:

1. The approved company shall have spent or have contractually obligated to spend an amount equal to or greater than the amount of approved costs set forth in the initial agreement;

2. The term of the agreement shall not be extended; and

3. The scope of the entertainment destination center, as set forth in the initial agreement, shall not be altered to include new or additional entertainment and leisure options.

(2) The agreement shall not be transferable or assignable by the approved company without the written consent of the authority.

Any tax credits not used within fifteen (15) years of the approval by the authority of the aggregate tax credit amount available to the investor shall be lost.

(4) The tax credits allowed by this section shall not apply to any liability an investor may have for interest, penalties, past due taxes, or any other additions to the investor's tax liability. The holder of the tax credit shall assume any and all liabilities and responsibilities of the credit.

(7) After the date on which investors in an investment fund have cumulatively received an amount of credits equal to the amount of credits allocated to the investment fund by the authority, no investor shall receive additional credits by virtue of its investment in that investment fund unless the investment fund's allocation of credits is increased by the authority pursuant to an amended application.

(9) A license issued under this section is neither transferable nor assignable and shall not permit the conduct of a horse race meeting at any track not specified therein. However, if the track specified becomes unsuitable for racing because of flood, fire, or other catastrophe, the commission may, upon application, authorize the meeting, or any remaining portion thereof, to be conducted at any other suitable track available for that purpose, provided that the owner of the track willingly consents to the use thereof.

(10) Horse racing dates may be awarded and licenses issued authorizing horse racing on any day of the year. Horse racing shall be held or conducted only between sunrise and midnight.

(11) The commission may at any time require the removal of any official or employee of any association in those instances where it has reason to believe that the official or employee has been guilty of any dishonest practice in connection with horse racing or has failed to comply with any condition of his license or has violated any law or any administrative regulation of this commission.

(12) Every horse race not licensed under this section is hereby declared to be a public nuisance and the commission may obtain an injunction against the same in the Circuit Court of the county where the unlicensed race is proposed to take place.

Section 390. KRS 234.320 is amended to read as follows:

(1) An excise tax at the rate levied in KRS 138.220(1) and (2) is hereby levied and shall be paid by the liquefied petroleum gas motor fuel dealer to the ***department***~~[cabinet]~~ on all taxable liquefied petroleum gas motor fuel delivered to the licensed liquefied petroleum gas motor fuel user-seller or withdrawn by the liquefied petroleum gas motor fuel dealer to propel motor vehicles on the public highways, either within or without this state. An allowance of one percent (1%) of the tax shall be made to the liquefied petroleum gas motor fuel dealer to cover unaccountable losses, bad debts, and handling and reporting the tax.

(1) A license shall be required of each liquefied petroleum gas motor fuel dealer.

(2) Application for a license shall be made to the ***department***~~[cabinet]~~ upon forms prepared and furnished by the ***department***~~[cabinet]~~. The application shall contain such information as the ***department***~~[cabinet]~~ deems necessary.

(3) Concurrently with the filing of an application for a license, a liquefied petroleum gas motor fuel dealer shall file with the ***department***~~[cabinet]~~ a bond as required under KRS 234.340. (4) The application in proper form having been accepted for filing, the bond, if required, having been accepted and approved and the other conditions and requirements of this section having been complied with, the ***department***~~[cabinet]~~ shall issue a license. However, if an application for a license is filed by any person whose license has at any time previously been revoked for cause by the ***department***~~[cabinet]~~, or if the ***department***~~[cabinet]~~ is of the opinion that the person who makes the application as a subterfuge for the real party in interest whose license, prior to the time of filing the application, has been revoked for cause, or that the application is not for any other reason filed in good faith or is not for sufficient cause, the ***department***~~[cabinet]~~ may, after a hearing of which the applicant shall be given ten (10) days' notice in writing and in which he shall have the right to appear in person or by counsel and present testimony, refuse to issue a license to that person.

dollars ($50,000). If, however, a liquefied petroleum gas motor fuel dealer is bonded as provided in KRS 138.330 the ***department***[~~cabinet~~] may waive the bonding requirement in this section provided a rider is attached to the bond to guarantee payment of all liquefied petroleum gas motor fuel taxes together with all penalties and interest thereon and secure faithful compliance with the provisions of KRS 234.310 to 234.440. The applicant for a license shall be the principal obligor and this state shall be the obligee. The bond shall be conditioned upon the prompt filing of true reports and the payment by the licensee to the ***department***[~~cabinet~~] of all taxes levied under KRS 234.310 to 234.440, together with all penalties and interest thereon and generally upon faithful compliance with the provisions of KRS 234.310 to 234.440.

(2) If the liability upon the bond is discharged or reduced, whether by judgment rendered, payment made, or otherwise or if in the opinion of the ***department***[~~cabinet~~] any surety has become unsatisfactory or unacceptable, the ***department***[~~cabinet~~] may require the licensee to file a new bond with satisfactory surety in the same form and amount, failing which the ***department***[~~cabinet~~] shall cancel the license in accordance with the provisions of this section. If a new bond is furnished by the licensee as above provided, the ***department***[~~cabinet~~] shall cancel the bond for which the new bond is substituted.

(3) If upon an informal hearing, of which the licensee shall be given ten (10) days' notice in writing, the ***department***[~~cabinet~~] decides that the amount of the existing bond is insufficient to insure payment to this state of the amount of the tax, penalties, and interest for which the licensee is or may become liable, the licensee shall, upon the written demand of the ***department***[~~cabinet~~], file an additional bond in the same manner and form with surety thereon approved by the ***department***[~~cabinet~~], in any amount determined by the ***department***[~~cabinet~~] to be necessary, failing which the ***department***[~~cabinet~~] shall cancel the license in accordance with the provisions of this section.

(4) Any surety on a bond furnished by a licensee shall be released from all liability to this state accruing on the bond after the expiration of sixty (60) days from the date upon which the surety has lodged with the ***department***[~~cabinet~~] a written request to be released, but this request shall not operate to release the surety from any liability already accrued or which shall accrue before the expiration of the sixty (60) day period. The ***department***[~~cabinet~~] shall, promptly on the receipt of the request, notify the licensee who furnished the bond, and unless the licensee shall, before the expiration of the sixty (60) day period, file with the ***department***[~~cabinet~~] a new bond with surety satisfactory to the ***department***[~~cabinet~~] in the amount and form prescribed in this section, the ***department***[~~cabinet~~] shall cancel the license in accordance with the provisions of this section. If the new bond is furnished by the licensee as above provided, the ***department***[~~cabinet~~] shall cancel the bond for which the new bond is substituted.

Section 393. KRS 234.350 is amended to read as follows:

(2) Upon voluntary surrender of the license or upon receipt of a written request by a licensee, the ***department***[~~cabinet~~] may cancel his license, effective sixty (60) days from the date of request, but no license shall be canceled upon surrender or request unless the licensee has, prior to the date of cancellation, paid to this state all taxes, penalties, interest, and fines that are due or have accrued, and unless the licensee has surrendered to the ***department***[~~cabinet~~] his license.

(3) If upon investigation the ***department***[~~cabinet~~] ascertains that any person to whom a license has been issued is no longer engaged as a liquefied petroleum gas motor fuel dealer or a liquefied petroleum gas motor fuel user-seller, and has not been so engaged for a period of six (6) months, the ***department***[~~cabinet~~] may cancel the license by giving the person sixty (60) days' notice of cancellation, mailed to his last known address in which event the license shall be surrendered to the ***department***[~~cabinet~~].

(4) Whenever a licensee ceases to engage in business within this state, he shall notify the ***department***[~~cabinet~~] in writing within fifteen (15) days after discontinuance. All taxes that have accrued under KRS 234.310 to 234.440, whether or not then due, shall become due and payable concurrently with the discontinuance. The licensee shall make a report and pay all such taxes and any interest and penalties thereon, and shall surrender to the ***department***[~~cabinet~~] his license.

(5) If the ***department***[~~cabinet~~] takes action to cancel a license as provided in this section, the licensee shall be notified by certified or registered letter or summons of the charges against him, and he shall be afforded an opportunity for an informal hearing on the matter. The hearing shall be set at least five (5) days from the date the letter is delivered or the summons is served. Any licensee aggrieved by a decision to cancel his license after the informal hearing may appeal the decision to the Kentucky Board of Tax Appeals where he shall be granted an administrative hearing in accordance with KRS Chapter 13B.

(6) If the license is canceled by the ***department***[~~cabinet~~] as provided in this section, and if the licensee has paid to this state all taxes, interest, and penalties under KRS 234.310 to 234.440, the ***department***[~~cabinet~~] shall cancel the bond filed by the licensee.

(1) Forty million dollars ($40,000,000) of the moneys credited to the agricultural development fund as set out in KRS 248.703(1)(a) shall be set aside to supplement Phase II on April 26, 2000. Additional funds shall be set aside to supplement Phase II funding as needed from moneys credited to the agricultural development fund after June 30, 2000.

(2) Phase II payments shall be supplemented each year for tobacco growers and quota owners so that the total amount available for payment is maintained at one hundred fourteen million dollars ($114,000,000) each year. If the Phase II supplement set aside referred to in subsection (1) of this section falls below the amount needed to reach the one hundred fourteen million dollar ($114,000,000) level in any year before the end of the twelve (12) year Phase II funding program, procedures outlined in subsection (3) of this section shall be followed.

(3) (a) If the moneys set aside for Phase II supplement before June 30, 2000, become insufficient to continue to meet the yearly one hundred fourteen million dollar ($114,000,000) funding level, moneys needed to supplement Phase II funding to maintain funding at the 1999 level of one hundred fourteen million dollars ($114,000,000) per year for each of the remaining eleven (11) years of the Phase II funding program shall continue to be provided to the Phase II set aside from funds received in the tobacco settlement agreement fund after June 30, 2000. As Master Settlement Agreement funding becomes available after June 30, 2000, for calendar year 2001 and each year thereafter for the life of the Phase II payment program, the moneys needed for the Phase II supplement to assure availability of the one hundred fourteen million dollar ($114,000,000) funding level for that year shall be taken from the agricultural development fund. When a determination is made that funds are needed, funds shall be taken from the agricultural development fund before any other distributions are made following the next master settlement payment in April of each year. On the last year of distribution of the Phase II supplement funds, any excess funds beyond those needed to reach the one hundred fourteen million dollar ($114,000,000) level shall be returned to the agricultural development fund.

(b) Notwithstanding the provisions of paragraph (a) of this subsection, if the moneys required to supplement the Phase II funding at the one hundred fourteen million dollar ($114,000,000) level are less than twenty million dollars ($20,000,000) in a year, the amount shall be deferred to a later year until at least a deficit of twenty million dollars ($20,000,000) is achieved before supplement payments are made.

(4) The Tobacco Settlement Trust Corporation created in KRS 248.480 shall provide for distribution of the Phase II supplement funds. The corporation shall use the same formula and process for distribution of the Phase II supplement funds as it uses for distributions under the regular Phase II payment program, except that the corporation shall send the list

of supplement payment recipients to the ***Department of*** Revenue[~~ Cabinet~~] rather than to the trustee of the National Tobacco Grower Settlement Trust. The ***Department of*** Revenue[~~ Cabinet~~] shall process the information and issue the checks at no charge to the Agricultural Development Board. The Phase II supplement funds shall be identified as supplement funds when distributed to tobacco growers and quota owners.

(15) "Pure premium" means the loss cost per unit of exposure excluding all loss adjustment expenses.

(16) "Classification system" or "classification" means the process of grouping risks with similar risk characteristics so that differences in cost may be recognized.

(17) "Developed losses" means losses (including loss adjustment expenses) adjusted, using standard actuarial techniques, to their ultimate anticipated value.

(18) “Experience rating” means a rating procedure utilizing past insurance experience of the individual policyholder to forecast future losses by measuring the policyholder’s loss experience against the loss experience of policyholders in the same classification to produce a prospective premium credit, debit, or unity modification.

(19) “Form provider” means a person who prepares, files, and distributes policy contract forms and endorsements and consults with members, subscribers, customers, or others relative to their use and application, but is not an advisory organization as defined in this subtitle.

(20) “Loss adjustment expenses” means the expenses incurred by the insurer in the course of settling claims.

(21) “Prospective loss costs” means that portion of a rate that does not include provisions for expenses (other than loss

adjustment expenses) or profit, and are based on historical aggregate losses or output from simulation models and loss adjustment expenses adjusted through development to their ultimate value and projected through trending to a future point in time. (22) "Rate" means the expected value of the future cost of insurance per exposure unit which accounts for the treatment of losses, expenses, and profit prior to any application of individual risk variations based on loss or expense considerations, but does not include minimum premium.

(23) "Special assessments" means guaranty fund assessments, residual market mechanism assessments, and other similar assessments which are included in ratemaking. Special assessments shall not be considered as either expenses or losses. Additional charges collected by the insurer and returned to a governmental agency on behalf of an insured are not special assessments. Examples of these additional charges include, but are not limited to, the special fund charge for workers' compensation imposed by KRS Chapter 342, local government premium tax imposed by KRS 91A.080, and the ***Department of*** Revenue[~~ Cabinet~~] surcharge imposed by KRS Chapter 136.

(24) "Statistical agent" means an entity that has been licensed by the commissioner to collect statistics from insurers and provide reports developed from these statistics to the commissioner for the purpose of fulfilling the statistical reporting obligations of those insurers under this chapter.

Section 435. KRS 304.49-220 is amended to read as follows:

(1) Every captive insurer holding a certificate of authority under KRS 304.49-010 to 304.49-230 shall return to the ***Department of*** Revenue[~~ Cabinet~~] a statement under oath of all premium receipts on business written by the captive insurer during the preceding year and shall pay, on or before March 1 in each year, a tax at the rate of four-tenths of one percent (0.4%) on the first twenty million dollars ($20,000,000), and three-tenths of one percent (0.3%) on the next twenty million dollars ($20,000,000), and two-tenths of one percent (0.2%) on the next twenty million dollars ($20,000,000), and seventy-five thousandths of one percent (0.075%) on each dollar thereafter on the direct premiums collected or contracted for on policies or contracts of insurance written by the captive insurer during the year ending December 31 next preceding, after deducting from the direct premiums subject to the tax the amounts paid to policyholders as return premiums, which shall include dividends on unabsorbed premiums or premium deposits returned or credited to policyholders.

(2) Every captive insurer holding a certificate of authority under KRS 304.49-010 to 304.49-230 shall return to the ***Department of*** Revenue[~~ Cabinet~~] a statement under oath of all assumed reinsurance premium receipts during the preceding year and shall pay, on or before March 1 in each year, a tax at the rate of two hundred twenty-five thousandths of one percent (0.225%) on the first twenty million dollars ($20,000,000) of assumed reinsurance premiums, and one hundred fifty thousandths of one percent (0.150%) on the next twenty million dollars ($20,000,000), and fifty thousandths of one percent (0.050%) on the next twenty million dollars ($20,000,000), and twenty-five thousandths of one percent (0.025%) of each dollar thereafter. However, no reinsurance tax applies to premiums for risks or portions of risks which are subject to taxation on a direct basis pursuant to subsection (1) of this section. No reinsurance premium tax shall be payable in connection with the receipt of assets in exchange for the assumption of loss reserves and other liabilities of another insurer under common ownership and control if the transaction is part of a plan to discontinue the operations of the other insurer, and if the intent of the parties to the transaction is to renew or maintain the business with the captive insurer.

(3) If the aggregate taxes to be paid by a captive insurer calculated under subsections (1) and (2) of this section amount to less than five thousand dollars ($5,000) in any year, the captive insurer shall pay a tax of five thousand dollars ($5,000) for such year.

(4) Two (2) or more captive insurance companies under common ownership and control shall be taxed as though they were a single captive insurer.

(5) For the purposes of this section, common ownership and control shall mean:

  (a) In the case of stock corporations, the direct or indirect ownership of eighty percent (80%) or more of the outstanding voting stock of two (2) or more corporations by the same shareholder or shareholders; and

  (b) In the case of mutual corporations, the direct or indirect ownership of eighty percent (80%) or more of the surplus and the voting power of two (2) or more corporations by the same member or members.

(6) In the case of a branch captive insurer, the tax provided for in this section shall apply only to the branch business of the company.

(7) The tax provided for in this section shall constitute all taxes collectible under the laws of Kentucky from any captive insurer, and the taxes imposed under this section shall be in lieu of all excise, license, occupational, or other taxes imposed by the state, county, city, or other taxing district except as provided in KRS 136.320(6) and (7).

(8) The Kentucky ***Department of*** Revenue[~~ Cabinet~~] shall annually distribute ten percent (10%) of the premium tax revenues collected pursuant to this section to the Department of Insurance for the regulation of captive insurance companies under KRS 304.49-010 to 304.49-230.

Section 436. KRS 342.122 is amended to read as follows:

(1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the

liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the Labor Cabinet, except the Division of Employment Standards, Apprenticeship and Training and the Office of Labor-Management Relations and Mediation, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.

(b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which, when added to the coal severance tax appropriated to the special fund in accordance with paragraph (c) of this section, shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of September 1 preceding January 1 of each year, for the period remaining until December 31, 2018. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

(c) In addition to the assessment imposed in paragraph (a) or (b) of this subsection, and notwithstanding and prior to the transfer of funds to the Local Government Economic Assistance Program under KRS 42.450 to 42.495, the Kentucky ***Department of*** Revenue~~[Cabinet]~~ shall credit nineteen million dollars ($19,000,000) in coal severance tax revenues levied under KRS 143.020 to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission each year beginning with fiscal year 1998 and all fiscal years thereafter. The annual transfer of nineteen million dollars ($19,000,000) shall occur in four (4) equal quarterly payments. These transfers shall occur not later than the last day of each quarter of each calendar year and shall consist of four (4) equal payments of four million, seven hundred fifty thousand dollars ($4,750,000).

(d) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.

(e) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.

(2) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.

(3) The assessments imposed by this section may be collected by the insurance carrier from his insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.

(4) A group self-insurance association may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a group self-insurance association.

(5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each group self-insurer to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or group self-insurer may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the

insurance carrier or group self-insurer from the obligation to furnish same to the funding commission. The Department for Employment Services, Cabinet for Workforce Development is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.

(6) Each self-insured employer, group self-insurer, or insurance carrier shall provide any information and submit any reports the ***Department of*** Revenue[~~ Cabinet~~] or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.

(7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.

(8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.

(9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.

(10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provision of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

Section 437. KRS 342.1223 is amended to read as follows:

(1) The Kentucky Workers' Compensation Funding Commission is created as an agency of the Commonwealth for the public purpose of controlling, investing, and managing the funds collected pursuant to KRS 342.122.

(2) The commission shall:

(a) Hold, administer, invest, and reinvest the funds collected pursuant to KRS 342.122 and its other funds separate and apart from all "state funds" or "public funds," as defined in KRS Chapter 446;

(b) Act as a fiduciary, as defined in KRS Chapter 386, in exercising its power over the funds collected pursuant to KRS 342.122, and may invest association funds through one (1) or more banks, trust companies, or other financial institutions with offices in Kentucky in good standing with the Department of Financial Institutions, in investments described in KRS Chapter 386, except that the funding commission may, at its discretion, invest in nondividend-paying equity securities;

(d) Recommend to the General Assembly, not later than October 31 of the year prior to each even-numbered-year regular legislative session, changes deemed necessary in the level of the assessments imposed in this chapter;

(e) In conjunction with the Labor Cabinet, submit to the General Assembly, not later than October 31 of the year prior to each even-numbered-year regular legislative session, a proposed budget for the biennium beginning July 1 following the even-numbered-year regular session of the General Assembly;

(f) In conjunction with the Labor Cabinet, provide to the Interim Joint Committee on Appropriations and Revenue an annual budget and detailed quarterly financial reports;

(g) Conduct periodic audits, independently or in cooperation with the Labor Cabinet or the ***Department of*** Revenue[~~ Cabinet~~], of all entities subject to the assessments imposed in this chapter; and

(h) Report monthly to the Committees on Appropriations and Revenue and on Labor and Industry its monthly expenditures of restricted agency funds and the nature of the expenditures.

(3) The commission shall have all of the powers necessary or convenient to carry out and effectuate the purposes for which it was established, including, but not limited to, the power:

(f) To make and promulgate administrative regulations.

(4) Notwithstanding the provisions of this chapter to the contrary, the Kentucky Workers' Compensation Funding Commission shall utilize the investment expertise and advice of the Office of Financial Management rather than entering into a consulting contract for investment counseling. The fees charged by financial institutions for managing the investments of the funds of the funding commission shall be paid from the investment earnings of the funds.

(5) The commission shall be attached to the Labor Cabinet for administrative purposes only.

Section 438. KRS 342.1224 is amended to read as follows:

(1) The commission shall be governed by a board of directors consisting of seven (7) members. The seven (7) members shall include the secretary of the Labor Cabinet, the secretary of the Cabinet for Economic Development, the secretary of the ***Finance and Administration***[~~Revenue~~] Cabinet, and four (4) members who shall be appointed by the Governor.

(b) One (1) member, selected from a list of three (3) submitted by the secretary for economic development, who shall represent employers, provided, however, that these three (3) members shall represent employers who purchase workers' compensation coverage for their employees from insurance companies writing workers' compensation insurance in the Commonwealth; and

(c) One (1) member, selected from a list of three (3) submitted by the insurance advisory organization having jurisdiction over Kentucky, who shall represent insurance companies writing workers' compensation insurance in the Commonwealth; and

(5) The board of directors shall appoint an executive director to administer, manage, and direct the affairs and business of the commission, and other staff persons to carry out the affairs and business of the commission, subject in each instance to the policies, control, and directions of the board of directors. The board of directors shall fix the compensation of all such persons and shall pay such compensation out of the funds of the commission.

(6) Notwithstanding any other law, the Governor, pursuant to an executive order, may cause the employees of the commission to be eligible to participate in the Kentucky Retirement System and the Kentucky Public Employees Deferred Compensation System.

(7) A majority of the board of directors of the commission shall constitute a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. The majority shall be determined by excluding any existing vacancies from the total number of directors.

(2) To ensure compliance with the provisions of subsection (1) of this section, the ***Department of*** Revenue[~~ Cabinet~~] shall conduct audits of insurance companies. The costs of such audits shall be borne by the Kentucky Workers' Compensation Funding Commission. The audits shall commence

The aggregate findings of such audits shall be presented to the ***commissioner***[~~secretary~~] of ***the Department of*** Revenue, the commissioner of insurance, the Kentucky Workers' Compensation Funding Commission, and the Governor.

(3) If the audits reveal noncompliance with subsection (1) of this section, the ***Department of*** Revenue[~~ Cabinet~~] shall notify the affected party of such fact. The affected party shall remit the amount in question not later than thirty (30) days following notification and the ***Department of*** Revenue[~~ Cabinet~~] shall institute a civil action in Franklin Circuit Court if remittance is not made within such thirty (30) day period.

(4) The failure of an insurance company to comply with the provisions of this section shall constitute grounds for the revocation by the commissioner of insurance of such entity's authority to write workers' compensation coverage in the Commonwealth.

(5) The ***Department of*** Revenue[~~ Cabinet~~] shall report to the commissioner of insurance the failure of any insurance company to comply with the provisions of this section and the commissioner shall institute revocation procedures of such entity's authority to write workers' compensation coverage in the Commonwealth.

(2) Within forty-five (45) days after January 1, 1953, and of each year thereafter, the owner, operator, lessee, or licensee of each mine shall procure from the department a license to operate the mine, and the license shall not be transferable. Any owner, operator, lessee, or licensee who assumes control of a mine, opens a new mine, or reopens an abandoned mine during any calendar year shall procure a license before mining operations are begun.

When the annual report of the licensee and the annual mine map, as required by KRS 351.170 and 352.450, together with a certification from the commissioner of the Department of Workers' Claims that the applicant for license has presented positive proof of compliance with the provisions of KRS Chapter 342, and a certification from the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~] that the applicant is not a "delinquent taxpayer" as defined in KRS Chapter 131, are properly submitted to the department, the license shall be issued. The commissioner or his accredited agents shall have the authority to extend the time for filing of the map not to exceed an additional forty-five (45) days. Upon receipt of withdrawal of the certification of the commissioner of the Department of Workers' Claims, or upon receipt of notice from the ***commissioner***[~~secretary~~] of ***the Department of*** Revenue that the licensee is a "delinquent taxpayer," as defined in KRS Chapter 131, the department shall forthwith revoke any license issued. Section 1. KRS 150.645 is amended to read as follows:

(1) An owner, lessee or occupant of premises who gives permission to another person to hunt, fish, trap, camp or hike upon the premises shall owe no duty to keep the premises safe for entry or use by the person or to give warning of any hazardous conditions on the premises, and the owner, lessee, or occupant, by giving his permission, does not thereby extend any assurance that the premises are safe for such purpose, or constitute the person to whom permission is granted an invitee to whom a duty of care is owed. The owner, lessee, or occupant giving permission for any of the purposes stated above shall not be liable for any injury to any person or property caused by the negligent acts of any person to whom permission is granted. This section shall not limit the liability which would otherwise exist for willful and malicious failure to guard or to warn against a dangerous condition, use, structure, or activity; or for injury suffered in any case where permission to hunt, fish, trap, camp, or hike was granted for a consideration other than the consideration, if any, as set forth in KRS 411.190(1)(d), paid to said owner, lessee, or occupant by the state. The word "premises" as used in this section includes lands, private ways, and any buildings and structures thereon. Nothing in this section limits in any way any liability which otherwise exists.

(2) Department employees who participate in bona fide wildlife management practices are agents of the Department and State and, in the event property damage does occur, a claim for property damages may only be brought in the Board of Claims pursuant to KRS 44.070.

SB 246, AN ACT relating to construction of certain electric transmission lines.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 278.020 is amended to read as follows:

(1) No person, partnership, public or private corporation, or combination thereof shall commence providing utility service to or for the public or begin the construction of any plant, equipment, property, or facility for furnishing to the public any of the services enumerated in KRS 278.010, except retail electric suppliers for service connections to electric-consuming facilities located within its certified territory and ordinary extensions of existing systems in the usual course of business, until that person has obtained from the Public Service Commission a certificate that public convenience and necessity require the service or construction. Upon the filing of an application for a certificate, and after any public hearing which the commission may in its discretion conduct for all interested parties, the commission may issue or refuse to issue the certificate, or issue it in part and refuse it in part, except that the commission shall not refuse or modify an application submitted under KRS 278.023 without consent by the parties to the agreement. The commission, when considering an application for a certificate to construct a base load electric generating facility, may consider the policy of the General Assembly to foster and encourage use of Kentucky coal by electric utilities serving the Commonwealth. Unless exercised within one (1) year from the grant thereof, exclusive of any delay due to the order of any court or failure to obtain any necessary grant or consent, the authority conferred by the issuance of the certificate of convenience and necessity shall be void, but the beginning of any new construction or facility in good faith within the time prescribed by the commission and the prosecution thereof with reasonable diligence shall constitute an exercise of authority under the certificate.

(2) *For the purposes of this section, construction of any electric transmission line of one hundred thirty-eight (138) kilovolts or more and of more than five thousand two hundred eighty (5,280) feet in length shall not be considered an ordinary extension of an existing system in the usual course of business and shall require a certificate of public convenience and necessity. However, ordinary extensions of existing systems in the usual course of business not requiring such a certificate shall include:*

(a) The replacement or upgrading of any existing electric transmission line; or

(b) The relocation of any existing electric transmission line to accommodate construction or expansion of a roadway or other transportation infrastructure; or

(c) An electric transmission line that is constructed solely to serve a single customer and that will pass over no property other than that owned by the customer to be served.

(3) No utility shall exercise any right or privilege under any franchise or permit, after the exercise of that right or privilege has been voluntarily suspended or discontinued for more than one (1) year, without first obtaining from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity authorizing the exercise of that right or privilege.

(4)[~~(3)~~] No utility shall apply for or obtain any franchise, license, or permit from any city or other governmental agency until it has obtained from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity showing that there is a demand and need for the service sought to be rendered.

(5)[~~(4)~~] No person shall acquire or transfer ownership of, or control, or the right to control, any utility under the jurisdiction of the commission by sale of assets, transfer of stock, or otherwise, or abandon the same, without prior approval by the commission. The commission shall grant its approval if the person acquiring the utility has the financial, technical, and managerial abilities to provide reasonable service.

(6)[~~(5)~~] No individual, group, syndicate, general or limited partnership, association, corporation, joint stock company, trust, or other entity (an "acquirer"), whether or not organized under the laws of this state, shall acquire control, either directly or indirectly, of any utility furnishing utility service in this state, without having first obtained the approval of the commission. Any acquisition of control without prior authorization shall be void and of no effect. As used in this subsection, the term "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a utility, whether through the ownership of voting securities, by effecting a change in the composition of the board of directors, by contract or otherwise. Control shall be presumed to exist if any individual or entity, directly or indirectly, owns ten percent (10%) or more of the voting securities of the utility. This presumption may be rebutted by a showing that ownership does not in fact confer control. Application for any approval or authorization shall be made to the commission in writing, verified by oath or affirmation, and be in a form and contain the information as the commission requires. The commission shall approve any proposed acquisition when it finds that the same is to be made in accordance with law, for a proper purpose and is consistent with the public interest. The commission may make investigation and hold hearings in the matter as it deems necessary, and thereafter may grant any application under this subsection in whole or in part and with modification and upon terms and conditions as it deems necessary or appropriate. The commission shall grant, modify, refuse, or prescribe appropriate terms and conditions with respect to every such application within sixty (60) days after the filing of the application therefor, unless it is necessary, for good cause shown, to continue the application for up to sixty (60) additional days. The order continuing the application shall state fully the facts that make continuance necessary. In the absence of that action within that period of time, any proposed acquisition shall be deemed to be approved.

(7)[~~(6)~~] Subsection *(6)*[~~(5)~~] of this section shall not apply to any acquisition of control of any:

(a) Utility which derives a greater percentage of its gross revenue from business in another jurisdiction than from business in this state if the commission determines that the other jurisdiction has statutes or rules which are applicable and are being applied and which afford protection to ratepayers in this state substantially equal to that afforded such ratepayers by subsection *(6)*[~~(5)~~] of this section;

(b) Utility by an acquirer who directly, or indirectly through one (1) or more intermediaries, controls, or is controlled by, or is under common control with, the utility, including any entity created at the direction of such utility for purposes of corporate reorganization; or

(c) Utility pursuant to the terms of any indebtedness of the utility, provided the issuance of indebtedness was approved by the commission.

(8) In a proceeding on an application filed pursuant to this section, any interested person, including a person over whose property the proposed transmission line will cross, may request intervention, and the commission shall, if requested, conduct a public hearing in the county in which the transmission line is proposed to be constructed, or, if the transmission line is proposed to be constructed in more than one county, in one of those counties. The commission shall issue its decision no later than ninety (90) days after the application is filed, unless the commission extends this period, for good cause, to one hundred twenty (120) days. The commission may utilize the provisions of KRS 278.255(3) if, in the exercise of its discretion, it deems it necessary to hire a competent, qualified and independent firm to assist it in reaching its decision. The issuance by the commission of a certificate that public convenience and necessity require the construction of an electric transmission line shall be deemed to be a determination by the commission that, as of the date of issuance, the construction of the line is a prudent investment.

(9)[~~(7)~~] If any provision of this section or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to that end the provisions are declared to be severable.

Section 2. KRS 278.516 is amended to read as follows:

(1) The legislature finds and determines that:

(a) Small telephone utilities lack the resources to fully participate in the existing regulatory processes, particularly under traditional rate of return and certificate of public convenience and necessity regulation;

(b) Regulation, if not tailored specifically to the needs of small telephone utilities, can retard the growth and development of small telephone utilities by requiring the expenditure of excessive time and money responding to and addressing regulatory processes instead of devoting those resources to customer service and more productive business concerns and issues; and

(c) It is in the public interest to provide regulatory flexibility to small telephone utilities to better enable them to adjust to the competition and innovation that has come and is coming to the telecommunications industry as found and determined by the legislature at KRS 278.512(1).

(2) In addition to the definitions set forth at KRS 278.010, the following definitions shall apply to this section:

(a) "Telephone utility" means a telephone utility as defined at KRS 278.010(3)(e) except that it includes local exchange carriers only;

(b) "Local exchange carrier" means a traditional wireline telephone utility which provides its subscribers with access to the national public switched telephone network;

(c) "Traditional wireline telephone utility" means one whose delivery of its telephone utility services is characterized by the predominant use of wire or wireline connections carrying communications transmissions between the subscriber of the utility and the national public switched telephone network;

(d) "Small telephone utility" means a local exchange carrier providing telephone utility service and having not more than fifty thousand (50,000) access lines in Kentucky;

(e) "Largest telephone utility" means the local exchange carrier providing telephone utility service in Kentucky and having the greatest number of access lines in Kentucky;

(f) "Access lines" mean the telephone lines provided by a local exchange carrier. In calculating the number of access lines provided by a local exchange carrier, the number of access lines provided by all telephone utilities under common ownership or control, as defined in KRS 278.020*(6)*[~~(5)~~], with that telephone utility shall be counted;

(g) "GDP" means the real Gross Domestic Product Price Index, as it may be amended from time to time, as it is published by the Bureau of Economic Analysis of the United States Department of Commerce;

(h) "Annual percent change in the GDP" means, for any given calendar year, the annul percentage change in the GDP as it is calculated by the Bureau of Economic Analysis of the United States Department of Commerce;

(i) "Basic business rate" and "basic residential rate" mean the total rates or charges which must be paid by a business or residential subscriber, respectively, to a local exchange carrier in order to receive, outside of a standard metropolitan statistical area, telephone utility service within a specified geographic area for local calling and for which tariffed rates or charges are assessed, regardless of the amount of use of local calling;

(j) "Standard metropolitan statistical area" means any area in Kentucky designated as such, or as a part thereof, pursuant to 44 U.S.C. sec. 3504(d)(3) and 31 U.S.C. sec. 1104(d), as they may be amended, by the Office of Management and Budget of the Executive Office of the President of the United States; provided, however, that for purposes of this section, "standard metropolitan statistical area" shall include only the two (2) largest, as measured by population, standard metropolitan statistical areas, regardless of whether that area is located wholly or partially in Kentucky;

(k) "Basic business service" or "basic residential service" means the service for which basic business rates or basic residential rates are charged;

(l) "Average basic business or residential rate, including zone charges," means the total revenues which should be produced by the imposition of those rates or charges divided by the number of access lines to which those rates or charges are applicable;

(m) "Zone charges" mean mileage or zone charges and are the charges assessed by a telephone utility on the basis of a subscriber's distance from a central office in order that the subscriber may receive basic business or residential services;

(n) "Subscriber" means the person or entity legally and financially responsible for the bill rendered by a telephone utility for its services;

(o) "Intrastate access charges" mean the charges assessed for use of the telecommunications facilities of one telephone utility by another person or entity in order to deliver to the public for compensation telephone messages originating and terminating within Kentucky;

(p) "Interstate access charges" mean the charges assessed for use of the telecommunications facilities of one (1) telephone utility by another person or entity in order to deliver to the public for compensation telephone messages originating or terminating, but not both, in Kentucky; and

(q) "Pic charges" are charges assessed by a local exchange carrier in order to implement a change in a subscriber's long distance carrier.

(3) (a) If a small telephone utility elects to be regulated as provided in subsection (7) of this section, a small telephone utility once during any twenty-four (24) month period may adjust or implement each of the following rates or charges: basic business rate; basic residential rate; zone charges; or installation charges for basic business or basic residential services by an amount not to exceed the sum of the annual percentage changes in the GDP for the immediately preceding two (2) calendar years multiplied by the existing rate or charge to be adjusted. However, in no event shall a small telephone utility so adjust:

1. Its basic business rate, including zone charges, if the resulting average basic business rate, including zone charges, would thereby exceed the average basic business rate, including zone charges, of the largest telephone utility;

2. Its basic residential rate, including zone charges, if the resulting average basic residential rate would thereby exceed the average basic residential rate including zone charges, of the largest telephone utility; or

3. If its average basic business rate, including zone charges, its average basic residential rate, including zone charges, or its installation charges for basic business or basic residential services would be increased by more than twenty percent (20%).

(b) At least sixty (60) calendar days before the effective date of such an adjustment of its rates or charges, a small telephone utility shall file a copy of its revised rates and tariffs with the commission and shall mail notice of the proposed rate adjustment to each affected subscriber and the commission. The notice shall state:

1. The GDP for the preceding two (2) calendar years;

2. The amount by which any of the small telephone utility's rates or charges identified in subsection (3)(a) of this section will be adjusted; and

3. The right of subscribers to object to the adjustment and request commission review by filing a letter or petition with the commission.

(c) If by the forty-fifth calendar day following the date of the notice to subscribers of such a proposed adjustment to its rates or charges, the commission has received letters or petitions requesting commission review of the adjustment signed by at least five hundred (500) subscribers or five percent (5%) of subscribers, whichever is greater, the commission shall immediately notify the small telephone utility of this fact, and the proposed rate adjustment shall not become effective as scheduled. The small telephone utility may withdraw the proposed rate or charge adjustment, or if it decides to proceed, the commission shall review the proposed rate adjustment as though no election had been made pursuant to subsection (7) of this section.

(4) Any other provision of this chapter notwithstanding, a small telephone utility which has elected to be regulated pursuant to this section may adjust any of its rates, charges, or tariffs, except for:

(a) Its basic business rate;

(b) Its basic residential rate;

(c) Its zone charges;

(d) Its installation charges for basic business or basic residential services;

(e) Its access charges; or

(f) Its pic charges,

without regard to the effect on its revenues, by filing its proposed rates, charges, or tariffs with the commission and by notifying its subscribers, both at least thirty (30) calendar days prior to the effective date of its proposed rates, charges, or tariffs.

(5) A small telephone utility which has elected to be regulated pursuant to this section shall not:

(a) Adjust its intrastate access charges if the adjustment requires the small telephone utility's access charge customers, including interexchange carriers, to pay intrastate access charges at levels exceeding the small telephone utility's interstate access charge levels; or

(b) Adjust its intrastate pic charges if the adjustment requires the small telephone utility's customers to pay intrastate pic charges at levels exceeding the small telephone utility's interstate pic charge levels.

The small telephone utility may decrease its intrastate access charges or intrastate pic charges to any level without restriction. Adjustments to intrastate access charge rates or intrastate pic charges shall be effective thirty (30) calendar days following the filing of access charge tariffs or pic charge tariffs with the commission.

(6) The rates, charges, earnings, or revenues of a small telephone utility which has elected to be regulated pursuant to this section and is in compliance with the provisions of this section shall be deemed by the commission to be in compliance with KRS 278.030(1).

(7) A small telephone utility may elect, at any time, to be regulated by the provisions, in their entirety only, of this section by filing a verified resolution of the utility's board of directors, or other governing body, so electing with the commission. An election shall be effective immediately upon filing with the commission and shall remain effective until withdrawn by the

filing with the commission of a verified resolution of the small telephone utility's board of directors or other governing body; provided, however, that all resolutions of election or withdrawal shall remain in effect for at least one (1) year from the date of their filing with the commission. A resolution electing to be regulated by the provisions of this section shall mean that the small telephone utility so electing shall be regulated by this section and shall not be regulated by KRS 278.020(1) and 278.300. Nothing in this section, however, shall be construed to alter the applicability of KRS 278.020***(4)***~~[(3)]~~ or 278.030(2) to small telephone utilities electing to be regulated by the provisions of this section.

(8) A small telephone utility which has elected to be regulated pursuant to this section may file an application with the commission pursuant to KRS 278.020(1), and, if a utility does so, that application shall be deemed to have been granted unless within thirty (30) calendar days following the filing of the application, the commission denies the application. If the application is denied or none is filed, the small telephone utility electing to be regulated pursuant to this section may engage in the construction of the plant or facilities, or the purchase of equipment or properties, to provide the services described in KRS 278.010(3)(e). However, if the small telephone utility subsequently files a resolution of withdrawal under subsection (7) of this section, the increased value of property that resulted from any construction project denied approval by the commission or not submitted to the commission for approval may be excluded from the small utility's rate base for rate making purposes if the cost of construction exceeded one million dollars ($1,000,000) or five percent (5%) of the value of the small telephone utility's property as reflected in the utility's most recent annual report filed with the commission.

  (g) The applicant or licensee has had a racing or gaming license denied or revoked in another jurisdiction on grounds that would be grounds for license denial or revocation in Kentucky.

Section 10. KRS 230.290 is amended to read as follows:

All licenses granted under this chapter:

(1) Shall be in writing;

(2) Shall be subject to all administrative regulations and conditions as may from time to time be prescribed by the ***authority***[~~commission~~];

(4) No license shall extend beyond the end of the calendar year for which it was issued, but the ***authority***[~~commission~~] may renew any license and any renewal shall not be construed to be a waiver or condonement of any violation which occurred prior to renewal and shall not prevent subsequent proceedings against the licensee therefor.

Section 11. KRS 230.300 is amended to read as follows:

(1) Any person desiring to conduct horse racing at a horse race meeting within the Commonwealth of Kentucky or to engage in simulcasting and intertrack wagering as a receiving track during any calendar year shall first apply to the ***authority***[~~commission~~] for a license to do so. - (b) The location of the place, track, or enclosure where the applicant proposes to conduct horse racing meetings;
- (c) The dates on which the applicant intends to conduct horse racing, which shall be successive days unless authorized by the ***authority***[~~commission~~];
- (d) The proposed hours of each racing day and the number of races to be conducted;
- (e) The names and addresses of all principals associated with the applicant or licensee;
- (f) The type of organizational structure under which the applicant operates, i.e., partnership, trust, association, limited liability company, or corporation, and the address of the principal place of business of the organization;
- (g) Any criminal activities in any jurisdiction for which any individual listed under paragraphs (a) and (e) has been arrested or indicted and the disposition of the charges, and any current or on-going criminal investigation of which any of these individuals is the subject; and
- (h) Any other information that the ***authority***[~~commission~~] by administrative regulation deems relevant and necessary to determine the fitness of the applicant to receive a license, including fingerprints of any individual listed under paragraphs (a) and (e), if necessary for proper identification of the individual or a determination of suitability to be associated with a licensed racing association.

(2) An application for license shall be accompanied by the following documents:

- (a) For a new license applicant, a financial statement prepared and attested to by a certified public accountant in accordance with generally accepted accounting principles, showing the following;

(3) The completed application shall be signed by the applicant or the chief executive officer if the applicant is an organization, sworn under oath that the information is true, accurate, and complete, and the application shall be notarized.

(4) If there is any change in any information submitted in the application process, the applicant or licensee shall notify the ***authority***[~~commission~~] within thirty (30) days of the change.

(5) The ***authority***[~~commission~~] shall as soon as practicable, but in no event later than November 1 in any calendar year award dates for racing in the Commonwealth during the next year. In awarding dates, the ***authority***[~~commission~~] shall consider and seek to preserve each track's usual and customary dates, as these dates are requested. If dates other than the usual and customary dates are requested, the applicant shall include a statement in its application setting forth the reasons the requested dates are sought. Dates for the conduct of intertrack wagering shall be awarded as provided in KRS 230.377. In the event scheduled racing is canceled by reason of flood, fire, inclement weather, or other natural disaster or emergency, the ***authority***[~~commission~~] may award after November 1 additional racing dates to make up for those dates canceled.

(6) The ***authority***[~~commission~~] may issue a license to conduct a horse race meeting to any association making the aforesaid application if the applicant meets the requirements established in KRS 138.530 and other applicable provisions of this chapter, and if the ***authority***[~~commission~~] finds that the proposed conduct of racing by the association would be in the best interest of the public health, safety, and welfare of the immediate community as well as to the Commonwealth.

(7) As a condition precedent to the issuance of a license, the ***authority***[~~commission~~] may require a surety bond or other surety conditioned upon the payment of all taxes due the Commonwealth, together with the payment of operating expenses including purses and awards to owners of horses participating in races.

(8) Every license issued under this chapter shall specify among other things the name of the person to whom issued, the address and location of the track where the horse race meeting to which it relates is to be held or conducted, and the days and hours of the day when the meeting will be permitted; provided, however, that no track that is granted overlapping

dates for the conduct of a live race meeting with another horse racing track within a fifty (50) mile radius shall be permitted to have a post time after 5:30 p.m., prevailing time for overlapping days between July 1 and September 15, unless agreed to in writing by the tracks affected.

(9) A license issued under this section is neither transferable nor assignable and shall not permit the conduct of a horse race meeting at any track not specified therein. However, if the track specified becomes unsuitable for racing because of flood, fire, or other catastrophe, the ***authority***~~[commission]~~ may, upon application, authorize the meeting, or any remaining portion thereof, to be conducted at any other suitable track available for that purpose, provided that the owner of the track willingly consents to the use thereof.

(10) Horse racing dates may be awarded and licenses issued authorizing horse racing on any day of the year. Horse racing shall be held or conducted only between sunrise and midnight.

(11) The ***authority***~~[commission]~~ may at any time require the removal of any official or employee of any association in those instances where it has reason to believe that the official or employee has been guilty of any dishonest practice in connection with horse racing or has failed to comply with any condition of his license or has violated any law or any administrative regulation of this ***authority***~~[commission]~~.

(12) Every horse race not licensed under this section is hereby declared to be a public nuisance and the ***authority***~~[commission]~~ may obtain an injunction against the same in the Circuit Court of the county where the unlicensed race is proposed to take place.

No person required to be licensed by this section may participate in any activity required to be licensed on association grounds during a race meeting without a valid license therefor. An applicant for a license shall submit to the ***authority***~~[commission]~~ fingerprints as may be required and other information necessary and reasonable for processing a license application. The ***authority***~~[commission]~~ is authorized to exchange fingerprint data with the Kentucky State Police and the Federal Bureau of Investigation in order to conduct a criminal history background check of an applicant. The ***authority***~~[commission]~~ may issue a license if it finds that the financial responsibility, age, experience, reputation, competence, and general fitness of the applicant to perform the activity permitted by a license, are consistent with the best interest of racing and the maintenance of the honesty, integrity, and high quality thereof. A license shall be issued for the calendar year in which it is issued and may be renewed by the ***authority***~~[commission]~~. The license shall be valid at all horse race meetings in the Commonwealth during the period for which it is issued unless suspended or revoked under the administrative regulations promulgated by the ***authority***~~[commission]~~ under this chapter. Section 13. KRS 230.320 is amended to read as follows:

(1) Every license granted under this chapter is subject to denial, revocation, or suspension by the ***authority***~~[commission]~~ in any case where it has reason to believe that any provision of this chapter, administrative regulation, or condition of the ***authority***~~[commission]~~ affecting it has not been complied with or has been broken or violated. The ***authority***~~[commission]~~ in the interest of honesty and integrity of horse racing may promulgate administrative regulations under which any license may be denied, suspended, or revoked.

(2) Following an informal hearing by the stewards, any licensee alleged to have committed a violation under subsection (1) of this section may request a stay of imposition of the stewards' decision. Pending appeal, a hearing on the request for stay shall be held within forty-eight (48) hours of the receipt of the request for a stay by the ***authority***~~[commission]~~. If the ***authority***~~[commission]~~ is not able to hold a hearing within forty-eight (48) hours, the stay shall be automatically granted. It shall be the policy of the ***authority***~~[commission]~~ to grant stays, unless:

(a) A licensee is alleged to have committed a flagrant violation of the duly-promulgated administrative regulations of racing which presents a clear and present danger to the immediate integrity of racing; and

(b) It is impossible for the ***authority***~~[commission]~~ to secure necessary scientific evidence or indispensable witnesses within forty-eight (48) hours,

then the ***authority***~~[commission]~~ or its designated hearing officer may refuse a request for the stay of any penalty imposed, as long as a hearing is held no later than thirty (30) days from the initial stewards' determination of a violation.

(3) If any license is denied, suspended, or revoked after an informal hearing by the stewards or by the ***authority***~~[commission]~~ acting on a complaint or by its own volition, the ***authority***~~[commission]~~ shall grant the applicant or licensee the right to appeal the decision, and upon appeal, an administrative hearing shall be conducted in accordance with KRS Chapter 13B.

The licenses, and each of them, when issued shall be valid and effective only upon premises licensed by this ***authority***[~~commission~~] and upon the dates and hours for which racing or intertrack wagering has been authorized by this ***authority***[~~commission~~]. A temporary license may be issued for the period the racing or intertrack wagering has been authorized, even if the period exceeds the thirty (30) days as provided in KRS 243.260 and 243.290.

(2) Other provisions of the Kentucky Revised Statutes notwithstanding, in a county containing a city of the third or fourth class, a limited sale precinct election may be held in any precinct containing a licensed racing association. The election shall be conducted in the same manner as provided for in KRS 242.1292. Upon approval of the proposition, a license shall be issued in accordance with subsection (1) of this section. Nothing in this section shall be construed as authorizing the issuance of any alcoholic beverage licenses other than for the premises of a licensed racing association pursuant to KRS 243.260 and 243.290.

If the dates requested for such a license have been granted to a track within a forty (40) mile radius of the race site, the ***authority***[~~commission~~] shall not issue a license until it has received written approval from the affected track. Pari-mutuel wagering licensed and approved under this subsection shall be limited to four (4) days per year. All racing and wagering authorized by this subsection shall be conducted in accordance with applicable administrative regulations promulgated by the ***authority***[~~commission~~].

Section 31. KRS 230.3751 is amended to read as follows:

The Governor of this Commonwealth is authorized and directed to execute a compact on behalf of the Commonwealth with any of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and each territory or possession of the United States, legally joining therein in the form substantially as follows:

ARTICLE I
PURPOSES

SECTION 1. Purposes.

The purposes of this compact are to:

1. Establish uniform requirements among the party states for the licensing of participants in live racing with pari-mutuel wagering, and ensure that all such participants who are licensed pursuant to this compact meet a uniform minimum standard of honesty and integrity.
2. Facilitate the growth of the pari-mutuel racing industry in each party state and nationwide by simplifying the process for licensing participants in live racing, and reduce the duplicative and costly process of separate licensing by the regulatory agency in each state that conducts live racing with pari-mutuel wagering.
3. Authorize the ***Kentucky Horse Racing Authority***~~[Kentucky Racing Commission]~~ to participate in this compact.
4. Provide for participation in this compact by officials of the party states, and permit those officials, through the compact committee established by this compact, to enter into contracts with governmental agencies and nongovernmental persons to carry out the purposes of this compact.
5. Establish the compact committee created by this compact as an interstate governmental entity duly authorized to request and receive criminal history record information from the Federal Bureau of Investigation and other state and local law enforcement agencies.

ARTICLE II
DEFINITIONS

SECTION 2. Definitions.

"Compact committee" means the organization of officials from the party states that is authorized and empowered by this compact to carry out the purposes of this compact.

"Official" means the appointed, elected, designated or otherwise duly selected member of a racing commission or the equivalent thereof in a party state who represents that party state as a member of the compact committee.

"Participants in live racing" means participants in live racing with pari-mutuel wagering in the party states.

"Party state" means each state that has enacted this compact.

"State" means each of the several states of the United States, the District of Columbia, the Commonwealth of Puerto Rico and each territory or possession of the United States.

ARTICLE III
ENTRY INTO FORCE, ELIGIBLE PARTIES AND WITHDRAWAL

SECTION 3. Entry into force.

This compact shall come into force when enacted by any four (4) states. Thereafter, this compact shall become effective as to any other state upon both (i) that state's enactment of this compact and (ii) the affirmative vote of a majority of the officials on the compact committee as provided in Section 8.

SECTION 4. States eligible to join compact.

Any state that has adopted or authorized live racing with pari-mutuel wagering shall be eligible to become party to this compact.

SECTION 5. Withdrawal from compact and impact thereof on force and effect of compact.

Any party state may withdraw from this compact by enacting a statute repealing this compact, but no such withdrawal shall become effective until the head of the executive branch of the withdrawing state has given notice in writing of such withdrawal to the head of the executive branch of all other party states. If as a result of withdrawals participation in this compact decreases to less than three (3) party states, this compact no longer shall be in force and effect unless and until there are at least three (3) or more party states again participating in this compact.

ARTICLE IV
COMPACT COMMITTEE

SECTION 6. Compact committee established.

There is hereby created an interstate governmental entity to be known as the "compact committee," which shall be comprised of one (1) official from the racing commission or its equivalent in each party state who shall be appointed, serve and be subject to removal in accordance with the laws of the party state he represents. Pursuant to the laws of his party state, each official shall have the assistance of his state's racing commission or the equivalent thereof in considering issues related to licensing of participants in live racing and in fulfilling his responsibilities as the representative from his state to the compact committee. If an official is unable to perform any duty in connection with the powers and duties of the compact committee, the racing commission or equivalent thereof from his state shall designate another of its members as an alternate who shall serve in his place and represent the party state as its official on the compact committee until that racing commission or equivalent thereof determines that the original representative official is able once again to perform his duties as that party state's representative official on the compact committee. The designation of an alternate shall be communicated by the affected state's racing commission or equivalent thereof to the compact committee as the committee's bylaws may provide.

SECTION 7. Powers and duties of compact committee.

In order to carry out the purposes of this compact, the compact committee is hereby granted the power and duty to:

1. Determine which categories of participants in live horse racing, including but not limited to owners, trainers, jockeys, grooms, mutuel clerks, racing officials, veterinarians, and farriers, and which categories of equivalent participants in dog racing and other forms of live racing with pari-mutuel wagering authorized in two (2) or more of the party states, should be licensed by the committee, and establish the requirements for the initial licensure of applicants in each such category, the term of the license for each category, and the requirements for renewal of licenses in each category. Provided, however, that with regard to requests for criminal history record information on each applicant for a license, and with regard to the effect of a criminal record on the issuance or renewal of a license, the compact committee shall determine for each category of participants in live racing which licensure requirements for that category are, in its judgment, the most restrictive licensure requirements of any party state for that category and shall adopt licensure requirements for that category that are, in its judgment, comparable to those most restrictive requirements.
2. Investigate applicants for a license from the compact committee and, as permitted by federal and state law, gather information on such applicants, including criminal history record information from the Federal Bureau of Investigation and relevant state and local law enforcement agencies, and, where appropriate, from the Royal Canadian Mounted Police and law enforcement agencies of other countries, necessary to determine whether a license should be issued under the licensure requirements established by the committee as provided in paragraph 1 above. Only officials on, and employees of, the compact committee may receive and review such criminal history record information, and those officials and employees may use that information only for the purposes of this compact. No such official or employee may disclose or disseminate such information to any person or entity other than another official on or employee of the compact committee. The fingerprints of each applicant for a license from the compact committee shall be taken by the compact committee, its employees, or its designee and, pursuant to Public Law 92-544 or Public Law 100-413, shall be forwarded to a state identification bureau, or to an association of state officials regulating pari-mutuel wagering designated by the Attorney General of the United States, for submission to the Federal Bureau of Investigation for a criminal history record check. Such fingerprints may be submitted on a fingerprint card or by electronic or other means authorized by the Federal Bureau of Investigation or other receiving law enforcement agency.
3. Issue licenses to, and renew the licenses of, participants in live racing listed in paragraph 1 of this section who are found by the committee to have met the licensure and renewal requirements established by the committee. The compact committee shall not have the power or authority to deny a license. If it determines that an applicant will not be eligible for the issuance or renewal of a compact committee license, the compact committee shall notify the applicant that it will not be able to process his application further. Such notification does not constitute and shall not be considered to be the denial of a license. Any such applicant shall have the right to present additional evidence to, and to be heard by, the compact committee, but the final decision on issuance or renewal of the license shall be made by the compact committee using the requirements established pursuant to paragraph 1 of this section.
4. Enter into contracts or agreements with governmental agencies and with nongovernmental persons to provide personal services for its activities and such other services as may be necessary to effectuate the purposes of this compact.
5. Create, appoint, and abolish those offices, employments, and positions, including an executive director, as it deems necessary for the purposes of this compact, prescribe their powers, duties and qualifications, hire persons to fill those offices, employments and positions, and provide for the removal, term, tenure, compensation, fringe benefits, retirement benefits and other conditions of employment of its officers, employees and other positions.
6. Borrow, accept, or contract for the services of personnel from any state, the United States, or any other governmental agency, or from any person, firm, association, corporation or other entity.
7. Acquire, hold, and dispose of real and personal property by gift, purchase, lease, license, or in other similar manner, in furtherance of the purposes of this compact.
8. Charge a fee to each applicant for an initial license or renewal of a license.
9. Receive other funds through gifts, grants and appropriations.

SECTION 8. Voting requirements.

A. Each official shall be entitled to one (1) vote on the compact committee.

B. All action taken by the compact committee with regard to the addition of party states as provided in Section 3, the licensure of participants in live racing, and the receipt and disbursement of funds shall require a majority vote of the total number of officials (or their alternates) on the committee. All other action by the compact committee shall require a majority vote of those officials (or their alternates) present and voting.

C. No action of the compact committee may be taken unless a quorum is present. A majority of the officials (or their alternates) on the compact committee shall constitute a quorum.

SECTION 9. Administration and management.

A. The compact committee shall elect annually from among its members a chairman, a vice chairman, and a secretary/treasurer.

B. The compact committee shall adopt bylaws for the conduct of its business by a two-thirds (2/3) vote of the total number of officials (or their alternates) on the committee at that time and shall have the power by the same vote to amend and rescind these bylaws. The committee shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendments thereto with the Secretary of State or equivalent agency of each of the party states.

C. The compact committee may delegate the day-to-day management and administration of its duties and responsibilities to an executive director and his support staff.

D. Employees of the compact committee shall be considered governmental employees.

SECTION 10. Immunity from liability for performance of official responsibilities and duties.

No official of a party state or employee of the compact committee shall be held personally liable for any good faith act or omission that occurs during the performance and within the scope of his responsibilities and duties under this compact.

ARTICLE V

RIGHTS AND RESPONSIBILITIES OF EACH PARTY STATE

SECTION 11. Rights and responsibilities of each party state.

A. By enacting this compact, each party state:

1. Agrees (i) to accept the decisions of the compact committee regarding the issuance of compact committee licenses to participants in live racing pursuant to the committee's licensure requirements, and (ii) to reimburse or otherwise pay the expenses of its official representative on the compact committee or his alternate.
2. Agrees not to treat a notification to an applicant by the compact committee under paragraph 3 of Section 7 that the compact committee will not be able to process his application further as the denial of a license, or to penalize such an applicant in any other way based solely on such a decision by the compact committee.
3. Reserves the right (i) to charge a fee for the use of a compact committee license in that state, (ii) to apply its own standards in determining whether, on the facts of a particular case, a compact committee license should be suspended or revoked, (iii) to apply its own standards in determining licensure eligibility, under the laws of that party state, for categories of participants in live racing that the compact committee determines not to license and for individual participants in live racing who do not meet the licensure requirements of the compact committee, and (iv) to establish its own licensure standards for the licensure of nonracing employees at pari-mutuel racetracks and employees to separate satellite wagering facilities. Any party state that suspends or revokes a compact committee license shall, through its racing commission or the equivalent thereof or otherwise, promptly notify the compact committee of that suspension or revocation.

B. No party state shall be held liable for the debts or other financial obligations incurred by the compact committee.

ARTICLE VI

CONSTRUCTION AND SEVERABILITY

SECTION 12. Construction and severability.

This compact shall be liberally construed so as to effectuate its purposes. The provisions of this compact shall be severable, and, if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the Constitution of the United States or of any party state, or the applicability of this compact to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If all or some portion of this compact is held to be contrary to the constitution of any party state, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters.

Section 32. KRS 230.377 is amended to read as follows:

(1) Other provisions of the Kentucky Revised Statutes notwithstanding, a track may apply to the ***authority***[~~commission~~] for simulcasting and intertrack wagering dates. Applications shall be submitted in accordance with KRS 230.300. The ***authority***[~~commission~~] shall not approve the establishment or relocation of a receiving track within a radius of seventy-five (75) miles of a race track duly licensed as of July 15, 1992, without the prior written consent of the licensed track within whose seventy-five (75) mile radius the new receiving track would be located.

(2) On or before November 1 of each year, the ***authority***[~~commission~~] shall meet and award intertrack wagering dates to all tracks for the entire succeeding calendar year. In a geographic area containing more than one (1) track within a fifty (50) mile radius of another track, intertrack wagering, except for quarter horse racing, shall be limited to simulcasting and wagering on racing of the same breed of horse as the receiving track was licensed to race on or before July 15, 1998.

(3) The ***authority***[~~commission~~] shall approve no more than nine (9) tracks for participation in horse racing, intertrack wagering, and simulcasting. Any approval by the ***authority***[~~commission~~] of a change in location of these tracks shall be subject to the local-approval process contained in KRS 230.380.

(4) A track may by administrative regulation be required to simulcast its races to one (1) or more receiving tracks approved for simulcasting and intertrack wagering, as a prerequisite for the issuance of a license pursuant to KRS 230.300, provided that:

(a) Each track shall be permitted to exempt one (1) day of racing from simulcasting to both receiving tracks and simulcast facilities, at its discretion;

(b) Tracks in a county containing a city of the first class or a consolidated local government and tracks in an urban-county government shall not be required to simulcast to each other or to any other facility in those counties. This provision shall not be construed as requiring tracks within the same county to simulcast to each other; and

(c) In the absence of a contract between a host track and a receiving track, the commission shall be split as provided for in KRS 230.378(3).

(5) A track may receive simulcasts and conduct interstate wagering thereon subject to the following limitations which shall be in addition to the limitations set forth in KRS 230.3771:

(a) A track licensed to conduct thoroughbred racing may receive simulcasts and conduct interstate wagering on all thoroughbred horse races designated as graded stakes races by the Graded Stakes Committee of the Thoroughbred Owners and Breeders Association, Inc., without further consents or approvals.

(b) A track licensed to conduct harness racing may receive simulcasts and conduct interstate wagering on all harness horse races (both final and elimination) having a final purse in excess of seventy-five thousand dollars ($75,000) without further consents or approvals.

(c) A track licensed to conduct quarter horse racing may receive simulcasts and conduct interstate wagering on all quarter horse races designated as graded stakes races by the graded stakes committee of the American Quarter Horse Association, without further consents or approvals.

(d) A track which applies to the ***authority***[~~commission~~] to receive an interstate race of a different breed than the breed for which it is licensed by the ***authority***[~~commission~~] shall receive any simulcast of an interstate race through the intertrack wagering system upon approval by the ***authority***[~~commission~~]. Notwithstanding the foregoing, a track licensed to conduct horse racing may receive simulcasts and conduct interstate wagering on quarter horse races, subject to the limitations of KRS 230.3771.

(e) A track may receive simulcasts of special event races conducted in other states or foreign countries which are determined by the ***authority***[~~commission~~] to be of sufficient national or international significance or interest to warrant interstate wagering and if the simulcast of these races has been approved by the Kentucky Thoroughbred Owners and Breeders Association, Inc., the Kentucky Division of the Horseman's Benevolent and Protective Association, for thoroughbred races, and the Kentucky Harness Horsemen's Association for harness racing, and any track conducting live horse races of the same breed at the same time as the simulcast race.

(f) A track may also receive simulcasts and conduct interstate wagering on thoroughbred horse races other than those described in paragraphs (a) and (e) of this subsection if the simulcast of these races has been approved by the Kentucky Thoroughbred Owners and Breeders Association, Inc., and the Kentucky Horsemen's Benevolent and Protective Association, for thoroughbred races, and the Kentucky Harness Horsemen's Association, or its successor, for harness racing.

(g) The consent required by paragraph (f) of this subsection or by subsections (1)(g) and (2)(g) of KRS 230.3771 shall not be withheld:

1. For any reason not specifically related to financial harm to live horse racing; or

2. As a condition to the granting of any contractual or other concession not specifically related to the effects of interstate simulcasting on live horse racing in this Commonwealth, taken as a whole.

(h) A host track located in this state may receive simulcasting of not more than two (2) full cards of racing from another state, if both tracks race horses of the same breed and if:

1. The race date was previously granted by the ***Kentucky Horse Racing Authority***[~~Kentucky Racing Commission~~] to conduct live racing at the track located in this state;

2. Live racing was canceled due to weather conditions; and

3. The consent required by paragraph (e) of this subsection is obtained.

(i) The in-state track receiving the simulcast specified in paragraph (h) of this subsection shall offer that simulcast to all participating tracks and simulcast facilities in the intertrack wagering system.

(j) All interstate simulcasting shall be conducted in accordance with applicable federal laws.

(6) The ***authority***[~~commission~~] may promulgate necessary and reasonable administrative regulations for the purpose of administering the conduct of intertrack or interstate wagering and regulating the conditions under which wagering shall be held and conducted. Administrative regulations shall provide for the prevention of practices detrimental to the public interest and to impose penalties for violations. All administrative regulations shall be in conformity with the provisions of KRS Chapter 13A, KRS 138.510, and this chapter.

[~~(7) Subsections (2) and (3) of this section shall apply only to intertrack wagering dates awarded for calendar year 1993 and thereafter, and any unresolved intertrack wagering dates for calendar year 1992 shall be awarded pursuant to applicable provisions of law in effect immediately prior to March 30, 1992.~~]

Section 33. KRS 230.3771 is amended to read as follows:

(1) A thoroughbred track licensed to conduct thoroughbred racing may receive interstate simulcasts of thoroughbred horse

races and quarter horse races, and conduct interstate wagering thereon, subject to the following limitations:

(a) A thoroughbred receiving track may receive interstate simulcasts of thoroughbred races and conduct interstate wagering thereon at any time of day and during any live thoroughbred horse race meet conducted in the Commonwealth of Kentucky so long as the thoroughbred receiving track conducting interstate wagering remits to the thoroughbred host track conducting a live meet, from the first awarded day of its live meet through the last awarded day of the same live meet, the amounts provided in paragraph (j) of this subsection.

(b) A thoroughbred host track which receives interstate simulcasts and conducts interstate wagering thereon during the period of time from the first awarded day of its live meet through the last awarded day of its live meet shall offer the simulcasts to all thoroughbred receiving tracks, all harness tracks not subject to the provisions of KRS 230.377(2), and all simulcast facilities through the intertrack wagering system.

(c) Except as otherwise prohibited by law, a receiving track shall conduct intertrack wagering on all live races of all thoroughbred host tracks on any day on which it receives an interstate simulcast for the purpose of conducting interstate wagering.

(d) No host track shall require that any receiving track or simulcast facility receive the interstate simulcast.

(e) If more than one (1) thoroughbred track conducts live racing at the same time on the same day, no track or simulcast facility may receive an interstate simulcast of thoroughbred races unless all thoroughbred tracks conducting live racing at the same time of day agree upon all interstate simulcasts to be received and the division of the thoroughbred host track's commission. If more than one (1) thoroughbred track conducts live racing at different times on the same day, the thoroughbred host track with the highest average daily handle, based on the preceding year, shall be the host track for purposes of splitting the commissions earned on interstate wagering at receiving tracks within the Commonwealth. For purposes of this subsection, average daily handle includes live handle, intertrack wagering handle, and simulcast facility handle. Also for purposes of this subsection, the time of day during which a host track conducts live racing commences with its first published post time and concludes ten (10) minutes after the published post time of its last race of the day, regardless of actual post times.

(f) Each thoroughbred track which desires to conduct interstate wagering pursuant to the provisions of this subsection shall during each year make application to the ***authority***[~~commission~~] for no less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 and one hundred percent (100%) of the number of races scheduled to be run by the track in 1993.

(g) Notwithstanding paragraph (f) of this subsection, any thoroughbred track may apply for less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 or one hundred percent (100%) of the number of races scheduled to be run by the track in 1993, if written approval is obtained from the Kentucky Horsemen's Benevolent and Protective Association and the Kentucky Thoroughbred Owners and Breeders Association, Inc.

(h) A separate accounting on all interstate simulcasting shall be submitted to the ***authority***[~~commission~~]. The accounting shall be submitted in the same format and at the same time that the report for intertrack wagering is submitted.

(i) If the only simulcast or simulcasts a track participating as a host track makes available for interstate wagering through this state's intertrack wagering system on any race day are thoroughbred horse races designated as graded stakes races by the Graded Stakes Committee of the Thoroughbred Owners and Breeders Association, Inc., then the commission of the receiving track on these interstate wagers shall be split as prescribed by KRS 230.378(3); otherwise, the commission of the receiving track shall be split as prescribed by paragraph (j) of this subsection. Interstate simulcasts received by a thoroughbred host track under the conditions set forth in this paragraph shall not be subject to the conditions set forth in paragraphs (b), (c), (e), and (f) of this subsection.

(j) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:

1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;
2. Twenty-five percent (25%) to the thoroughbred host track designated by paragraphs (a) and (e) of this subsection. However, if the race does not occur between the first awarded day of a live meet and the last awarded day of the same live meet, an additional twenty-five percent (25%) shall be retained by the receiving track where the interstate wagering occurs;
3. Twenty-five percent (25%) to the purse program of the receiving track where the interstate wagering occurs; and
4. Twenty-five percent (25%) to the purse program of the thoroughbred host track designated by paragraphs (a) and (e) of this subsection. However, if the race does not occur between the first awarded day of a live meet and the last awarded day of the same live meet, then an additional twenty-five percent (25%) shall be paid to the purse program of the receiving track where the interstate wagering occurs.

(k) A simulcast facility's commission on interstate wagering on thoroughbred racing, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as provided in KRS 230.380(9).

(2) A harness track licensed to conduct harness racing may receive interstate simulcasts of harness horse races and conduct interstate wagering thereon subject to the following limitations:

(a) A harness receiving track may receive interstate simulcasts of harness races and quarter horse races, and conduct interstate wagering thereon at any time of day and during the course of any live harness horse race meet conducted in the Commonwealth of Kentucky so long as the harness receiving track conducting interstate wagering remits to the harness host track conducting a live meet, from the first awarded day of its live meet through the last awarded day of the same live meet, the amounts provided in paragraph (j) of this subsection.

(b) A harness host track which receives an interstate simulcast and conducts interstate wagering thereon during its live race meet shall offer the simulcasts to all thoroughbred receiving tracks not subject to the provisions of KRS 230.377(2), all harness tracks, and all simulcast facilities through the intertrack wagering system.

(c) Except as otherwise prohibited by law, a harness receiving track or a simulcast facility shall conduct intertrack wagering on all live races of a harness host track on any day it receives an interstate simulcast from a harness host track.

(d) No host track shall require that any receiving track or simulcast facility receive the interstate simulcast.

(e) If more than one (1) harness track conducts live racing at the same time on the same day, no track or simulcast facility may receive an interstate simulcast on harness races unless all harness tracks conducting live racing at that time of day agree upon the interstate simulcast to be received and the division of the harness host track's commission. If more than one (1) harness track conducts live racing at different times on the same day, the harness host track with the highest average daily handle, based on the preceding year, shall be the host track for purposes of splitting the commissions earned on interstate wagering at receiving tracks within the Commonwealth. For purposes of this subsection, average daily handle includes live handle, intertrack wagering handle, and simulcast facility handle. Also for purposes of this subsection, the time of day during which a host track conducts live racing commences with its first published post time and conclude ten (10) minutes after the published post time of its last race of the day, regardless of actual post times.

(f) Each harness track which desires to conduct interstate wagering pursuant to the provisions of this subsection shall during each year make application to the ***authority***~~[commission]~~ for no less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 and one hundred percent (100%) of the number of races scheduled to be run by the track in 1993.

(g) Notwithstanding paragraph (f) of this subsection, any harness track may apply for less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 or one hundred percent (100%) of the number of races scheduled to be run by the track in 1993, if written approval is obtained from the Kentucky Harness Horsemen's Association, or its successor.

(h) A separate accounting on all interstate simulcasting shall be submitted to the ***authority***~~[commission]~~. This accounting shall be submitted in the same format and at the same time that the report for intertrack wagering is submitted.

(i) If the only simulcast or simulcasts a track participating as a harness host track makes available for interstate wagering through this state's intertrack wagering system on any race day are harness horse races (both final and elimination) having a final purse in excess of seventy-five thousand dollars ($75,000), then the commission of the receiving track on these interstate wagers shall be split as prescribed by KRS 230.378(3); otherwise, the commission of the receiving track shall be split as prescribed by paragraph (j) of this subsection. Interstate simulcasts received by a harness host track under the conditions set forth in this paragraph shall not be subject to the conditions set forth in paragraphs (b), (c), (e), and (f) of this subsection.

(j) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:

1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;
2. Twenty-five percent (25%) to the harness host track designated by paragraphs (a) and (e) of this subsection. However, if no live meet is occurring, an additional twenty-five percent (25%) shall be retained by the receiving track where the interstate wagering occurs;
3. Twenty-five percent (25%) to the purse program of the receiving track where the interstate wagering occurs; and
4. Twenty-five percent (25%) to the purse program of the harness host track designated by paragraphs (a) and (e) of this subsection. However, if no live meet is occurring, an additional twenty-five percent (25%) shall be paid to the purse program of the receiving track where the interstate wagering occurs.

(k) A simulcast facility's commission on interstate wagering on harness races, after deduction of applicable taxes and any amount required to be paid by contract to the track from which the interstate simulcast originated, shall be split as provided in KRS 230.380(9).

(3) A harness track may only receive interstate simulcasts of thoroughbred horse races and conduct interstate wagering thereon as provided in subsection (1)(b) of this section. A thoroughbred track may only receive interstate simulcasts of harness horse races and conduct interstate wagering thereon as provided in subsection (2)(b) of this section. A simulcast facility may only receive interstate simulcasts of thoroughbred and harness horse races and conduct interstate wagering thereon as provided in subsections (1)(b) and (2)(b) of this section.

(4) (a) A thoroughbred track licensed to conduct horse racing may receive interstate simulcasts of quarter horse races and conduct interstate wagering thereon, subject to the limitations stated in paragraph (b) of this subsection.

(b) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:

1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;
2. Twenty-five percent (25%) to the host track; and
3. Fifty percent (50%) to the quarter horse purse program within this state, to be allocated by the American Quarter Horse Association or its successor to supplement purses for quarter horse races in this state.

(5) (a) A harness track licensed to conduct horse racing may receive interstate simulcasts of quarter horse races and conduct interstate wagering thereon, subject to the limitations stated in paragraphs (b) and (c) of this subsection.

(b) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:

1. Twenty-five percent (25%) to the purse program of the receiving track;
2. Twenty-five percent (25%) to the purse program of the host track;
3. Twenty-five percent (25%) to the receiving track; and
4. Twenty-five percent (25%) to the host track.

(c) When a quarter horse race is run at a Kentucky race track, the commission to the Kentucky Quarter Horse Purse Program shall be twenty-two percent (22%) from the host track's purse share.

(6) Other provisions of the Kentucky Revised Statutes notwithstanding, any track in a geographic area that contains more than one (1) track within a fifty (50) mile radius of any other track may only receive interstate simulcasts on racing of the same breed of horse as the track was licensed to race on or before July 15, 1998, except any track may receive interstate simulcasts on quarter horse races.

Section 34. KRS 230.3773 is amended to read as follows:

(1) As used in this section, "interstate common wagering pool" means a pari-mutuel pool established in one (1) horse racing jurisdiction that is combined with comparable pari-mutuel pools from at least one (1) horse racing jurisdiction for the purpose of establishing payoff prices in the various jurisdictions.

(2) Interstate wagers at a receiving track may form an interstate common wagering pool with wagers at a track in another jurisdiction, and the receiving track may adopt the commission and breakage rates of the track at which the race is being run. The ***authority***[~~commission~~] may also approve types of wagering, distribution of winnings, and rules of racing for interstate common wagering pools that are different from those that normally apply in Kentucky.

(3) Wagers placed on any races run at track in Kentucky may be combined with wagers placed at tracks in other jurisdictions to form an interstate common wagering pool located either within or outside Kentucky.

(4) A track's participation in an interstate common wagering pool does not cause that track to be considered to be doing business in any jurisdiction other than the jurisdiction where the track is physically located. Excise taxes and commission rates may not be imposed on any interstate common wagering pool other than on amounts actually wagered in Kentucky. The combination of pari-mutuel pools as provided in this section constitutes the communication of wagering information for purposes of calculating odds and payoffs only and does not constitute the transfer of wagers in interstate commerce.

Section 35. KRS 230.378 is amended to read as follows:

(1) A receiving track may accept wagers only at the track where it is licensed to conduct its race meeting or conduct intertrack wagering. A receiving track may accept wagers through a telephone account wagering system. Wagers at a receiving track, simulcast facility, or on telephone account wagering shall form a common pool with wagers at a host track. This common pool requirement shall not apply to wagers made in connection with interstate simulcasting pursuant to KRS 230.3771; however, common pools shall be encouraged.

(2) Except as provided in KRS 230.3771(2), the commission of a receiving track, simulcast facility, or on telephone account wagering shall be the same as the commission of the host track as determined in KRS 230.3615 or 230.750.

(3) In the absence of a valid contract with a horsemen's organization, the commission of a receiving track, after deduction of applicable taxes and other applicable deductions, shall be split as follows: twenty-two percent (22%) to the host track, twenty-two percent (22%) to the purse program at the host track, twenty-two percent (22%) to the receiving track and twenty-two percent (22%) to the purse program at the receiving track. Twelve percent (12%) of the commission shall be allocated evenly between the host track and the receiving track to cover the cost of simulcasting, unless otherwise agreed to by contract.

(4) The deduction for the backside improvement fund, as provided for in KRS 230.3615(4) shall not apply to the commission or pari-mutuel tax of a receiving track or telephone account wagering.

(5) A receiving track shall be exempt from the admissions tax levied in KRS 138.480 and from any license fee imposed by statute or regulation by the ***authority***[~~commission~~].

Section 36. KRS 230.379 is amended to read as follows:

(1) A track may engage in telephone account wagering, if all moneys used to place telephone account wagers are on deposit in an amount sufficient to cover the wagers at the track where the account is opened. All moneys wagered by telephone account wagering shall be subject to the applicable pari-mutuel tax levied in KRS 138.510 and shall form a common pool with other pari-mutuel pools at the track for each posted race. The ***authority***[~~commission~~] shall have authority to promulgate necessary and reasonable administrative regulations to regulate the conduct of telephone account wagering, including regulations for the deposit of funds by credit or debit cards or other means of electronic funds transfer.

(2) A track shall accept and tabulate a telephone account wager only from the holder of a telephone wagering account. No person shall directly or indirectly act as an intermediary, transmitter, or agent in the placing of wagers for a holder of a telephone wagering account. No person shall in any manner place a wager through telephone account wagering, on behalf of a holder of a telephone wagering account. Only the holder of a telephone wagering account shall place a telephone wager. Any person violating this subsection shall be guilty of a Class A misdemeanor.

(3) Telephone account wagering conducted in accordance with the provisions of this section shall not be considered a violation of KRS 528.110.

Section 37. KRS 230.380 is amended to read as follows:

(1) Any track licensed by the ***authority***[~~commission~~] to conduct horse racing and desiring to establish a simulcast facility shall apply for and may receive approval from the ***authority***[~~commission~~] for each simulcast facility. Prior to considering an application for approval of a simulcast facility, the ***authority***[~~commission~~] shall notify by regular mail, each state senator, state representative, county judge/executive, and mayor in the jurisdiction in which the proposed simulcast facility is located, at least ten (10) days in advance of the ***authority***[~~commission~~] meeting at which the application is to be considered or voted upon. Consideration of an application shall be based on criteria contained in administrative regulations promulgated under KRS 230.300. Approval, if granted, shall be granted for a term of one (1) calendar year.

(2) A track or tracks may proceed with the establishment of a simulcast facility unless, within sixty (60) days of the date on which the ***authority***[~~commission~~] approved the facility, the governing body of the local government jurisdiction in which the facility is to be located votes, by simple majority of those voting, to disapprove the establishment of the simulcast facility. For the purposes of this section, "governing body" means, in an incorporated area, the board of aldermen, city council or board of commissioners; in a county, the fiscal court; in an urban-county government, the urban-county council, or in a charter county, the legislative body created in accordance with KRS 67.825 to 67.875.

(3) The ***authority***[~~commission~~] shall not approve the establishment of any simulcast facility within a radius of fifty (50) miles of a licensed track. The ***authority***[~~commission~~] may approve the establishment of one (1) simulcast facility within a radius of greater than fifty (50) miles but less than seventy-five (75) miles of a licensed track, but the facility shall not be approved to operate without the prior written consent of the licensed track within whose seventy-five (75) mile radius the facility is located.

(4) The ***authority***[~~commission~~] may promulgate administrative regulations as it deems appropriate to protect the integrity of pari-mutuel wagering at any simulcast facility.

(5) Licensed tracks conducting horse racing may enter into joint agreements to establish or operate one (1) or more simulcast facilities, on terms and conditions as the participating tracks may determine. Any agreements respecting these arrangements shall be filed with the ***authority***[~~commission~~], and applications for simulcast facilities shall be filed by and licenses may be issued to, these licensed tracks by the ***authority***[~~commission~~].

(6) A simulcast facility may be established and operated on property that is owned or leased and which is not used solely for the operation of a simulcast facility; provided however, that a simulcast facility may not be established on the premises of a lottery vendor.

(7) A simulcast facility shall not be subject to and shall not pay any excise tax imposed pursuant to KRS 138.510, any license tax imposed under KRS 137.170, or any admission tax imposed under KRS 138.480.

(8) One percent (1%) of all moneys wagered at a simulcast facility shall be dedicated for local economic development and shall be allocated as follows:

  (a) If a simulcast facility is located in an incorporated area, seventy-five percent (75%) shall be allocated to the governing body of the city in which the facility is located, and twenty-five percent (25%) to the governing body of the county in which the facility is located.

  (b) If a simulcast facility is located in an unincorporated area, all moneys shall be allocated to the governing body of the county or charter county in which the facility is located.

(9) (a) After the deduction of moneys under subsection (8), simulcast facility shall deduct a commission allowed under KRS 230.3615 with respect to all wagers made at the simulcast facility. The commission, less moneys allocated in

subsection (8) of this section, shall be split as follows:

1. Thirty percent (30%) shall be allocated to the host track;
2. Forty-six and one-half percent (46.5%) to the purse program at the host track;
3. Thirteen and one-half percent (13.5%) to be retained by the track or tracks owning the simulcast facility for the purpose of application to expenses incurred in connection therewith;
4. Six percent (6%) to be allocated to the Kentucky Thoroughbred Owners and Breeders, Inc., to be expended as follows:
   a. Up to three percent (3%) for capital improvements and promotion of off-track betting; and
   b. The remainder for marketing and promoting the Kentucky thoroughbred industry; and
5. Four percent (4%) to be allocated to the ***authority***[~~commission~~] to be used for purses at county fairs in Kentucky licensed and approved by the ***authority***[~~commission~~], and for the standardbred sires stakes program established under KRS 230.770.

(b) The commission of a simulcast facility derived from interstate wagering shall be reduced by any amounts required to be paid by contract to the host track or track conducting the live race before it is divided as set forth in this section. No simulcast facility may receive any interstate simulcast except with the approval of the live Kentucky host track.

(c) The Kentucky Thoroughbred Owners and Breeders, Inc., shall annually report to the ***authority***[~~commission~~] on all money expended in accordance with subsection (9)(a)4. of this section. The report shall be in the form required, and provide all information required by the ***authority***[~~commission~~].

Section 11. KRS 230.300 is amended to read as follows:

(1) Any person desiring to conduct horse racing at a horse race meeting within the Commonwealth of Kentucky or to engage in simulcasting and intertrack wagering as a receiving track during any calendar year shall first apply to the ***authority***[~~commission~~] for a license to do so. (2) An application for license shall be accompanied by the following documents:

(4) If there is any change in any information submitted in the application process, the applicant or licensee shall notify the ***authority***[~~commission~~] within thirty (30) days of the change.

(5) The ***authority***[~~commission~~] shall as soon as practicable, but in no event later than November 1 in any calendar year award dates for racing in the Commonwealth during the next year. In awarding dates, the ***authority***[~~commission~~] shall consider and seek to preserve each track's usual and customary dates, as these dates are requested. If dates other than the usual and customary dates are requested, the applicant shall include a statement in its application setting forth the reasons the requested dates are sought. Dates for the conduct of intertrack wagering shall be awarded as provided in KRS 230.377. In the event scheduled racing is canceled by reason of flood, fire, inclement weather, or other natural disaster or emergency, the ***authority***[~~commission~~] may award after November 1 additional racing dates to make up for those dates canceled.

(6) The ***authority***[~~commission~~] may issue a license to conduct a horse race meeting to any association making the aforesaid application if the applicant meets the requirements established in KRS 138.530 and other applicable provisions of this chapter, and if the ***authority***[~~commission~~] finds that the proposed conduct of racing by the association would be in the best interest of the public health, safety, and welfare of the immediate community as well as to the Commonwealth.

(9) A license issued under this section is neither transferable nor assignable and shall not permit the conduct of a horse race meeting at any track not specified therein. However, if the track specified becomes unsuitable for racing because of flood, fire, or other catastrophe, the ***authority***[~~commission~~] may, upon application, authorize the meeting, or any remaining portion thereof, to be conducted at any other suitable track available for that purpose, provided that the owner of the track willingly consents to the use thereof.

(10) Horse racing dates may be awarded and licenses issued authorizing horse racing on any day of the year. Horse racing shall be held or conducted only between sunrise and midnight.

(11) The ***authority***[~~commission~~] may at any time require the removal of any official or employee of any association in those instances where it has reason to believe that the official or employee has been guilty of any dishonest practice in connection with horse racing or has failed to comply with any condition of his license or has violated any law or any administrative regulation of this ***authority***[~~commission~~].

(12) Every horse race not licensed under this section is hereby declared to be a public nuisance and the ***authority***[~~commission~~] may obtain an injunction against the same in the Circuit Court of the county where the unlicensed race is proposed to take place.

No person required to be licensed by this section may participate in any activity required to be licensed on association grounds during a race meeting without a valid license therefor. An applicant for a license shall submit to the ***authority***[~~commission~~] fingerprints as may be required and other information necessary and reasonable for processing a license application. The ***authority***[~~commission~~] is authorized to exchange fingerprint data with the Kentucky State Police and the Federal Bureau of Investigation in order to conduct a criminal history background check of an applicant. The ***authority***[~~commission~~] may issue a license if it finds that the financial responsibility, age, experience, reputation, competence, and general fitness of the applicant to perform the activity permitted by a license, are consistent with the best interest of racing and the maintenance of the honesty, integrity, and high quality thereof. A license shall be issued for the calendar year in which it is issued and may be renewed by the ***authority***[~~commission~~]. The license shall be valid at all horse race meetings in the Commonwealth during the period for which it is issued unless suspended or revoked under the administrative regulations promulgated by the ***authority***[~~commission~~] under this chapter. Section 13. KRS 230.320 is amended to read as follows:

(1) Every license granted under this chapter is subject to denial, revocation, or suspension by the ***authority***[~~commission~~] in any case where it has reason to believe that any provision of this chapter, administrative regulation, or condition of the ***authority***[~~commission~~] affecting it has not been complied with or has been broken or violated. The ***authority***[~~commission~~] in the interest of honesty and integrity of horse racing may promulgate administrative regulations under which any license may be denied, suspended, or revoked.

(2) Following an informal hearing by the stewards, any licensee alleged to have committed a violation under subsection (1) of this section may request a stay of imposition of the stewards' decision. Pending appeal, a hearing on the request for stay shall be held within forty-eight (48) hours of the receipt of the request for a stay by the ***authority***[~~commission~~]. If the ***authority***[~~commission~~] is not able to hold a hearing within forty-eight (48) hours, the stay shall be automatically granted. It shall be the policy of the ***authority***[~~commission~~] to grant stays, unless:

(a) A licensee is alleged to have committed a flagrant violation of the duly-promulgated administrative regulations of racing which presents a clear and present danger to the immediate integrity of racing; and

(b) It is impossible for the ***authority***[~~commission~~] to secure necessary scientific evidence or indispensable witnesses within forty-eight (48) hours,

then the ***authority***[~~commission~~] or its designated hearing officer may refuse a request for the stay of any penalty imposed, as long as a hearing is held no later than thirty (30) days from the initial stewards' determination of a violation.

(3) If any license is denied, suspended, or revoked after an informal hearing by the stewards or by the ***authority***[~~commission~~] acting on a complaint or by its own volition, the ***authority***[~~commission~~] shall grant the applicant or licensee the right to appeal the decision, and upon appeal, an administrative hearing shall be conducted in accordance with KRS Chapter 13B.

(2) Other provisions of the Kentucky Revised Statutes notwithstanding, in a county containing a city of the third or fourth class, a limited sale precinct election may be held in any precinct containing a licensed racing association. The election shall be conducted in the same manner as provided for in KRS 242.1292. Upon approval of the proposition, a license shall be issued in accordance with subsection (1) of this section. SECTION 5. Withdrawal from compact and impact thereof on force and effect of compact.

Any party state may withdraw from this compact by enacting a statute repealing this compact, but no such withdrawal shall become effective until the head of the executive branch of the withdrawing state has given notice in writing of such withdrawal to the head of the executive branch of all other party states. If as a result of withdrawals participation in this compact decreases to less than three (3) party states, this compact no longer shall be in force and effect unless and until there are at least three (3) or more party states again participating in this compact.

ARTICLE IV
COMPACT COMMITTEE

SECTION 6. Compact committee established.

There is hereby created an interstate governmental entity to be known as the "compact committee," which shall be comprised of one (1) official from the racing commission or its equivalent in each party state who shall be appointed, serve and be subject to removal in accordance with the laws of the party state he represents. Pursuant to the laws of his party state, each official shall have the assistance of his state's racing commission or the equivalent thereof in considering issues related to licensing of participants in live racing and in fulfilling his responsibilities as the representative from his state to the compact committee. If an official is unable to perform any duty in connection with the powers and duties of the compact committee, the racing commission or equivalent thereof from his state shall designate another of its members as an alternate who shall serve in his place and represent the party state as its official on the compact committee until that racing commission or equivalent thereof determines that the original representative official is able once again to perform his duties as that party state's representative official on the compact committee. The designation of an alternate shall be communicated by the affected state's racing commission or equivalent thereof to the compact committee as the committee's bylaws may provide.

SECTION 7. Powers and duties of compact committee.

In order to carry out the purposes of this compact, the compact committee is hereby granted the power and duty to:

1. Determine which categories of participants in live horse racing, including but not limited to owners, trainers, jockeys, grooms, mutuel clerks, racing officials, veterinarians, and farriers, and which categories of equivalent participants in dog racing and other forms of live racing with pari-mutuel wagering authorized in two (2) or more of the party states, should be licensed by the committee, and establish the requirements for the initial licensure of applicants in each such category, the term of the license for each category, and the requirements for renewal of licenses in each category. Provided, however, that with regard to requests for criminal history record information on each applicant for a license, and with regard to the effect of a criminal record on the issuance or renewal of a license, the compact committee shall determine for each category of participants in live racing which licensure requirements for that category are, in its judgment, the most restrictive licensure requirements of any party state for that category and shall adopt licensure requirements for that category that are, in its judgment, comparable to those most restrictive requirements.
2. Investigate applicants for a license from the compact committee and, as permitted by federal and state law, gather information on such applicants, including criminal history record information from the Federal Bureau of Investigation and relevant state and local law enforcement agencies, and, where appropriate, from the Royal Canadian Mounted Police and law enforcement agencies of other countries, necessary to determine whether a license should be issued under the licensure requirements established by the committee as provided in paragraph 1 above. Only officials on, and employees of, the compact committee may receive and review such criminal history record information, and those officials and employees may use that information only for the purposes of this compact. No such official or employee may disclose or disseminate such information to any person or entity other than another official on or employee of the compact committee. The fingerprints of each applicant for a license from the compact committee shall be taken by the compact committee, its employees, or its designee and, pursuant to Public Law 92-544 or Public Law 100-413, shall be forwarded to a state identification bureau, or to an association of state officials regulating pari-mutuel wagering designated by the Attorney General of the United States, for submission to the Federal Bureau of Investigation for a criminal history record check. Such fingerprints may be submitted on a fingerprint card or by electronic or other means authorized by the Federal Bureau of Investigation or other receiving law enforcement agency.
3. Issue licenses to, and renew the licenses of, participants in live racing listed in paragraph 1 of this section who are found by the committee to have met the licensure and renewal requirements established by the committee. The compact committee shall not have the power or authority to deny a license. If it determines that an applicant will not be eligible for the issuance or renewal of a compact committee license, the compact committee shall notify the applicant that it will not be able to process his application further. Such notification does not constitute and shall not be considered to be the denial of a license. Any such applicant shall have the right to present additional evidence to, and to be heard by, the compact committee, but the final decision on issuance or renewal of the license shall be made by the compact committee using the requirements established pursuant to paragraph 1 of this section.
4. Enter into contracts or agreements with governmental agencies and with nongovernmental persons to provide personal services for its activities and such other services as may be necessary to effectuate the purposes of this compact.
5. Create, appoint, and abolish those offices, employments, and positions, including an executive director, as it deems necessary for the purposes of this compact, prescribe their powers, duties and qualifications, hire persons to fill those offices, employments and positions, and provide for the removal, term, tenure, compensation, fringe benefits, retirement benefits and other conditions of employment of its officers, employees and other positions.
6. Borrow, accept, or contract for the services of personnel from any state, the United States, or any other governmental agency, or from any person, firm, association, corporation or other entity.
7. Acquire, hold, and dispose of real and personal property by gift, purchase, lease, license, or in other similar manner, in furtherance of the purposes of this compact.
8. Charge a fee to each applicant for an initial license or renewal of a license.
9. Receive other funds through gifts, grants and appropriations.

SECTION 8. Voting requirements.

A. Each official shall be entitled to one (1) vote on the compact committee.

B. All action taken by the compact committee with regard to the addition of party states as provided in Section 3, the licensure of participants in live racing, and the receipt and disbursement of funds shall require a majority vote of the total number of officials (or their alternates) on the committee. All other action by the compact committee shall require a majority vote of those officials (or their alternates) present and voting.

C. No action of the compact committee may be taken unless a quorum is present. A majority of the officials (or their alternates) on the compact committee shall constitute a quorum.

SECTION 9. Administration and management.

A. The compact committee shall elect annually from among its members a chairman, a vice chairman, and a secretary/treasurer.

B. The compact committee shall adopt bylaws for the conduct of its business by a two-thirds (2/3) vote of the total number of officials (or their alternates) on the committee at that time and shall have the power by the same vote to amend and rescind these bylaws. The committee shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendments thereto with the Secretary of State or equivalent agency of each of the party states.

C. The compact committee may delegate the day-to-day management and administration of its duties and responsibilities to an executive director and his support staff.

D. Employees of the compact committee shall be considered governmental employees.

SECTION 10. Immunity from liability for performance of official responsibilities and duties.

No official of a party state or employee of the compact committee shall be held personally liable for any good faith act or omission that occurs during the performance and within the scope of his responsibilities and duties under this compact.

ARTICLE V

RIGHTS AND RESPONSIBILITIES OF EACH PARTY STATE

SECTION 11. Rights and responsibilities of each party state.

A. By enacting this compact, each party state:

1. Agrees (i) to accept the decisions of the compact committee regarding the issuance of compact committee licenses to participants in live racing pursuant to the committee's licensure requirements, and (ii) to reimburse or otherwise pay the expenses of its official representative on the compact committee or his alternate.
2. Agrees not to treat a notification to an applicant by the compact committee under paragraph 3 of Section 7 that the compact committee will not be able to process his application further as the denial of a license, or to penalize such an applicant in any other way based solely on such a decision by the compact committee.
3. Reserves the right (i) to charge a fee for the use of a compact committee license in that state, (ii) to apply its own standards in determining whether, on the facts of a particular case, a compact committee license should be suspended or revoked, (iii) to apply its own standards in determining licensure eligibility, under the laws of that party state, for categories of participants in live racing that the compact committee determines not to license and for individual participants in live racing who do not meet the licensure requirements of the compact committee, and (iv) to establish its own licensure standards for the licensure of nonracing employees at pari-mutuel racetracks and employees to separate satellite wagering facilities. Any party state that suspends or revokes a compact committee license shall, through its racing commission or the equivalent thereof or otherwise, promptly notify the compact committee of that suspension or revocation.

B. No party state shall be held liable for the debts or other financial obligations incurred by the compact committee.

ARTICLE VI

CONSTRUCTION AND SEVERABILITY

SECTION 12. Construction and severability.

This compact shall be liberally construed so as to effectuate its purposes. The provisions of this compact shall be severable, and, if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the Constitution of the United States or of any party state, or the applicability of this compact to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If all or some portion of this compact is held to be contrary to the constitution of any party state, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters.

Section 32. KRS 230.377 is amended to read as follows:

(1) Other provisions of the Kentucky Revised Statutes notwithstanding, a track may apply to the ***authority***[~~commission~~] for simulcasting and intertrack wagering dates. Applications shall be submitted in accordance with KRS 230.300. The ***authority***[~~commission~~] shall not approve the establishment or relocation of a receiving track within a radius of seventy-five (75) miles of a race track duly licensed as of July 15, 1992, without the prior written consent of the licensed track within whose seventy-five (75) mile radius the new receiving track would be located.

(2) On or before November 1 of each year, the ***authority***[~~commission~~] shall meet and award intertrack wagering dates to all tracks for the entire succeeding calendar year. In a geographic area containing more than one (1) track within a fifty (50) mile radius of another track, intertrack wagering, except for quarter horse racing, shall be limited to simulcasting and wagering on racing of the same breed of horse as the receiving track was licensed to race on or before July 15, 1998.

(3) The ***authority***[~~commission~~] shall approve no more than nine (9) tracks for participation in horse racing, intertrack wagering, and simulcasting. Any approval by the ***authority***[~~commission~~] of a change in location of these tracks shall be subject to the local-approval process contained in KRS 230.380.

(4) A track may by administrative regulation be required to simulcast its races to one (1) or more receiving tracks approved for simulcasting and intertrack wagering, as a prerequisite for the issuance of a license pursuant to KRS 230.300, provided that:

(a) Each track shall be permitted to exempt one (1) day of racing from simulcasting to both receiving tracks and simulcast facilities, at its discretion;

(b) Tracks in a county containing a city of the first class or a consolidated local government and tracks in an urban-county government shall not be required to simulcast to each other or to any other facility in those counties. This provision shall not be construed as requiring tracks within the same county to simulcast to each other; and

(c) In the absence of a contract between a host track and a receiving track, the commission shall be split as provided for in KRS 230.378(3).

(5) A track may receive simulcasts and conduct interstate wagering thereon subject to the following limitations which shall be in addition to the limitations set forth in KRS 230.3771:

(a) A track licensed to conduct thoroughbred racing may receive simulcasts and conduct interstate wagering on all thoroughbred horse races designated as graded stakes races by the Graded Stakes Committee of the Thoroughbred Owners and Breeders Association, Inc., without further consents or approvals.

(b) A track licensed to conduct harness racing may receive simulcasts and conduct interstate wagering on all harness horse races (both final and elimination) having a final purse in excess of seventy-five thousand dollars ($75,000) without further consents or approvals.

(c) A track licensed to conduct quarter horse racing may receive simulcasts and conduct interstate wagering on all quarter horse races designated as graded stakes races by the graded stakes committee of the American Quarter Horse Association, without further consents or approvals.

(d) A track which applies to the ***authority***[~~commission~~] to receive an interstate race of a different breed than the breed for which it is licensed by the ***authority***[~~commission~~] shall receive any simulcast of an interstate race through the intertrack wagering system upon approval by the ***authority***[~~commission~~]. Notwithstanding the foregoing, a track licensed to conduct horse racing may receive simulcasts and conduct interstate wagering on quarter horse races, subject to the limitations of KRS 230.3771.

(e) A track may receive simulcasts of special event races conducted in other states or foreign countries which are determined by the ***authority***[~~commission~~] to be of sufficient national or international significance or interest to warrant interstate wagering and if the simulcast of these races has been approved by the Kentucky Thoroughbred Owners and Breeders Association, Inc., the Kentucky Division of the Horseman's Benevolent and Protective Association, for thoroughbred races, and the Kentucky Harness Horsemen's Association for harness racing, and any track conducting live horse races of the same breed at the same time as the simulcast race.

(f) A track may also receive simulcasts and conduct interstate wagering on thoroughbred horse races other than those described in paragraphs (a) and (e) of this subsection if the simulcast of these races has been approved by the Kentucky Thoroughbred Owners and Breeders Association, Inc., and the Kentucky Horsemen's Benevolent and Protective Association, for thoroughbred races, and the Kentucky Harness Horsemen's Association, or its successor, for harness racing.

(g) The consent required by paragraph (f) of this subsection or by subsections (1)(g) and (2)(g) of KRS 230.3771 shall not be withheld:

1. For any reason not specifically related to financial harm to live horse racing; or

2. As a condition to the granting of any contractual or other concession not specifically related to the effects of interstate simulcasting on live horse racing in this Commonwealth, taken as a whole.

(h) A host track located in this state may receive simulcasting of not more than two (2) full cards of racing from another state, if both tracks race horses of the same breed and if:

1. The race date was previously granted by the ***Kentucky Horse Racing Authority***[~~Kentucky Racing Commission~~] to conduct live racing at the track located in this state;

2. Live racing was canceled due to weather conditions; and

3. The consent required by paragraph (e) of this subsection is obtained.

(i) The in-state track receiving the simulcast specified in paragraph (h) of this subsection shall offer that simulcast to all participating tracks and simulcast facilities in the intertrack wagering system.

(j) All interstate simulcasting shall be conducted in accordance with applicable federal laws.

(6) The ***authority***[~~commission~~] may promulgate necessary and reasonable administrative regulations for the purpose of administering the conduct of intertrack or interstate wagering and regulating the conditions under which wagering shall be held and conducted. Administrative regulations shall provide for the prevention of practices detrimental to the public interest and to impose penalties for violations. All administrative regulations shall be in conformity with the provisions of KRS Chapter 13A, KRS 138.510, and this chapter.

[~~(7) Subsections (2) and (3) of this section shall apply only to intertrack wagering dates awarded for calendar year 1993 and thereafter, and any unresolved intertrack wagering dates for calendar year 1992 shall be awarded pursuant to applicable provisions of law in effect immediately prior to March 30, 1992.~~]

Section 33. KRS 230.3771 is amended to read as follows:

(1) A thoroughbred track licensed to conduct thoroughbred racing may receive interstate simulcasts of thoroughbred horse races and quarter horse races, and conduct interstate wagering thereon, subject to the following limitations:

(a) A thoroughbred receiving track may receive interstate simulcasts of thoroughbred races and conduct interstate wagering thereon at any time of day and during any live thoroughbred horse race meet conducted in the Commonwealth of Kentucky so long as the thoroughbred receiving track conducting interstate wagering remits to the thoroughbred host track conducting a live meet, from the first awarded day of its live meet through the last awarded day of the same live meet, the amounts provided in paragraph (j) of this subsection.

(b) A thoroughbred host track which receives interstate simulcasts and conducts interstate wagering thereon during the period of time from the first awarded day of its live meet through the last awarded day of its live meet shall offer the simulcasts to all thoroughbred receiving tracks, all harness tracks not subject to the provisions of KRS 230.377(2), and all simulcast facilities through the intertrack wagering system.

(c) Except as otherwise prohibited by law, a receiving track shall conduct intertrack wagering on all live races of all thoroughbred host tracks on any day on which it receives an interstate simulcast for the purpose of conducting interstate wagering.

(d) No host track shall require that any receiving track or simulcast facility receive the interstate simulcast.

(e) If more than one (1) thoroughbred track conducts live racing at the same time on the same day, no track or simulcast facility may receive an interstate simulcast of thoroughbred races unless all thoroughbred tracks conducting live racing at the same time of day agree upon all interstate simulcasts to be received and the division of the thoroughbred host track's commission. If more than one (1) thoroughbred track conducts live racing at different times on the same day, the thoroughbred host track with the highest average daily handle, based on the preceding year, shall be the host track for purposes of splitting the commissions earned on interstate wagering at receiving tracks within the Commonwealth. For purposes of this subsection, average daily handle includes live handle, intertrack wagering handle, and simulcast facility handle. Also for purposes of this subsection, the time of day during which a host track conducts live racing commences with its first published post time and concludes ten (10) minutes after the published post time of its last race of the day, regardless of actual post times.

(f) Each thoroughbred track which desires to conduct interstate wagering pursuant to the provisions of this subsection shall during each year make application to the ***authority***~~[commission]~~ for no less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 and one hundred percent (100%) of the number of races scheduled to be run by the track in 1993.

(g) Notwithstanding paragraph (f) of this subsection, any thoroughbred track may apply for less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 or one hundred percent (100%) of the number of races scheduled to be run by the track in 1993, if written approval is obtained from the Kentucky Horsemen's Benevolent and Protective Association and the Kentucky Thoroughbred Owners and Breeders Association, Inc.

(h) A separate accounting on all interstate simulcasting shall be submitted to the ***authority***~~[commission]~~. The accounting shall be submitted in the same format and at the same time that the report for intertrack wagering is submitted.

(i) If the only simulcast or simulcasts a track participating as a host track makes available for interstate wagering through this state's intertrack wagering system on any race day are thoroughbred horse races designated as graded stakes races by the Graded Stakes Committee of the Thoroughbred Owners and Breeders Association, Inc., then the commission of the receiving track on these interstate wagers shall be split as prescribed by KRS 230.378(3); otherwise, the commission of the receiving track shall be split as prescribed by paragraph (j) of this subsection. Interstate simulcasts received by a thoroughbred host track under the conditions set forth in this paragraph shall not be subject to the conditions set forth in paragraphs (b), (c), (e), and (f) of this subsection.

(j) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:

1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;
2. Twenty-five percent (25%) to the thoroughbred host track designated by paragraphs (a) and (e) of this subsection. However, if the race does not occur between the first awarded day of a live meet and the last awarded day of the same live meet, an additional twenty-five percent (25%) shall be retained by the receiving track where the interstate wagering occurs;
3. Twenty-five percent (25%) to the purse program of the receiving track where the interstate wagering occurs; and
4. Twenty-five percent (25%) to the purse program of the thoroughbred host track designated by paragraphs (a) and (e) of this subsection. However, if the race does not occur between the first awarded day of a live meet and the last awarded day of the same live meet, then an additional twenty-five percent (25%) shall be paid to the purse program of the receiving track where the interstate wagering occurs.

(k) A simulcast facility's commission on interstate wagering on thoroughbred racing, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as provided in KRS 230.380(9).

(2) A harness track licensed to conduct harness racing may receive interstate simulcasts of harness horse races and conduct interstate wagering thereon subject to the following limitations:

(a) A harness receiving track may receive interstate simulcasts of harness races and quarter horse races, and conduct interstate wagering thereon at any time of day and during the course of any live harness horse race meet conducted in the Commonwealth of Kentucky so long as the harness receiving track conducting interstate wagering remits to the harness host track conducting a live meet, from the first awarded day of its live meet through the last awarded day of the same live meet, the amounts provided in paragraph (j) of this subsection.

(b) A harness host track which receives an interstate simulcast and conducts interstate wagering thereon during its live race meet shall offer the simulcasts to all thoroughbred receiving tracks not subject to the provisions of KRS 230.377(2), all harness tracks, and all simulcast facilities through the intertrack wagering system.

(c) Except as otherwise prohibited by law, a harness receiving track or a simulcast facility shall conduct intertrack wagering on all live races of a harness host track on any day it receives an interstate simulcast from a harness host track.

(d) No host track shall require that any receiving track or simulcast facility receive the interstate simulcast.

(e) If more than one (1) harness track conducts live racing at the same time on the same day, no track or simulcast facility may receive an interstate simulcast on harness races unless all harness tracks conducting live racing at that time of day agree upon the interstate simulcast to be received and the division of the harness host track's commission. If more than one (1) harness track conducts live racing at different times on the same day, the harness host track with the highest average daily handle, based on the preceding year, shall be the host track for purposes of splitting the commissions earned on interstate wagering at receiving tracks within the Commonwealth. For purposes of this subsection, average daily handle includes live handle, intertrack wagering handle, and simulcast facility handle. Also for purposes of this subsection, the time of day during which a host track conducts live racing commences with its first published post time and conclude ten (10) minutes after the published post time of its last race of the day, regardless of actual post times.

(f) Each harness track which desires to conduct interstate wagering pursuant to the provisions of this subsection shall during each year make application to the ***authority***[~~commission~~] for no less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 and one hundred percent (100%) of the number of races scheduled to be run by the track in 1993.

(g) Notwithstanding paragraph (f) of this subsection, any harness track may apply for less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 or one hundred percent (100%) of the number of races scheduled to be run by the track in 1993, if written approval is obtained from the Kentucky Harness Horsemen's Association, or its successor.

(h) A separate accounting on all interstate simulcasting shall be submitted to the ***authority***[~~commission~~]. This accounting shall be submitted in the same format and at the same time that the report for intertrack wagering is submitted.

(i) If the only simulcast or simulcasts a track participating as a harness host track makes available for interstate wagering through this state's intertrack wagering system on any race day are harness horse races (both final and elimination) having a final purse in excess of seventy-five thousand dollars ($75,000), then the commission of the receiving track on these interstate wagers shall be split as prescribed by KRS 230.378(3); otherwise, the commission of the receiving track shall be split as prescribed by paragraph (j) of this subsection. Interstate simulcasts received by a harness host track under the conditions set forth in this paragraph shall not be subject to the conditions set forth in paragraphs (b), (c), (e), and (f) of this subsection.

(j) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:

1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;
2. Twenty-five percent (25%) to the harness host track designated by paragraphs (a) and (e) of this subsection. However, if no live meet is occurring, an additional twenty-five percent (25%) shall be retained by the receiving track where the interstate wagering occurs;
3. Twenty-five percent (25%) to the purse program of the receiving track where the interstate wagering occurs; and
4. Twenty-five percent (25%) to the purse program of the harness host track designated by paragraphs (a) and (e) of this subsection. However, if no live meet is occurring, an additional twenty-five percent (25%) shall be paid to the purse program of the receiving track where the interstate wagering occurs.

(k) A simulcast facility's commission on interstate wagering on harness races, after deduction of applicable taxes and any amount required to be paid by contract to the track from which the interstate simulcast originated, shall be split as provided in KRS 230.380(9).

(3) A harness track may only receive interstate simulcasts of thoroughbred horse races and conduct interstate wagering thereon as provided in subsection (1)(b) of this section. A thoroughbred track may only receive interstate simulcasts of harness horse races and conduct interstate wagering thereon as provided in subsection (2)(b) of this section. A simulcast facility may only receive interstate simulcasts of thoroughbred and harness horse races and conduct interstate wagering thereon as provided in subsections (1)(b) and (2)(b) of this section.

(4) (a) A thoroughbred track licensed to conduct horse racing may receive interstate simulcasts of quarter horse races and conduct interstate wagering thereon, subject to the limitations stated in paragraph (b) of this subsection.

(b) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:

1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;
2. Twenty-five percent (25%) to the host track; and
3. Fifty percent (50%) to the quarter horse purse program within this state, to be allocated by the American Quarter Horse Association or its successor to supplement purses for quarter horse races in this state.

(5) (a) A harness track licensed to conduct horse racing may receive interstate simulcasts of quarter horse races and conduct interstate wagering thereon, subject to the limitations stated in paragraphs (b) and (c) of this subsection.

(b) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:

1. Twenty-five percent (25%) to the purse program of the receiving track;
2. Twenty-five percent (25%) to the purse program of the host track;
3. Twenty-five percent (25%) to the receiving track; and
4. Twenty-five percent (25%) to the host track.

(c) When a quarter horse race is run at a Kentucky race track, the commission to the Kentucky Quarter Horse Purse Program shall be twenty-two percent (22%) from the host track's purse share.

(6) Other provisions of the Kentucky Revised Statutes notwithstanding, any track in a geographic area that contains more than one (1) track within a fifty (50) mile radius of any other track may only receive interstate simulcasts on racing of the same breed of horse as the track was licensed to race on or before July 15, 1998, except any track may receive interstate simulcasts on quarter horse races.

Section 34. KRS 230.3773 is amended to read as follows:

(1) As used in this section, "interstate common wagering pool" means a pari-mutuel pool established in one (1) horse racing jurisdiction that is combined with comparable pari-mutuel pools from at least one (1) horse racing jurisdiction for the purpose of establishing payoff prices in the various jurisdictions.

(2) Interstate wagers at a receiving track may form an interstate common wagering pool with wagers at a track in another jurisdiction, and the receiving track may adopt the commission and breakage rates of the track at which the race is being run. The ***authority***[~~commission~~] may also approve types of wagering, distribution of winnings, and rules of racing for interstate common wagering pools that are different from those that normally apply in Kentucky.

(3) Wagers placed on any races run at track in Kentucky may be combined with wagers placed at tracks in other jurisdictions to form an interstate common wagering pool located either within or outside Kentucky.

(4) A track's participation in an interstate common wagering pool does not cause that track to be considered to be doing business in any jurisdiction other than the jurisdiction where the track is physically located. Excise taxes and commission rates may not be imposed on any interstate common wagering pool other than on amounts actually wagered in Kentucky. The combination of pari-mutuel pools as provided in this section constitutes the communication of wagering information for purposes of calculating odds and payoffs only and does not constitute the transfer of wagers in interstate commerce.

Section 35. KRS 230.378 is amended to read as follows:

(1) A receiving track may accept wagers only at the track where it is licensed to conduct its race meeting or conduct intertrack wagering. A receiving track may accept wagers through a telephone account wagering system. Wagers at a receiving track, simulcast facility, or on telephone account wagering shall form a common pool with wagers at a host track. This common pool requirement shall not apply to wagers made in connection with interstate simulcasting pursuant to KRS 230.3771; however, common pools shall be encouraged.

(2) Except as provided in KRS 230.3771(2), the commission of a receiving track, simulcast facility, or on telephone account wagering shall be the same as the commission of the host track as determined in KRS 230.3615 or 230.750.

(3) In the absence of a valid contract with a horsemen's organization, the commission of a receiving track, after deduction of applicable taxes and other applicable deductions, shall be split as follows: twenty-two percent (22%) to the host track, twenty-two percent (22%) to the purse program at the host track, twenty-two percent (22%) to the receiving track and twenty-two percent (22%) to the purse program at the receiving track. Twelve percent (12%) of the commission shall be allocated evenly between the host track and the receiving track to cover the cost of simulcasting, unless otherwise agreed to

by contract.

(4) The deduction for the backside improvement fund, as provided for in KRS 230.3615(4) shall not apply to the commission or pari-mutuel tax of a receiving track or telephone account wagering.

(5) A receiving track shall be exempt from the admissions tax levied in KRS 138.480 and from any license fee imposed by statute or regulation by the ***authority***~~[commission]~~.

Section 36. KRS 230.379 is amended to read as follows:

(1) A track may engage in telephone account wagering, if all moneys used to place telephone account wagers are on deposit in an amount sufficient to cover the wagers at the track where the account is opened. All moneys wagered by telephone account wagering shall be subject to the applicable pari-mutuel tax levied in KRS 138.510 and shall form a common pool with other pari-mutuel pools at the track for each posted race. The ***authority***~~[commission]~~ shall have authority to promulgate necessary and reasonable administrative regulations to regulate the conduct of telephone account wagering, including regulations for the deposit of funds by credit or debit cards or other means of electronic funds transfer.

(2) A track shall accept and tabulate a telephone account wager only from the holder of a telephone wagering account. (1) Except for the conduct of harness racing at a county fair, an excise tax is imposed on all tracks conducting pari-mutuel racing under the jurisdiction of the ***Kentucky Horse Racing Authority***[~~Kentucky Racing Commission~~]. For each track with a daily average handle of one million two hundred thousand dollars ($1,200,000) or above, the tax shall be in the amount of three and one-half percent (3.5%) of all money wagered during the fiscal year. A fiscal year as used in this subsection and subsection (3) of this section shall begin at 12:01 a.m. July 1 and end at 12 midnight June 30. For each track with a daily average handle under one million two hundred thousand dollars ($1,200,000) the tax shall be an amount equal to one and one-half percent (1.5%) of all money wagered during the fiscal year. However, effective January 1, 2001, if a host track located in this state is the location for the conduct of a one (1) day international horse racing event that distributes in excess of a total of ten million dollars ($10,000,000) in purses, an excise tax shall not be imposed on pari-mutuel wagering on live racing conducted that day at the race track. This tax exemption shall remain in effect for any succeeding one (1) day international horse racing event if the event returns within three (3) years of the previously-held event. For the purposes of this subsection, the daily average handle shall be computed from the amount wagered only at the host track on live racing and shall not include money wagered:

Money shall be deducted from the tax paid by host tracks and deposited to the respective development funds in the amount of three-quarters of one percent (0.75%) of the total live racing handle for thoroughbred racing and one percent (1%) of the total live handle for harness racing.

(2) An excise tax is imposed on:

(a) All licensed tracks conducting telephone account wagering;

(b) All tracks participating as receiving tracks in intertrack wagering under the jurisdiction of the ***Kentucky Horse Racing Authority***[~~Kentucky Racing Commission~~]; and

(c) All tracks participating as receiving tracks displaying simulcasts and conducting interstate wagering thereon.

A noncontiguous track facility approved by the ***Kentucky Horse Racing Authority***[~~Kentucky Racing Commission~~] on or after January 1, 1999, shall be exempt from the tax imposed under this subsection, if the facility is established and operated by a licensed track which has a total annual handle on live racing of two hundred fifty thousand dollars ($250,000) or less. The amount of money exempted under this subsection shall be retained by the noncontiguous track facility, KRS 230.3771 and 230.378 notwithstanding.

(4) An amount equal to two percent (2%) of the amount wagered shall be deducted from the tax imposed in subsection (2) of this section and deposited as follows:

(a) If the money is deducted from taxes imposed under subsection (2)(a) and (b) of this section, it shall be deposited in the thoroughbred development fund if the host track is conducting a thoroughbred race meeting or the Kentucky standardbred, quarter horse, Appaloosa, and Arabian development fund, if the host track is conducting a harness race meeting; or

(b) If the money is deducted from taxes imposed under subsection (2)(c) of this section, to the thoroughbred development fund if interstate wagering is conducted on a thoroughbred race meeting or to the Kentucky standardbred, quarter horse, Appaloosa, and Arabian development fund, if interstate wagering is being conducted on a harness race meeting.

These funds shall not be used for salaries or for operating funds for teaching, research, or administration. Funds allocated under this subsection shall not replace other funds for capital purposes or operation of equine programs at state universities. The Kentucky Council on Postsecondary Education shall serve as the administrative agent and shall establish an advisory committee of interested parties, including all universities with established equine programs, to evaluate proposals and make recommendations for the awarding of funds. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 154.22-040 is amended to read as follows:

(1) Each year the authority shall under its Rural Economic Development Assistance Program, on the basis of the final

unemployment figures calculated by the Department for Employment Services within the Cabinet for Workforce Development, determine which counties have had a countywide rate of unemployment exceeding the statewide unemployment rate of the Commonwealth in the most recent five (5) consecutive calendar years, or which have had an average countywide rate of unemployment exceeding the statewide unemployment rate of the Commonwealth by two hundred percent (200%) in the most recent calendar year, and shall certify those counties as qualified counties. A county not certified on the basis of final unemployment figures may also be certified as a qualified county if the authority determines the county is one (1) of the sixty (60) most distressed counties in the Commonwealth based on the following criteria with equal weight given to each criterion:

(a) The average countywide rate of unemployment in the most recent three (3) consecutive calendar years, on the basis of final unemployment figures calculated by the Department for Employment Services in the Cabinet for Workforce Development;

(b) In each county the percentage of adults twenty-five (25) years of age and older who have attained at least a high school education or equivalent, on the basis of the most recent data available from the United States Department of Commerce, Bureau of the Census; and

(c) Road quality, as quantified by the access within a county to roads ranked in descending order from best quality to worst quality as follows: two (2) or more interstate highways, one (1) interstate highway, a state four (4) lane parkway, four (4) lane principal arterial access to an interstate highway, state two (2) lane parkway and none of the preceding road types, as certified by the Kentucky Transportation Cabinet to the authority.

If the authority determines that a county which has previously been certified as a qualified county no longer meets the criteria of this subsection, the authority shall decertify that county. The authority shall not provide inducements for any facilities in that county and an approved company shall not be eligible for the inducements offered by KRS 154.22-010 to 154.22-070 unless the tax incentive agreements required herein are entered into by all parties prior to July 1 of the year following the calendar year in which the authority decertified that county. In addition, the authority shall certify coal-producing counties, not otherwise certified as qualified counties in this subsection, for economic development projects involving the new construction of electric generation facilities. A coal producing county shall mean a county in the Commonwealth of Kentucky that has produced coal upon which the tax imposed under KRS 143.020 was paid at any time. For economic development projects undertaken in a regional industrial park, as defined in KRS 42.4588, or in an industrial park created pursuant to an interlocal agreement in which revenues are shared as provided in KRS 65.245, where the physical boundaries of the industrial park lie within two (2) or more counties of which at least one (1) of the counties is a qualified county under this section, an eligible company undertaking an economic development project within the physical boundaries of the industrial park may be approved for the inducements under KRS 154.22-010 to 154.22-080.

(2) The authority shall establish the procedures and standards for the determination and approval of eligible companies and their economic development projects by the promulgation of administrative regulations in accordance with KRS Chapter 13A. The criteria for approval of eligible companies and economic development projects shall include but not be limited to the creditworthiness of eligible companies; the number of new jobs to be provided by an economic development project to residents of the Commonwealth; and the likelihood of the economic success of the economic development project.

(3) The economic development project shall involve a minimum investment of one hundred thousand dollars ($100,000) by the eligible company and shall result in the creation by the eligible company, within two (2) years from the date of the final approval authorizing the economic development project, of a minimum of fifteen (15) new full-time jobs at the site of the economic development project for Kentucky residents to be employed by the eligible company and to be held by persons subject to the personal income tax of the Commonwealth. The authority may extend this two (2) year period upon the written application of an eligible company requesting an extension.

(4) (a) Within six (6) months after the activation date, the approved company shall compensate a minimum of ninety percent (90%) of its full-time employees whose jobs were created with base hourly wages equal to either:

1. Seventy-five percent (75%) of the average hourly wage for the Commonwealth; or

2. Seventy-five percent (75%) of the average hourly wage for the county in which the project is to be undertaken.

(b) If the base hourly wage calculated in subparagraph (a)1. or (a)2. of this subsection is less than one hundred fifty percent (150%) of the federal minimum wage, then the base hourly wage shall be one hundred fifty percent (150%) of the federal minimum wage. In addition to the applicable base hourly wage calculated above, the eligible company shall provide employee benefits equal to at least fifteen percent (15%) of the applicable base hourly wage; however, if the eligible company does not provide employee benefits equal to at least fifteen percent (15%) of the applicable base hourly wage, the eligible company may qualify under this section if it provides the employees hired by the eligible company as a result of the economic development project total hourly compensation equal to or greater than one hundred fifteen percent (115%) of the applicable base hourly wage through increased hourly wages combined with employee benefits.

(c) The requirements of this subsection shall not apply to eligible companies which are nonprofit corporations established under KRS 273.163 to 273.387 and whose employees are handicapped and sheltered workshop workers employed at less than the established minimum wage as authorized by KRS 337.295.

For an eligible company, within a regional industrial park which lies within two (2) or more counties, the calculation of the wage and benefit requirement shall be determined by averaging the average county hourly wage for all counties within the regional industrial park.

(5) No economic development project which will result in the replacement of agribusiness, manufacturing, or electric generation facilities existing in the state shall be approved by the authority; however, the authority may approve an economic development project that:

(a) Rehabilitates an agribusiness, manufacturing, or electric generation facility:

1. Which has not been in operation for a period of ninety (90) or more consecutive days; or

2. For which the current occupant of the facility has published a notice of closure so long as the eligible company intending to acquire the facility is not an affiliate of the current occupant; or

3. The title to which is vested in other than the eligible company or an affiliate of the eligible company and that is sold or transferred pursuant to a foreclosure ordered by a court of competent jurisdiction or an order of a bankruptcy court of competent jurisdiction;

(b) Replaces an agribusiness, manufacturing, or electric generation facility existing in the Commonwealth:

1. The title to which shall have been taken under the exercise of the power of eminent domain, or the title to which shall be the subject of a nonappealable judgment granting the authority to exercise the power of eminent domain, in either event to the extent that normal operations cannot be resumed at the facility within twelve (12) months; or

2. Which has been damaged or destroyed by fire or other casualty to the extent that normal operations cannot be resumed at the facility within twelve (12) months; or

(c) Replaces an existing agribusiness, manufacturing, or electric generation facility located in the same qualified county, and the existing agribusiness, manufacturing, or electric generation facility to be replaced cannot be expanded due to the unavailability of real estate at or adjacent to the agribusiness, manufacturing, or electric generation facility to be replaced. Any economic development project satisfying the requirements of this subsection shall only be eligible for inducements to the extent of the expansion, and no inducements shall be available for the equivalent of the agribusiness, manufacturing, or electric generation facility to be replaced. No economic development project otherwise satisfying the requirements of this subsection shall be approved by the authority which results in a lease abandonment or lease termination by the approved company without the consent of the lessor.

(6) With respect to each eligible company making an application to the authority for inducements, and with respect to the economic development project described in the application, the authority shall request materials and make inquiries of the applicant as necessary or appropriate. Upon review of the application and completion of initial inquiries, the authority may, by resolution, give its preliminary approval by designating an eligible company as a preliminarily approved company and authorizing the undertaking of the economic development project. After preliminary approval, the authority may by final approval designate an eligible company to be an approved company.

Section 2. Whereas nonprofit corporations providing employment for rural handicapped Kentucky workers cannot fully utilize the Commonwealth's economic incentive programs, thereby endangering existing jobs and employment in Kentucky communities, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming law.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 227.710 is amended to read as follows:

No person, firm, copartnership, or corporation shall offer for sale, expose for sale, sell at retail, keep with intent to sell, possess, use, or explode any fireworks, except as follows:

(1) In cities the chief of the fire department, or mayor, or similar official where there is no fire department, and in counties outside of cities the county judge/executive, may grant permits for supervised public displays of fireworks by municipalities, fair associations, amusement parks, and other organizations or groups of individuals. Every display shall be handled by a competent operator to be approved by the public official by whom the permit is granted, and shall be of such character, and so located, discharged or fired as in the opinion of the official, after proper inspection, shall not be hazardous to property or endanger any person. Permits shall be filed with the Office of State Fire Marshal at least fifteen (15) days in advance of the date of the display. After the privilege is granted, sales, possession, use, and distribution of fireworks for the display shall be lawful for that purpose only. (2) The sale, at wholesale, of any fireworks for supervised displays by any resident manufacturer, wholesaler, dealer, or jobber, in accordance with regulations of the United States Bureau of Alcohol, Tobacco and Firearms, if the sale is to the

person holding a display permit as outlined in subsection (1) of this section. The permit holder shall present the permit along with other verifiable identification at the time of sale.

(3) The sale, at wholesale, of any kind of fireworks by any resident manufacturer, wholesaler, dealer, or jobber, provided the fireworks are intended for shipment directly out of state in accordance with regulations of the United States Department of Transportation.

(4) The sale and use in emergency situations of pyrotechnic signaling devices and distress signals for marine, aviation, and highway use.

(5) The use of fuses and railway torpedoes by railroads.

(6) The sale and use of blank cartridges for use in a show or theater or for signal or ceremonial purpose in athletics or sports.

(7) The use of any pyrotechnic device by military organizations.

(8) The use of fireworks for agricultural purposes under the direct supervision of the United States Department of the Interior or any equivalent or local agency.

(9) The sale of common fireworks as permitted pursuant to KRS 227.715.

Section 2. KRS 227.715 is amended to read as follows:

Except as provided in KRS 227.710, the common fireworks described in KRS 227.702(1) may be offered for sale, sold at retail, or kept with the intent to sell, only if the following requirements are met:

(1) Any person or business intending to sell common fireworks shall register annually with the state fire marshal's office, which may assess a fee of no more than *fifty*[~~five~~] dollars *($50)*[~~($5)~~] for each site at which fireworks shall be sold. The registration requirement under this section shall not apply to permanent business establishments which are open year round and in which the sale of fireworks is ancillary to the primary course of business;

(2) The annual registration required by subsection (1) of this section shall be received by the state fire marshal's office at least fifteen (15) days prior to offering fireworks for sale at the site for which the registration is intended;

(3) Each site at which fireworks are offered for sale shall have its registration certificate displayed in a conspicuous location at the site;

(4) Each site at which fireworks are offered for sale shall have a working fire extinguisher at the site, in compliance with NFPA Pamphlet 10;

(5) No common fireworks item shall be offered for sale if it has as part of its device any wings, fins, or other mechanism designed to cause the device to fly, or if it carries a cautionary label which includes in its description any of the following terms: "explosive," "emits flaming pellets," "flaming balls," "firecracker," "report," or "rocket;"

(6) No person or business shall give, offer for sale, or sell any common fireworks listed in KRS 227.702 to any person under sixteen (16) years of age;

(7) The state fire marshal may revoke the registration of any site which is in violation of a requirement of this section, or any other requirement provided pursuant to this chapter. If the violation renders any property especially susceptible to fire loss, and there is present such hazard to human life or limb that the public safety imperatively requires emergency action, the fire marshal may take that action, as provided in KRS 227.330(6).

Section 3. KRS 227.720 is amended to read as follows:

No permit shall be issued under KRS 227.710 unless the applicant shall give bond or evidence of liability insurance deemed adequate by the official to whom application for the permit is made, in a sum not less than *one million*[~~ten thousand~~] dollars *($1,000,000)*[~~($10,000)~~]. However, the local fire chief or state fire marshal may require a larger amount if in their judgment the situation requires it, conditioned for the payment of all damages which may be caused thereby either to a person or to property by reason of the permitted display, and arising from any acts of the licensee, his agents, employees or subcontractors.

In counties governed by a consolidated local government, trustees appointed by the mayor to serve in volunteer fire prevention districts shall reside within the boundaries of the consolidated local government. Section 2. KRS 67A.402 is amended to read as follows:

(1) (a) Except as otherwise provided in paragraph (b) of this subsection, any member who has at least five (5) years of total service credit as a member of the fund may purchase service credit, that is not otherwise purchasable, for up to a maximum of four (4) years of service. The member shall not be entitled to purchase any service credit for which he has been given credit in another defined benefit retirement fund; however, the member may purchase government service credit by transferring funds directly from another public defined benefit retirement plan if the member provides proof that he is not eligible for a retirement benefit from the other public defined benefit retirement fund.

(b) Any provision of law to the contrary notwithstanding, no service credit purchase under this subsection shall be counted toward the accrual of a health or other medical insurance retirement benefit in this retirement system.

(2) A member who purchases service credit shall file an application with the board ***no later than sixty (60) days prior to the anticipated service purchase date***~~[within the five (5) year period]~~. The member shall pay to the fund an amount which shall be determined by actuarial method consistent with the methods prescribed for determining the purchase of prior service credit which shall be the principal.

(3) Payment of the principal shall be made in a lump sum or payment of the principal and interest may be made by installments. Interest, at the annual rate of return on investments of the fund for the preceding year, shall be established by the commissioner of finance on or before August 31 of each year and shall be based on financial statements of the fund for the year ending June 30, except that the interest shall not be less than three percent (3%). Interest shall be added to the principal for the time period for which installments are to be made.

(4) If payments are made by installment, the cost of purchasing the service credit shall be recalculated annually based upon the member's current salary, the interest rate established by the commissioner of finance, and other factors required by the actuarial method. The member's payments shall be adjusted annually to reflect the annual recalculation of the cost of purchasing service credit. Installment payments shall be consecutive and the total number of monthly installments shall not be less than twelve (12) or more than two hundred forty (240). The member shall pay the installments by payroll deduction.

(5) Payments shall[~~ not~~] be considered accumulated contributions of the member and shall not be picked up by the urban-county government. No employer contribution shall be paid on the installments. The board shall determine how much of the total cost represents payment for one (1) quarter of the service to be purchased and the member shall receive service credit for one (1) quarter of the service each time this amount is paid.

(6) If the member dies, retires, or ceases to be a member of the fund before he has made all installment payments for the purchase of service credit, the fund shall refund to the member, his qualified surviving spouse, or his estate, the portion of any payment that does not represent a full quarter of service.

(7) A member who does not repay a refund of contributions, as provided in KRS 67A.500(3), shall be entitled to purchase service credit for prior membership service.

(8) The member may cancel a purchase obligation at any time, but once canceled, a member shall have forever forfeited, waived, and relinquished the right to purchase service credit.

The urban-county government shall certify the retiring member's unused, accumulated sick leave balance, up to a maximum of seven hundred and twenty (720) hours for members employed by the division of police and one thousand and eight (1,008) hours for members employed by the division of fire. The member's sick leave balance, expressed in days, shall be divided by the average number of working days per month and rounded to the nearest number of whole months. This number of months shall be added to the member's service credit for the purpose of determining his rate of retirement annuity pursuant to KRS 67A.430 and his total service credit pursuant to KRS 67A.400. The value of the unused, accumulated sick leave shall be based on the daily salary rate calculated from the member's last annual salary. Payment for unused sick leave, up to a maximum of seven hundred and twenty (720) hours for members employed by the division of police and one thousand and eight (1,008) hours for members employed by the division of fire, shall be incorporated into the annual salary of the final year of service, provided that the member contributes to the retirement fund the amount set forth in KRS 67A.510 and the urban-county government matches such contribution by the amount set forth in KRS 67A.520(1) on the unused, accumulated sick leave.

Section 4. KRS 67A.410 is amended to read as follows:

(1) Any member may, at his option, retire on a service retirement annuity[~~ upon or after attainment of the age of forty-six (46) years,~~] if he shall have completed at least twenty (20) years of total service. The annuity payable for minor children shall be divided and paid in equal amounts for each child to the parent or guardian of each child under eighteen (18), and directly to each child between the ages of eighteen (18) and twenty-three (23) who is regularly engaged in full-time educational activities. (3) The member's percentage of disability shall be the average of the impairment rating determined by two (2) physicians selected by the board under KRS 67A.480, using the latest edition of the American Medical Association's "Guides to the Evaluation of Permanent Impairment".

A member who is eligible for a certificate entitling him to a service retirement annuity under KRS 67A.410(2) shall not be eligible to receive this additional service retirement annuity payment until he attains the age of forty-six (46).

Section 8. KRS 67A.490 is amended to read as follows:

The minimum payment in such case shall be ***one thousand five***[~~three~~] hundred dollars ***($1,500)***[~~($300)~~]. If a widow's annuity, children's annuities or dependent parent annuities are payable after the death of the retired member, the amount of such death benefit, if any, shall be determined upon termination of annuity payments to all survivors of the member, whether such termination occurs by death, remarriage or other cause.

Section 9. KRS 67A.492 is amended to read as follows:

The surviving widow must have been married to the member for at least one (1) year prior to the member's death or six (6) months prior to the member's retirement in order to be eligible for the benefits provided in this section. ***On the effective date of this Act, the benefits provided by this section shall be made payable to the eligible surviving widow of any retired member who died on or after July 14, 2000.***

(2) Any member who retires on July 15, 1990, or thereafter, shall have the option at retirement to purchase an increased annuity allowance for his surviving widow. The amount of any such optional survivorship allowance shall be actuarially equivalent to the amount of retirement allowance otherwise payable to him. The member may elect either of two (2) options:

  (a) Survivorship seventy-five percent (75%). The member may elect to receive a decreased retirement allowance during his lifetime and have seventy-five percent (75%) of such retirement allowance continue after his death to his eligible widow until her death or remarriage.

  (b) Survivorship one hundred percent (100%). The member may elect to receive a decreased retirement allowance during his lifetime and have such retirement allowance continued at the same rate after his death to his eligible widow until her death or remarriage.

The House Committee Amendment No. 1 Title to **SB 133** is as follows:

SB 133, Amend title to read as follows: "AN ACT relating to animals.".

The Committee on Health and Welfare reported **HR 237, SB 88, SB 184, SB 276,** and **SJR 148** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HR 237, A RESOLUTION encouraging the President of the United States, the Kentucky United States Congressional Delegation, and the Governor of the Commonwealth of Kentucky to make it a priority to advance the commitment to community integration and personal security for individuals with mental retardation or other developmental disabilities by ensuring a stable, high quality, direct support workforce.

WHEREAS, there are more than 110,000 Kentucky citizens who are individuals with mental retardation or other developmental disabilities; and

WHEREAS, individuals with developmental disabilities include those with mental retardation, autism, cerebral palsy, Down syndrome, epilepsy, and other related conditions; and

WHEREAS, individuals with mental retardation or other developmental disabilities have substantial limitations on their functional capacities, including limitations in two or more of the areas of self-care, receptive and expressive language, learning, mobility, self-direction, independent living, and economic self-sufficiency, as well as the continuous need for individually planned and coordinated services; and

WHEREAS, for the past two decades individuals with mental retardation or other developmental disabilities and their families have increasingly expressed their desire to live and work in their communities, joining the mainstream of American life; and

WHEREAS, the U.S. Supreme Court, in its *Olmstead* decision, affirmed the right of individuals with mental retardation or other developmental disabilities to receive community-based services as an alternative to institutional care; and

WHEREAS, the demand for community supports and services is rapidly growing, as states comply with the *Olmstead* decision and continue to move more individuals from institutions into the community; and

WHEREAS, the demand will also continue to grow as family caregivers age, individuals with mental retardation or other developmental disabilities live longer, waiting lists grow, and services expand; and

WHEREAS, families and private providers that employ direct support professionals deliver the majority of supports and services for individuals with mental retardation or other developmental disabilities in the community; and

WHEREAS, direct support professionals provide a wide range of supportive services to individuals with mental retardation or other developmental disabilities on a day-to-day basis, including habilitation, health needs, personal care and hygiene, employment, transportation, recreation, and housekeeping and other home management-related supports and services so that these individuals can live and work in their communities; and

WHEREAS, direct support professionals generally assist individuals with mental retardation or other developmental disabilities to lead self-directed family, community, and social lives; and

WHEREAS, private providers and the individuals for whom they provide supports and services are in jeopardy as a result of the growing crisis in recruiting and retaining a direct support workforce; and

WHEREAS, providers of supports and services to individuals with mental retardation or other developmental disabilities typically draw from a labor market that competes with other entry-level jobs that provide less physically and emotionally demanding work, and higher pay and other benefits, and therefore these direct support jobs are not currently competitive in today's labor market; and

WHEREAS, annual turnover rates of direct support workers range from 40 to 75 percent; and

WHEREAS, high rates of employee vacancies and turnover threaten the ability of providers to achieve their core mission of providing safe and high-quality supports to individuals with mental retardation or other developmental disabilities; and

WHEREAS, direct support staff turnover is emotionally difficult for the individuals being served; and

WHEREAS, many parents are becoming increasingly afraid that there will be no one available to take care of their sons and daughters with mental retardation or other developmental disabilities who are living in the community; and

WHEREAS, this workforce shortage is the most significant barrier to implementing the *Olmstead* decision and undermines the expansion of community integration, placing the community support infrastructure at risk;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. The House of Representatives encourages the President of the United States, the Kentucky United States Congressional Delegation, and the Governor of the Commonwealth of Kentucky to make it a priority to advance the commitment to community integration and to personal security for individuals with mental retardation or other developmental disabilities by ensuring a stable, high quality, direct support workforce.

(4) Three (3) years from the date of a revocation, any person whose license has been revoked may petition the board for reinstatement. The board shall investigate his or her petition and may reinstate his or her license upon finding that the former licensee has complied with the provisions of this chapter and administrative regulations promulgated by the board and is again able to engage in the practice of psychology with reasonable skill, competency, and safety to the public.

(5) The board may, at its own discretion, reconsider, modify, or reverse its probations, suspensions, revocations, restrictions, or refusals to issue or renew licenses at any time.

"Section 3. KRS 159.051 is amended to read as follows:

(1) When a student age sixteen (16) or seventeen (17) drops out of school or is declared to be academically deficient, the school administrator or his designee shall notify the superintendent of schools of the district in which the student is a resident or is enrolled. The reports shall be made at the end of each semester but may be made earlier in the semester for accumulated absences. A student shall be deemed to have dropped out of school when he has nine (9) or more unexcused absences in the preceding semester. Any absences due to suspension shall be unexcused absences. A student shall be deemed to be academically deficient when he has not received passing grades in at least four (4) courses, or the equivalent of four (4) courses, in the preceding semester. The local school board shall adopt a policy to reflect a similar standard for academic deficiency for students in alternative, special education, or part-time programs.

(2) Within ten (10) days after receiving the notification, the superintendent shall report the student's name and Social Security number to the Transportation Cabinet. As soon as possible thereafter, the cabinet shall notify the student that his operator's license, permit, or privilege to operate a motor vehicle has been revoked or denied and shall inform the student of his right to a hearing before the District Court of appropriate venue to show cause as to the reasons his driver's license should be reinstated. Within fifteen (15) days after this notice is sent, the custodial parent, legal guardian, or next friend of the student may request an ex parte hearing before the District Court. The student shall not be charged District Court filing fees. The notification shall inform the student that he is not required to have legal counsel.~~[Revocation under this subsection shall not be permitted unless the local school district shall operate an alternative education program approved by the Department of Education designed to meet the learning needs of students who are unable to succeed in the regular program.]~~

(3) In order for the student to have his license reinstated, the court shall be satisfied that the license is needed to meet family obligations or family economic considerations which if unsatisfied would create an undue hardship or that the student is the only licensed driver in the household or the student is not considered a dropout or academically deficient pursuant to this section. If the student satisfies the court, the court shall notify the cabinet to reinstate the student's license at no cost. The student, if aggrieved by a decision of the court issued pursuant to this section, may appeal the decision within thirty (30) days to the Circuit Court of appropriate venue. A student who is being schooled at home shall be considered to be enrolled in school.

(4) A student who has had his license revoked under the provisions of this section may reapply for his driver's license as early as the end of the semester during which he enrolls in school and successfully completes the educational requirements. A student may also reapply for his driver's license at the end of a summer school semester which results in the student having passed at least four (4) courses, or the equivalent of four (4) courses, during the successive spring and summer semesters, and the courses meet the educational requirements for graduation. He shall provide proof issued by his school within the preceding sixty (60) days that he is enrolled and is not academically deficient.

(5) Withdrawal of a student from a public school with notification that the student will be home schooled shall not enable the student to avoid the consequences of this section if the basis for entry into home schooling is to avoid the consequences of this section. For purposes of this section, the student shall still be considered to have dropped out of school or to be academically deficient.".
